ACCESSIBILITY

The Arts Council is committed to ensuring its programs are accessible to all people. For assistance with accessibility accommodations related to this application, contact Access Coordinator Lindsay Dandeo at 609-984-7020 ([NJ Relay 711](#)) or lindsay.dandeo@sos.nj.gov.

ABOUT THE NEW JERSEY STATE COUNCIL ON THE ARTS

The New Jersey State Council on the Arts (Arts Council) is a division of the NJ Department of State, created in 1966 by Public Law Chapter 214 and consists of 17 Governor-appointed members and three ex-officio members representing the New Jersey Secretary of State, the Senate, and the Assembly. The Council's volunteer members are supported by a professional staff who carry out the Arts Council's programs and services from the State Capital in Trenton.

What We Believe

We believe the arts are central to every element we value most in a modern society including: human understanding; cultural and civic pride; strong communities; excellent schools; lifelong learning; creative expression; and economic opportunity.

Our Mission

In 1966, the legislature passed and the governor signed a law creating the Arts Council and directing us to do all that is necessary and appropriate to: support, encourage, and foster public interest in the arts; enlarge public and private resources devoted to the arts; promote freedom of expression in the arts; and facilitate the inclusion of art in every public building in New Jersey.

How We Are Funded

Public support for the arts in New Jersey comes from a dedicated, renewable revenue source - the Hotel/Motel Occupancy Fee - established in 2003. Additionally, the Arts Council receives an annual, competitive grant from the National Endowment for the Arts.

As the largest grant funder of the arts in New Jersey, the Arts Council is committed to providing annual and multi-year grants to New Jersey's nonprofit arts organizations, arts projects, and artists. Strategic, responsive, and responsible grantmaking is the Arts Council's highest priority, ensuring programs and services are equitable, accessible, and have the greatest possible statewide impact.

Commitment to Public Benefit and Equity

In New Jersey, we know that diversity is one of our greatest strengths. The Arts Council embraces the principles of diversity, equity, access, and inclusion in all aspects of our work. With a focus on learning, data, and accountability, we will continue to assess and challenge inequities, identify gaps in engagement and service, and focus on the details that shape systemic change.

WHAT IS A GENERAL PROGRAM SUPPORT GRANT?

General Program Support (GPS) grants provide annual support, over a three-year period, for the direct arts-related costs of a full-time (10 months or more) ongoing, New Jersey-based public arts program(s) that meets the Arts Council's eligibility criteria (pages 7-9). An arts program(s) may be proposed by non-arts missioned organizations, multimissioned organizations, or by arts-missioned organizations whose percentage of out-of-state activities make them ineligible for General Operating Support (GOS). Applicants are encouraged to thoroughly reference the [Glossary](#) and [FAQ](#) for additional GPS guidance and support.

Colleges and universities applying for GPS support must ensure the proposed program is designed for, open to, and promoted to the general public. Furthermore, the proposed program must not be affiliated with any faculty-based, student-based, or curricular activities.

Service organizations applying for GPS support should review the service organization definition in the [Glossary](#) for the purpose of this grant program. Applicants intending to apply in this panel category should contact the [Program Officer](#) in the appropriate panel category for support.

This grant is to be matched 3:1 (\$3 earned or raised and spent per \$1 received from the Arts Council). Please note that grant requests are not a guarantee of award level amounts. This guidance is meant to provide a context for the applicant, panelists, and the Arts Council.

GPS GRANT APPLICATION SCHEDULE

Please note that late submissions will not be accepted for any reason including technical/human error. Applicants are strongly urged to submit applications at least three days before the deadline. Requests for deadline extensions will not be permitted.

Note: An organization whose FY28 GPS application is not funded will have the opportunity to submit a GPS application at the Council's next top-of-cycle grant opportunity planned for FY31.

GRANT PERIOD ACTIVITIES

Each year, all activities attributed to this grant must take place between July 1 and June 30. Grant funds must be fully expended and all work completed by the end of the fiscal year.

APPLICATION ASSISTANCE AND SUPPORT

The following assistance is available to help applicants compose and submit an application.

1. [Arts Council Staff](#) is available to help with questions specific to the application. Program Officers in each discipline are reachable by telephone and email. Prior to contacting a Program Officer, applicants should read the guidelines thoroughly.
2. Virtual office hours. Please check the Arts Council's [website](#) for details and schedules.
3. Recorded mini webinars. These mini webinars detail various aspects of the application process and can be found on the Arts Council's [website](#).
4. Applicants should consult the [Frequently Asked Questions](#) and [Glossary](#) documents for additional guidance and support.

Helpful tip: Applicants seeking assistance are advised to contact [Arts Council Staff](#) well in advance of the application deadline. Please keep in mind that the volume of requests increases as the application deadline draws closer, and staff may not be able to return your call or email promptly. Your patience is appreciated. Deadlines will not be adjusted for unmet requests.

New GPS Applicants

Organizations new to Arts Council funding or the GPS grant opportunity are encouraged to speak with [Arts Council Staff](#) to discuss their organization's eligibility prior to filling out an application. This conversation should not replace the careful review of these guidelines, [Glossary](#), [FAQ](#), and online application assistance mini webinars.

- Doug West, Operations Specialist: NJSCA.SAGE@sos.nj.gov, 609-300-6951 ([NJ Relay 711](#))
- Robert Worshinski, Director of Operations: NJSCA.SAGE@sos.nj.gov, 609-633-1049 ([NJ Relay 711](#))

ADDITIONAL REQUIREMENTS

In addition, an applicant must be able to demonstrate that it meets all of the following eligibility requirements at time of application. Applicants applying in the Service organization panel category are exempt from some of these requirements. Consult the [FAQ](#) and [Glossary](#) for complete requirement guidance.

Budget Threshold

The applicant must be able to demonstrate it has maintained a \$100,000 arts program expense budget or higher beginning in FY25. Budget eligibility will be corroborated through narrative topic questions. This requirement was implemented alongside the staffing requirement to ensure that grantees have the administrative capacity to manage this grant.

Governance

The applicant must be governed by an independent board of directors responsible for the governance and administration of the organization, its programs, and finances. Colleges, universities, and municipalities have additional requirements in this area, see *Additional Requirements for Colleges, Universities, and Municipal Governments* below.

Mission

The applicant must have an active public-facing, on-going program (equivalent of at least 10 months annually) that has an artistic mission and focus for which it is seeking support.

New Jersey Audiences & Multicounty Impact

An eligible program must be able to demonstrate that the majority (51% or more) of its audiences and/or activities take place in New Jersey. In addition, the program must be able to demonstrate that its audiences come from at least two New Jersey counties. Colleges, universities, and municipal governments have additional requirements in this area, see *Additional Requirements for Colleges, Universities, and Municipal Governments* below.

The prioritization of New Jersey audiences and multicounty/statewide impact are two longstanding eligibility requirements for Arts Council funding. It is one of the key specifications differentiating GPS funding from Local Arts Program support.

Public Arts Programming

The applicant organization must have been in existence and providing its eligible arts program or service for at least two years prior to the application (beginning FY25).

Staffing

The arts program must be managed by a full-time, administrative staff person (35 hours/week at minimum) who meets the Arts Council's eligibility criteria. This requirement may be fulfilled by two individuals who work less than full-time. Please refer to the [Glossary](#) and [FAQ](#) for additional details. The staffing requirement ensures that grantees have the administrative

capacity to manage this grant effectively and maintain consistent communication during business hours.

Strategic Arts Program Plan

A well-defined strategic program plan aligns all aspects of an organization's arts program towards achieving common goals, fostering unity, and ensuring long-term success. It is an essential framework for programmatic sustainability, viability, and growth. In order to be considered for a GPS grant, organizations must have a current arts program plan. The length of time denoted by the plan is up to the organization.

Additional Requirements for Colleges, Universities, and Municipal Units of Governments

If the applicant is affiliated with a college, university, or municipal government, it must demonstrate that it is both programmatically and administratively distinct from its parent organization. To qualify for eligibility, the following must also be in place:

1. the proposed program must be designed for and prioritize public engagement, easily accessible, and not associated with an academic department or classes;
 - a. Grant funds cannot be used to support academic awards and work, including fellowships, scholarships, tuition, work study, or internship fees for student work, and it cannot support classes or workshops where college credit is given;
2. a community-based independent board or advisory committee responsible for the oversight of the proposed program;
3. an arts-based mission for the program that is separate from the parent organization;
4. an independent budget for the program that is separate from the parent organization; and,
5. demonstrated community support through the following:
 - a. 25% of the revenue required for the 3:1 cash match must come from sources outside the parent organization. The Arts Council defines community support as corporate/foundation support, ticket/admission sales, and individual contributed revenue. County, State, and/or federal grants do not satisfy the requirement.
 - b. If affiliated with a college or university, the applicant must provide programs or services to the general public and must document that its activities serve 75% or more non-student or faculty audiences across two or more counties.

My organization doesn't meet all the GPS eligibility requirements. What are our options?

Applicants that cannot meet all the Arts Council's GPS eligibility requirements are encouraged to consider applying for Arts Council support through their respective [County Arts Agency \(CAA\)](#), which receives a Local Arts Program (LAP) grant for this purpose.

- If you would like more information about the LAP opportunity, please contact Andrew Binger at 609-690-8312 ([NJ Relay 711](#)) and andrew.binger@sos.nj.gov or your CAA.

Applicant Capacity Check

Before applying, applicants are encouraged to critically examine their capacity for successfully managing a three-year GPS grant. Grantees must be prepared and able to uphold all GPS eligibility requirements for the duration of the grant period, including all State-mandated and Arts Council requirements. If a grantee has difficulty meeting the eligibility requirements and capacity benchmarks, the terms and conditions of its contract and funding can be impacted.

Below is a list of the responsibilities each grantee must assume. Please note that the majority repeat annually.

1. Register as a vendor with Department of Treasury's [NJSTART](#) before the submission of the GPS contract.
 - a. The [Quick Reference Guide](#) provides step-by-step instructions on how to register your organization as a vendor in [NJSTART](#).
2. Develop and manage a three-year ADA plan for compliance with the Americans with Disabilities Act.
 - a. First-time grantees must complete the Cultural Access Network's [Self-Assessment Survey and Planning Tool](#) and submit an ADA plan via an online portal by **January 8, 2028**.
 - b. For more information regarding this requirement, please contact Lindsay Dandeo at 609-984-7020 ([NJ Relay 711](#)) or lindsay.dandeo@sos.nj.gov;
3. Submit an audit/Form 990 within six months of the organization's fiscal year, unless your organization is a municipality, college, or university.
4. Maintain annual compliance with the [NJ Charities Registration Bureau](#) and [Division of Revenue](#).
5. Work in SAGE to accurately complete and submit a contract and final report by the respective deadlines each year.
6. Engage in an Interim Conversation with your Program Officer at the mid-point of each fiscal year.
7. Host a site visit with your Program Officer at least once during the three-year grant cycle.

If you need help understanding how these eligibility requirements pertain to your organization, contact [Arts Council Staff](#).

GPS APPLICATION COMPONENTS

The application is comprised of 10 forms and two charts. (The Long-Term Residency Supplement form is optional.) All questions and support materials are required components.

Applicants are strongly encouraged to read the [Glossary](#) and [FAQ](#) documents in order to understand the full breadth of the application requirements. Consider these documents as an extension of the guidelines and a critical component to achieving success.

Note: The application and required support materials must be submitted in English. Please refer to the [FAQ](#) for information on translation assistance.

Organizational Profile Form: This form provides the essential information about the organization. The contact information listed in this form will be utilized by the Arts Council for all communication purposes for the duration of the grant. It is paramount that the information is current and accurate.

The [Grant Contact](#) should be the individual responsible for managing the grant in SAGE and is the organization’s primary Arts Council contact. This person must have the ability to speak on behalf of the organization for the duration of the grant cycle during regular business hours.

Type of Support: General Program Support is preselected for all applicants.

Panel Category: An applicant must identify one panel category that best fits its organization. Consult the [Glossary](#) for definitions as new categories have been added or combined.

Funding Purpose Summary: This form asks for the purpose of funding which may be used in public materials. The statement is limited to approximately 50 words or 300 characters, and it should contain the basic “who, what, where, and when” information.

Sample Statement: “The Arts Council’s GPS grant will help support the Textile Workshop, a contemporary year-round program of the Garden State History Museum. The mission of the workshop is to foster the study and the appreciation of the artistic merits and cultural importance of the world’s textiles through public programs, school-based residencies, and artist-in-residency opportunities.”

Grant Narrative: The narrative will be composed in seven text boxes corresponding to each of the Narrative Topics. Each text box is limited to approximately 3,000 characters. The narrative should directly address the Evaluation Criteria (pages 13-14) through the Narrative Topics which are provided on pages 14-17.

Helpful tip: Each Narrative Topic should clearly and concisely communicate your organization’s story to the panel and provide context for the materials in the application. The panel includes experts from outside of New Jersey who do not know your organization. Take care to carefully construct relevant information and details for reviewers who are new to your organization.

Long-Term Residency Supplement Form (optional): Organizations who have successfully completed two or more years of long-term, teaching artist-led residencies for youth aged 21 years and younger are eligible to request \$10,000 for the support of one Long-Term Residency Supplement (LTRS). Successful applicants will receive funding for one LTRS each year of the three-year grant cycle. This is a supplementary arts funding opportunity in addition to GPS support and does not require a match. (See Appendix II for the LTRS Rubric.)

Americans with Disabilities Act Organizational Checklist Form: This form covers basic accessibility and ADA (Americans with Disabilities Act) requirements. Areas queried include facilities, programmatic accommodations, marketing, employment, accessibility awareness training, and grievance procedures. In addition to the form’s questions, applicants are required to upload their board-approved non-discrimination policy and grievance procedure. (If awarded, a comprehensive self-assessment and plan will be required of grantees by January 2028. See page 10 of these guidelines for further information).

Board Chart Information Review Page: This chart identifies who serves on the organization’s current board and the advisory board (if applicable) for the program for which it is seeking support. If you are a returning grantee, please check for accuracy if the chart is already completed in SAGE and update as necessary.

Staff Chart: This chart identifies the program’s current staff, which must include, at minimum, the administrative staff that meets the Arts Council’s eligibility requirement. See the [Glossary](#) for details.

Finance Charts: There are two finance charts (Arts Program Income Chart and Arts Program Expense Chart) that comprise this portion of the application. Applicants will detail three years of financial information in the Income and Expense Charts for the **arts program's direct costs only**. Do **not** include pro-rated costs for non-direct program expenses. The budget chart will calculate a 10% overhead figure to the program's expense budget. Do not include figures that are listed in the Arts Council's ineligible expenses which are detailed in the [Glossary](#) and [FAQ](#).

Helpful tip: Use the Budget Notes section to describe or explain the information listed in the finance charts. The review panel expects accompanying budget notes to provide clear information about the organization's complete financial picture.

Images – Support Materials: Programmatic quality demonstrated through high quality images is important. Please follow form instructions, found on pages 19-20.

Media – Support Materials: Programmatic quality demonstrated through high quality audio and/or media clips is important. Please follow the instructions, found on pages 20-21.

Documents – Support Materials: This form is made up of one, fill-in text box and seven upload fields. Double check your entries to make sure the link is functional and the documents are complete PDFs. (pages 21-22)

Application Certification: In order to complete your application, an authorized official must sign and certify the application in SAGE.

Submission Instructions: After you have carefully reviewed the application, submit the application by clicking on the "Apply Status" button, under the "Status Changes" section of your application. To confirm your submission, check the "Current Status" section on the Application Forms Menu for "Application Submitted."

You may go back to the "View Full Application PDF" link and print a final copy of your application submission for your records.

Helpful tip: Carefully check that all information is accurate and complete, links are functional, and all support materials are uploaded before submitting. SAGE may not catch all errors; do not rely solely on its functionality.

EVALUATION CRITERIA & RUBRIC

Review and reference the Evaluation Criteria in composing your organization's narrative. Successful narratives address the Evaluation Criteria and are clear, supported by budgets, and directly link to support materials. Panelists will look for evidence of organizational capacity in accordance with the Evaluation Criteria and score based on the rubric (Appendix I).

Helpful tip: Before you finalize your narrative, evaluate its effectiveness by scoring it through the rubric (Appendix I).

1. **High artistic quality** throughout the proposed arts program that provides public benefit and value through impactful and relevant arts experiences. (10 points)
2. Significant **public benefit and community engagement** based on a clear understanding of those served by the proposed program. (10 points)
3. Commitment to **equitable and inclusive policy and practices**. (10 points)
4. Commitment to **arts education and lifelong learning** in the arts. (10 points)
5. **Operational excellence and capacity** demonstrated through appropriate fiscal and administrative resources, governance, and strategic planning. (30 points)
6. An **appropriate arts program budget** that includes sufficient resources. (30 points)

In addition, applicants will be asked to detail their commitment to raising public awareness, support, and advocacy for the arts and artists.

GRANT NARRATIVE FORM

The Narrative Topics are the framework for writing the narrative. Compose a narrative that will provide a panelist, who does not know your organization, the ability to clearly understand it in relation to the Evaluation Criteria. If you have unique circumstances that are not specifically queried, address them in the appropriate section.

Helpful tips:

1. It is a good idea to craft the narrative in a separate document and copy and paste it into the corresponding text box.
2. Specifically reference any uploaded or linked support materials in the narrative.
3. Please refrain from the use of acronyms.

Section 1: Artistic Quality

Note: “Artistic quality” is relative to the organization’s stated mission and goals.

Mission:

1. State the mission of the organization’s proposed arts program or services.
2. Briefly articulate its primary priorities and goals as adopted by the board (advisory committee for colleges, universities, and municipalities) and detailed in the strategic plan.

Programs/Services:

Section 2: Public Benefit and Community Engagement

1. Does the majority (51%+) of the organization's proposed arts program or service take place in New Jersey?
2. How does the organization determine that 51% or more of its proposed arts program or service takes place in New Jersey? (Fully explain how your organization determined this percentage. This could be a calculation of the location of total performances, hours of programming, a ratio of expenses, etc.)
3. What counties and community(ies) does your program intentionally serve and engage? What are their unique characteristics and needs, and how do you know?
4. How does your program reflect and incorporate the needs of the community(ies) it serves through its work?
5. **For colleges and universities:** Explain the difference between arts programming designed to engage with the general public vs. curricular programming and programming in support of the college/university academic work. What practices are in place in order to increase public engagement?

Artist Support:

1. What does your program purposely do to engage and benefit individuals (artists) doing work in the arts? (Provide an overview of how the program does this work. Describe how this work intentionally benefits artists.)
2. What percentage of artists engaged and benefited by your program live in New Jersey?
3. How did your organization determine this percentage?

For service organizations: Detailed descriptions and explanations regarding communities served should focus on the community of organizations, artists, and individuals supported by the applicant and how engaging with those communities benefit the people of New Jersey.

Section 3: Equitable and Inclusive Policies and Practices

The Arts Council is dedicated to making the arts accessible and engaging for people of all ages, abilities, and backgrounds. Equitable and inclusive policies and practices in the nonprofit arts sector vary based on internal and external influences. This section asks organizations to describe its efforts in both its public-facing work and in its governance, employment, and administrative practices.

1. Describe your organization's diversity, equity, access, and inclusion learning journey and the goals the organization has developed. (Highlight progress that your organization has made in this area over the past three years.)
2. How does your organization ensure its governance, employment, and administrative practices are equitable and inclusive? (Share specific examples of how your organization creates an inclusive environment for its staff, members, volunteers, and/or collaborators. This answer pertains to your internal work rather than your public programming.)
3. How does your organization ensure its public-facing work is equitable and inclusive? (Share specific examples of your organization's active and deliberate efforts to engage, include, and represent all New Jersey residents through your proposed program.)
4. Please describe how your organization is currently meeting and/or exceeding accessibility requirements under pertinent state and federal laws, both programmatically (public-facing offerings) and internally (offices/employees). (Include the ways your facilities, rented venues, programs, and website are accessible to individuals with disabilities. Share your leadership, policy and decision-making practices around accessibility.)

Section 4: Arts Education and Lifelong Learning

Please note: This section of the narrative is a required component of the application and is not related to the optional Long-Term Residency Supplement.

1. Describe how arts education and/or lifelong learning is a part of the program's mission and goals.
2. Describe your program's arts learning activities in school and community settings for learners of all ages. (Be sure to detail the types of programming that you offer, the populations you serve, and how you adapt programming to be inclusive of all learners. Please include details of how your programs are evaluated, including any informal or formal assessments or feedback.)
 - If you provide professional development or ongoing learning to artists, teaching artists, educators, or others, please detail the types of programming that you offer, the populations you serve, and how you adapt programming to be inclusive of all learners. Please include details of how your programs are evaluated, including any informal or formal assessments or feedback.
3. Describe how your organization works with and supports teaching artists through its proposed program.
4. If your program provides enrichment activities such as lectures/demonstrations, docent tours, pre- or post-performance discussions, and gallery talks, describe how these activities deepen the artistic experience for participants.

Section 5: Operational Excellence and Capacity

Operations/Strategic Planning: The Arts Council views the strategic planning process as a key indicator of the organization's present situation and potential future. Evidence of solid planning

to guide operations and arts program development for the next three years is critical to obtain General Program Support.

1. Describe your organization's most recent arts program/service planning process, including the role of the board, staff, leadership, and community to shape goal setting.
2. Describe how your organization monitors and adjusts its progress on an annual basis.
3. If your organization is developing a new plan, describe the process in the context of the existing plan.

Fiscal Soundness:

1. What are the organization's policies and procedures for ensuring sound fiscal controls?
2. Detail how the organization develops and monitors its arts program budget.
