Notification Date: 8/29/2025

Please be advised:

The quote submission due date for the above referenced Request for Quotes (RFQ) will be revised from 8/29/25 to a future date still undetermined due to the large volume of questions received during the Questions and Answers (QA) period.

The revised quote submission due date will be announced through an addendum once Division of Pensions and Benefits (DPB) is prepared to release answers to questions.
