## **Daytime closures on bridges over Route 130 in Mercer County Alternating traffic will be maintained on the overpasses**

**(Trenton)** – Daytime lane closures are scheduled this week on various bridges over Route 130 in Hamilton, Mercer County.

From 8 a.m. until 3:30 p.m. today, Tuesday, May 30, and continuing daily through Thursday, June 1, at the same times, several bridges over Route 130 will have a single lane closed with alternating traffic. The closures are necessary to make bridge joint and concrete repairs. The following is the schedule and bridges that will be affected:

- **Tuesday, May 30:** South Broad Street (CR 672)
- **Wednesday, May 31 and Thursday, June 1:** Yardville/Groveville Road (CR 609)

This work is part of the \$8.9 million federally funded bridge preventative maintenance contract that will make joint and concrete repairs to approximately 41 bridges on Routes 40, 47, and 130 in various locations across Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester, Mercer and Salem counties.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website [www.511nj.org](http://www.511nj.org) for construction updates and real-time travel information.
