## **I-287 northbound local lanes to be closed this weekend into next week for paving in Bedminster Traffic to be detoured using I-287 Express Lanes**

**(Trenton)** – New Jersey Department of Transportation (NJDOT) officials today announced I-287 northbound local lanes are scheduled to be closed and detoured Saturday in Bedminster, Somerset County.

Beginning at 8 a.m. Saturday, July 23, until 12 p.m. Wednesday, July 27, the I-287 northbound local lanes are scheduled to be closed with traffic directed to the express lanes in Bedminster. In addition, beginning at 9 p.m. Saturday, July 23, until 12 p.m., Sunday, June 24, the right lane on I-287 northbound mainline is scheduled to be closed for milling and paving.

I-287 northbound Exit 21A to I-78 eastbound was closed in June because of a sinkhole. The ramp remains closed and detoured until further notice. NJDOT is in the process of constructing a temporary ramp to reopen the exit while a permanent repair is being designed.

**Motorists should expect heavy congestion and delays until the ramp is reopened and may want to consider alternate routes.**

The following detour will remain in place until further notice:

### **I-287 northbound Exit 21 ramp to I-78 eastbound Detour:**

- Motorists on I-287 northbound wishing to take the Exit 21A ramp to I-78 will be directed to continue on I-287 northbound
- Take Exit 26B/CR 525 north/Mt Airy Road north/Bernardsville
- Stay right to take the ramp to I-287 southbound
- Take Exit 21A to I-78 eastbound

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website [www.511nj.org](http://www.511nj.org) for construction updates and real-time travel information.
