

Scouting Days 2018

Astronomy & Geology – Saturday, May 12, 2018

Archaeology & Astronomy – Saturday, October 20, 2018

\$6.00 per person

The New Jersey State Museum will offer **SCOUTING ASTRONOMY & GEOLOGY** on Saturday, May 12, 2018 and **SCOUTING ARCHAEOLOGY & ASTRONOMY** on Saturday, October 20, 2018.

During **Scouting Geology** and **Archaeology** sessions, you learn about the earth and the history of its human inhabitants from the Museum’s geologists, paleontologists and archaeologists and find out what these professionals do. Museum staff will be on hand to guide you through the State Museum’s collection of specimens, tools and maps. Don’t forget to bring your own collections if required for your badge.

In **Scouting Astronomy**, you will explore the constellations and how to find them in different seasons, as well as learn to use the Big Dipper to pinpoint the North Star. You will also learn to read star maps and to locate stars of different colors.

Participation will assist you in fulfilling many of the requirements for badges and other programs in Scouting.

Space is limited and **advance reservations are required**. **Cash payments cannot be accepted**.

For more information, please call (609) 292-8594 or (609) 984-3846, weekdays from 8:00 am to 4:00 pm.

RESERVATION FORM

Please return this portion of the form, with your check made payable to “Treasurer, State of New Jersey,” to:
