E-MAIL MESSAGE TO EMPLOYERS — April 21, 2015

TO: Certifying Officers, State Biweekly Employers

FROM: The New Jersey Division of Pensions and Benefits

SUBJECT: NJWELL - Join Us for the Mid-Day Move in Downtown Trenton for all State Employees on June 3, 2015

The Division of Pensions and Benefits is pleased to announce the inaugural NJWELL "Mid-Day Move" for State employees working in the downtown Trenton area. On Wednesday, June 3* from 12:00 p.m. to 2:00 p.m., State employees are encouraged to take a "walking lunch" instead of a working lunch. In addition to walking the NJWELL Mid-Day Move route, employees are also encouraged to visit the informational booths for NJWELL, Aetna, and Horizon Blue Cross Blue Shield of New Jersey to learn more about the benefits of the NJWELL program. Several other healthy living vendors will also be in attendance. Keep checking the NJWELL website at: www.nj.gov/njwell for the latest information on the NJWELL Mid-Day Move.

Please forward the attached document *NJWELL-Midday-Move-2015.pdf* to your employees and post it throughout your worksites. Please also forward this link: https://www.surveymonkey.com/s/3DJB95Hand encourage your employees to register for this event.

*The rain date for the NJWELL Mid-Day Move is June 4.

DISTRIBUTION OF THIS LETTER

Certifying Officers should forward this message to their human resources staff, benefit administrators, and any other staff members responsible for the administration of benefits for employees.If you need to review previous e-messages, they are available on the Division's Web site at: http://www.state.nj.us/treasury/pensions   At the home page, go to "Online Services — Employer Pensions and Benefits Information Connection (EPIC)" and then on the EPIC page select "Archive of E-Messages."

Please note: It is important that the Certifying Officer's e-mail address is kept current with the Employer Pensions and Benefits Information Connection (EPIC) to assure the accurate and timely delivery of this information. Update your information using the Employer Demographics application in EPIC.
