FROM: The New Jersey Division of Pensions & Benefits (NJDPB)

SUBJECT: Change in Acceptable Proof to Add a Spouse to Health Benefits Coverage

Please be advised as of February 1, 2021, the New Jersey Division of Pensions & Benefits (NJDPB) will no longer accept Joint Ownership of Debt as proof to add a spouse to a member’s Health Benefits coverage. Along with a copy of the marriage certificate, acceptable proof will be a copy of the front page of the employee's federal tax return (Form 1040) from the previous year that includes the spouse. If filing separately, a copy of both spouses’ tax returns that list the same address can be submitted. If marriage occurred in the current calendar year, a copy of the tax return is not required. If a federal 1040 cannot be provided for any reason, we will accept a copy of employee's State tax return. Note: Members may black out all financial information and all but the last four digits of any Social Security Numbers on tax returns.
