## **Route 46 westbound ramp to Route 17 southbound to be closed and detoured this weekend in Hasbrouck Heights** **Closures required for curb and guiderail installation**

**(Trenton)** – New Jersey Department of Transportation (NJDOT) officials today announced that the Route 46 westbound ramp to Route 17 southbound will be closed this weekend for pavement preservation work in Hasbrouck Heights, Bergen County.

Beginning at 8 p.m. tomorrow night, Friday, June 17, until 6 a.m., Monday, June 20, NJDOT's contractor, Joseph M. Sanzari, Inc., is scheduled to close and detour the Route 46 westbound ramp to Route 17 southbound. The closure is necessary to remove and replace the old curb and guiderail. This is a continuation of work that began last week. The following detour will be in place:

### **Route 46 westbound ramp to Route 17 southbound detour:**

- Motorists on Route 46 westbound wishing to take the ramp to Route 17 southbound/Newark will be directed to keep left to continue on Route 46 westbound
- Take the ramp to Collins Avenue, just west of the pedestrian bridge over Route 46
- Turn left onto Pasadena Avenue
- Turn right onto Boulevard, which becomes Summit Avenue
- Turn right onto Route 17 southbound

The \$8.8 million federally-funded Route 46, Bergen Boulevard to Main Street roadway improvement project will resurface approximately two miles of Route 46 in Lodi, Hasbrouck Heights, and Teterboro, Bergen County. The project also includes the installation of ADA-compliant curbs and ramps, as well as traffic signal upgrades. The project is expected to be complete in summer 2022.

Motorists are encouraged to check NJDOT's traffic information website [www.511nj.org](http://www.511nj.org) for construction updates and real-time travel information.
