

A Presentation to the New Jersey State Planning Commission

Hazard Planning in New Jersey:

What Should be the Role of the State
Planning Commission in Dealing
with Threats to New Jersey?

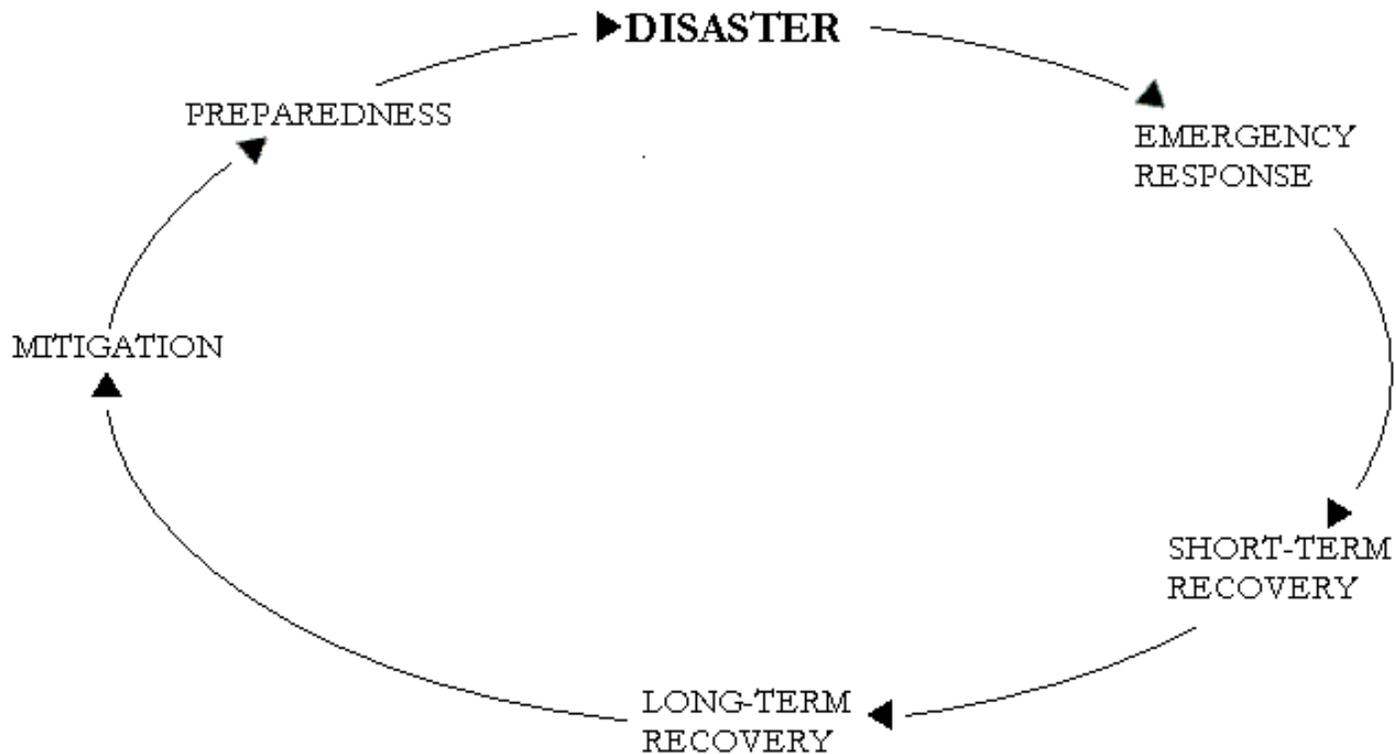

Office of Smart Growth

Karl Hartkopf –Planner

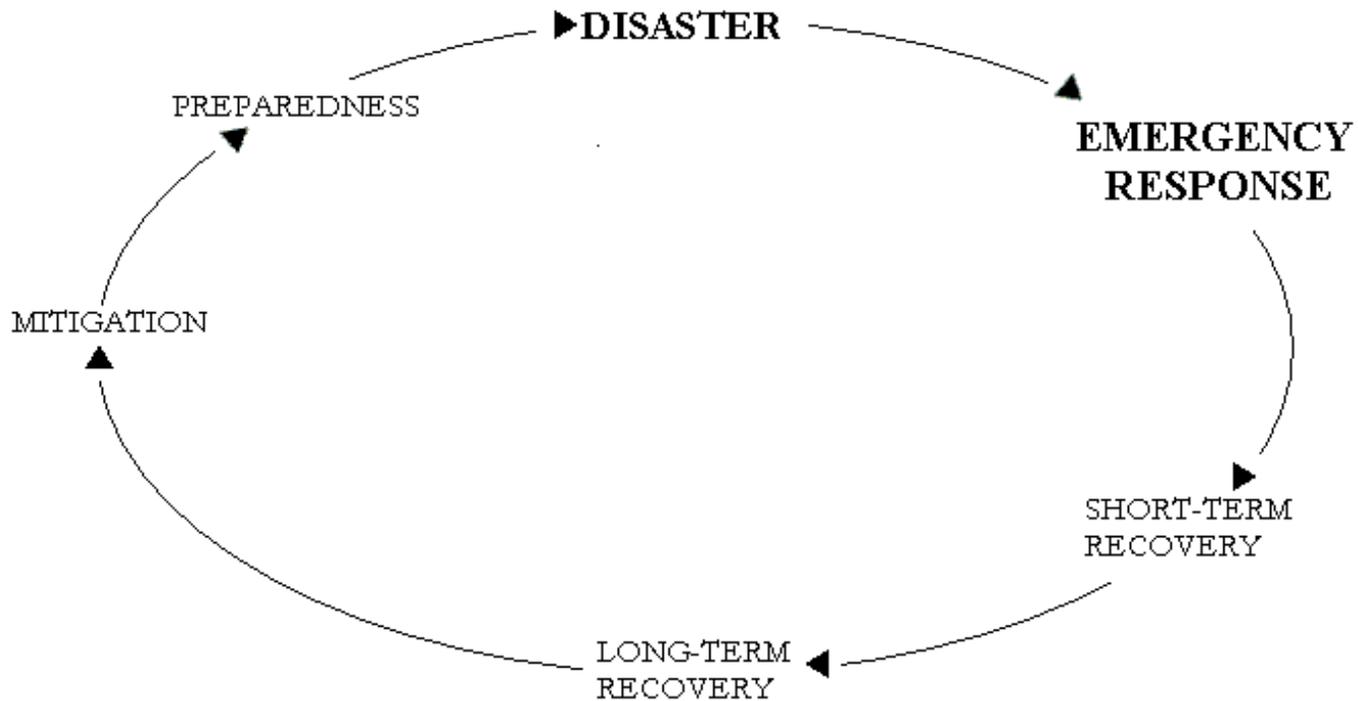

January 2006

Are We Prepared?

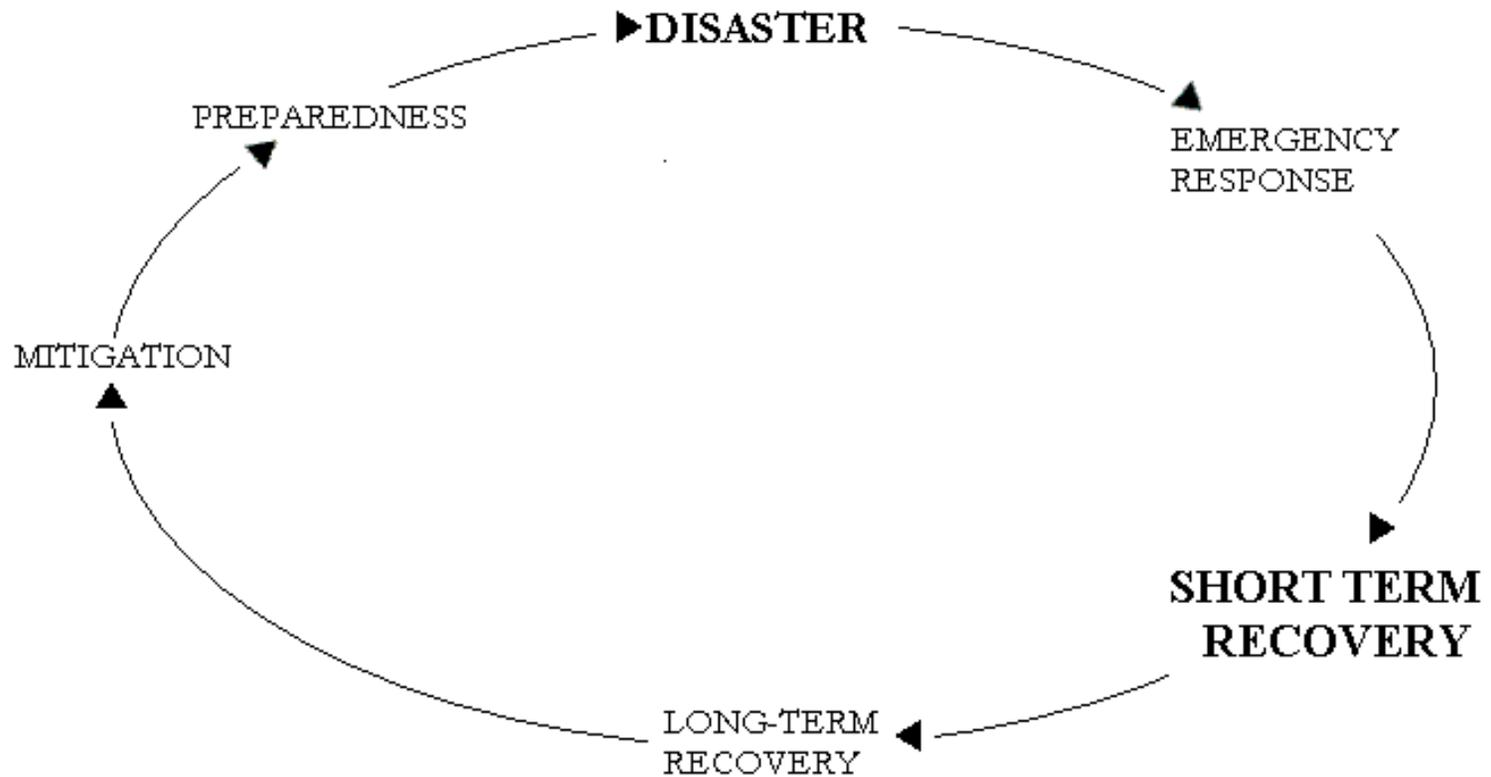

What Emergency Planning is Being Done in New Jersey?

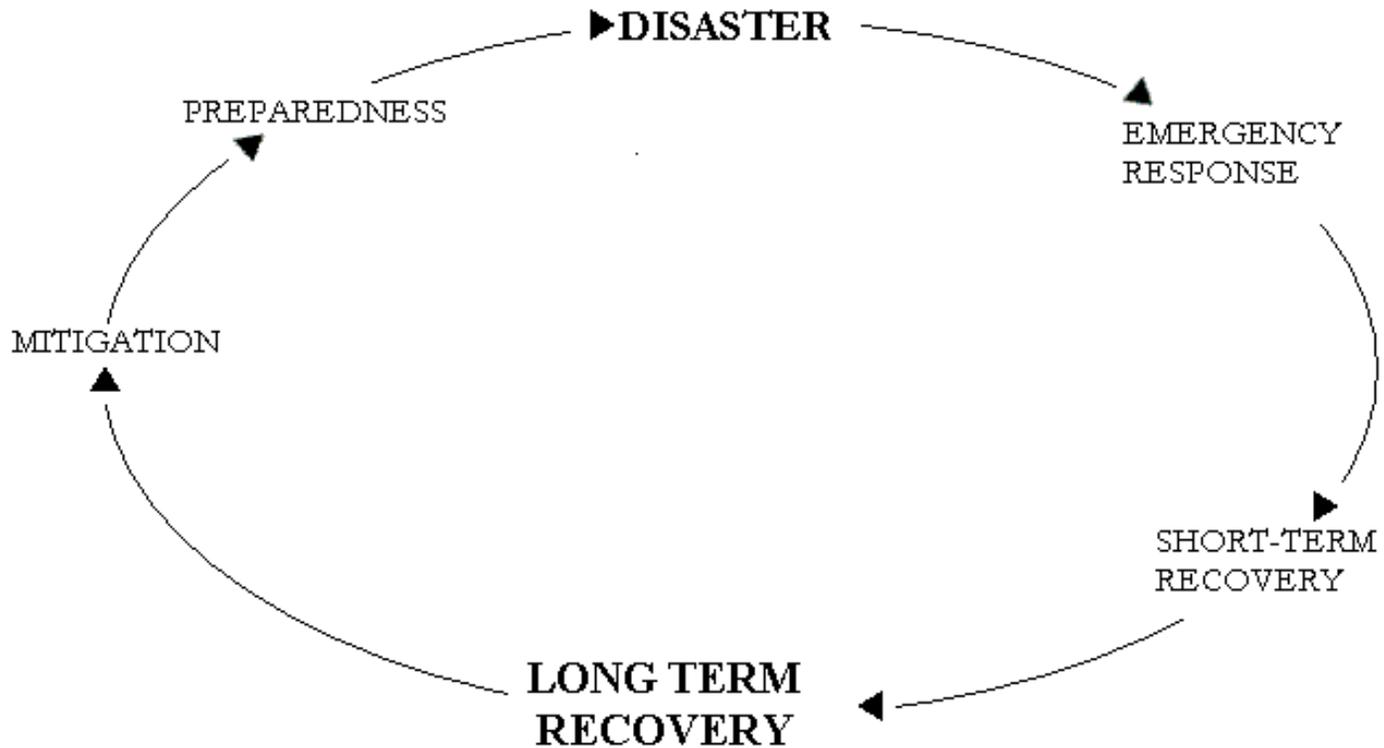

Emergency Response

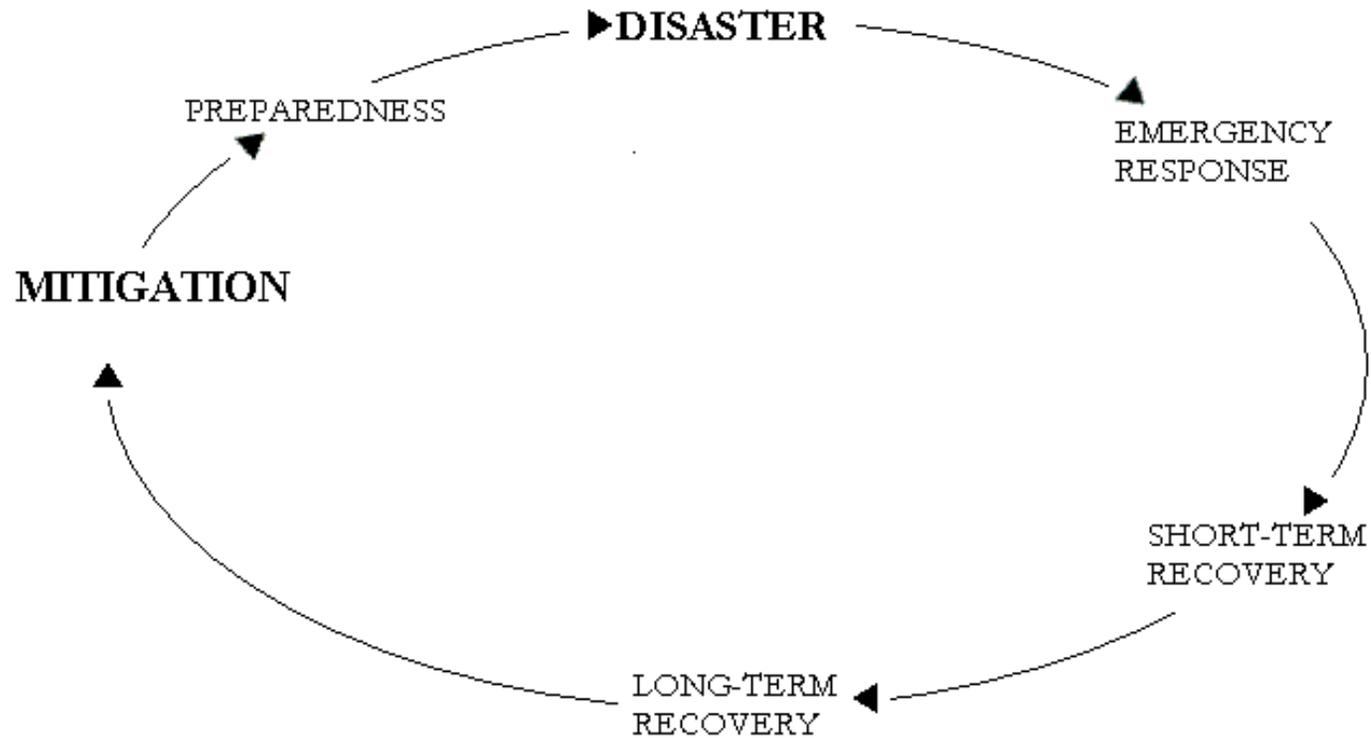

Short-Term Recovery

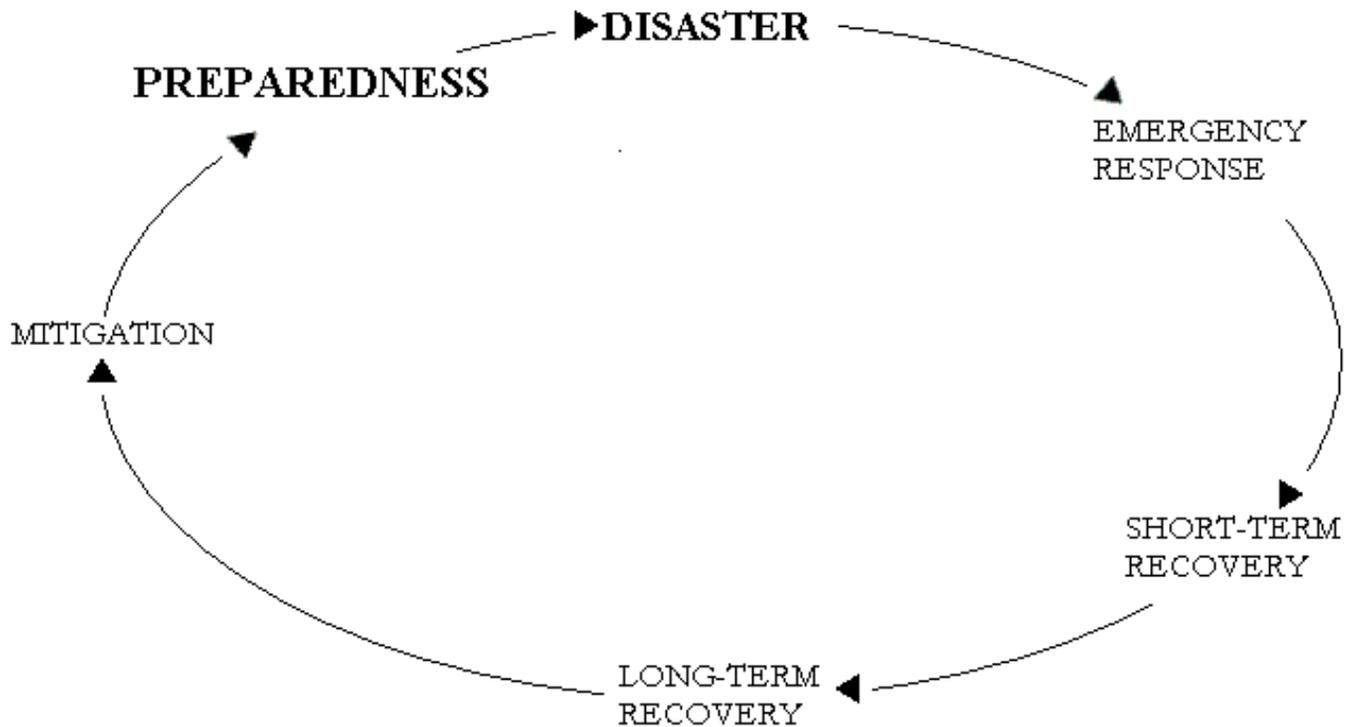

Long-Term Recovery

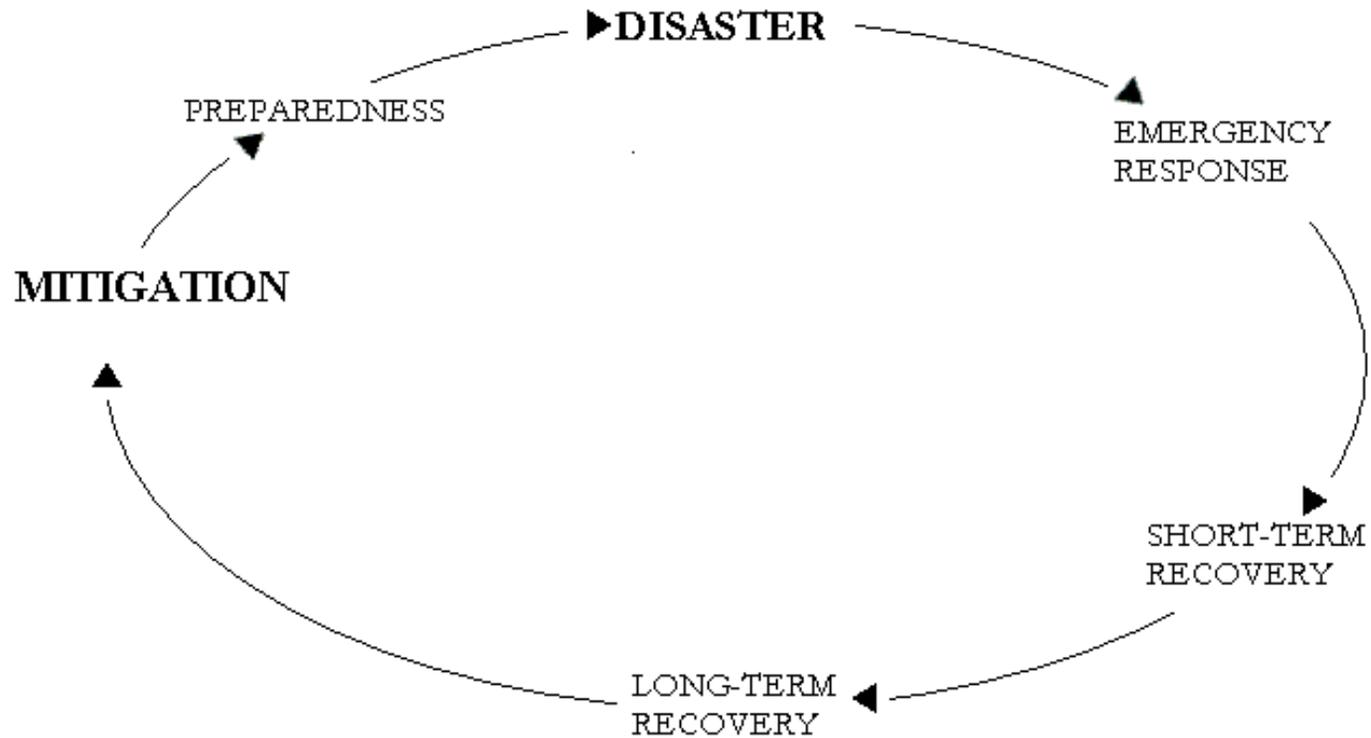

Mitigation

Preparedness

Mitigation

Building a Safer New Jersey –
The State of New Jersey Hazard
Mitigation Plan (SHMP)

The State Development and Redevelopment Plan (The State Plan)

Hazard & Vulnerability Analysis

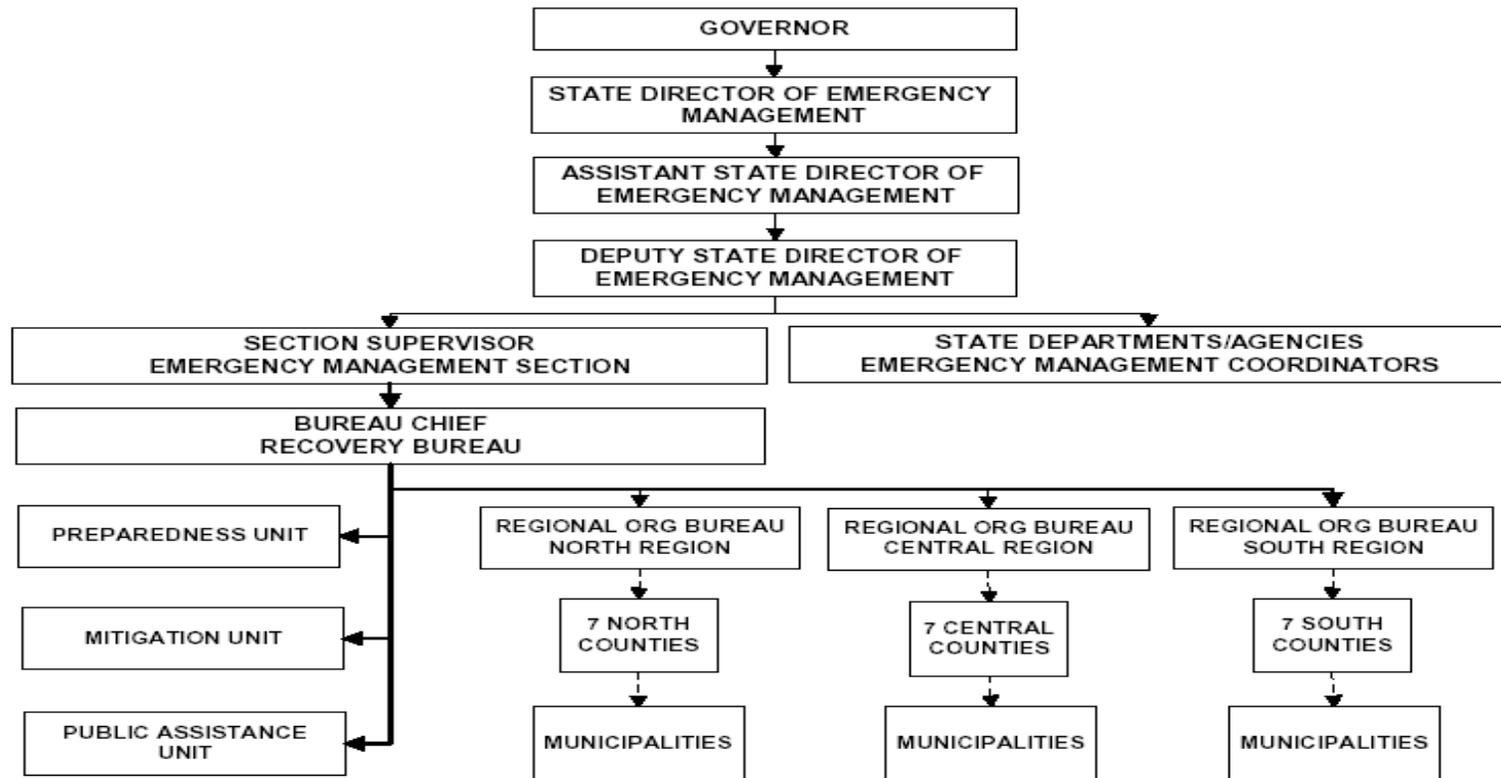

What Needs to be Done?

Good Mitigation can result in:

- (1) A reduction of disaster costs to infrastructure, property, and disruption of commerce
- (2) A reduction in loss of life and casualties
- (3) A reduced number of disasters

What Organizations Should be in Charge of Mitigation?
