Route 166/Main Street to be closed and detoured tonight in Toms River, Ocean County Closure and detour necessary for watermain installation

(Trenton) – New Jersey Department of Transportation (NJDOT) officials today announced that Route 166/Main Street will be closed and detoured tonight for watermain installation in Toms River, Ocean County.

Beginning at 9 p.m. tonight, Thursday, June 9, until 5 a.m. Friday, June 10, Suez Water Company's contractor, J.F. Kiely Construction Co., is scheduled to close and detour Route 166/Main Street from Highland Parkway to East Water Street. The closure is necessary to install a new water system on the 600 block of Main Street. Local access will be maintained for residents and businesses. The following detours will be in place:

Route 166/Main Street northbound detour:

- Motorists on Route 166/Main Street northbound will be directed to turn right onto East Water Street/CR 527
- Turn left onto Hooper Avenue
- Turn left onto Route 37 westbound
- Turn right to continue on Route 166/Main Street northbound, which becomes Lakewood Road

Route 166/Main Street southbound detour:

- Motorists on Route 166/Main Street southbound will be directed to turn right onto Highland Parkway
- Turn left onto West Water Street/CR 527 back to Route 166/Main Street

For questions regarding the project, contact Suez Water Company at (866) 439-2837.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for construction updates and real-time travel information.
