

RFQ: Surgical Center of Excellence

Addendum 1: Exhibit 2-Technical Questionnaire and Exhibit 3- Nondisclosure Agreement (NDA)

7/17/25

Exhibit 2- Technical Questionnaire: Please be advised that Section 3.7 Management Overview of the Request for Quotes has been supplemented with the Exhibit 2- Technical Questionnaire. Bidders should submit complete responses to the Technical Questionnaire with their Quote in addition to their narrative in response to 3.7 Management Overview (copied below from the RFQ for reference).

3.7 MANAGEMENT OVERVIEW

The Bidder should set forth its overall technical approach and plans to meet the requirements of the RFQ in a narrative format. This narrative should demonstrate to the Evaluation Committee that the Bidder understands the objectives that the Contract is intended to meet, the nature of the required work, and the level of effort necessary to successfully complete the Contract. The narrative should demonstrate that the Bidder's approach and plans to undertake and complete the Contract are appropriate to the tasks and subtasks involved.

Mere reiterations of RFQ tasks and subtasks are strongly discouraged, as they do not provide insight into the Bidder's approach to complete the Contract. The Bidder's response to this section should demonstrate to the Evaluation Committee that the Bidder's detailed plans and approach proposed to complete the Scope of Work are realistic, attainable and appropriate, and that the Bidder's Quote will lead to successful Contract completion.

Exhibit 3-Nondisclosure Agreement (NDA): Bidders who decide to submit a Quote may complete the NDA if Bidder wishes to receive a Claim Data File displaying an estimation of the State Health Benefit's Program's claim population. Additionally, Bidders are to provide a secure access exchange portal for Division of Pensions and Benefits (DPB) to utilize in order to securely upload the Claims Data File sample once NDA is completed, reviewed and approved by DPB.
