

## **The New Jersey Historical Commission (NJHC) Releases FY 2020 Project Grant Guidelines; Announces Two Workshops for Prospective Applicants**

The **New Jersey Historical Commission (NJHC)** is pleased to announce the release of its FY 2020 Project Grant Guidelines, in addition to two (2) project grant workshops for potential applicants ahead in January 2019. The workshops will serve several important purposes for those considering applying. This includes going over the FY 2020 Project Grant guidelines themselves, answering all questions (e.g. project types, eligibility etc.), and providing a demonstration on how to register and apply through the NJHC's online grants database – the **System to Administer Grants Electronically (SAGE)**.

### What's New for FY 2020:

With an emphasis on continually revisiting and updating its grant guidelines to maximize programmatic impact, the NJHC has introduced some new Project Grant eligibility guidelines for FY 2020. Among them:

- Organizations with budgets under \$100,000 may partner together to meet the budget and audience threshold on eligible New Jersey history projects.
- Organizations may only apply for Project Grant support from either the NJHC or their designated county re-grant agency (CHPP) in any calendar year.

NOTE: Organizations with budgets under \$100,000 may still apply for Project Grant support from the NJHC and GOS support from their county re-grant agency in the same calendar year.
