I-295 northbound right lane to be closed Monday in Bellmawr Daytime closure necessary for tunnel inspection

(Trenton) – New Jersey Department of Transportation (NJDOT) officials today announced the right lane on I-295 northbound will be closed Monday morning, October 11 for tunnel inspection work in Bellmawr, Camden County.

Beginning at 9 a.m. Monday, October 11 until 11 a.m., the right lane on I-295 northbound will be closed beginning near the Essex Road overpass after Exit 26 where the highway splits for I-76 toward Philadelphia/I-295 toward Trenton. The closure will continue through the tunnel and is necessary for an inspection of monitoring devices in the tunnel. Traffic from I-76 eastbound Exit 1B going into the tunnel will not be affected. Four lanes of traffic will be maintained in the tunnel. Motorists should expect congestion on I-295 northbound and Route 42 northbound.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for construction updates and real-time travel information.
