Pulaski Skyway Kearny ramp to be closed during the day Thursday and Friday Closure necessary for priority lighting repairs

(Trenton) – New Jersey Department of Transportation (NJDOT) officials today announced the daytime closure of the Kearny ramp to and from the Pulaski Skyway on Thursday and Friday as the rehabilitation of the historic 89-year-old bridge advances.

From 8:30 a.m. until 2 p.m. tomorrow, Thursday, September 23 and Friday, September 24, NJDOT's contractor, Daidone Electric, is scheduled to close the Kearny ramp that allows traffic to exit the Pulaski Skyway southbound or enter the Pulaski Skyway northbound. The ramp lies between the Hackensack and Passaic Rivers and provides access to/from the South Kearny Peninsula. The closure is necessary to make priority lighting repairs.

The Pulaski Skyway rehabilitation project is being advanced through multiple construction contracts. The Department is carefully coordinating the Pulaski Skyway project with other regional transportation infrastructure projects to minimize traffic congestion.

The Department has a project hotline telephone number, 973-776-7400, and email, Pulaski.Skyway@dot.nj.gov. Anyone who has questions, concerns, or suggestions is encouraged to contact the Project Outreach Team as work progresses.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for real-time travel information and for NJDOT news follow us on Twitter [@NewJerseyDOT](https://twitter.com/NewJerseyDOT) or on the [NJDOT Facebook page](#).
