Addendum 5: Notice Regarding Non-Disclosure Agreements

10/16/2025

Please be advised that potential bidders are required to execute the State's Non-Disclosure Agreement prior to receiving the State's confidential information which is being provided to potential bidders as part of this procurement. However, the State will not be executing a potential bidder's non-disclosure agreement or a mutual non-disclosure agreement as bidder are not providing the State with confidential information at this juncture.

Please be advised that if a bidder includes confidential information in its submitted proposal to the State it may indicate the same on the Confidentiality and Commitment to Defend Form which has been included as part of this procurement. Note that all bidder's designations of the confidentiality are subject to review by the State – See Section 3.5.6 of the Request for Quotes.
