### **Green Street northbound and southbound ramps to Route 46 westbound to be closed this weekend in Teterboro** **Closures required for curb and guiderail installation**

**(Trenton)** – New Jersey Department of Transportation (NJDOT) officials today announced that the Green Street northbound and southbound ramps to Route 46 westbound will be closed this weekend for pavement preservation work in Teterboro, Bergen County.

Beginning at 8 p.m. tonight, Friday, July 8, until 6 a.m., Monday, July 11, NJDOT's contractor, Joseph M. Sanzari, Inc., is scheduled to close and detour the Green Street northbound and southbound ramps to Route 46 westbound. The closure is necessary to remove and replace the old curb and guiderail. This is a continuation of work that began last month. The following detours will be in place:

#### **Green Street northbound ramp to Route 46 westbound detour:**

- Motorists on Green Street northbound wishing to take the ramp to Route 46 westbound will be directed to continue on Green Street northbound
- Turn right onto North Street
- Turn right onto Huyler Street
- Stay right to merge onto Route 46 westbound

#### **Green Street southbound ramp to Route 46 westbound detour:**

- Motorists on Green Street southbound wishing to take the ramp to Route 46 westbound will be directed to turn left onto North Street, *which is before the ramp*
- Turn right onto Huyler Street
- Stay right to merge onto Route 46 westbound

The \$8.8 million federally-funded Route 46, Bergen Boulevard to Main Street roadway improvement project will resurface approximately two miles of Route 46 in Lodi, Hasbrouck Heights, and Teterboro, Bergen County. The project also includes the installation of ADA-compliant curbs and ramps, as well as traffic signal upgrades. The project is expected to be complete in summer 2022.

Motorists are encouraged to check NJDOT's traffic information website [www.511nj.org](http://www.511nj.org) for construction updates and real-time travel information. For NJDOT news follow us on Twitter [@NewJerseyDOT](https://twitter.com/NewJerseyDOT) and our [Facebook page](#).
