#### Instructions for Form 302 Redevelopment Authority Project Tax Credit (Formerly the Urban Development Project Employees Tax Credit)

#### **Purpose of This Form**

This form must be completed by any taxpayer claiming an employees tax credit as provided for in the New Jersey Urban Development Corporation Act, P.L. 1985, c. 227, <u>N.J.S.A.</u> 55:19-13. If the taxpayer claims this credit on Form CBT-100, CBT-100U, or CBT-100S, a completed Form 302 must be included with the return to validate the claim.

This credit is only available to a corporation that is actively conducting a business at a location within a project, as defined in <u>N.J.S.A.</u> 55:19-3, which is being financed by, or being carried out under, an agreement with the Redevelopment Authority. Information on these projects may be obtained from the New Jersey Redevelopment Authority, PO Box 790, Trenton, NJ 08625-0790, phone (609) 292-3739.

Parts IV and V are used to calculate the allowable credit. Taxpayers filing Forms CBT-100 or CBT-100S complete Part IV and CBT-100U filers complete Part V. The Redevelopment Authority Project Tax Credit is allowed in the tax year following the tax year of qualification, and may be continued into a second tax year if such qualification continues. Complete Part IV or V as appropriate if the allowable tax credit is less than the total credit available for the current year. Any credit that remains after the second tax year following the tax year of qualification is forfeited.

## **Combined Return Filers**

If filing a combined return, the form must be completed by the member that earned the credit. All combined return filers must check the combined return filers box at the top of the form and complete Part V, Section A.

**Members Opting Not to Share.** In general, tax credits are earned by a member of the combined group and are shareable with the combined group. However, members are not required to share their credits. See <u>N.J.S.A.</u> 54:10A-4.6.i and TB-90(R), *Tax Credits and Combined Returns.* In addition to Section A, members that choose not to share must also complete Part V, Section B and fill in the oval at the top of the form to indicate they are not sharing the credit.

Taxpayers must include the appropriate credit form in the year the credit was earned even if they are not claiming the credit on their tax return.

## Part I – Taxpayer and Employee Preliminary Qualifications

The preliminary qualifications must be met by the taxpayer and each employee for which the one-time credit is claimed. If an answer to any one of the questions listed in Part I is "NO," the taxpayer is not entitled to the credit.

#### Part II – Employee Qualifications for the \$1,500 Credit

Once the preliminary qualifications have been met in Part I, the taxpayer must complete Part II to determine whether or not the eligible employee(s) qualifies the taxpayer for the \$1,500 credit. Complete the information requested on the schedule in Part II for each qualifying employee. Include a rider if additional space is required.

If the taxpayer is claiming credit for an amount carried over from the previous tax year, complete Part II with the information reported on the prior year's Form 302.

#### Part III – Calculation of Available Credit

Follow the instructions on lines 9 through 12 to calculate the total Redevelopment Authority Project Tax Credit.

#### Part IV – Calculation of the Allowable Credit Amount (for CBT-100 and CBT-100S-Filers only)

For CBT-100 and CBT-100S-filers, the allowable Redevelopment Authority Project Tax Credit for the current year is calculated in Part IV. Combined return filers do not complete Part IV, and must complete Part V instead. The amount of this credit in addition to the amount of any other tax credits taken cannot exceed an amount that would reduce the total tax liability below the statutory minimum.

Line 14 - The minimum tax is assessed based on the New Jersey Gross Receipts as follows:

New Jersey Gross Receipts	CBT-100	CBT-100S
Less than \$100,000	\$500	\$375
\$100,000 or more but less than \$250,000	\$750	\$562
\$250,000 or more but less than \$500,000	\$1,000	\$750
\$500,000 or more but less than \$1,000,000	\$1,500	\$1,125
\$1,000,000 or more	\$2,000	\$1,500

If a taxpayer is filing a separate return and is a member of an affiliated or controlled group that has a total payroll of \$5,000,000 or more for the return period, the minimum tax is \$2,000. Tax periods of less than 12 months are subject to the higher minimum tax if the prorated total payroll exceeds \$416,667 per month.

Line 16 – Taxpayers claiming multiple credits must list any credits already applied to the tax liability to ensure accuracy of the calculation for maximum credit allowable.

#### Part V – Calculation of the Allowable Credit Amount for Combined Return Filers

For CBT-100U filers, the total and allowable Redevelopment Authority Project Tax Credit for the current year is calculated in Part V. All combined return filers must complete Section A. Members that choose not to share their credit must also complete Section B.

#### Section A – To be completed by ALL combined return filers

This section calculates the amount of credit allowable for the group. If a member chooses not to share their credit with the group, Section A must still be completed to ensure the credit allowed for the member does not exceed the amount that would otherwise be allowed against the group tax liability.

The amount of the credit calculated in this section cannot reduce the tax liability to an amount less than the aggregate statutory minimum tax of the group members.

Line 20 - Multiply the number of taxable group members by \$2,000 and enter the result.

Line 22 – Combined groups claiming multiple credits must list any credits already applied to the group tax liability to ensure accuracy of the calculation for maximum credit allowable.

#### Section B

This section is used to calculate the amount of credit allowable for members that choose not to share their credit with the group. Section B is completed based on the member's share of the group tax liability. The amount of the credit calculated in this section cannot reduce the tax liability to an amount less than \$2,000. The amount of the credit is also limited to the amount that would otherwise be allowed against the group tax liability if the member had been sharing the credit.

Line 28 – Members claiming multiple credits must list any credits already applied to the member's tax liability to ensure accuracy of the calculation for maximum credit allowable.
