Instructions:

1. Fill in Route, Township(s) and County (ies).
2. Enter the seven (7) digit structure number which is shown in the upper right corner of the Plans, or as shown in the Straight Line Diagram Book.
3. Fill on the Description and Project/Contract name.
4. Enter the Manufacturer for the paint used ("IEU-3" & "Kop-Coat") NJDOT and the Paint System Code. For construction projects the paint system codes are found in Section 912 of the Special Provisions.
5. Enter the percentage of the structure that was painted and the components (bearings, beams etc) that were painted.
6. Enter the Resident Engineer, Prime Contractor and the Subcontractor (if applicable) that applied the paint.
7. For prime, intermediate or final coat, enter the date that the paint coat was completed and average thickness.
8. Print your name and title. Sign and date the form.
9. Mail the completed form to the address at the bottom of the form.
