## **Route 1&9 Truck overnight lane closures tonight for high priority repairs in Kearny**

**Left lanes will be closed in each direction to repair damaged drainage inlet**

**(Trenton)** – New Jersey Department of Transportation (NJDOT) officials today announced overnight lane closures on Route 1&9 Truck in each direction for high priority repairs in Kearny, Hudson County.

Beginning at 9 p.m. tonight, Wednesday, November 18, until 5 a.m. tomorrow, Thursday, November 19, NJDOT's contractor, Della Pello Paving, Inc., is scheduled to close the left lanes on Route 1&9 Truck in each direction between Hackensack Avenue and Central Avenue. These closures will allow the contractor to repair a damaged drainage inlet underneath the roadway. Two lanes of traffic will be maintained in each direction overnight.

The Route 1&9 Truck northbound right lane and ramp closures that were previously scheduled for tonight will be postponed. They are scheduled to resume Thursday night, weather permitting.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website [www.511nj.org](http://www.511nj.org) for construction updates and real-time travel information.
