New Jersey School Employees' Health Benefits Program: Aetna Medicare Advantage PPO ESA 15 (SEHBP) Coverage for: All Coverage Types | Plan Type: PPO

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, [insert contact information]. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at https://www.healthcare.gov/sbc-glossary/ or call 1-609-292-7524 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$0 – Deductible does not apply	First day, first dollar coverage. You do not have to meet a <u>deductible</u> amount before this plan begins to pay for covered services you use. See the chart starting on page 2 for how much you pay for covered services.
Are there services covered before you meet your deductible?	Yes. All eligible services.	This <u>plan</u> covers items and services that do not require a <u>deductible</u> to be met.
Are there other deductibles for specific services?	No	You don't have to meet <u>deductibles</u> for specific services, but see the chart starting on page 2 for other costs for services this plan covers.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	Yes. For in-network and out-of-network providers \$1,000 out of pocket maximum. This is a combined annual maximum for in-network and out-of-network services.	The <u>out-of-pocket limit</u> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the <u>out-of-pocket limit?</u>	Premiums, balance-billed charge for a Medicare provider who does not accept Medicare Assignment, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes, but not required as long as the provider accepts Medicare. For a list of in-network providers, see http://www.aetnamedicare.com/group/group_plans_intro.jsp or call 1-866-234-3129.	In and out-of-network benefits do not apply to the Medicare PPO ESA plan. However, members need to use a <u>licensed provider</u> with Medicare.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>r</u> eferral.

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
