Transmittal Electronic Payment System (TEPS) Online Payment User Guide
The Transmittal Electronic Payment System (TEPS) is a safe and efficient system that allows the employer to authorize payments from its bank account to the New Jersey Division of Pensions & Benefits (NJDPB) online. TEPS is used for making the remittance for payment types listed below:

- Employee pension payments;
- Contributory insurance payments;
- Supplemental Annuity Collective Trust (SACT) deductions;
- Tax-sheltered annuity payments;
- Transmittal shortages, which occur when the sum of the transmittals for the quarter does not equal the amount due on the Report of Contributions (not member shortages);
- Annual employer appropriation bills;
- Health benefits premium payments for both active and retired members; and
- Retroactive salary employee pension payments.

This User Guide details all the information you need to initiate and apply your TEPS Automated Clearing House (ACH) debit payment to your account easily and efficiently. Please read this entire guide before initiating your first payment. To obtain a full and detailed understanding of the ACH rules and regulations as managed by the National Automated Clearing House Association (NACHA), please contact the NACHA, your financial institution, or your local ACH association directly.

Cost
The cost of reporting an ACH debit transaction is assumed by the NJDPB. However, any financial fees incurred for the transfer of funds are not covered by the NJDPB. Check with your financial institution to get a complete understanding of its fee structure, since ACH processing policies and charges vary.

Daily Cutoff Time
For your payment to be timely, you must complete your submission to the TEPS program by 5:30 p.m. one business day prior to the day you wish to transfer the funds. Payments completed after this deadline will not be processed on the next business day, but on the second succeeding banking date.

Payment Warehousing
Payments may be scheduled up to 30 days in advance with the employer's choice of a debit date. This feature ensures timely filed TEPS payments when preparing and submitting payments well in advance of the due date. The NJDPB will not withdraw the payment from the employer's designated bank account until the date specified.

Holidays and Weekends
The TEPS online payment system is accessible 24 hours a day; however, the days of ACH settlement opportunity (i.e., debit) days are restricted to Monday through Friday. Submissions made on Saturday or Sunday are subject to settle on the next banking date. Payments cannot be processed on the following holidays observed by both the Federal Reserve System and the NJDPB:

January: New Year's Day; Martin Luther King, Jr. Day
February: President's Day
May: Memorial Day
July: Independence Day
September: Labor Day
October: Columbus Day
November: Veteran's Day; Thanksgiving Day
December: Christmas Day

Payment Cancellations and/or Inquiries
If you discover a reporting error, you may cancel a payment subject to next-day settlement or inquire on any payment made up to 60 days earlier.

On the TEPS website, your payment history will be displayed for the last 100 transactions or 360 days, whichever occurs first. Cancellations must be completed before the 5:30 p.m. cutoff deadline on the day the payment was reported. Once a payment has been canceled, it must be re-reported in its entirety before the 5:30 p.m. cutoff deadline, to settle on the next business day.
Proof of Payment
Once you have completed the payment in the TEPS program, you will be given a reference number as proof of your payment. This eight- or nine-digit reference number serves as the payment's tracking number should you later wish to inquire, cancel, or research the item; please retain for your records.

Registration Changes
Any modifications to your financial institution information on file must be promptly forwarded in writing.

You must complete and return a new Employer Authorization and Change Form - Transmittal Electronic Payment System (TEPS). You can obtain this form by downloading it from the NJDPB website or by calling the TEPS Hotline at 1-800-332-4125.

Note: When completing the authorization form, you must use the correct employer location number. Pensions Employer Location Numbers and Health Benefits Identification Numbers are different. For details regarding these numbers, please refer to the different payments types in this guide.
