POLICY MAP of the New Jersey State Development and Redevelopment Plan

The State Plan is not just a regulation but a statement of State policy that has been adopted by the State Planning Commission pursuant to statutory authority. The State Plan is to provide guidance for the formulation of development plans and programs of the various State agencies, for the coordination of the activities of the development agencies of the State, and for the coordination of the activities of the various local and regional development agencies, for the development of a comprehensive plan for the State, and for the purpose of promoting the public welfare. The State Plan is also to serve as a guide for the development of a comprehensive plan for the State, and for the purpose of promoting the public welfare.
