COVID PROTOCOLS AND GUIDELINES

Patriots Theater at the War Memorial is owned and operated by the State of New Jersey and must follow all current protocols and guidelines issued by the New Jersey Department of Health and Governor’s office for state-owned buildings. Please follow all posted instructions while visiting the War Memorial. Failure to follow these guidelines may result in expulsion from the theater without a refund.

- **Face Coverings:** Face coverings are required to be securely worn while inside the War Memorial, regardless of vaccination status, for all patrons, staff, volunteers, security, crew and artists (except while performing).

- **Social Distancing:** While under current NJ Department of Health and CDC guidelines, social distancing is optional, it is highly recommended to keep a distance of 6' from other people whenever possible.

- **Proof of Vaccination:** For certain performances, patrons and/or artists may be asked to show proof of vaccination, or proof of a negative COVID-19 test before being allowed entry. Please consult the Box Office where you purchased your tickets to find out if this will apply.

- **Health Screening:** If you are unwell or have recently been exposed to someone who has COVID-19, please stay home. If you are showing symptoms of COVID-19, you will be asked to leave. Contact the Box Office where you purchased your tickets to discuss your options.

In addition, the following steps have been taken for the health and safety of all who enter the building:

- **Improved Ventilation:** The HVAC systems have been upgraded to feature state of the art air filtration.

- **Cleaning:** All public areas and common touch points are thoroughly cleaned before and after each performance. Hand sanitizer stations are located throughout the venue.

Your cooperation is greatly appreciated during this pandemic. The show must go on!
