

Families First Discovery Pass

ABOUT THE PROGRAM

The New Jersey State Council on the Arts and the New Jersey Historical Commission have partnered with the NJ Departments of Human Services (DHS) and Health (DOH) to launch New Jersey's Families First Discovery Pass (FFDP) program. This program provides families and individuals enrolled in state assistance programs with free or highly discounted admission to arts and history organizations, venues and programs. The Families First Discovery Pass Program offers broad access to cultural experiences for New Jersey residents and helps cultural organizations engage new audiences with the goal of building long-lasting relationships. Residents who receive benefits through SNAP, WFNJ, Child Care Subsidy and/or WIC are eligible for free or steeply discounted cultural programs throughout the State.

HOW IT WORKS

Visitors use their Families First Card or WIC folder to identify they are eligible for a discount; the card or folder is not for payment. Any payment due should be paid with standard payment methods (cash, credit card). In general, the discount should be available any time for general admission, granted to the adult individual holding the card as well as children, and administered in the same way other discounts at these organizations are. However, the extent of the discount, and the number of people that the discount extends to per card, is up to each participating organization to decide. Certain special performances or exhibits may be exempt from the discount. Organizations may limit the number of spots available to card holders, if there is limited capacity for a class or performance.

See details below for each organizations' discounts, how to access them, where the organization is located, the class, performance or operating hours and contact information. Look to find out more about the cultural offerings you are interested in attending; purchase tickets online, at the box office, or over the phone as indicated. Most free admission programs don't require advance reservations or ticket "purchase"- but a few do- so check below to be sure. If you are not clear on the discount or how to access it, the organizations' phone numbers are listed and you can call them and ask how to use the Families First Discovery Pass Discount.

HOW ORGANIZATIONS CAN PARTICIPATE

Organizations can learn more and sign up to participate at the State Arts Council website: www.artscouncil.nj.gov. Organizations may enroll in the Families First Discovery Pass program at any time, however, promotional materials are updated three times per year. To offer a discount and be promoted during our current program year (currently through June 30, 2020), sign up online by: September 15th, January 15th, or May 1st.

Please continue to next page for list of participating organizations.

Current organizational participants, discounts and contact information:
