## **Jones Road southbound daytime closures this week for pavement repairs in Englewood, Bergen County Alternating traffic to be maintained on Jones Road northbound**

**(Trenton)** – New Jersey Department of Transportation (NJDOT) officials today announced that Jones Road southbound will be closed for pavement repairs this week as the Jones Road over Route 4 bridge replacement project advances in Englewood, Bergen County.

Beginning at 9 a.m. Wednesday, December 7, until 3 p.m., and again on Thursday, December 8, and Friday, December 9, at the same times, Jones Road southbound will be closed on the Jones Road Bridge over Route 4 for pavement repairs. Alternating traffic will be maintained on Jones Road northbound. Motorists are advised to slow down, use caution and expect delays or plan an alternate route.

The \$20.7 million federally-funded project will replace the Jones Road Bridge over Route 4 in Englewood Bergen County. The new bridge will be approximately three feet higher to improve under-clearance issues on Route 4. Work is expected to be complete in the summer of 2025.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website [www.511nj.org](http://www.511nj.org) for real-time travel information and for NJDOT news follow us on Twitter [@NewJerseyDOT](https://twitter.com/NewJerseyDOT) and on the [NJDOT Facebook page](#).
