Route 20 southbound lane and shoulder closure between East 37th and East 39th Streets starts tonight in Paterson Access will be maintained for local traffic

(Trenton) – The right lane and shoulder on Route 20 southbound between East 37th Street and East 39th Street will be closed starting at 9 p.m. tonight, Thursday, November 10 in Paterson, Passaic County.

The closures are necessary to set up concrete barrier to create a work zone and will remain in place until early next year. Access will be maintained for local traffic.

The \$48.5 million federally-funded Route 20 Paterson Safety, Drainage, and Resurfacing project will make upgrades and repairs along approximately four miles of Route 20 in Clifton and Paterson, Passaic County. In addition to drainage improvements, the project will include repaving, guiderail replacement, lighting and overhead sign installation, and upgrades to traffic signals, curbs and sidewalks. The project is expected to be completed by the fall of 2025.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for construction updates and real-time travel information.
