## **Route 17 northbound left lane closure begins tomorrow for priority bridge repairs in Hasbrouck Heights, Bergen County Left lane will remain closed for approximately two months**

**(Trenton)** – New Jersey Department of Transportation (NJDOT) officials today announced that the left lane on Route 17 northbound near the Route 46 overpass in Hasbrouck Heights will be closed for approximately two months as a priority bridge repair project begins in Bergen County.

Beginning at 9 a.m. tomorrow, Tuesday, September 15, NJDOT's contractor, I.E.W. Construction Group, is scheduled to close the left and center lanes on Route 17 northbound near the Route 46 overpass in Hasbrouck Heights, Bergen County. These closures will allow the contractor to install construction barrier in the left lane, creating a work zone to install shoring columns necessary to complete concrete repairs. One lane of northbound traffic will be maintained.

By 3 p.m. Tuesday, September 15, the center lane will reopen. The left lane will remain closed for approximately two months as crews work to repair the bridge.

If work is completed early, the road will reopen sooner. The precise timing of the work is subject to change due to weather or other factors.

Motorists are encouraged to check NJDOT's traffic information website [www.511nj.org](http://www.511nj.org) for real-time travel information and for NJDOT news follow us on Twitter [@NJDOT\\_info](https://twitter.com/NJDOT_info) or on the [NJDOT Facebook page](https://www.facebook.com/NJDOT).
