## State of New Jersey Department of the Treasury NEW JERSEY STATISTICS OF INCOME 2009 Income Tax Returns: Tax Filing Date April 15, 2010

## INTRODUCTION

This report contains individual gross income tax data for Tax Year 2009, complete through December, 2010. The statistics were based on the New Jersey Division of Taxation's Gross Income Tax file for Tax Year 2009. It contains records of the tax transactions of more than 4.36 million individual gross income tax accounts.

The report includes data on resident, non-resident, and fiduciary taxpayers. The total number of individual tax returns decreased by 92.8 thousand or $2.1 \%$ to $4,361.4$ thousand. Total gross income decreased $\$ 51.4$ billion, or $11.5 \%$, from $\$ 448.3$ billion to $\$ 396.9$ billion. Net charged tax decreased $\$ 699.1$ million, or $6.8 \%$ to $\$ 9,600.2$ million.

In tax year 2009 the minimum filing threshold for married filing jointly, household heads and surviving spouses was $\$ 20,000$. It was $\$ 10,000$ for married filing separately and single filers. If the taxpayer's gross income was $\$ 100,000$, the amount of retirement income that can be excluded from gross income was $\$ 20,000$ for joint filers, $\$ 10,000$ for married filing separately filers, and $\$ 15,000$ for individual filers.

The Property Tax Deduction/Credit program allowed eligible homeowners and tenants to deduct varying amounts of property taxes paid on their principal residence. The maximum level was $\$ 10,000$ if the filer reported at most $\$ 150,000$ in New Jersey Gross income. The ceiling fell to $\$ 5,000$ for returns reporting between $\$ 150,000$ and $\$ 250,000$. Filers reporting over $\$ 250,000$ were not eligible for the deduction. This means-test of the property tax deduction was effective for only the 2009 return year. This program resulted in a liability decrease of $\$ 396.5$ million, in contrast to the $\$ 517.5$ million liabilities savings in 2008. The Earned Income Tax Credit is 25 percent of the Federal credit since 2009. It went into effect in Tax Year 2000 for taxpayers with an eligible dependent and gross income under $\$ 20,000$. Almost 520,000 households claimed the credit for a total liabilities reduction $\$ 285.8$ million.

Two definitional changes have been made: a change with respect to return taxability and the income brackets. A return is classified as taxable if positive net payments are observed. Originally, a return was classified as taxable, if a positive net charged tax was reported. Net charged tax is defined as schedule tax less nonrefundable- and refundable credits. Net payments are defined as the sum of withholdings, estimated payments, final payments less refunds and credit requests. In theory, these two quantities are equal for a given return. The effect of the change is minimal, but users of the data should take this change into consideration. For example, the 2008 data indicate that under the previous classification $2,753.9$ thousand fullyear resident returns were deemed taxable. Under the current classification, 2,769.2 thousand returns are viewed as taxable. Secondly, the income brackets have been changed to the breaks used by the Internal Revenue Service in their Statistics of Income publications.

## Full Year Resident Filers

In order to provide consistency across years for the maximum amount of data, most of the information in this report deals with tax returns filed by those who were residents of New Jersey for all of 2009. The number of these taxpayers decreased by 70.2 thousand (1.8\%) from a 2008 level of $3,973.8$ thousand. Total gross income decreased by $7.2 \%$ to $\$ 282.6$ billion, while total tax liability decreased by $7.1 \%$ to $\$ 8.4$ billion. Total taxes paid by taxpayers with incomes under $\$ 100,000$ fell by $7.1 \%$ to $\$ 1.3$ billion. Total taxes paid by taxpayers with incomes between $\$ 100,000$ and $\$ 500,000$ decreased by $2.4 \%$ to $\$ 4.0$ billion. Total taxes paid by taxpayers reporting at least $\$ 500,000$ decreased by $12.4 \%$ to $\$ 3.7$ billion.

Wage income decreased by $5.3 \%$ to $\$ 219.8$ billion between 2008 and 2009. Net profits from business and distributive shares of partnership income decreased by $4.1 \%$ and $10.2 \%$, respectively. Income from Subchapter-S Corporations decreased $14.4 \%$ and net capital gains income fell by $42.8 \%$. Interest income decreased by $22.7 \%$ and dividend income decreased by 24.2\%.

Both income and tax liability are highly concentrated. In 2009, returns reporting at least \$100,000 in gross income comprised $20.3 \%$ of full-year resident returns ( 794.3 thousand of 3,903.6 thousand). This group accounted for $85.1 \%$ of net tax liabilities ( $\$ 7.2$ billion of $\$ 8.4$ billion) and $63.7 \%$ of gross income reported ( $\$ 180.1$ billion of $\$ 282.6$ billion). Returns reporting more than $\$ 500,000$ in gross income made $38.1 \%$ of net tax payments ( $\$ 3.2$ billion) and accounted for $17.9 \%$ of gross income reported ( $\$ 50.5$ billion). This group numbered about 39.3 thousand returns, or $1.0 \%$ of the full-year filing population. The 12.4 thousand returns ( $0.3 \%$ ) that reported at least one million in gross income accounted for $11.5 \%$ of gross income ( $\$ 32.4$ billion) and $27.3 \%$ of net liabilities ( $\$ 2.3$ billion).

Tables II. 1 presents a picture of income growth patterns over the 2008 and 2009 return years. Returns, gross income, and net charged tax are presented by gross income percentile for 2008 and 2009. The gross income percentiles for full-year residents can be found in Table F.

Full-year resident returns; amounts in millions.
Differences distribution based on absolute values of year-to-year changes in total income.
Gross income percentiles are shown in Table F.

Full-year resident returns filed fell by over 70,000 returns. Differences by percentile indicate that the lower one-half (below fiftieth percentile, or $\$ 38,114$ ) of the return distribution lost 50,755 returns (upper right-hand panel). This amounts to about $57.8 \%$ of the entire return losses (lower right-hand panel). Return losses above the ninety-ninth percentile $(\$ 501,833)$ comprised only $0.8 \%$ of the lost returns.

The trends in gross income and net charged tax are also negative. Gross income fell by $\$ 21.8$ billion from 304.4 billion in 2008, or $7.2 \%$; net charged tax fell by 647.5 million, or $7.1 \%$. These losses are concentrated at the top end of the return distribution. $41.0 \%$ of the reduction in gross income can be found in the top one-half percent of the income distribution. The 99.5 percentile was $\$ 759,074$. The top one-tenth ( 99.9 percentile was $\$ 2,016,361$ ) of the income distribution realized a gross income loss of $\$ 5.8$ billion, or slightly more than one-quarter of the total decrease. The corresponding liability reduction was $\$ 160.0$ million, which is $24.2 \%$ of the total losses. In general, the income losses were concentrated at the high-end: $71.9 \%$ of the income losses were realized by returns above the ninetieth percentile. The income level at this point was $\$ 150,973$ in 2009. It is noted that the degree of income loss seemed to increase with income. Net charged tax seems to follow a very similar pattern: $69.4 \%$ of the reductions in net charged tax are concentrated above the 90.0 percentile. Almost one-quarter are in the top one-tenth of the distribution.

Table I.2: Total Income Components: 2008-2009

2009.

Full-year resident returns; amounts in millions.
Differences distribution based on absolute values of year-to-year changes.
Unincorporated business income comprised of rental income, S-corporation income, partnership income and Schedule-C.
Miscellaneous income comprised of pension and annuity income, net gambling income, alimony, and another category.
Gross income percentiles are shown in Table F.

The data presented in Table I. 2 give a breakdown of the sources of change that are reflected in gross income. The year-to-year differences in income components sum to the change in total income. Total income differs from gross income by the unused retirement income exclusion and
the special income exclusion. This difference was $\$ 7.4$ billion in 2009. Total income fell by $\$ 23.1$ billion to $\$ 289.0$ billion during 2009. Employee compensation fell by $\$ 12.3$ billion. This indicates that employee compensation accounted for over one-half of the observed reduction in total income. The next largest contributors were unincorporated business income and net capital gains: both fell by roughly $\$ 3.6$ billion each, which suggests they made about a $30 \%$ contribution to the change in total income. Interest, dividends, and a catch-all group contributed 19\% to the observed change.

The changes in total income reflect the high degree of concentration described above: $47.4 \%$ of the total income losses were realized by returns in the top one percent of the return distribution. The $99^{\text {th }}$ percentile was $\$ 501,833$ in 2009. This is contrasted with the bottom $80 \%$ of returns which reported a total income reduction of a little more than one-third of the total loss. The $80^{\text {th }}$ percentile was $\$ 102,569$ in 2009. Returns in the $80^{\text {th }}$ percentile to $99^{\text {th }}$ percentile range bore about $30 \%$ of the total income reduction.

Employee compensation plays the largest role in determining the trend in total income: the loss of 12.3 billion accounts for $52.5 \%$ of reduction in total income. By income group, the top one percent of returns played the largest role, as their $\$ 4.9$ billion loss in employee compensation accounts for over one-fifth of the reduction in total income. This group also played important roles in changes observed in unincorporated business income (UBI) and net capital gains (NKG). The trend in UBI (-\$3.6 billion) contributed about 16.0\% of the net negative growth of total income. The top one percent of returns can lay claim to $10.2 \%$ of the total income loss by way of UBI. A corresponding loss share of $12.9 \%$ because of net capital losses is also attributable to this group. The sources of total income loss for the $80^{\text {th }}$ to $99^{\text {th }}$ percentile group were concentrated in employee compensation, interest, dividends, and UBI: summing over these three components gives a loss contribution of $24.7 \%$ of the aggregate income loss. NKGs and miscellaneous income contributed $4.7 \%$ to total income losses. The $30^{\text {th }}$ percentile to $80^{\text {th }}$ percentile group losses originated largely from the wage category ( $14.0 \%$ ); $3.0 \%$ came from interest and dividends. Returns below the $30^{\text {th }}$ percentile experienced a net income loss that contributed about five percentage points to the total. In general, the higher income groups, as illustrated by the top one percent of returns had the major role in determining the downward trend in total income. Losses in the earned income category and NKG seemed to be the most important, particularly in the high income group.

This report is divided into 3 sections. Section 1 is concerned with overall summary information. Section 2 is divided into 6 chapters that contain summary tables as well as tables of detailed aggregate statistics by size of income on full year resident income tax returns for the entire state. Chapter 5 is a disaggregation of the data by county. Data from non-resident returns are presented in Chapter 6. ## DATA SOURCES

Data in this report were based on the Division of Taxation Gross Income Tax File for return year 2009, which contained records of the tax transactions of individual income taxpayers. This Individual Master File reflected any correction made during revenue processing or any taxpayer or Division of Taxation initiated changes made prior to March 1, 2009 when the computer tape file used for this report was created.

## DATA LIMITATIONS

The accuracy of the data was affected by any taxpayer reporting errors, as well as any errors introduced in processing the data even though efforts were made throughout the revenue processing system to eliminate such errors.

A preliminary check of the tax return data was performed by tax examiners prior to transcribing the return to computer tape. For instance, if the taxpayer forgot to enter on the return total wages shown on Form W-2, the tax examiner entered this figure onto the return.

After a return record was first transcribed and entered onto tape, but before it was posted to the Individual Master File (IMF), it was subjected to validity and mathematical verification tests. The validity tests were a series of checks on the internal consistency of the return records. As examples, if an amount was shown for refund, but none for withholding; if tax withholding was greater than total wages; or if the number of exemptions claimed was inconsistent with the martial status or number of taxpayer names shown--then the return record was considered invalid and was read out for comparison with the return and correction.

If it could not be corrected, correspondence with the taxpayer was initiated. Once the discrepancy was resolved, the corrected data was entered onto the IMF.

Mathematical verification involved a recomputation of tax liability in order to verify balance due or refund requested on the basis of the income, marital status, deduction, and exemption data given by the taxpayer. If the recomputed tax liability differed from that indicated on the return record, the record was also read out for correction or for correspondence with the taxpayer. Corrections made by the tax examiners during examination of the return or as a result of the validity or mathematical verification test are reflected in the tabulations.

## Before You Begin...

## Earned Income Tax Credit

For tax year 2009, the New Jersey Earned Income Tax Credit has increased. Individuals eligible to receive a benefit under the Federal earned income tax credit program are eligible to receive the New Jersey earned income tax credit in the amount equal to $25 \%$ of the Federal benefit.

## Homestead Rebate Program

The Homestead Rebate Program provides rebates for New Jersey homeowners and tenants who meet the eligibility requirements. How you apply for the rebate is determined by whether you were a homeowner or a tenant on October 1, 2009. Homeowners and tenants file different applications.

Tenants use the application in this booklet, Form TR-1040, to apply for the tenant rebate. Filing instructions, including the eligibility requirements, begin on page 50.

Homeowners do not use the application in this booklet.
Information about the 2009 homestead rebates and homeowner applications will not be available until the State Budget is approved this summer. Applications will not be mailed before then. Information about the proposed changes to the 2009 Homestead Rebate Program is available on the Division's Web site at www.state.nj.us/treasury/taxation/2009homesteadinfo.shtml.

## New for 2009

Look for the "New for 2009" symbol throughout the instruction booklet. It highlights the changes for this tax year.

## Consider Filing Electronically

If you normally compute your taxes the old fashioned pen-and-paper way, why not consider taking advantage of one of the State's electronic filing options this year? Taxpayers who file electronically receive their refunds quicker than those who file paper returns. Plus, you can request that your refund check be deposited directly into your bank account so you'll have access to your money that much faster! Owe us money? You can pay what you owe by electronic check (e-check) or by credit card. Electronic filing is fast. It's secure. It's easy. Best of all, it saves you time, money, and headaches! Check the chart on the next page to see if you qualify to use NJ FastFile and which filing option will work best for you.

## Frequently Asked Questions

Have the New Jersey income tax rates changed this year? The New Jersey gross income tax rates for 2009 have increased on income over $\$ 400,000$. See the Tax Table on page 57 and the Tax Rate Schedules on page 66 to calculate the amount of tax due on returns for tax year 2009.

I received only one "State" copy of my W-2, and I have more than one state return to file. What should I do?
New Jersey will accept a photocopy of your W-2 form(s), provided that the copy is legible.

I used one of the "paperless" filing methods. Must I now send in my $\mathbf{W}$-2 form(s)?
No. But you will need to submit paper copies of any supporting documents (W-2s, 1099s, etc.) if you are specifically requested to do so by the Division of Taxation. Be sure to retain these documents for your records.

## I filed my return using commercial software, and I have questions. Who can help?

The New Jersey Division of Revenue's Alternative Filing Branch is responsible for returns that are electronically filed using commercial software. Contact their E-File Hotline at 609-633-1132.

I lived in New Jersey for only part of the year. Which return do I file, resident or nonresident?
For details on the filing requirements for part-year residents see "Who Must File" on page 7 of this booklet and "Guidelines for Part-Year Residents" on page 8 . Some taxpayers may have to file both part-year resident and part-year nonresident returns.

## Are Social Security benefits taxable for New Jersey gross income tax purposes?

No. Federal Social Security benefits are not subject to New Jersey income tax and should not be included on the New Jersey return. Likewise, Social Security should not be reported on the tenant homestead rebate application, Form TR-1040.

Are unemployment or disability payments taxable for New Jersey gross income tax purposes?
Unemployment compensation is not subject to New Jersey income tax and should not be included on the New Jersey return. Likewise, temporary disability received from the State of New Jersey or as third-party sick pay is not subject to New Jersey income tax and should not be included on the New Jersey return.

Are property tax relief benefits such as the homestead rebate or property tax reimbursement taxable?
For New Jersey purposes the homestead rebates and property tax reimbursement payments are not taxable, and should not be reported on the New Jersey gross income tax return. Contact the IRS for information on the taxability of these payments for Federal purposes.

Are the Federal deductions for general sales taxes paid or for taxes paid on the purchase of a new motor vehicle applicable for New Jersey income tax purposes?
You may not deduct these taxes on your New Jersey income tax return.

On the Federal return I can claim a credit for the purchase of a hybrid motor vehicle. There is also a credit for firsttime homebuyers. Can I claim these credits on my New Jersey income tax return?
There are no provisions on the New Jersey return for either an alternative motor vehicle credit or a first-time homebuyer credit.

## Where do I mail my return?

Where you mail your New Jersey return and/or payment depends on the form you are filing, and whether you are due a refund or making a payment. See "Where to Send Your Return" on page 12.

How do I know if my New Jersey tax return was received?

- Electronic Returns: If you used NJ WebFile, you will receive a confirmation number at the end of your filing as proof that your return was successfully filed. Note: Your return is not filed until you receive a confirmation number. If you used approved commercial software, the software company will notify you about the receipt of your return. If a tax practitioner filed your return electronically, the practitioner should notify you as to whether your return was accepted for filing.
- Paper Returns: Paper returns and payments are not logged in as they are received. Division of Taxation personnel cannot verify receipt of your return until processing has begun, and the return or payment appears in our computer system.

I made a mistake when I filed my New Jersey resident return. How do I correct it?
If you made an error or omitted some information on a New Jersey resident return, you must file an amended return, Form NJ-1040X. Whether the original return was filed electronically or on paper, everyone must file a paper Form NJ-1040X to correct a resident return - there is no electronic version.

How do I check the status of my income tax refund?
Currently there is no online inquiry system for New Jersey income tax refunds. To get information on the status of your refund for 2009, call the Automated Refund Inquiry System from a Touch-tone phone at: 1-800-323-4400 (within NJ, NY, PA, DE, and MD) or 609-826-4400 (anywhere). You will need the social security number that was listed first on your return and the amount of the refund requested when making this call.

If you filed a paper return, information on the status of your refund will not be available for at least 6-8 weeks from the time the return was mailed. The automated phone system can tell you if and when your refund was mailed or the date it was deposited into your bank account. The system also allows you to begin the procedure to trace a lost refund check. .

If you do not have access to a Touch-tone phone, or if you need information about the status of a prior-year refund, call the Customer Service Center at 609-292-6400 to speak to a Division of Taxation representative.

## Line 62 - New Jersey - Other Designated Contribution <br> 08 - New Jersey Veterans Haven Support Fund

New Jersey has among its homeless population an estimated 5,000 to 6,000 veterans of the United States Armed Forces. Our nation and our State, grateful for its hard-won freedom and democracy, owes a special debt to veterans. The military teaches us to retrieve our wounded and bring them home. Our program aims to meet this challenge on the streets, in the shelters and at the front line of human existence where our brothers and sisters find themselves in their time of greatest need. Veterans Haven is a drug and alcohol free program and residents must abide by this zero tolerance rule. We can house up to fifty-five veterans for a two-year period. During this time we provide them with various services that will assist them in returning to society as productive individuals once again. For more information visit www.state.nj.us/military/vetshaven/index.html.

## FILING

 INFORMATION- Your filing status and gross income determine whether you have to file a tax return.
- Age is not a factor in determining whether a person must file. Even minors (including students) and senior citizens must file if they meet the income filing requirements.
- Gross income means taxable income after exclusions but before personal exemptions and deductions are subtracted. It does not include nontaxable benefits. See page 19 to find out which types of income are not taxable.
- Members of the Armed Forces see page 9 for additional information.

Use the following chart to determine whether you must file a tax return. This chart is a guide only and may not cover every situation. If you need assistance, contact the Division's Customer Service Center (609-292-6400).

- You did not spend more than 30 days in New Jersey.

[^2]- You had New Jersey income tax withheld and are due a refund.
- You paid New Jersey estimated taxes for 2009 and are due a refund.

## Other Filing Information

Domicile. A domicile is any place you regard as your permanent home-the place to which you intend to return after a period of absence (as on vacation abroad, business assignment, educational leave, etc.). A person has only one domicile, although he or she may have more than one place to live. Once established, your domicile continues until you move to a new location with the intent to establish your permanent home there and to abandon your New Jersey domicile. Moving to a new location, even for a long time, does not change your domicile if you intend to return to New Jersey.

A place of abode, whether inside or outside of New Jersey, is not permanent if it is maintained only during a temporary stay for the accomplishment of a particular purpose (e.g., temporary job assignment). If New Jersey is your domicile, you will be considered a resident for New Jersey tax purposes unless you meet all three conditions for nonresident status (see "Who Must File" on page 7). Likewise, if New Jersey is not your domicile, you will only be considered a New Jersey resident if you maintain a permanent home and spend more than 183 days here.

## Guidelines for Part-Year Residents

Filing Requirements. Any person who became a resident of this State or moved out of this State during the year is subject to New Jersey income tax for that portion of the income received while a resident of New Jersey. Part-year residents must file a resident return and prorate all exemptions, deductions, and credits, as well as the pension and other retirement income exclusions, to reflect the period covered by the return. A person who receives income from a New Jersey source while a nonresident must file a New Jersey nonresident return.

If you were a New Jersey resident for only part of the taxable year, you are subject to the tax if your income for the entire year exceeds $\$ 20,000(\$ 10,000$ if filing status is single or married/CU partner, filing separate return), even
though the income reported for your period of residence was below these thresholds. If the income received during the entire year was $\$ 20,000$ or less $(\$ 10,000$ if filing status is single or married/CU partner, filing separate return), you must enclose a copy of your Federal income tax return or a statement to that effect if you did not file a Federal return.

Note: If you derived any income from New Jersey sources during your period of nonresidence, it may also be necessary to file a New Jersey nonresident return. Any withholdings should be allocated between the resident and nonresident returns. For more information, see Form NJ-1040NR, New Jersey nonresident return and instructions.

Line 14 - Wages. You must determine from each W-2 you receive the portion of your "State wages, tips, etc." that you earned while you were a New Jersey resident. If your W-2 indicates only wages earned while you were a New Jersey resident, use the amount from the "State wages, tips, etc." box. If your employer did not separate your resident and nonresident wages on the $\mathrm{W}-2$, you must prorate the "State wages, tips, etc." amount for the period of time you lived in New Jersey. Add the amounts reportable for the period of New Jersey residency and place the total on Line 14.

Do not include any W-2(s) where the total W-2 income was derived from out-of-State sources during your period of nonresidence.

Other Income. For interest, dividends, pensions, and other income, include on your return only those amounts received while a resident of New Jersey. Part-year resident partners and, in general, S corporation shareholders must prorate the entity's income based on the number of days in the entity's fiscal year that you were a resident divided by 365 (366 for leap years). Partners and shareholders should request Tax Topic Bulletin GIT-9P, Income From Partnerships, or GIT-9S, Income From S Corporations, for instructions on reporting distributive share of partnership income and net pro rata share of $S$ corporation income.

Line 27a - Pension Exclusion. If you were a New Jersey resident for only part of the taxable year and had total income for the entire year of $\$ 100,000$ or less before subtracting any pension exclusion, you may qualify for a pension exclusion if you meet the other eligibility requirements. If you qualify, prorate the exclusion by the number of months you were a New Jersey resident. For this calculation 15 days or more is a month.

## Line 27b - Other Retirement Income

Exclusion. If you (and/or your spouse/ civil union partner if filing jointly) were 62 years of age or older on the last day of the tax year, you may qualify to exclude other income on Line 27 b . There are two parts to the total exclusion: Part I, the unclaimed portion of your prorated pension exclusion, and Part II, a special exclusion for taxpayers who are unable to receive Social Security or Railroad Retirement benefits. Do not complete Worksheet D on page 28 to calculate the total exclusion amount you are eligible to claim. Instead, calculate your total exclusion as follows:

Part I. Total the earned income (wages, net profits from business, partnership income, and S corporation income) you received for the entire year. If your earned income for the entire year was $\$ 3,000$ or less and you did not use your entire prorated pension exclusion at Line 27a, you may be able to use the unclaimed pension exclusion at Line 27 b provided total income for the entire year before subtracting any pension exclusion was $\$ 100,000$ or less.

Part II. If you are unable to receive Social Security or Railroad Retirement benefits, but would have been eligible for benefits had you fully participated in either program, you may also be eligible for an additional exclusion, whether or not you used all of your prorated pension exclusion on Line 27a.

For more information request Tax Topic Bulletin GIT-6, Part-Year Residents.

Line 29 - Total Exemption Amount.
Your total exemptions must be prorated based upon the number of months you

Part-Year Residents - continued
were a New Jersey resident. For this calculation 15 days or more is a month.
$\underset{\text { Exemptions }}{\text { Total }} \times \frac{\text { Mos. NJ Resident }}{12}=$ Line 29

See the instructions for Line 29 on page 29 to calculate the "total exemption amount" to be prorated.

## Lines 30, 31, 32, and 33 - Deductions.

You may deduct medical expenses, qualified Archer medical savings account (MSA) contributions, health insurance costs of the self-employed, alimony and separate maintenance payments, and qualified conservation contributions based on the actual amounts paid for the period of time you lived in New Jersey. Use Worksheet E on page 29 to determine the medical expense deduction. In addition, eligible taxpayers may qualify for a prorated Health Enterprise Zone (HEZ) deduction.

## Line 36c - Property Tax Deduction.

You may also be eligible to claim a deduction for property taxes you paid, or rent constituting property taxes ( $18 \%$ of rent due and paid) during your period of residency. Part-year residents must use income from all sources for the entire year (including spouse's/civil union partner's income, if applicable) to determine
the amount of their deduction. When you do the calculation to determine whether the deduction or credit is better for you, prorate your minimum tax benefit of $\$ 50$ (\$25 if you and your spouse/civil union partner file separate returns but maintain the same principal residence) based on the number of months you occupied your New Jersey residence. For this calculation 15 days or more is a month. Use this prorated figure instead of the $\$ 50$ figure (\$25 if you and your spouse/ civil union partner file separate returns but maintain the same principal residence) at Line 8, Schedule 1 or Line 5, Worksheet F.

Line 48 - Property Tax Credit. You must prorate the amount of any property tax credit on Line 48 based on the number of months you occupied your qualified New Jersey residence. For this calculation 15 days or more is a month.

## Line 50 - New Jersey Earned Income

Tax Credit. If you are eligible and filed for a Federal earned income credit, you also qualify for a New Jersey earned income tax credit. The amount of your credit must be prorated based upon the number of months you were a New Jersey resident. For this calculation 15 days or more is a month.

## TAXPAYERS' BILL OF RIGHTS

The New Jersey Taxpayers' Bill of Rights simplifies tax administration and ensures that all taxpayers-individuals and businesses alike-are better informed and receive fair and equitable treatment during the tax collection process. Highlights of the Taxpayers' Bill of Rights include:

## Service-

- Division must respond to taxpayers' questions within a reasonable time period.
- Notices of taxes and penalties due must clearly identify the purpose of the notice and must contain information about appeal procedures.

## Appeals-

- Time to appeal to the Tax Court is generally 90 days.

## Interest on Refunds-

- Interest is paid at the prime rate on refunds for all taxes when the Division takes more than six months to send you a refund.
- You may request that your overpayment of this year's tax be credited towards next year's tax liability, however, interest will not be paid on overpayments that are credited forward.
For more information on the rights and obligations of both taxpayers and the Division of Taxation under the Taxpayers' Bill of Rights, request our publication ANJ-1, New Jersey Taxpayers' Bill of Rights.

For more information, request Tax Topic Bulletin GIT-6, Part-Year Residents.

## Guidelines for Military Personnel

Residents. A member of the Armed Forces whose home of record (domicile) is New Jersey when entering the service remains a resident of New Jersey for income tax purposes, and must file a resident return even if assigned to duty in another state or country, unless he or she qualifies for nonresident status (see chart on page 7). If you are a New Jersey resident, you are subject to tax on all your income, including your military pay, regardless of where it is earned, unless the income is specifically exempt from tax under New Jersey law. Mustering-out payments, subsistence and housing allowances are exempt.

TAXTIP Military pensions are ex$1 \cdot{ }^{-1}$ empt from New Jersey gross income tax, regardless of your age or disability status. See instructions for Line 19 on page 22.

A member of the Armed Forces whose home of record is New Jersey and who is stationed outside the State (whether living in barracks, billets, apartment, or house) and does not intend to remain outside New Jersey, continues to be a resident and must file a resident return and report all taxable income. However, if a serviceperson pays for and maintains facilities such as an apartment or a home outside of New Jersey, either by out-of-pocket payments or forfeiture of quarters allowance, such facilities will constitute a permanent home outside of New Jersey. In this case, the serviceperson is not considered a New Jersey resident for tax purposes.

Nonresidents. A member of the Armed Forces whose home of record (domicile) is outside of New Jersey does not become a New Jersey resident when assigned to duty in this State. A nonresident serviceperson's military pay is not subject to New Jersey income tax and he or she is not required to file a New Jersey return unless he or she has received income from New Jersey sources other than military pay. Mustering-out payments,
subsistence and housing allowances are also exempt. A nonresident serviceperson who has income from New Jersey sources such as a civilian job in off-duty hours, income or gain from property located in New Jersey, or income from a business, trade, or profession carried on in this State must file a New Jersey nonresident return, Form NJ-1040NR.

If your permanent home (domicile) was New Jersey when you entered the military, but you have changed your state of domicile or you satisfy the conditions for nonresident status (see chart on page 7), then your military pay is not subject to New Jersey income tax. File Form DD-2058-1 or DD-2058-2 with your finance officer to stop future withholding of New Jersey income tax. If New Jersey income tax was erroneously withheld from your military pay, you must file a nonresident return (Form NJ-1040NR) to obtain a refund of the tax withheld. For more information, see the nonresident return instructions.

## Spouses/Civil Union Partners of Mili-

tary Personnel. Spouses/civil union partners (of military personnel) who were not domiciled in New Jersey when they married the military spouse or entered into the civil union are not considered residents of New Jersey if:

- The principal reason for moving to this State was the transfer of the military spouse/civil union partner; and
- It is their intention to leave New Jersey when the military spouse/civil union partner is transferred or leaves the service.

New Federal legislation will affect rules regarding residency and income of military spouses. Check our Web site (www. state.nj.us/treasury/taxation/) for updates. New Jersey law requires that a married couple's filing status for New Jersey gross income tax purposes be the same as for Federal income tax purposes unless they are a civil union couple. A married couple filing a joint Federal return must file a joint return in New Jersey. However, when one spouse/civil union partner is a New Jersey resident and the other is a nonresident for the entire year, the resident may
file a separate return unless both agree to file jointly as residents. If a joint resident return is filed, their joint income will be taxed as if both were residents.

Extensions. Special rules apply to members of the Armed Forces of the United States and civilians providing support to the Armed Forces. See "Military Extensions" on page 11.

Death Related to Duty. When a member of the Armed Forces serving in a combat zone or qualified hazardous duty area dies as a result of wounds, disease, or injury received there, no income tax is due for the taxable year the death occurred, nor for any earlier years served in the zone or area.

For more information on military personnel, request Tax Topic Bulletin GIT-7, Military Personnel.

## When to File

In general, your New Jersey income tax return is due when your Federal income tax return is due. For calendar year filers, the 2009 New Jersey income tax return is due by April 15, 2010. Fiscal year filers must file their New Jersey income tax return by the 15 th day of the fourth month following the close of the fiscal year.

Postmark Date. All New Jersey income tax returns postmarked on or before the due date of the return are considered to be filed on time. Tax returns postmarked after the due date are considered to be filed late. When a return is postmarked after the due date, the filing date for that return is the date the return was received by the Division, not the postmark date of the return. Interest on unpaid liabilities is assessed from the due date of the return.

## Extension of Time to File

An extension of time is granted only to file your New Jersey resident income tax return. There is no extension of time to pay tax due. We will notify you only if your extension request is denied, but not until after your return is actually filed.
Penalties and interest are imposed whenever tax is paid after the original due date.

## Six-Month Extension

TAXTHP You may receive a sixmonth extension of time to file your New Jersey resident income tax return. An application for an extension of time to file is accepted only if at least $80 \%$ of the tax liability computed on your Form NJ-1040 when filed is paid in the form of withholdings, estimated, or other payments by the original due date, and

1. Federal extension filed. A copy of your Federal Application for Automatic Extension is enclosed with your final return and the oval at the top of the NJ-1040 is filled in (if the extension application was filed by phone or online, your confirmation number is entered in the space provided at the top of Form NJ-1040); or
2. No Federal extension filed. You file a request for a six-month extension on Form NJ-630, Application for Extension of Time to File New Jersey Gross Income Tax Return, by the original due date of the return. Taxpayers who file Form NJ-630 will not receive an approved copy. We will notify you only if your request is denied, but not until after your return is actually filed.

Note: If a Federal extension is filed, Form NJ-630 must still be filed by the original due date if you are required to make a payment to satisfy the $80 \%$ requirement.

Civil Union Couples. Civil union partners filing a joint return must either provide copies of the Federal extension application (or confirmation number) for both partners, or they must file Form NJ-630.

## If you fail to satisfy the requirements outlined for extension, or you fail to file your return by the extended due date, your extension will be denied and penalties and interest will be imposed from the original due date of the return. See "Penalties, Interest, and Collection Fees" on page 14.

You will find an application for extension (Form NJ-630) at the front of this

booklet. Do not use the preprinted Form NJ-630 if you filed a joint return last year and this year you are filing your return using only your own social security number or you are filing a joint return with a different person. See page 67 for how to obtain Form NJ-630. Or, you can file an extension application online until April 15 at www.state.nj.us/treasury/taxation/.

## Military Extensions

Special rules apply to members of the Armed Forces of the United States and civilians providing support to the Armed Forces.

A person on active duty with the Armed Forces of the United States, who may not be able to file timely because of distance, injury, or hospitalization as a result of this service, will automatically receive a sixmonth extension by enclosing an explanation with the return when filed.

Combat Zone. New Jersey allows extensions of time to file income tax returns and pay any tax due for members of the Armed Forces and civilians providing support to the Armed Forces serving in an area which has been declared a "combat zone" by executive order of the President of the United States or a "qualified hazardous duty area" by Federal statute. Once you leave the combat zone or qualified hazardous duty area, you have 180 days to file your tax return. Enclose a statement with your return to explain the reason for the extension.

In addition, if you are hospitalized outside of the State of New Jersey as a result of injuries you received while serving in a combat zone or qualified hazardous duty area, you have 180 days from the time you leave the hospital or you leave the combat zone or hazardous duty area, whichever is later.

Qualifying military and support personnel, as defined above, are granted an extension of time for paying tax for the period of combat service or hospitalization, plus 180 days.

Enclose a statement of explanation with your return when you file. No interest or

You will need your bank's 9-digit routing number and your account number to make a payment by e-check. Do not enter the check number as part of the account number. Note: The routing and account numbers may be in different places on your check.
penalties will be assessed during a valid extension for service in a combat zone or qualified hazardous duty area. This extension is also granted to a taxpayer's spouse/civil union partner who files a joint return.

## How to Pay

The balance of tax due must be paid in full by the original due date of the return. If you owe less than $\$ 1$, no payment is required. You may make your payment by check or money order, electronic check (e-check), or credit card.

Check or Money Order. You will find a payment voucher (Form NJ-1040-V) at the front of this booklet. If you owe tax and are sending the payment with your 2009 return, enter the amount of tax due in the boxes on the payment voucher. Do not make changes to any information preprinted on the payment voucher. Instead, make any necessary changes on Form NJ-1040 (and TR-1040). Do not use the preprinted payment voucher if you filed a joint return last year and this year you are filing your return using only your own social security number or you are filing a joint return with a different person.

Make check or money order payable to State of New Jersey - TGI. Write your social security number on the check or money order. For a joint return use social security numbers of both husband and wife/civil union partners in the same order the names are listed on the return. Send your payment for the balance due with the payment voucher in the same envelope with your tax return. For information about mailing forms, see "Where to Send Your Return" on page 12.

If you are paying a balance due for the 2009 tax year and are making the first installment of estimated tax for 2010, please use separate checks or money orders for each payment. Send your 2010 estimated tax payment with an NJ-1040-ES voucher to the address on that payment voucher. Do not include the estimated tax payment with your 2009 income tax return.

Electronic Check (e-check). You may be able to pay your 2009 New Jersey income taxes or make a payment of estimated tax for 2010 by e-check. This option is available on the Division's Web site (www.state.nj.us/treasury/taxation/). Taxpayers who do not have Internet access can make a payment by e-check by contacting the Division's Customer Service Center at 609-292-6400. Do not send in the payment voucher if you pay your taxes by e-check.

When using e-check on the Web, you will need your social security number and date of birth to make a payment. Be sure the social security number you enter matches the first social security number shown on the form for which you are making your payment, and the date of birth you enter is the date of birth for that person.

## Note:

(1) If you do not enter your social security number and date of birth properly, you will not be able to pay by e-check.
(2) If you are filing a New Jersey return for the first time, or your filing status is different than the filing status on your 2008 return, you may not be able to pay by e-check.

There is a convenience fee of $2.49 \%$ paid directly to Official Payments Corporation based on the amount of your tax payment. A $\$ 1$ convenience fee will be charged for all tax payments of $\$ 40$ or less.

Time Limit for Assessing Additional
Taxes. The Division of Taxation has three years from the date you filed your income tax return or the original due date of the return, whichever is later, to send you a bill for additional taxes you owe. There is no time limit if you did not file your tax return, or if you filed a false or fraudulent return with the intent to evade tax. The time limit may be extended if:

- You amended or the IRS adjusted your Federal taxable income or your Federal earned income credit;
- You amended your New Jersey taxable income;
- You entered into a written agreement with the Division extending the time to make an assessment;
- You omit more than $25 \%$ of your gross income on your New Jersey income tax return; or
- An erroneous refund is made as a result of fraud or misrepresentation by you.

## Where to Send Your Return

Your packet contains a large envelope. Use the large envelope to mail your NJ-1040 and TR-1040 along with related enclosures, payment voucher, and check or money order for any tax due. On the flap of the large envelope you will find preprinted address labels with different addresses for different categories of returns. To ensure your return is mailed properly:

1. Remove all labels along perforations from envelope flap; and
2. Choose the correct label for your return.

Do not staple, paper clip, or tape your check or money order to the voucher.

## Refunds

A return must be filed to claim a refund for overpayment of tax. If the refund is $\$ 1$ or less, you must enclose a statement specifically requesting it.

Time Period for Refunds. You have three years from the date the return was filed or two years from the time tax was paid, whichever was later, to claim a refund. If you and the Division agree in writing to extend the period of assessment, the period for filing a refund claim will also be extended.

Interest Paid on Refunds. If the Division takes more than six months to send your income tax refund, you have a right to receive interest on that refund. Interest at the prime rate, compounded annually, will be paid from the later of:

- the date the refund claim was filed;
- the date the tax was paid; or
- the due date of the return.

No interest will be paid when an overpayment is credited to the next year's tax liability or on an overpayment or portion of an overpayment which consists of a New Jersey earned income tax credit.

New Jersey law requires that any money owed to the State of New Jersey, any of its agencies, the Internal Revenue Service, or another claimant state or city that has a personal income tax set-off agreement with New Jersey be deducted from your refund or credit before it is issued. Homestead rebates may also be affected. These debts include, among other things, money owed for past due taxes, child support due under a court order, school loans, hospital bills, and IRS levies. If the Division applies your refund, credit, or rebate to any of these debts, you will be notified by mail.

## Deceased Taxpayers

If a person received income in 2009 but died before filing a return, the New Jersey income tax return should be filed by the surviving spouse/civil union partner, executor, or administrator. Use the same filing status that was used on the final Federal income tax return, unless the decedent was a partner in a civil union. Print "Deceased" and the date of death above the decedent's name. Do not prorate exemptions or deductions unless the decedent was a part-year resident. The due date for filing is the same as for Federal purposes. In the area where you sign the return write "Filing as Surviving Spouse" or "Filing as Surviving Civil Union Partner" if appropriate. A personal representative filing the return must sign in his or her official capacity. Any refund check will be issued to the decedent's surviving spouse/civil union partner or estate.

Income in Respect of a Decedent. If you had the right to receive income that the deceased person would have received had he or she lived, and the income was not included on the decedent's final return, you must report the income on your own return when you receive it. The income or gain is included on Line 25 as "Other" income.

## Estates and Trusts

Filing Requirements for Estates and
Trusts. The fiduciary of an estate or trust may be required to file a New Jersey gross income tax return for that estate or trust. The return for an estate or trust must be filed on a New Jersey Fiduciary

Return, Form NJ-1041. The fiduciary must also provide each beneficiary with a New Jersey Schedule NJK-1 which shows the beneficiary's share of the estate or trust income actually distributed or required to be distributed during the taxable year.

Revocable grantor trusts are required to file a New Jersey Fiduciary Return, Form NJ-1041, where there is sufficient nexus with this State and the statutory filing requirement is met. For further information, see the Fiduciary return, Form NJ-1041, instructions.

## Filing Requirements for Beneficiaries.

 The net income earned by an estate or trust does not retain its character, i.e., interest, partnership income; rather it is a specified income category - "Net Gains or Income Derived Through Estates or Trusts." You must report as net income from estates or trusts the Total Distribution reported on your Schedule NJK-1, Form NJ-1041 and include it on Line 25 , Other Income. If a Schedule NJK-1 was not received, the interest, dividends, capital gains, business or partnership income, etc. listed on your Federal K-1 must be adjusted to reflect New Jersey tax law and then netted together before inclusion on the "Other" income line. Enclose a copy of your NJK-1 or Federal K-1 with your return.If the income from a grantor trust is reportable by or taxable to the grantor for Federal income tax purposes, it is also taxable to the grantor for New Jersey gross income tax purposes. See instructions for Line 25 on page 26 for reporting requirements.

## Partnerships

A partnership is not subject to gross income tax. Individual partners are subject to tax on the income they earned from the partnership under the Federal Internal Revenue Code and the New Jersey Gross Income Tax Act. See page 25 for information on reporting income from a partnership. Every partnership having a New Jersey resident partner or income from New Jersey sources must file a New Jersey Partnership Return, Form NJ-1065, with the New Jersey Division of Taxation
by the 15th day of the fourth month following the close of the partnership's taxable year. For more information on partnership filing, request Form NJ-1065 and instructions.

## Estimated Tax

Estimated tax means the amount which you estimate to be your income tax for the taxable year after subtracting withholdings and other credits.
$\mathbb{T} \triangle \mathbb{T} \mathbb{T} \boldsymbol{P}$ You are required to make D. 2 estimated tax payments using Form NJ-1040-ES when your estimated tax exceeds $\$ 400$. Instructions for computing the estimated tax and making the payments are included with the form. Review the amount of your New Jersey gross income tax on your expected gross income (after deductions and credits) to determine if you need to make estimated tax payments for 2010.

To avoid having to make estimated tax payments, you may ask your employer to withhold an additional amount from your wages by completing Form NJ-W4. Failure to file a Declaration of Estimated Tax or pay all or part of an underpayment will result in interest charges on the underpayment.

Underpayment of Estimated Tax. If you failed to make all of the required estimated tax payments as described above, you should request Form NJ-2210, Underpayment of Estimated Tax by Individuals, Estates or Trusts. Complete Form NJ-2210 to determine if interest is due and if so, calculate the amount. Enter on Line 45 the amount of interest due from line 19, Form NJ-2210. Be sure to fill in the oval below Line 45 and enclose Form NJ-2210 with your return.

## Amended Returns

If you received an additional tax statement (W-2 or 1099) after your return was filed, or you discovered that you made any error or omission on your return, file an amended New Jersey resident return, Form NJ-1040X.

Amended Returns - continued

## Changes in Your Federal Income Tax

 or Federal Earned Income Credit. If you receive a notice from the Internal Revenue Service that they changed your reported income, and that change altered your New Jersey taxable income, or if you receive a notice that your Federal earned income credit has been changed, and that change alters your New Jersey earned income tax credit, you must notify the Division of the change in writing within 90 days. File an amended tax return and pay any additional tax due. If you file an amended Federal return which changes your New Jersey taxable income or your Federal earned income credit, you must file an amended New Jersey resident return, Form NJ-1040X, within 90 days.
## Accounting Method

Use the same accounting method for New Jersey gross income tax that you used for Federal income tax purposes. Income must be recognized and reported in the same period as it is recognized and reported for Federal income tax purposes.

## Rounding Off to Whole Dollars

When completing your return and the accompanying schedules, you may show the money items in whole dollars. If you have to add two or more items to figure the total to enter on a line, include cents when adding the items and round off only the total. When entering the rounded total on the line, eliminate any amount under 50 cents and increase any amount 50 cents or more to the next higher dollar. If you do round off, do so for all amounts. When rounding, enter zeros after the decimal point for cents.

## Penalties, Interest, and Collection Fees

Penalty and interest should be included with the payment of any tax due.

## Late Filing Penalty

$5 \%$ per month (or fraction of a month) up to a maximum of $25 \%$ of the outstanding tax liability when a return is filed after the due date or extended due date. A penalty of $\$ 100$ for each month the return is late may also be imposed.

## Late Payment Penalty

$5 \%$ of the outstanding tax balance may be imposed.

## Interest

$3 \%$ above the prime rate for every month or fraction of a month the tax is unpaid, compounded annually. At the end of each calendar year, any tax, penalties, and interest remaining due (unpaid) will become part of the balance on which interest is charged.

## Collection Fees

In addition, if your tax bill is sent to our collection agency, a referral cost recovery fee of $10 \%$ of the tax due will be added to your liability. If a certificate of debt is issued for your outstanding liability, a fee for the cost of collection of the tax may also be imposed.

## Signatures

Sign and date your return in blue or black ink. Both husband and wife/civil union partners must sign a joint return. If you are a tenant filing a homestead rebate application (Form TR-1040) with your tax return, it is not necessary to sign the rebate application. However, if you are filing only Form TR-1040, the application must be signed and dated in ink. The signature(s) on the form you file must be original; photocopied signatures are not acceptable. A return without the proper signatures cannot be processed and will be returned to you. This causes unnecessary processing delays and may result in penalties for late filing or a delay or denial of your rebate.

## Don't Need Forms Mailed to You Next

Year? Taxpayers who pay someone else to prepare their returns probably do not use the income tax return booklets mailed to them each year. If you do not need a booklet mailed to you next year, fill in the oval below the signature line. Telling us that you do not need a booklet next year will help us reduce printing and mailing costs.

## $\mathbb{T} \triangle \mathbb{T} \| P$ Preparer Authorization. <br>  Because of the strict provisions of confidentiality, Di-

 vision of Taxation personnel may notdiscuss your return or enclosures with anyone other than you without your written authorization. If, for any reason, you want a Division of Taxation representative to discuss your tax return with the individual who signed your return as your "Paid Tax Preparer," we must have your permission to do so. To authorize the Division of Taxation to discuss your return and enclosures with your "Paid Tax Preparer," fill in the oval above the preparer's signature line.

Tax Preparers. Anyone who prepares a return for a fee must sign the return as a "Paid Preparer" and enter his or her social security number or Federal preparer tax identification number. Include the company or corporation name and Federal identification number, if applicable. A tax preparer who fails to sign the return or provide a tax identification number may incur a $\$ 25$ penalty for each omission. Someone who prepares your return but does not charge you should not sign your return.

Note: Any tax preparer who prepared 25 or more New Jersey gross income tax resident returns in 2008 must use electronic methods to file all 2009 New Jersey resident income tax returns. A tax preparer is liable for a penalty of $\$ 50$ for each return he or she fails to file electronically when required to do so.

## Keeping Tax Records

Keep copies of your tax returns and the supporting documentation of income, age and/or disability, deductions, and credits until the statute of limitations has expired for each return. Generally, this is three years after the filing date or two years from the date the tax was paid, whichever is later.

## Privacy Act Notification

The Federal Privacy Act of 1974 requires an agency requesting information from individuals to inform them why the request is being made and how the information is being used.

Your social security number is used primarily to account for and give credit for
tax payments. The Division of Taxation also uses social security numbers in the administration and enforcement of all tax laws for which it is responsible. In addition, the Division of Taxation is required by law to forward an annual list to the Administrative Office of the Courts containing the names, addresses, and social security numbers of individuals who file a New Jersey resident tax return or tenant homestead rebate application. This list will be used to avoid duplication of names on jury lists. The Division of Taxation is
also required to transmit to the Department of Human Services (DHS) annually information from New Jersey resident tax returns that will permit DHS to identify individuals who do not have health insurance and who may be eligible for Medicaid or the NJ FamilyCare Program.

## Federal/State Tax Agreement

The New Jersey Division of Taxation and the Internal Revenue Service have entered into a Federal/State Agreement to
exchange income tax information in order to verify the accuracy and consistency of information reported on Federal and New Jersey income tax returns.

## Fraudulent Return

Any person who deliberately fails to file a return, files a fraudulent return, or attempts to evade the tax in any manner may be liable for a penalty up to $\$ 7,500$ or imprisonment for a term between three and five years or both.

## 2009 Form NJ-1040 Line-by-Line Instructions

## Name and Address

Place the peel-off label at the front of this booklet in the name and address section at the top of the return. Do not use the label if any of the information is incorrect. If your label contains inaccurate information or you do not have a label, print or type your name (last name first), complete address, and zip code in the spaces provided. Also include your spouse's/ civil union partner's name if filing jointly. Your refund and next year's form will be sent to the address you provide. If your filing status is married/CU couple, filing joint return, remember to report both filers' numbers in the order in which the names are listed on the return.

If you (or your spouse/civil union partner) do not have a social security number, file Form SS-5 with the Social Security Administration to apply for one. Taxpayers who are not eligible for a social security number must file Form W-7 with the

Internal Revenue Service to obtain an individual taxpayer identification number (ITIN). Enter on Form NJ-1040 the same number (social security number or ITIN) that you entered on your Federal income tax return. If you (or your spouse/civil union partner) applied for but have not received an ITIN by the return due date, enclose a copy of your Federal Form W-7 application with your New Jersey income tax return.

Note: A copy of Form W-7 (or W-7A) cannot be used in place of a valid social security number, ITIN, or ATIN for a dependent when completing Line 13, Dependents' Information.

## County/Municipality Code

Enter your four-digit county/municipality code, one digit in each box, from the table on page 55. This code identifies the county and municipality of your current residence. The county and municipality codes in these instructions are for Division of Taxation purposes only.

If the local name of the place where you live is not listed, enter the code for the municipality where the property taxes were paid on your dwelling. (Go to www.state.nj.us/infobank/locality.htm for a listing of local names in the State and the county and municipality in which they are located.)

## NJ Residency Status

If you were a New Jersey resident for only part of the taxable year, list the month, day, and year your residency began and the month, day, and year it ended. All months should be listed as two-digit numbers with the digits 01 for January, 02 for February, 03 for March, etc. Place the correct number for the beginning and ending months directly in the boxes containing the letter "M," one digit in each box.

The days of the months should be listed as two-digit numbers beginning with the digits 01 for the first day of the month and ending with the digits 31 for the last day of the month. Place the correct number for the beginning and ending dates directly in the boxes containing the letter "D," one digit in each box.

For calendar year filers the year should be entered as 09 and the numbers placed directly in the boxes containing the letter "Y," one digit in each box. Fiscal year filers should enter the appropriate year in the " $Y$ " boxes.

## Filing Status (Lines 1-5)

In general, you must use the same filing status on your New Jersey return as you do for Federal income tax purposes, unless you are a partner in a civil union. Indicate the appropriate filing status. Fill in only one oval.
$\mathbb{T} \triangle \mathbb{T} \| P$ Partners in a civil union
 recognized under New Jersey law must file their New Jersey income tax returns using the same filing statuses accorded spouses under New Jersey Gross Income Tax Law. Civil union partners may not use the filing status single. Any reference in this booklet to a spouse also refers to a partner in a civil union (CU) recognized under New Jersey law. More information on civil unions, including legally sanctioned same-sex relationships established outside New Jersey, can be found on the Division's Web site (www.state.nj.us/treasury/taxation/).

Single. Your filing status is single if you are unmarried or not a partner in a civil union on the last day of the tax year, and you do not qualify for head of household or qualifying widow(er)/surviving CU partner status (see below).

Married/Civil Union Couples. If a married couple files a joint Federal income tax return, they must also file a joint New Jersey income tax return. If spouses file separate Federal returns, separate State returns must also be filed. However, if you are a civil union couple, your filing status for New Jersey will not match your Federal filing status for the year.

If during the entire taxable year one spouse/civil union partner was a resident and the other a nonresident, the resident may file a separate New Jersey return. The resident computes income and exemptions as if a Federal married, filing separate return had been filed. The spouses/civil union partners have the option of filing a joint return, in which case their joint income would be taxed as if both were residents.

If you are filing separately, be sure to enter the social security number of your spouse/civil union partner in the boxes provided at the top of the tax return.

Note: You may file jointly or separately only if you were married or a partner in a civil union on the last day of the tax year.

Head of Household. If you meet the requirements to file as head of household for Federal income tax purposes, you may file as head of household for New Jersey.

Certain married individuals/civil union partners living apart may file as head of household for New Jersey if they meet the requirements to file as head of household for Federal purposes.

## Qualifying Widow(er)/Surviving CU

 Partner. If your spouse/civil union partner died during the year, you may file a joint return for the two of you provided you did not remarry or enter into a new civil union before the end of the year. You may be eligible to use the filing status "qualifying widow(er)/surviving CU partner" for each of the two tax years after the year in which your spouse/civil union partner died if you pay more than onehalf of the cost of keeping up a home for yourself and at least one child, stepchild, adopted child, or foster child who qualifies as your dependent.Domestic Partners. If you were a member of a domestic partnership registered in New Jersey, you are not considered to be married or in a civil union. Do not use either the joint or separate filing statuses at Lines 2 and 3. However, if you also entered into a legally sanctioned same-sex relationship outside New Jersey, you may still be able to use the joint or separate filing statuses for married/CU couples. For more information, see the Division's Web site (www.state.nj.us/treasury/taxation/).

For more information, request Tax Topic Bulletin GIT-4, Filing Status.

## Exemptions - Personal

 Line 6 - Regular ExemptionsAs a taxpayer you may claim a personal exemption for yourself, even if you are a minor who is claimed as a dependent on your parents' return. For your convenience, "Yourself" is already filled in. If you are married or in a civil union and filing a joint return, fill in the spouse/CU partner oval as well.

If you were a member of a domestic partnership that was registered in New Jersey on the last day of the tax year, you may claim an exemption for your domestic partner only if he or she does not file a New Jersey income tax return. You must enclose a copy of your New Jersey Certificate of Domestic Partnership the
first time you claim the exemption, and you may be asked to provide additional information at a later date. If you are claiming this exemption, fill in the domestic partner oval. Add the number of ovals filled in and enter the result in the box on Line 6 .

## Line 7 - Age 65 or Older

If you were 65 years of age or older on the last day of the tax year, you are eligible for an additional exemption. If you are filing a joint return, an additional exemption is also available if your spouse/civil union partner was 65 years of age or older on the last day of the tax year. This exemption is not available for a domestic partner or for your dependents. You must enclose proof of age such as a copy of a birth certificate, driver's license, or church records with your return the first time you claim the exemption(s). Fill in the appropriate oval(s). Add the number of ovals filled in and enter the result in the box on Line 7.

## Line 8 - Blind or Disabled

If you were blind or disabled on the last day of the tax year, you are eligible for an additional exemption. If you are filing a joint return, an additional exemption is also available if your spouse/civil union partner was blind or disabled on the last day of the tax year. This exemption is not available for a domestic partner or for your dependents. "Disabled" means total and permanent inability to engage in any substantial gainful activity because of any physical or mental impairment, including blindness. You must enclose a copy of the doctor's certificate or other medical records with your return the first time you claim the exemption(s). This information need not be submitted each year provided there is no change in your condition. Fill in the appropriate oval(s). Add the number of ovals filled in and enter the result in the box on Line 8.

You may claim an additional exemption for each dependent claimed on Line 9 or 10 who is under age 22 , a full-time student at an accredited college or postsecondary institution, and for whom you paid one-half or more of the tuition and maintenance costs. Financial aid received by the student is not calculated into your cost when totaling one-half of your dependent's tuition and maintenance. However, the money earned by students in College Work Study Programs is income and is taken into account. This exemption is not available to you or your spouse/civil union partner or your domestic partner.

## Requirements

- Student must be under 22 years of age for the entire tax year.
- Student must attend full-time. "Fulltime" is determined by the institution.
- Student must spend at least some part of each of five calendar months of the tax year at school.

## Line 12 - Totals

Add Lines 6, 7, 8, and 11 and enter the total in the box on Line 12a. Add Lines 9 and 10 and enter that total in the box on Line 12 b .

## Line 13 - Dependents' Information

$\mathbb{T} \mathbb{N} \mathbb{T} \boldsymbol{P}$ You must enter on Line 13 the full name, social security number, and year of birth for each dependent child or other dependent claimed on Lines 9 and/or 10 .

You must also fill in the oval for each dependent who does not have health insurance coverage (including NJ FamilyCare/ Medicaid, Medicare, private, or other health insurance) on the date you file the return. Do not fill in the oval for any dependents who have health insurance. This information will be transmitted to the New Jersey Department of Human Services and will be used to identify and reach out to residents who are uninsured to make them aware of the availability of health care coverage under the Medicaid and NJ FamilyCare Programs.

If you have more than four dependents, enter the required information for the first four dependents on Lines 13a-d and enclose a statement with the return listing the information for the additional dependents.

The dependents you list must be the same persons who qualify as your dependent children or other dependents for Federal income tax purposes. Enter the same social security number, individual taxpayer identification number (ITIN), or adoption taxpayer identification number (ATIN) for each dependent that you entered on your Federal return. If you do not provide a valid social security number, ITIN, or ATIN for a dependent claimed on Lines 9 and/or 10, the exemption will be disallowed.

To obtain an ATIN, file Form W-7A, Application for Taxpayer Identification Number for Pending U.S. Adoptions, with the Internal Revenue Service. See page 15 for information on obtaining a social security number or ITIN.

Note: If you qualify for the New Jersey earned income tax credit (see the instructions for Line 50) and you listed a "qualifying child" on your Federal Schedule EIC who is not claimed as your dependent for New Jersey purposes, you must enter on Line 13 the child's name, social security number, and birth year.

## Gubernatorial Elections Fund

The Gubernatorial Elections Fund, financed by taxpayer designated $\$ 1$ contributions, provides partial public
financing to qualified candidates for the office of Governor of New Jersey. With its contribution and expenditure limits, the Gubernatorial Public Financing Program has since 1977 assisted 67 candidates to conduct their campaigns free from the improper influence of excessive campaign contributions. Operation of the program has also permitted candidates of limited financial means to run for election to the State's highest office. As a condition of their receipt of public financing, candidates must agree to participate in two debates which provide the public with an opportunity to hear the views of each candidate. For more information on the Gubernatorial Public Financing Program, contact the New Jersey Election Law Enforcement Commission at 1-888-313-ELEC (toll-free within New Jersey) or 609-292-8700 or write to:
nJ Election Law Enforcement Commission PO Box 185
Trenton NJ 08625-0185
Lists of contributors to gubernatorial candidates and copies of reports filed by gubernatorial candidates may be viewed on the Election Law Enforcement Commission Web site at: www.elec.state.nj.us.

Participation in the $\$ 1$ income tax checkoff protects the continuity and integrity of the Gubernatorial Elections Fund by providing that funds will be reserved for future gubernatorial elections thereby deterring the use of needed funding for other purposes. If you want to designate $\$ 1$ to go to help candidates for governor pay campaign expenses, fill in the "Yes" oval in the Gubernatorial Elections Fund section of the return. If you are filing a joint return, your spouse/civil union partner may also designate $\$ 1$ to this fund. Filling in the "Yes" oval will not in any way increase your tax liability or reduce your refund.

## Income (Lines 14-25)

Gross income means all income you received in the form of money, goods, property, and services unless specifically exempt by law. As a New Jersey resident you must report all taxable income you receive, whether from New Jersey or not, on your return.

Income (Lines 14-25) - continued
$\mathbb{T} \triangle \mathbb{X} \mathbb{T} \|$ Important! A net loss in
 any category of income cannot be reported as such on Form NJ-1040. A loss within one category of income may be applied against other income within the same category. However, a net loss in one category of income cannot be applied against income or gains in another. In the case of a net loss in any category, make no entry on the corresponding line. No carryback or carryover of losses is allowed under New Jersey law.

If you have income that is taxed both by New Jersey and by another jurisdiction outside of New Jersey, you may be eligible for a credit against your New Jersey income tax. See instructions for Schedule A, Credit for Income or Wage Taxes Paid to Other Jurisdiction, on page 43.

Pension and annuity income or early retirement benefits should not be included on this line but should be reported on Line 19.

Retirement Plans. Under New Jersey law, contributions to retirement plans (other than 401(k) Plans) are included in the State wages figure on the W-2 in the year the wages are earned. This may cause your State wages figure to be higher than your Federal wages figure.

Meals and/or Lodging. You may exclude from the amount reported on Line 14 meals and/or lodging reported as wages on your W-2 provided that:

1. The meals and/or lodging were furnished on the business premises of your employer; and
2. The meals and/or lodging were furnished for the convenience of your employer; and

## For lodging only:

3. You were required to accept the lodging as a condition of your employment.

## Commuter Transportation Benefits.

Certain amounts you receive from your employer up to $\$ 2,540$ for using an alternative means of commuting (such as public transportation, carpools, vanpools, etc.) may be excluded from your New Jersey gross income. Commuter transportation benefits may not be excluded from gross income unless your employer provides those benefits in addition to your regular compensation.

If the commuter transportation benefits you received exceed the maximum excludable amount, the excess amount is taxable and is included in your gross income. Your W-2 form will show both the taxable and nontaxable benefit amounts. The taxable benefits are included in the "State wages" figure on your W-2, while the nontaxable benefits are not.

An employee who receives money towards commuter transportation benefits must provide his/her employer with suitable proof (receipts, ticket stubs, etc.) to show that the employer-provided money was used for an alternative means of commuting.

Federal Statutory Employees. If you are considered a "statutory employee" for Federal income tax purposes, you may not deduct your business expenses unless you are self-employed or an independent contractor under New Jersey law. The Federal label of "statutory employee" has no meaning for New Jersey gross income tax purposes. Business expenses may only be deducted from the business income of a self-employed individual. See the instructions for Line 17 (Net Profits From Business).

Moving Expenses. Moving expenses are not deductible for New Jersey gross income tax purposes. However, you may exclude from the amount reported on Line 14 reimbursements for the following moving expenses if the Federal requirements to claim moving expenses were

1. The cost of moving your household goods and personal effects from the old home to the new home.
2. The actual expenses incurred by you for traveling, meals, and lodging when moving you and your family from your old residence to your new residence.

Reimbursements for any other moving expense may not be excluded from income.

If you receive excludable reimbursements for moving expenses which are included in your wages on your $\mathrm{W}-2$, enclose a statement explaining the amount you are excluding and your reasons for excluding this amount. Also enclose a copy of your Federal Form 3903.

The payments must be compensation for wage loss which results from absence due to injury or sickness of the employee; and
2. The payments must be due and payable under an enforceable contractual obligation under the plan; and
3. The payments must not relate to sick leave wage continuation, the taking of which is largely discretionary and the payments are made regardless of the reason for absence from work.

- Sallie Maes
- CATS
- TIGRs
- Certain distributions from "New Jersey Qualified Investment Funds"
- Distributions paid by mutual funds to the extent the distributions are attributable to interest earned on Federal obligations

New Jersey Qualified Investment Funds. A New Jersey Qualified Investment Fund is a regulated investment company in which at least $80 \%$ of the fund's investments (other than cash or receivables) are obligations issued either directly by the Federal government or the State of New Jersey or any of its political subdivisions. The Fund must complete and retain Form IF-1, Certification of Qualified Investment Fund, to document its status. This certification need not be filed with the Division of Taxation but must be made available upon request.

If you received a distribution from a qualified investment fund, you may exclude from your income only the portion of the distribution which comes from qualified exempt obligations. Although excluded from income, the tax-exempt portion is reported on Line $15 b$. The taxable portion of the distribution, if any, is reported as dividends on Line 16. By February 15, shareholders should be notified by the New Jersey qualified investment fund of the portion of their distribution that may be excluded from income. Contact your broker to determine whether your fund qualifies.

## Do not report interest earned on your IRA(s) on Line 15b, Tax-Exempt Interest Income. If you made a withdrawal from your IRA during the year, see the instructions for Line 19.

When you total your interest income on Lines 15 a and 15 b , the amount should match the total of the taxable and taxexempt interest you reported on your Federal income tax return (if you filed a Federal 1040). Enclose a statement with your NJ-1040 explaining the difference if the amounts do not match. For more information on tax-exempt interest income, request Tax Topic Bulletin GIT-5, Exempt Obligations.

## Line 16 - Dividends

Enter on Line 16 the amount of dividends received during the year from investments (e.g., from stocks, mutual funds) or other income-producing activities which do not constitute a trade or business. The total amount of taxable dividends received, regardless of where earned, must be reported.

Dividends received by your sole proprietorship are reportable as net profits from business on Line 17. Your portion of dividends earned and received by a partnership, an estate or trust or, in general, an $S$ corporation is reportable as distributive share of partnership income on Line 20, net income from estates or trusts on Line 25 , or net pro rata share of $S$ corporation income on Line 21. For detailed information regarding the reporting of partnership income or $S$ corporation income and distributions, request Tax Topic Bulletin GIT-9P, Income From Partnerships, or GIT-9S, Income From S Corporations. For information regarding grantor trusts, see the reporting instructions for Line 25 on page 26.

Capital Gains Distributions. Capital gains distributions you receive from mutual funds or other regulated investment companies are reported on Line 2, Schedule B and are not to be included on Line 16 as dividends.

Line 16 - Dividends - continued
Tax-Free Distributions. A distribution which is a return of your investment or capital and does not come from earnings or profits is a nontaxable capital or taxfree distribution. These distributions reduce the basis of the stock or investment and are not taxable until your investment is fully recovered.

Insurance Premiums. Dividends received from insurance companies are not taxable unless the dividends received exceed the premiums paid. Any interest from accumulated insurance dividends is taxable and must be reported on Line 15a.

## Line 17 - Net Profits From Business

Report the net profits from your business, trade, or profession on Line 17. To determine your New Jersey profit (or loss), first complete a Federal Schedule C (or Schedule C-EZ or Schedule F). Use the same accounting method (cash or accrual) that you used for Federal income tax purposes. In the case of a loss, make no entry on Line 17. Enclose a copy of the Federal Schedule C (or Schedule C-EZ or Schedule F) with your return.

To comply with New Jersey income tax law you must make the following adjustments to your Federal Schedule C (or Schedule C-EZ or Schedule F):

1. Add any amount you deducted for taxes based on income.
2. Subtract interest you reported on Federal Schedule C (or Schedule C-EZ or Schedule F) which is exempt for New Jersey purposes but taxable for Federal purposes.
3. Add interest not reported on Federal Schedule C (or Schedule C-EZ or Schedule F) from states or political subdivisions outside of New Jersey which is exempt for Federal purposes.
4. Deduct the remaining $50 \%$ of meal and entertainment expenses (that were disallowed on the Federal return).
5. Deduct your qualified contributions to a self-employed $401(\mathrm{k})$ plan. Contributions to a plan in excess of the Federal limits, which are not an
allowable deduction for Federal tax purposes, are also not deductible for New Jersey purposes.
6. Add interest and dividends derived in the conduct of a trade or business.
7. Add or subtract income or losses derived in the conduct of a trade or business from rentals, royalties, patents, or copyrights.
8. Add or subtract gains or losses from the sale, exchange, or other disposition of the trade or business's property.
9. Add or subtract the net adjustment from the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP, Part 1, line 7. Be sure to retain the completed worksheet for your records. See page 67 for how to request Worksheet GIT-DEP and instructions.
10. Subtract the New Jersey allowable IRC Section 199 deduction, which must be calculated on Form 501-GIT, Domestic Production Activities Deduction. Form 501-GIT can be found on the Division's Web site (www.state.nj.us/treasury/taxation/).
Sole proprietors engaged in providing "primary care" medical and/or dental services at a qualified practice located in or within five miles of a designated Health Enterprise Zone (HEZ) may qualify for a deduction on Line 33. For information on eligibility requirements and how to calculate the HEZ deduction, see Technical Bulletin TB-56, Health Enterprise Zones, which is available on the Division's Web site (www.state.nj.us/treasury/taxation/).

Line 18 - Net Gains or Income

## Line 19 - Pensions, Annuities, and IRA Withdrawals

Pensions, annuities, and certain IRA withdrawals are taxable on the New Jersey return and must be reported on Line 19, although the taxable amount may differ from the Federal amount. (See page 25 for information on Roth IRAs.)
$\mathbb{T} \mathbb{A} \mathbb{T} \| P$ If you (and/or your spouse/ civil union partner if filing jointly) were 62 years of age or older or disabled and met the other requirements, you may be able to use the pension and other retirement income exclusions to reduce your gross income. See the instructions for Lines 27a and 27b on page 27 .

All state and local government, teachers', and Federal pensions, and Keogh Plans are treated in the same manner as pensions from the private sector. Amounts received as "early retirement benefits" and amounts reported as pension on Schedule NJK-1, Partnership Return Form NJ-1065 are also taxable. Social Security and Railroad Retirement benefits are exempt from New Jersey income tax and should not be reported as pension income. Pension payments received by reason of total and permanent disability are also exempt. However, if you retired before age 65 on a total and permanent disability pension and continue to receive

pension payments after age 65 , your disability pension is then treated as an ordinary pension. (See definition of "disabled" on page 16.)

If you are receiving a United States military pension or survivor's benefit payments, the military pension or survivor's benefit is not taxable for New Jersey gross income tax purposes, regardless of your age or disability status. Do not include such payments on Line 19, Form NJ-1040.

Military pensions are those resulting from service in the Army, Navy, Air Force, Marine Corps, or Coast Guard. This exemption does not apply to civil service pensions or annuities, even if the pension or annuity is based on credit for military service. Most military pensions and survivor's benefit payments are received from the U.S. Defense Finance and Accounting Service while a civil service annuity is received through the U.S. Office of Personnel Management.

Retirement plans (pensions, annuities, IRAs) are either noncontributory or contributory. A noncontributory plan is one to which you have not made contributions. A contributory plan is one to which you have made contributions, usually through payroll deductions. The amount you report on Line 19 will depend on whether or not you made contributions to the plan.

Noncontributory Plans. Amounts you receive from noncontributory plans are fully taxable. Enter on Line 19 the total amount of the pension or annuity from your 1099-R.

Contributory Plans (Other Than IRAs). The total value of your pension or annuity consists of your contributions, your employer's contributions (if any), and earnings. In general, your contributions to a pension or annuity were taxed when they were made and are not taxed by New Jersey when withdrawn (except for 401(k) Plans). Therefore, you must determine the taxable part of any distribution you receive. Use Worksheet A on page 22 to determine whether you should use the Three-Year Rule Method or the General Rule Method for your pension or annuity.

## Note:

- If you received a distribution from a 401(k) Plan, see the section on 401(k) Plans on page 24 before continuing.
- The taxable amount of an IRA withdrawal must be determined by completing Worksheet C, IRA Withdrawals, on page 24. Do not use Worksheet A or B for an IRA withdrawal.

Three-Year Rule Method. If you will recover your contributions within three years from the date you receive the first payment from the plan, and both you and your employer contributed to the

*The expected return on the contract is the amount receivable. If life expectancy is a factor under your plan, Federal actuarial tables must be used to compute the expected return. The Federal actuarial tables are contained in the Internal Revenue Service's Publication 939, General Rule for Pensions and Annuities. Contact the IRS for this publication. If life expectancy is not a factor under your plan, the expected return is found by totaling the amounts to be received.
plan, you may use the Three-Year Rule Method to determine your New Jersey taxable pension income. The Three-Year Rule allows you to exclude your pension and annuity payments from gross income until the payments you receive equal your contributions to the plan. Until that time, the amounts you receive, because they are considered your contributions, are not taxable and should not be reported on your return. Once you have received (recovered) an amount equal to the amount you contributed, the payments you receive are fully taxable. Since the ThreeYear Rule has been repealed for Federal income tax purposes, if you retired after July 1, 1986, the taxable amount of pension or annuity that you report on your New Jersey return when using this method will differ from the amount you report on your Federal return.

General Rule Method. If you will not recover your contributions within three years from the date you receive the first payment from the plan, or your employer did not contribute to the plan, you must use the General Rule Method to determine your New Jersey taxable pension income. From the first year you receive your pension and every year thereafter, part of your pension will be excludable (the amount that represents your contributions) and part will be taxable. Use Worksheet B below to determine the taxable amount.

Complete Worksheet B the year in which you receive your first pension payment. Once calculated, use the percentage on line 3 to determine the taxable amount year after year. You must recalculate the percentage only if your annual pension payments decrease.

## Contributions to Plans Prior to Resi-

dence. Any contributions you made to a pension, annuity, or IRA prior to moving to New Jersey are treated in the same way as the contributions would have been treated had you resided in New Jersey at the time. Contributions to plans other than 401(k) Plans are considered to have been previously taxed. Use the appropriate method to determine the taxable amount.

B. Total the portion(s) of these previous year withdrawal(s) already reported as income on prior New Jersey tax returns.
C. Subtract the amount of previous year withdrawals reported (B) from the total amount of previous year withdrawals (A). This difference is the amount of contributions that have been recovered thus far.
D. Subtract the amount of recovered contributions (C) from the total amount of contributions made to the IRA. This is the amount of unrecovered contributions to enter on line 4b of Part I.

## Lump-Sum Distributions and Roll-

 overs. When a lump-sum distribution of the entire balance from a qualified employee pension, annuity, profit-sharing, or other plan is made, the amount received in excess of the contributions to the plan that have already been taxed must be included in your income in the year received. New Jersey has no provisions for income averaging of lump-sum distributions. Report the taxable amount of a lump-sum distribution on Line 19.A lump-sum distribution from an IRA or a qualified employee pension or annuity plan which you roll over into an IRA or other eligible plan is excludable from

New Jersey income if the rollover qualifies for deferral for Federal income tax purposes. The amount rolled over (minus previously taxed contributions) is taxable later when it is withdrawn. As under Federal law, the rollover must be made within the 60 -day period after distribution.

401(k) Plans. Beginning on January 1, 1984, New Jersey's treatment of 401(k) Plan contributions changed. After that date employee contributions to $401(\mathrm{k})$ Plans were no longer included in taxable wages when earned. If you made contributions to your 401(k) Plan prior to January 1,1984 , your distribution will be treated differently than if you made all of your contributions after this date.

1. All contributions made after January 1,1984 . If all of your contributions to the $401(\mathrm{k})$ Plan were made after January 1, 1984, then your distributions from the plan are fully taxable unless your contributions exceeded the Federal limit.
2. Contributions made before January 1,1984 . If you made contributions to the 401(k) Plan before January 1, 1984, or you made contributions beyond the Federal limit, calculate the taxable portion of your distributions from the plan using one of the methods described under contributory plans.

Line 19 - Pensions, Annuities, and IRA Withdrawals - continued

For more detailed information on reporting pension and annuity income on your New Jersey return, request Tax Topic Bulletin GIT-1, Pensions and Annuities.

IRAs. Your IRA consists of a nontaxable part (your contributions) and a taxable part (earnings plus certain amounts, if any, rolled over from pension plans). If your contributions have been previously taxed, only the portion of your distribution that represents earnings is taxable.

Earnings credited to an IRA are not subject to tax until withdrawn. The interest, dividends and other earnings, as well as amounts which were tax-free rollovers, will become taxable when withdrawn. If the total amount in the IRA is withdrawn, the entire amount of the interest or accumulated gains becomes taxable in the year the withdrawal is made.

If, however, the withdrawal from an IRA is made over a period of years, the portion of the annual distribution that represents interest income and accumulated gains in the IRA is subject to tax. A distribution from a rollover IRA which is fully taxable for Federal income tax purposes may be treated differently for New Jersey purposes if your contributions were subject to New Jersey income tax when the contributions were made.

Report the taxable amount of an IRA withdrawal on Line 19. Use Worksheet C on page 24 to determine the taxable portion of your IRA withdrawal. For multiple IRAs, the taxable amount may be determined by using a separate worksheet for each IRA, or all IRAs may be combined on one worksheet.

Roth IRAs. Contributions to a Roth IRA are subject to New Jersey tax in the year they are made. However, if the requirements are satisfied, "qualified distributions" from a Roth IRA are excludable and do not have to be included in New Jersey gross income in the year received.

A "qualified distribution" is one made after the five-taxable-year period beginning with the first taxable year in which a contribution was made to your IRA, and which is:

1. Made on or after the date on which an individual reaches age $591 / 2$; or
2. Made to a beneficiary (or the individual's estate) after the individual's death; or
3. Made because the individual becomes disabled; or
4. Made as a qualified first-time home buyer distribution as defined by the Internal Revenue Code.

A payment or distribution cannot be treated as a qualified distribution if it is made within the five-taxable-year period which begins with the year the first contribution was made. A payment or distribution of an allowable rollover contribution (or income earned on the amount rolled over) from an IRA other than a Roth IRA, is not a qualified distribution if it is made within the five-taxable-year period which begins with the year in which the rollover contribution was made.

If you received a nonqualified distribution from a Roth IRA, you must report the earnings as income on Line 19.

If you converted an existing IRA to a rollover Roth IRA during tax year 2009, any amount from the existing IRA that would be taxable if withdrawn must be included in your gross income on Line 19.

For more detailed information on IRA withdrawals, request Tax Topic Bulletin GIT-2, IRA Withdrawals, or Technical Bulletin TB-44.

## Line 20 - Distributive Share of Partnership Income

Enter on Line 20 your share of income derived from partnership(s) as reported to you by the partnership(s) on Schedule NJK-1, Form NJ-1065. The appropriate amount to enter appears on the schedule in column A of the line labeled "Distributive Share of Partnership Income" and must be reported whether or not the income was actually distributed. If the net amount from all Schedule NJK-1s is zero or less, make no entry. Enclose a copy of each Schedule NJK-1 with your return. For detailed information regarding reporting partnership income, request

## Tax Topic Bulletin GIT-9P, Income From Partnerships.

If any adjustments to the amount reported on Line 20 are necessary, follow the detailed instructions in Tax Topic Bulletin GIT-9P, Income From Partnerships.

If you did not receive a Schedule NJK-1, you must enclose a copy of the Federal Schedule K-1 and complete Reconciliation Worksheet A contained in Tax Topic Bulletin GIT-9P, Income From Partnerships. Be sure to retain the completed worksheet for your records.

## Line 21 - Net Pro Rata Share of S Corporation Income

Enter on Line 21 the amount of your net pro rata share of S corporation income, whether or not the income was actually distributed. For detailed information regarding the reporting of $S$ corporation income, request Tax Topic Bulletin GIT-9S, Income From S Corporations.

Enclose a copy of each Schedule NJ-K-1, Form CBT-100S, which you received from the $S$ corporation(s). If you did not receive a Schedule NJ-K-1, you must enclose a copy of the Federal Schedule K-1 and complete Reconciliation Worksheet B contained in Tax Topic Bulletin GIT-9S, Income From S Corporations. Be sure to retain the completed worksheet for your records.

Jersey Lottery winnings over the year, determines taxability.

Enter on Line 23 the amount of your net gambling winnings. You may deduct your gambling losses from your winnings that occurred during the same year. You may use New Jersey Lottery losses to offset other gambling winnings. If your net gambling winnings are less than zero, make no entry.

You must be able to substantiate gambling losses used to offset winnings reported on your New Jersey income tax return. Evidence of losses may take several forms, including a daily log or journal of wins and losses, canceled checks, losing race track pari-mutuel tickets, losing lottery tickets, etc. With respect to winnings or losses resulting from casino gambling, letters from casinos which purport to "rate" the gambling activity of an individual or "estimate" losses are acceptable as part of the evidential material required to prove losses.

## Remember, do not include any winnings from prizes in the amount of $\mathbf{\$ 1 0 , 0 0 0}$ or less from the New Jersey State Lottery.

Although no specific rider to the New Jersey income tax return is required to substantiate gambling losses, it is suggested that if you enter gambling winnings net of losses on Line 23 of the return, you should note the total winnings and total losses on a supporting schedule. This procedure may eliminate certain questions in the event the return is selected for audit.

## Line 24 - Alimony and Separate Maintenance Payments Received

Enter on Line 24 the total amount of alimony and separate maintenance payments you received which were required under a decree of divorce/dissolution or separate maintenance. Do not include payments received for child support.

## Line 25 - Other

## Amounts Received as Prizes and

Awards. A prize won in a raffle, drawing, television or radio quiz show, contest, or any other event is taxable and must be included on Line 25. Any prizes or awards received in goods or services must be included as income at fair market value.

Income in Respect of a Decedent. If you had the right to receive income that the deceased person would have received had he or she lived, and the income was not included on the decedent's final return, you must report the income on your own return when you receive it. The income is reported on Line 25, "Other" income. Enclose a schedule of the items of income reported together and included on Line 25.

Income From Estates and Trusts. Beneficiaries receiving income from an estate or trust must include on Line 25 the Total Distribution reported on Schedule NJK-1, Form NJ-1041. If a Schedule NJK-1 was not received, include on Line 25 the net of the items listed on the Federal K-1 received. Interest, dividends, capital gains, business or partnership income, etc. as listed on the Federal K-1(s) must be adjusted to reflect New Jersey tax law and then netted together before inclusion on Line 25 , "Other" income. Be sure to include income which is not subject to Federal income tax but is subject to New Jersey gross income tax, such as interest from and losses on the disposition of obligations of states and their political subdivisions, other than New Jersey and its political subdivisions, and exclude income and losses not subject to New Jersey tax, such as gains on New Jersey tax-exempt securities.

For tax years beginning on or after January 1, 2004, New Jersey income tax law has uncoupled from certain changes in Federal depreciation and expense deduction limits. The Gross Income Tax Depreciation Adjustment Worksheet GITDEP instructions explain the New Jersey adjustments required to determine income reportable in the various net income categories. See page 67 for how to request Worksheet GIT-DEP and instructions.

For taxable years beginning on or after December 31, 2004, New Jersey income tax law has uncoupled from some provisions of the IRC Section 199 deduction. Information regarding the New Jersey limitations and calculations can be found on the Division's Web site (www.state.nj.us/treasury/taxation/).

Enclose a copy of the NJK-1(s) or Federal K-1(s).

If the income from a grantor trust is reportable by or taxable to the grantor for Federal income tax purposes, it is also taxable to the grantor for New Jersey gross income tax purposes. The grantor must report the interest, dividends, capital gains, business income, partnership income, net pro rata share of $S$ corporation income, etc. in the categories of income as required for gross income tax purposes and not as income from Estates and Trusts. Enclose a copy of the New Jersey or Federal Grantor Trust Attachment.

Scholarships and Fellowships. Scholarships and fellowship grants are taxable and must be included on Line 25 unless they satisfy all of the following conditions:

1. The primary purpose of the grant is to further the recipient's education or training; and
2. The grant neither represents payments for past, present, or future services nor payments for services which are subject to the direction or supervision of the grantor (e.g., a fellowship given in exchange for teaching); and
3. The grant is not for the benefit of the grantor.

## Residential Rental Value or Allowance

 Paid by Employer. Enter on Line 25 either the rental value of a residence furnished by an employer or the rental allowance paid by an employer to provide a home. The rental value of the residence furnished is excludable and should not be reported provided that:1. The lodging is provided on the business premises of the employer; and
2. The lodging is furnished for the convenience of the employer; and
3. The employee is required to accept such lodging as a condition of employment.

Enter on Line 26 the total of Lines 14, 15a, 16, 17, 18, 19, 20, 21, 22, 23, 24, and 25 .

## Line 27a - Pension Exclusion

You qualify for the New Jersey pension exclusion if:

- You (and/or your spouse/civil union partner if filing jointly) were 62 years of age or older or disabled as defined by Social Security guidelines on the last day of the tax year; and
- Total income from Line 26 for the entire year was $\$ 100,000$ or less.

Note: If the amount on Line 26 is more than $\$ 100,000$, you are not eligible for the pension exclusion. You may still be eligible for a special exclusion of up to $\$ 6,000$. See the instructions for Line 27b below to determine if you qualify for this special exclusion.

If you qualify for the pension exclusion, you may exclude all or a part of the income you received during the year from taxable pensions, annuities, and IRA withdrawals. You may exclude up to $\$ 20,000$ (filing status married/CU couple, filing joint return), $\$ 15,000$ (filing status single, head of household, or qualifying widow(er)/surviving CU partner), or
$\$ 10,000$ (filing status married/CU partner, filing separate return).

Enter on Line 27a the lesser of the amount reported on Line 19 or the amount next to your filing status from the Maximum Pension Exclusion chart below. The amount on Line 27a should never be more than the amount on Line 19. Part-year residents, see page 8 .

When you and your spouse/civil union partner file a joint return and only one of you is disabled or 62 years of age or older, you may still claim the maximum pension exclusion. However, only the pension, annuity, or IRA withdrawal of the spouse/civil union partner who is 62 years of age or older or disabled may be excluded.
$\mathbb{T} \mathbb{T} \mathbb{T} \|$ If you and/or your spouse/civil union partner were 62 years of age or older on the last day of the tax year and did not use the maximum pension exclusion amount for your filing status, or you did not use the pension exclusion because you did not report any income on Line 19, you may still qualify for other income exclusions. See the instructions for Line 27b, "Other Retirement Income Exclusion."

## Line 27b - Other Retirement Income Exclusion

If you (and/or your spouse/civil union partner if filing jointly) were 62 years of age or older on the last day of the tax year, you may qualify to exclude other income on Line 27b. There are two parts to the total exclusion: Part I, the unclaimed portion of your pension exclusion, and Part II, a special exclusion for taxpayers who are unable to receive Social Security

- Total income from Line 26 for the entire year was $\$ 100,000$ or less; and
- Income from wages, net profits from business, distributive share of partnership income, and net pro rata share of S corporation income totaled $\$ 3,000$ or less; and
- You did not use the maximum pension exclusion on Line 27a (your taxable pension, annuity, or IRA withdrawal was less than the exclusion amount for your filing status or you did not receive pension, annuity, or IRA withdrawal income).
II. Special Exclusion for Taxpayers Unable to Receive Social Security or Railroad Retirement Benefits. This benefit is not related to the pension exclusion and, if you qualify, you may claim it whether or not you use the maximum pension exclusion. You qualify for this additional exclusion on Line 27b if:
- You (and/or your spouse/civil union partner if filing jointly) were 62 years of age or older on the last day of the tax year; and
- You (and your spouse/civil union partner if filing jointly) are unable to receive Social Security or Railroad Retirement benefits, but would have been eligible for benefits had you fully participated in either program.

If you were a New Jersey resident for only part of the year, see "Guidelines for Part-Year Residents" on page 8.

## Exemptions and Deductions (Lines 29-34)

New Jersey allows deductions only for exemptions, certain medical expenses, qualified Archer medical savings account (MSA) contributions, health insurance costs of the self-employed, alimony and separate maintenance payments, qualified conservation contributions, and a health enterprise zone deduction for qualified taxpayers. No deduction is allowed for adjustments taken on the Federal return such as employee business expenses, IRA contributions, and Keogh Plan contributions. However, be sure to keep records of all contributions to IRAs and Keogh Plans. You will need this information when you make withdrawals in future years. Part-year residents must follow the guidelines on page 8 .

 expenses means nonreimbursed payments for physicians, dental and other medical fees, prescription eyeglasses and contact lenses, hospital care, nursing care, medicines and drugs, prosthetic devices, X-rays, and other diagnostic services conducted by or directed by a physician or dentist. In addition, medical expenses may also include amounts paid for transportation primarily for and essential to medical care and insurance (including amounts paid as premiums under Part B of Title XVIII of the Social Security Act, relating to supplementary medical insurance for the aged) covering medical care. As a general rule, medical expenses allowed for Federal income tax purposes will be allowed for New Jersey income tax purposes.Note: Do not include on line 1 , Worksheet E

## Property Tax Deduction/ Credit (Lines 36c and 48)

Homeowners and tenants who pay property taxes, either directly or through rent, on their principal residence in New Jersey may qualify for either a deduction or a refundable credit.

The property tax deduction reduces your taxable income. Therefore, the tax benefit varies depending on the amount of your taxable income, the amount of your property taxes or rent, and your filing status. The property tax credit reduces your tax due. The credit increases the total payments and/or credits on Line 53, Form NJ-1040. These payments and/or credits are subtracted directly from your tax liability. To determine the actual tax benefit you will receive (how much you will reduce your tax liability) when claiming a property tax deduction, you must calculate your tax liability both with a deduction and without a deduction. Taxpayers who do not reduce their tax liability by $\$ 50$ or more ( $\$ 25$ if spouses/civil union partners file separate returns but maintain the same principal residence) when claiming the property tax deduction should claim the property tax credit instead.

Property Tax Deduction Limitations. For tax year 2009 homeowners under 65 years of age and not blind or disabled whose New Jersey gross income is more than $\$ 250,000$ are not eligible for the property tax deduction. In addition, for homeowners under 65 years of age and not blind or disabled whose New Jersey gross income is over $\$ 150,000$ but not over $\$ 250,000$, the maximum deduction is limited to $\$ 5,000$. When determining
eligibility for the property tax deduction, and calculating the amount of the deduction, homeowners who file separate returns but occupy the same principal residence as their spouse/civil union partner must use their combined income. Part-year residents must use income from all sources for the entire year. Homeowners who are not eligible for a deduction because their income is over $\$ 250,000$ can receive a property tax credit if they satisfy the other eligibility requirements.

Eligibility Requirements. To be eligible for a property tax deduction or property tax credit:

- You must have been domiciled and maintained a principal residence as a homeowner or tenant in New Jersey during 2009; and
- Your principal residence, whether owned or rented, must be subject to local property taxes, and property taxes must have been paid on that residence either as actual property taxes or through rent; and
- Your rented dwelling must have its own separate kitchen and bath facilities; and
- Your gross income on Line 28 is more than $\$ 20,000$ ( $\$ 10,000$ if filing status is single or married/CU partner, filing separate return), or you (and/or your spouse/civil union partner if filing jointly) were 65 years of age or older or blind or disabled on the last day of the tax year.

Taxpayers who were not 65 years of age or older or blind or disabled on December 31, 2009, with gross income of $\$ 20,000$ or less ( $\$ 10,000$ if filing status is single or married/CU partner, filing separate return), are not eligible for a property tax credit.

If you are not eligible for a property tax deduction or credit, make no entry on Lines 36 c or Line 48 and continue completing the return with Line 37.

## Seniors or Blind/Disabled Persons

If you (or your spouse/civil union partner if filing jointly) were 65 years of age or older or blind or disabled on the last day of the tax year, and your gross income on Line 28 is $\$ 20,000$ or less ( $\$ 10,000$ if filing status is single or married/CU partner, filing separate return), and you satisfy the eligibility requirements, you qualify for a property tax credit in the amount of $\$ 50$ (\$25 if you and your spouse/civil union partner file separate returns but maintain the same principal residence).

If you are eligible for a property tax credit, and you:

- Are eligible and file for a homestead rebate, your credit will automatically be sent to you with your rebate. If you are filing Form NJ-1040, do not complete Line 36 c to claim a property tax deduction or Line 48 to claim a property tax credit. For information on how to apply for a homestead rebate, see page 50 .
- Are not eligible for a homestead rebate because on October 1, 2009, you were neither a homeowner nor a tenant, but you were an eligible homeowner or a tenant during some part of $\mathbf{2 0 0 9}$, you may complete Form NJ-1040 and claim the property tax credit on Line 48.

## Line 36c - Property Tax Deduction

If you satisfied the eligibility requirements above, you may be able to deduct up to $100 \%$ of property taxes due and paid or up to $\$ 10,000$, whichever is less. For tenants, $18 \%$ of the rent paid during the year is considered property taxes paid.
$\mathbb{T} \mathbb{A} \mathbb{T} \|$ If you were an eligible
 homeowner or a tenant during some part of 2009, you qualify for a property tax deduction or credit even if you were not a homeowner or a tenant on October 1, 2009.

## Line 42 - Sheltered Workshop Tax Credit

## Line 43 - Balance of Tax after Credit

Subtract Line 42 from Line 41 and enter the result on Line 43.

## Line 44 - Use Tax Due on Out-of-State Purchases

If you were a New Jersey resident and you purchased items or services that were subject to New Jersey sales tax, you are liable for use tax at the rate of $7 \%$ of the purchase price if sales tax has not been paid. If sales tax has been collected out of State, use tax is only due if the tax was paid at a rate less than $7 \%$, based on the difference.

## For example:

- You purchased a computer for $\$ 1,500$ from a seller located outside of New Jersey and no sales tax was collected. Your use tax liability to New Jersey on this item is $\$ 105(\$ 1,500 \times .07=$ \$105).
- On a trip to Maine you purchased an antique desk for $\$ 4,000$ and paid Maine sales tax at the rate of $5 \%$. The difference, $\$ 80(2 \%$ of the purchase price), is due to New Jersey as use tax.

Individual taxpayers report and remit use tax by either completing and filing the Use Tax Return (Form ST-18) within 20 days after property is brought into New Jersey or by reporting any use tax due on Line 44 of their resident income tax return, Form NJ-1040.

Form ST-18 is provided in this booklet for your convenience (in the center of the booklet with other tax forms). You may photocopy Form ST-18 and use it to remit use tax throughout the year.

$\mathbb{T} \mathbb{A} \mathbb{T} \boldsymbol{P}$ If you owe use tax and are
 remitting it with Form NJ-1040, compute the amount of use tax due as follows:

## Step 1

Items or services costing less than $\mathbf{\$ 1 , 0 0 0}$ each. If you know the amount of your purchases in this category, calculate the exact amount of use tax due by multiplying the amount of your purchases by $7 \%$ (.07). OR, if you have incomplete or inaccurate receipts for your purchases, you may use the Estimated Use Tax Chart to estimate the amount of use tax due.

Note: Using the Estimated Use Tax Chart to determine the amount of use tax you report on Line 44 does not preclude the Division of Taxation from auditing your account. New Jersey does have access to records maintained by out-of-State businesses, and if additional tax is due, you may receive an assessment for the amount of use tax owed, plus applicable penalties and interest.

## Step 2

Items or services costing \$1,000 or more each. You must calculate the exact amount of use tax due on all purchases in this category.

## Step 3

Total use tax due. Add the amounts determined in Steps 1 and 2. Enter the result on Line 44, Form NJ-1040.

If you do not owe use tax, you must enter " 0.00 " on Line 44.

## Line 45 - Penalty for Underpayment of Estimated Tax

To determine the amount of interest for the underpayment of estimated tax, complete Form NJ-2210, Underpayment of Estimated Tax by Individuals, Estates or Trusts. Enter on Line 45 the amount of interest due from line 19, Form NJ-2210. Be sure to fill in the oval below Line 45 and enclose Form NJ-2210 with your return. See "Estimated Tax" on page 13.

## Line 46 - Total Tax and Penalty

Enter on Line 46 the total of Lines 43, 44, and 45 .

## Line 47 - Total New Jersey Income Tax Withheld

Enter on Line 47 the total New Jersey income tax withheld, as shown on your W-2, W-2G, and/or 1099 statement(s). All W-2 and 1099 statements must reflect your correct social security number for the withholdings to be credited. If the social security number is missing or incorrect, you must obtain a corrected statement. Only your employer/payer can issue or correct these forms. If you have not received a W-2 or 1099 form by February 15 , or if the form you received is incorrect, contact your employer/payer immediately.

Form W-2. The W-2 must indicate the amount of New Jersey tax withheld and the "State" box must indicate that the tax withheld was New Jersey income tax. See sample W-2 on page 20. Enclose the state copy of each withholding statement (W-2, W-2G).

Do not include on Line 47 amounts withheld as New Jersey unemployment insurance/workforce development partnership fund/supplemental workforce fund contributions (shown on the W-2 as

UI/WF/SWF, if combined, or UI, WF, and SWF if stated separately), New Jersey disability insurance contributions (may be shown as DI), or New Jersey family leave insurance contributions (shown as FLI). These are not New Jersey income tax withholdings and may not be used as credits on Line 47.

See instructions for Lines 51 and 52 for more information on excess unemployment insurance/workforce development partnership fund/supplemental workforce fund contributions and/or disability insurance contributions.

Excess family leave insurance contributions cannot be claimed as a credit on Form NJ-1040. For information write to: Division of Employer Accounts, Worker Refund Unit "2009," PO Box 910, Trenton NJ 08625-0910, or call the Department of Labor and Workforce Development at 609-633-6400.

Form 1099. Although most 1099 forms do not show state withholding, New Jersey income tax may have been withheld from income you received that was reported on Form 1099-R or 1099-MISC. Enter on Line 47 the total amount of New Jersey income tax withheld, if any, shown on those statements. Enclose the state copy of Form 1099-R or 1099-MISC with your return only if New Jersey income tax was withheld.

## Line 48 - Property Tax Credit

If you satisfied the eligibility requirements (see page 33 ) and you did not claim a property tax deduction on Line 36 c , you qualify for a property tax credit.

## Do not complete Line 48 if:

- You claimed a property tax deduction on Line 36c; or
- Your gross income on Line 28, Form NJ -1040 is $\$ 20,000$ or less $(\$ 10,000$ if filing status is single or married/CU partner, filing separate return).

Note: If you are 65 years of age or older or blind or disabled, and you are not required to file Form NJ-1040 because your gross income on Line 28 is $\$ 20,000$ or less ( $\$ 10,000$ if filing status is single or married/CU partner, filing separate return), and you satisfy the eligibility requirements, you qualify for a property tax credit in the amount of $\$ 50$ ( $\$ 25$ if you and your spouse/ civil union partner file separate returns but maintain the same principal residence). See "Seniors or Blind/Disabled Persons" on page 33 before completing Line 48.

## Line 49 - New Jersey Estimated Payments/Credit From 2008 Tax Return

Enter on Line 49 the total of:

- Estimated tax payments made for 2009 (See "Estimated Tax" on page 13)
- Credit applied from your 2008 tax return*
- Amount, if any, paid to qualify for an extension of time to file
*This is the amount of overpayment that you chose to carry forward on Line 56 of your $2008 \mathrm{NJ}-1040$ as a credit towards your income tax liability for 2009. If you received a refund check for 2008, do not enter the amount of that refund check on Line 49.

## Payments Made Under Another Name

 or Social Security Number. If you changed your name because of marriage/ civil union, divorce/dissolution, etc., and you made estimated tax payments using your former name, enclose a statement with your return explaining all the payments you and/or your spouse/civil union partner made for 2009 and the name(s) and social security number(s) under which you made payments.If your spouse/civil union partner died during the year and any estimated payment(s) were made under the deceased spouse's/civil union partner's social security number and other payments
were made under your social security number, you must enclose a statement with your return listing the social security numbers and the amounts submitted under each social security number.

## Line 50 - New Jersey Earned Income Tax Credit

The New Jersey earned income tax credit is a credit for certain taxpayers who work and have earned income. The credit reduces the amount of tax you owe and may also give you a refund, even if you have no tax liability to New Jersey.

Note: You must file a New Jersey resident income tax return to receive a New Jersey earned income tax credit, even if you are not required to file a return because your gross income is below the minimum income filing threshold.

For tax year 2009, residents who are eligible and file for a Federal earned income credit can also receive a New Jersey earned income tax credit in the amount equal to $25 \%$ of the Federal benefit.

Use the Earned Income Tax Credit Worksheet above to calculate the amount of your New Jersey earned income tax credit for Line 50. If you asked the Internal Revenue Service to calculate your Federal earned income credit, fill in the first oval below Line 50. (Civil union couples should not fill in this oval even if one or both of you are eligible for a Federal credit and asked the IRS to calculate the amount. See the instructions below.) The IRS will provide information regarding Federal earned income credit recipients to the Division of Taxation in October 2010. Please allow at least 4-6 weeks for the

## Earned Income Tax Credit Worksheet

(Keep for your records)

1. Enter the amount of your Federal earned income credit from your 2009 Federal Form 1040 or Form 1040A. $\qquad$ 1. . Fill in the first oval below Line 50 if you asked the IRS to calculate your Federal earned income credit. Civil union couples, see instructions.
2. Enter $25 \%$ of amount on line 1 here and on Line 50, Form NJ-1040 $\qquad$ 2.

Part-year residents, see instructions.

Division to process the information and issue a check for your New Jersey earned income tax credit.

Part-Year Residents. If you were a New Jersey resident for only part of the taxable year, the amount of your New Jersey earned income tax credit must be prorated based upon the number of months you were a New Jersey resident. For this calculation 15 days or more is a month. Use this prorated figure on Line 50.

Civil Union Couples. If you are filing a joint return for New Jersey purposes, and either one or both of you are eligible and file for a Federal earned income credit, you might also be able to receive a New Jersey earned income tax credit. A civil union partner filing a separate return is not eligible for a New Jersey earned income tax credit.

The only way to determine if you are eligible for a New Jersey credit is to prepare a Federal return as if you were married, filing jointly and calculate the amount of the Federal earned income credit, if any, you would have been eligible to receive on a joint Federal return. Once you have

determined the amount of the Federal credit you would have received as joint filers, you must use that amount on the Earned Income Tax Credit Worksheet to calculate your New Jersey credit. Be sure to fill in only the second oval below Line 50 indicating you are a civil union couple. You may be asked to provide documentation to substantiate your calculation of the Federal earned income credit you would have been eligible to receive if you had filed a joint Federal return.

## UI/WF/SWF; DI Credit (Lines 51 and 52)

You may take credit for excess unemployment insurance/workforce development partnership fund/supplemental workforce fund contributions and/or disability insurance contributions withheld by two or more employers. For 2009, the maximum employee unemployment insurance/ workforce development partnership fund/ supplemental workforce fund contribution was $\$ 122.82$, and the maximum employee disability insurance contribution was $\$ 144.50$. If you had two or more employers and you contributed more than the maximum amount(s), you must enclose a completed Form NJ-2450 with your return to claim the credit.

If any single employer withheld more than the maximum for either UI/WF/ SWF (\$122.82) or disability insurance ( $\$ 144.50$ ) contributions, enter only the maximum amount for that category on Form NJ-2450. You must contact the employer who withheld contributions in excess of the legal maximum for a refund.

All information on Form NJ-2450 must be substantiated by W-2 statements or the claim will be denied. The amounts of unemployment insurance/workforce development partnership fund/supplemental workforce fund contributions and disability insurance contributions withheld must be reported separately on all W-2 statements. The employer's New Jersey taxpayer identification number or approved private plan number must also be shown. See sample W-2 on page 20.

Be careful when completing Form NJ-2450 and check that your W-2 verifies the information you provide. If all New Jersey Department of Labor and Workforce Development requirements are not met, your income tax credit must be denied. You must then refile your claim with the Department of Labor and Workforce Development using their Form UC-9A, "Employee's Claim for Refund of Excess Contributions." Once your income tax credit for excess unemployment insurance/workforce development partnership fund/supplemental workforce fund contributions and/or disability insurance contributions has been denied, it can only be claimed through the Department of Labor and Workforce Development.

Excess FLI Contributions. For 2009, the maximum employer family leave insurance contribution was $\$ 26.01$. Excess family leave insurance contributions cannot be claimed as a credit on Form NJ-1040. If you contributed more than the maximum amount, write to: Division of Employer Accounts, Worker Refund Unit "2009," PO Box 910, Trenton NJ 08625-0910, or call the Department of Labor and Workforce Development at 609-633-6400.

The amount you donate will reduce your refund or increase your balance due. Be sure to enter an amount when making a contribution.

If you are making a donation on Line 57 , $58,59,60,61$, and/or 62 , and you have a balance due, increase the amount of your payment by the amount you wish to contribute. If you are paying your tax due by check and including a donation, your check or money order must be made out to "State of New Jersey - TGI," not to the charity or charities you selected. Your donation will be deposited in the appropriate fund(s) when your return is processed.

## Remember-

Subtract Line 63 from Line 55 (Overpayment). Enter the result on Line 64. This is the amount of your refund.

## 2009 Schedules A, B, and C

## Schedule A - Taxes Paid to Other Jurisdiction

Requirements. As a New Jersey resident, you may be eligible for a tax credit against your New Jersey income tax if you have income from sources outside New Jersey. To qualify, your income must be subject to both the New Jersey income tax and the income or wage tax imposed by another jurisdiction outside of New Jersey for the same year. For this purpose, "jurisdiction" means any state of the United States or political subdivision of such state, including the District of Columbia. Pennsylvania residents see page 45. No credit is permitted for taxes paid to the U.S. Government, Canada, Puerto Rico, or any foreign country or territory.

To receive the credit for taxes paid to another jurisdiction you must:

1. Complete Schedule A in its entirety. You may be required to complete more than one Schedule A in certain situations. See below.
2. Enclose Schedule A(s) with your NJ-1040 income tax return.

Note: New Jersey does not require that a copy of the income tax return(s) filed with the other jurisdiction(s) be enclosed with Form NJ-1040. However, you should retain complete copies of any returns filed with other jurisdiction(s). If your return is audited, you will be asked to provide:
a) A complete copy of the income tax return(s) filed with the other jurisdiction(s) - if one was filed or required to be filed. If you filed electronically in the other jurisdiction, a copy of the Electronic Filing Income Tax Return along with schedules, worksheets, etc. which establish the nature and source of the income being taxed by the other jurisdiction must be submitted.
b) If you participated in a composite return filed in another jurisdiction, you must submit a statement, on the filing entity's letterhead, that lists the jurisdiction, your share of the gross income taxed by the other jurisdiction, and your share of the tax paid.
c) If no return is required to be filed with the other jurisdiction, you must submit the following as applicable:

- W-2 which lists the wage taxes paid and the name of the taxing jurisdiction.
- A statement from the business entity which filed a tax return based on income that lists your share of the gross income taxed by the other jurisdiction, the name of the tax, and your share of the tax paid.

## Completing More Than One Schedule A.

 You must complete a separate Schedule A for each jurisdiction for which you are claiming a credit. You must also complete a separate Schedule A for each tax imposed by a jurisdiction.- Two or more jurisdictions (i.e., a state and political subdivision(s) therein) impose tax on the same income. For example, when both a state and a city within that state tax the same income, you may have to complete and enclose a separate Schedule A for each juris-

Schedule A-continued
diction (see "Same Income Taxed by More Than One Jurisdiction" on this page).

- Different jurisdictions impose tax on different income. For example, if you had wages from State A and a gain from the sale of property from State B, you must complete a separate Schedule A for each state.
- Same jurisdiction imposes more than one type of tax. For example, if you had wages and business income from a city that imposes both a wage tax and a different tax on business income, you must complete one Schedule A for the wage tax and a separate Schedule A for the tax on business income.

Property Tax Deduction/Credit (Worksheet F). Schedule A provides taxpayers who are eligible for a property tax benefit with a method for calculating the credit for taxes paid to another jurisdiction both with and without the property tax deduction. If you are eligible to receive a property tax deduction/credit you must complete Schedule A for each jurisdiction for which you are claiming a credit for taxes paid. Then you must complete Worksheet F on page 46 to determine whether you receive a greater benefit from claiming the property tax deduction or taking the property tax credit.

If you are claiming a credit for taxes paid to another jurisdiction but you are not eligible for a property tax benefit (see page 33 for eligibility requirements), only complete Column B of Schedule A. Enter the amount from Line 9, Column B on Line 40, Form NJ-1040. Make no entry on Lines 36c or 48, Form NJ-1040.

## Line 1 - Income Actually Taxed by Other Jurisdiction

Enter on Line 1 the amount of income you received during the year which was actually taxed by the other jurisdiction. Also enter the name of the taxing jurisdiction in the space provided. The amount on Line 1 must be the amount of income which was actually taxed by the other jurisdiction. This means the gross income after adjustments have been made by the
other jurisdiction but before personal exemptions and standard and/or other itemized deductions are subtracted. Any income included on Line 1 of Schedule A must also be included on Line 2 since to be eligible for the credit, the income must be taxed by both New Jersey and the other jurisdiction.

Include on Line 1 only amounts properly taxable by the other jurisdiction. In general, this includes compensation for services performed; net profits from a business, trade, or profession carried on in the other jurisdiction; $S$ corporation income allocated to the other jurisdiction; or income or gains from the ownership or sale of real or personal property in the other jurisdiction.

Amounts received as interest, dividends, gains on sale of securities, and other income from intangible personal property such as savings accounts, stocks, bonds, and other securities, cannot be included on Line 1 unless (1) the income was derived from a business, trade, or profession carried on in the other jurisdiction, or (2) you are required to and file a resident return with the other jurisdiction as well as with New Jersey and report the income on both returns.

Do not include on Line 1:

- Income which is not subject to New Jersey income tax (even though the item(s) may be subject to tax by the other jurisdiction, e.g., unemployment compensation).
- Income which has been excluded or deducted in arriving at the income actually taxed in the other jurisdiction. Items such as IRA and Keogh contributions, employee business expenses, moving expenses, and alimony, if allowed as adjustments to income, would have been deducted from gross income.
- Income subject to tax by any foreign country, U.S. possession, or territory.
- If you are required to file a resident return in the other jurisdiction, any amount of $S$ corporation income allocated to New Jersey.

## Same Income Taxed by More Than

 One Jurisdiction. Income can only be reported once on Schedule A. When you pay tax to two jurisdictions on the same income, and the amount of income taxed by each jurisdiction is the same, complete only one Schedule A. When you pay tax to two jurisdictions on the same income and the amount of income taxed by each jurisdiction differs, you may be eligible to claim two credits. The first credit is based on the amount of income taxed by both jurisdictions, and the second credit is based only on the difference between the amounts taxed by the two jurisdictions.For example, New Jersey taxed \$150,000 in business income of a business in city $Y$ located in state Z . Both city Y and state Z taxed the business income. If state $Z$ imposed $\$ 8,200$ tax on $\$ 120,000$ of income, and city Y imposed \$5,600 tax on $\$ 140,000$ of income, complete two Schedule As. Line 1, Schedule A of the first credit calculation will be $\$ 120,000$ (the amount of income taxed by both city Y and state Z ). To determine the credit available on the $\$ 120,000$ which was jointly taxed, add together and enter in Box 9a, Line 9 the taxes paid to state $Z$ $(\$ 8,200)$ and the portion of the city Y tax on $\$ 120,000(\$ 4,800)$. (Do not use $\$ 5,600$ for the amount of city Y tax, since that is the tax paid on $\$ 140,000$ of income.) Compare the allowable credit calculated on Line 8, Schedule A to the amount in Box $9 \mathrm{a}(\$ 13,000)$. The credit allowed is the lesser of Line 8 or Box 9a. For the second Schedule A, the amount on Line 1 is $\$ 20,000$. This is the difference between the amount taxed by both city Y and state Z $(\$ 120,000)$ on which a credit has already been calculated, and the amount taxed by city Y $(\$ 140,000)$.

Note: When calculating the credit for income taxed by more than one jurisdiction and the actual tax paid to the other jurisdiction is less than the allowable credit, enter on Line 9, Box 9a of each Schedule A only the tax paid on the amount of income entered on Line 1. In the example above, Line 9, Box 9a of the second Schedule A would show $\$ 800$, the tax paid to city $Y$ on $\$ 20,000$ of income, not $\$ 5,600$, the tax paid on $\$ 140,000$ of income.

Schedule A - continued
Income From New York. New Jersey residents working in or earning taxable income from New York are often taxed on an amount less than their actual income earned in New York due to the many allowable New York income tax adjustments. New York determines the rate (\% of tax) that will be imposed by including all the income earned as if the taxpayer was a resident. New York then computes the percentage of the New York source income by dividing the New York State income by the Federal income (worldwide income). The percentage is then multiplied by the total calculated tax liability, as if a resident, to determine the actual tax liability of the nonresident. When claiming credit for taxes paid to New York, Line 1, Schedule A of the NJ-1040 should reflect the "New York State Amount" actually taxed by New York from the New York IT-203. Certain adjustments may be necessary to determine the income actually taxed by New York State.

For New Jersey residents subject to the New York State income tax on lump-sum distributions, separate Schedule A calculations for taxes paid to New York State on first the ordinary income and second on taxes paid to New York State on the lump-sum distribution should be made to arrive at the total credit for taxes paid. Both Schedule As must be enclosed with your return.

Income From Pennsylvania. As a result of the Reciprocal Personal Income Tax Agreement between the Commonwealth of Pennsylvania and the State of New Jersey, compensation paid to New Jersey residents employed in Pennsylvania is not subject to the Pennsylvania income tax. Compensation means salaries, wages, tips, fees, commissions, bonuses, and other remuneration received for services rendered as an employee.

You may not claim a credit on Schedule A for taxes paid to Pennsylvania on compensation earned in Pennsylvania because these earnings are not subject to tax in Pennsylvania. If Pennsylvania income tax was withheld from your wages, you must file a Pennsylvania return to
obtain a refund. To stop the withholding of Pennsylvania income tax, complete a Pennsylvania Employee's Statement of Nonresidence in Pennsylvania and Authorization to Withhold Other State's Income Tax (Pennsylvania Form REV-420) and give it to your employer. You may obtain Form REV-420 from the Pennsylvania Department of Revenue.

The Reciprocal Agreement covers compensation only. If you are self-employed or receive other income (for example, gain from sale of property) which is taxable in both states, you may claim a credit for taxes paid to Pennsylvania on that income by completing Schedule A.

## Income From Philadelphia or Other Pennsylvania Municipalities. The

 Reciprocal Agreement does not apply to the wage or income tax imposed and collected by the City of Philadelphia or any other municipality in Pennsylvania. Therefore, income subject to both New Jersey income tax and any municipal wage or income tax may be included on Line 1, Schedule A.The amount of income taxable to Philadelphia is sometimes different than the New Jersey State wages figure on the W-2 statement. To determine the proper amount of income to place on Line 1 of Schedule A of the NJ-1040, you must divide the wage tax deducted from your pay by the Philadelphia tax rate as follows:
$\frac{\text { Philadelphia Wage Tax Paid }}{\text { Philadelphia Wage Tax Rate }}=$ Line 1, Sched. A
Do not report at Line 1 an amount that is more than the amount reported at Line 14, NJ-1040 as Philadelphia wages.

## Sole Proprietorship or Partnership

Income From Philadelphia. If you are a sole proprietor or partner in a partnership whose income is subject to Pennsylvania income tax and Philadelphia Business Privilege Tax and Net Profits Tax, you must consider the taxes paid (based on income) to all jurisdictions when calculating the credit. The Philadelphia Business Privilege Tax imposes two taxes, one based on income and one based on gross
receipts. Only the tax imposed based on income qualifies for the credit calculation.

S Corporation Income. If you paid income taxes or wage taxes to another jurisdiction on your $S$ corporation income and that income is also taxed in New Jersey for the same tax year, you may be eligible for a credit. No credit is allowed, however, for tax imposed by another jurisdiction on S corporation income which is allocated to New Jersey. Nor is a credit allowed for the amount of any taxes paid or accrued on or measured by profits or income imposed on or paid on behalf of a person other than you, whether or not you may be held liable for the tax. In addition, you may not claim a credit against New Jersey tax attributable to distributions. Distributions that are taxable to you as dividends or gains from disposition of property are intangible income and not subject to tax in the other jurisdiction.

## Line 2 - Income Subject to Tax by New Jersey

Enter on Line 2 the amount of income reported on Line 28, Form NJ-1040 (New Jersey Gross Income).

## Line 3 - Maximum Allowable Credit Percentage

Divide Line 2 into Line 1 and enter the percentage on Line 3. Carry your results to seven (7) decimal places, rounding up if the seventh place is 5 or more (i.e., .2412378 becomes $24.1238 \%$ ). Since Line 1 can never be more than Line 2, the result will be $100 \%$ or less.

If you are not eligible to claim a property tax deduction or credit, only complete Column B to determine your credit for taxes paid to other jurisdictions. Total the amounts from Line 9, Column B of all Schedule As completed and enter that amount on Line 40, Form NJ-1040. Make no entry on Lines 36 c or 48 , Form NJ-1040.

## Line 4 - Taxable Income

For each column, enter on Line 4 the amount of your taxable income from Line 35, Form NJ-1040.

For more information on claiming a credit for taxes paid to another jurisdiction, refer to Tax Topic Bulletins GIT-3W, Credit for Taxes Paid to Other Jurisdictions (Wage Income), and GIT-3B, Credit for Taxes Paid to Other Jurisdictions (Business/Nonwage Income).

## Schedule B Disposition of Property

Your portion of the gain or loss derived from the disposition of property owned by a sole proprietorship, partnership, an estate or trust or, in general, an S corporation is reportable as net profits from business on Line 17, distributive share of partnership income on Line 20, income from estates and trusts on Line 25, or net pro rata share of $S$ corporation income on Line 21. For information regarding grantor trusts, see the reporting instructions for Line 25 on page 26.

Use Schedule B to report all other capital gains and income from the sale or exchange of any property. In arriving at your gain, you may deduct expenses of the sale and your basis in the property. The basis to be used for computing gain or loss is the cost or adjusted basis determined for Federal income tax purposes.

New Jersey income tax law has uncoupled from certain changes in Federal depreciation and expense deduction limits. A New Jersey depreciation adjustment may be required for assets placed in service on or after January 1, 2004. Complete the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP to calculate the adjustment.

The New Jersey allowable IRC Section 199 deduction must be calculated on Form 501-GIT, Domestic Production Activities Deduction. The result should be taken into consideration in calculating the gain or loss on disposition of applicable property. Form 501-GIT can be found on the Division's Web site (www.state.nj.us/treasury/taxation/).
$\mathbb{T} \triangle \mathbb{T} \| P$ If you had an interest in a
 partnership, a sole proprietorship, or an S corporation which sold or disposed of virtually all of its assets in conjunction with the complete liquidation of the entity, then your portion of the gain or loss from the entity's sale or disposition of its assets must be reported as net gains or income from the disposition of property.

If you sold an interest in a partnership, a sole proprietorship, or rental property, you may be required to use a New Jersey adjusted basis. If you sold shares in an S corporation, you must use your New Jersey adjusted basis. The gain or loss from your sale or liquidation of a sole proprietorship, a partnership interest, or shares of S corporation stock must be reported as net gains or income from disposition of property on Schedule B.

For information on calculating your New Jersey adjusted basis and your New Jersey reportable gain or loss, refer to rules N.J.A.C. 18:35-1(c)5 (trade or business property), 18:35-1.3(d)2 (partnerships), or 18:35-1.5(k) (S corporations) and Tax Topic Bulletin GIT-9P, Income From Partnerships, or GIT-9S, Income From $S$ Corporations.

All gains derived from installment sales must be reported in the same year as reported for Federal income tax purposes. If the New Jersey basis differs from the Federal basis, a New Jersey installment sale calculation must be made and the New Jersey gain must be reported.

If the spaces provided are not sufficient, enclose a statement with the return listing any additional transactions along with Schedule B.

Sale of a Principal Residence. If you sell your principal residence, you may qualify to exclude up to $\$ 250,000$ ( $\$ 500,000$ for certain married/civil union couples filing a joint return) of any gain from your income. Capital gain is computed in the same manner as for Federal income tax purposes. Any amount that is taxable for Federal purposes is taxable for New Jersey purposes.

You can claim the exclusion if, during the 5 -year period ending on the date of the sale, you have:

1. Owned the home for at least 2 years (the ownership test); and
2. Lived in the home as your principal residence for at least 2 years (the use test).

Note: If you owned and used the property as your principal residence for less than 2 years, and you qualify for a reduced exclusion for Federal purposes, you may claim a reduced exclusion for New Jersey purposes.

You can exclude up to $\$ 250,000$ ( $\$ 500,000$ for certain married/civil union couples filing a joint return) of gain from the sale of your principal residence if both 1 and 2 below apply.

1. Neither you nor your spouse/civil union partner if filing a joint return is excluding gain from the sale of another home.
2. You or your spouse/civil union partner if filing a joint return owned and lived in the home for periods adding up to at least 2 years within the 5 -year period ending on the date of sale.

If you are a married/civil union couple, filing a joint return, both you and your spouse/civil union partner must meet the use test to qualify for the $\$ 500,000$ exclusion.

If only one spouse/civil union partner meets the ownership and use tests, the qualified spouse/civil union partner can exclude up to $\$ 250,000$ of the gain when filing either a joint return or a married/CU partner, filing separate return.

Schedule B-continued
You cannot exclude the gain on the sale of your principal residence if, during the 2 -year period ending on the date of the sale, you sold another home at a gain and excluded all or part of that gain. If you cannot exclude the gain, you must include it in your income and complete Schedule B. However, you can claim a reduced exclusion if you sold the home due to a change in health or place of employment and you qualify for a reduced exclusion for Federal purposes.

## Line 1 - List of Transactions

List at Line 1, Schedule B any New Jersey taxable transaction(s) as reported on your Federal Schedule D, indicating the gain or loss for each transaction in Column f. In listing the gain or loss on disposition of rental property, the New Jersey adjustment from the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP, Part 1 , line 6 must be taken into consideration. Be sure to retain the completed worksheet for your records. See page 67 for how to request Worksheet GIT-DEP and instructions.

Do not include gains or losses from the sale of exempt obligations. For more information on tax-exempt obligations, request Tax Topic Bulletin GIT-5, Exempt Obligations.

The Gross Income Tax Act does not distinguish between active and passive losses, nor does it authorize carryback or carryforward of such losses. You may deduct Federal passive losses in full in the year incurred against any gain within the same category of income, but only in the year that it occurred.

## Line 2 - Capital Gains Distributions

Enter on Line 2 the total amount of all capital gains distributions from your Form 1099-DIV(s) or similar statement(s). Do not include capital gains from a "New Jersey Qualified Investment Fund" which are attributable to qualified exempt obligations or gains from mutual funds to the extent attributable to Federal obligations. For more information
on "New Jersey Qualified Investment Funds," see page 21.

## Line 3 - Other Net Gains

Enter on Line 3 the total amount of net gains or income less net losses from disposition of property not included on Lines 1 or 2 of Schedule B.

## Line 4 - Net Gains

Enter on Line 4 the total of the amounts listed on Line 1, Column f and Lines 2 and 3, netting gains with losses. Enter this amount on Line 18, Form NJ-1040. If the netted amount is a loss, enter zero here and make no entry on Line 18, Form NJ-1040.

## Schedule C - Rents, Royalties, Patents, and Copyrights

Your portion of net gains or losses derived from rents, royalties, patents, and copyrights from property owned by a sole proprietorship, partnership, an estate or trust or, in general, an S corporation is reportable as net profits from business on Line 17, distributive share of partnership income on Line 20, income from estates and trusts on Line 25, or net pro rata share of $S$ corporation income on Line 21. For information regarding grantor trusts see the reporting instructions for Line 25 on page 26.

Use Schedule C to report all other net gains or income less net losses from rents, royalties, patents, and copyrights.

New Jersey income tax law has uncoupled from certain changes in Federal depreciation and expense deduction limits. A New Jersey depreciation adjustment may be required for assets placed in service on or after January 1, 2004. Complete the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP to calculate the adjustment.

The New Jersey allowable IRC Section 199 deduction must be calculated on Form 501-GIT, Domestic Production Activities Deduction. The result should be taken into consideration in calculating the net gain,
income, or loss resulting from the rental of applicable property. Form 501-GIT can be found on the Division's Web site (www.state.nj.us/treasury/taxation/).

The Gross Income Tax Act does not distinguish between active and passive losses, nor does it authorize carryback or carryforward of such losses. Thus, you may deduct Federal passive losses in full in the year incurred against any gain within the same category of income.

If the spaces provided are not sufficient, enclose a statement with the return listing any additional property and income along with Schedule C.

## Line 1 - List of Property and Income

List at Line 1, Schedule C the kind of property and the net income or loss from each property. For rentals, in listing the income or loss for each rental property as determined on your Federal Schedule E, the New Jersey adjustments from the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP, Part 1, lines 4 and 5 must be taken into consideration. Be sure to retain the completed worksheet for your records. See page 67 for how to request Worksheet GIT-DEP and instructions.

In listing New Jersey income or loss, the New Jersey allowable IRC Section 199 deduction must be taken into consideration, if applicable. Information regarding the New Jersey limitations and calculations can be found on the Division's Web site (www.state.nj.us/treasury/taxation/).

## Line 2 - Totals

Add the amounts in each column and enter the totals on Line 2.

## Line 3 - Net Income

Add the amounts listed on Line 2 in columns b, c, d, and e. Enter the total on Line 3, netting gains with losses. Enter this amount on Line 22, Form NJ-1040. If the netted amount is a loss, enter zero here and make no entry on Line 22, Form NJ-1040.

## Assembling Your Return

## How to Apply for the Homestead Rebate

How you apply for the homestead rebate is determined by whether you were a homeowner or a tenant on October 1, 2009. Homeowners and tenants file different applications.

Tenants. The application for the tenant rebate, Form TR-1040, is contained in this booklet. Those who rented and occupied a home in New Jersey that was their principal residence on October 1, 2009, and who meet the other requirements below may be eligible.

Homeowners. Residents who owned, occupied, and paid property taxes on a home in New Jersey that was their principal residence on October 1, 2009, and who meet certain income limits are eligible. Homeowners do not use the application in this booklet.

Information about the 2009 homestead rebates and homeowner applications will not be available until the State Budget is approved this summer. Applications will not be mailed before then. Information about the proposed changes to the 2009 Homestead Rebate Program is available on the Division's Web site at www.state.nj.us/treasury/ taxation/2009homesteadinfo.shtml.

Rebate amounts and qualifications for eligibility are subject to restrictions due to State budgetary constraints. The State Budget imposed restrictions on rebate eligibility and amounts for tax year 2008 (rebates paid in 2009). Only homeowners age 65 or older or disabled, whose 2008 New Jersey gross income was $\$ 150,000$ or less, and homeowners under age 65 and not disabled whose 2008 New Jersey gross income was $\$ 75,000$ or less, and who met the other qualifications were eligible. For tax year 2009 (rebates to be paid in 2010), those restrictions may or may not apply.

Note: If you were a homeowner for part of the year, but your principal residence on October 1, 2009, was a dwelling that you rented, you are not eligible for a homeowner rebate but may be eligible for a homestead rebate as a tenant. See below.

## Tenant Eligibility

To be eligible for a New Jersey homestead rebate as a tenant:

- You must have rented and occupied a home in New Jersey that was your principal residence on October 1, 2009; and
- Your gross income for the entire year must have been $\$ 100,000$ or less (see Note under Line 11, Total Gross Income, on page 53); and
- Your principal residence must be subject to local property taxes, and property taxes must have been paid on that residence through rent; and
- Your dwelling unit must contain its own separate kitchen and bath facilities; and
- If you are filing Form NJ-1040, you must file the tenant homestead rebate application (Form TR-1040) and the NJ-1040 by April 15, 2010, or if you are filing the NJ-1040 under an extension, by the extended due date. If you are filing only Form TR-1040, see "Rebate Only Filers" below.

Rebate amounts and qualifications for eligibility are subject to restrictions due to State budgetary constraints. The State Budget limited eligibility for tax year 2008 (rebates paid in 2009) to tenants 65 years of age or older or blind or disabled. For tax year 2009 (rebates to be paid in 2010) those restrictions may or may not apply.

Rebate Only Filers. A tenant who is not required to file a New Jersey income tax return (because of income below the minimum filing threshold) and meets the qualifications for a tenant homestead rebate may file only Form TR-1040 to claim a rebate. It is not necessary to file the $\mathbf{N J}-1040$ along with the tenant
rebate application. These residents have until November 1, 2010, to file Form TR-1040.

Part-Year Residents. A part-year resident who rented a principal residence on October 1, 2009, and meets all the eligibility requirements qualifies for a tenant rebate. Part-year residents must enter their full-year income from all sources on Line 9 of Form TR-1040.

## $\mathbb{T} \mathbb{A} \mathbb{T} \| P$ Married/CU Partner, 1-8 Filing Separate Return. If your filing status is mar-

 ried/CU partner, filing separate return and you maintain the same principal residence as your spouse/civil union partner, you must combine your gross income with your spouse's/civil union partner's gross income when applying for the rebate. Neither you nor your spouse/civil union partner can receive more than one-half of the rebate that you would receive if you filed a joint return. Both you and your spouse/civil union partner must file Form TR-1040 to be eligible to receive up to one-half of the rebate.Principal Residence. A principal residence means a homestead, actually and continually occupied as your permanent residence. No rebate will be granted for a vacation home or a "second home."

Mobile Homes. If you own or rent a mobile home which is located in a mobile home park, you are considered a tenant for purposes of applying for the rebate. For more information on mobile homes, contact the Division's Customer Service Center.

Condominiums and Co-ops. If you rent a condominium unit or a unit in a cooperative housing complex, you are considered a tenant for purposes of applying for the rebate. If you are a resident shareholder of a cooperative housing complex or you own a condominium and you pay property taxes on your unit, you are considered a homeowner for purposes of applying for the rebate.

Continuing Care Communities. If you are a resident of a continuing care retirement community and your continuing

Tenant Eligibility - continued
care contract requires you to pay the proportionate share of property taxes attributable to your unit, you are considered a homeowner for purposes of applying for the rebate.

## TAX TIIP Homeowners should not <br>  file the rebate application in this booklet. For more

 information on whether you are considered a homeowner or a tenant, contact the Division's Customer Service Center.
## Rebate Amount

The Division of Taxation will calculate the amount of your rebate based on the information you provide. The amount of your rebate is determined by your income, filing status, and whether you were age 65 or older or eligible to claim an exemption as blind or disabled for tax year 2009 .

Rebate amounts and qualifications for eligibility are subject to restrictions due to State budgetary constraints. The State Budget imposed restrictions on homestead rebate eligibility and amounts for tax year 2008 (rebates paid in 2009). Eligible tenants who were age 65 or older or disabled received rebates ranging from a minimum of $\$ 160$ up to a maximum of $\$ 860$. Tenants under age 65 and not disabled were not eligible for rebates. For tax year 2009 (rebates to be paid in 2010), those restrictions may or may not apply.

## Seniors or Blind/Disabled Persons. If

 you (or your spouse/civil union partner if filing a joint return) were 65 years of age or older or blind or disabled on the last day of the tax year, and your gross income on Line 28 is $\$ 20,000$ or less ( $\$ 10,000$ if filing status is single or married/CU partner, filing separate return), and you are eligible for a property tax credit in the amount of $\$ 50$, ( $\$ 25$ if you and your spouse/civil union partner file separate returns but maintain the same principal residence) this credit will automatically be sent to you with your rebate. If you are filing Form NJ-1040, do not complete Line 36c to claim a property tax deduction or Line 48 to claim a property tax credit.
## Identification Section

## Name and Address

Rebate Only Filers. If you are filing only the tenant homestead rebate application, place the peel-off label from the front of this booklet in the name and address section at the top of the application. Do not use the label if any of the information is incorrect. If your label contains inaccurate information or you do not have a label, print or type your name (last name first), complete address, and zip code in the spaces provided. Also include your spouse's/civil union partner's name if filing jointly.

Income Tax With Rebate Filers. If you are filing Form TR-1040 with your Form NJ-1040, it is necessary to complete only the name and social security number portion of the identification section of Form TR-1040.

If your address has changed, complete the address portion of the identification section.

## Social Security Number

Your social security number(s) is not printed on your name and address label. You must enter your social security number(s) in the space provided on the application, one digit in each box. If your filing status is married/CU couple, filing joint return, remember to report both filers' numbers in the order in which the names are listed on the application.

If you (or your spouse/civil union partner) do not have a social security number, see "Social Security Number" on page 15 for more information.

## County/Municipality Code

Enter your four-digit county/municipality code, one digit in each box, from the table on page 55. This code identifies the county and municipality of your current residence. The county and municipality codes in these instructions are for Division of Taxation purposes only.

If the local name of the place where you live is not listed, go to www.state.nj.us/ infobank/locality.htm for a listing of local
names in the State and the county and municipality in which they are located.

## Filing Status (Lines 1-5)

You must use the same filing status on your tenant rebate application as you do for your New Jersey Resident Income Tax Return (Form NJ-1040). If you do not file Form NJ-1040, use the same filing status as you would have used if you had filed the tax return. Indicate the appropriate filing status. Fill in only one oval.

Single. Your filing status is single if you are unmarried or not a partner in a civil union on the last day of the tax year and you do not qualify for head of household or qualifying widow(er)/surviving CU partner status. Partners in a civil union may not use the filing status single.

Head of Household. Your filing status is head of household if you are unmarried or not a partner in a civil union on the last day of the year and pay more than one-half of the cost of keeping up a home for yourself and at least one dependent. Certain married individuals/civil union partners living apart may file as head of household for New Jersey if they meet the requirements to file as head of household for Federal purposes. You may also qualify to file as head of household if you are no longer eligible to file as qualifying widow(er)/surviving CU partner and you have not remarried or entered into a new civil union.

## Qualifying Widow(er)/Surviving CU

 Partner. If your spouse/civil union partner died during the year, you are considered married/in a civil union for that entire year and you may file a joint return for yourself and your deceased spouse/ civil union partner provided you did not remarry or enter into a new civil union before the end of the year. You may be eligible to use the filing status qualifying widow(er)/surviving CU partner for each of the two tax years after the year in which your spouse/civil union partner died if you pay more than one-half of the cost of keeping up a home for yourself and at least one child, stepchild, adopted child, or foster child who qualifies as your dependent.Identification Section - continued

Married/Civil Union Couples. You may use the filing status "Married/CU couple, filing joint return" or "Married/CU partner, filing separate return" only if you were married or a partner in a civil union on the last day of the tax year. If you were a member of a domestic partnership registered in New Jersey, you are not considered a married/civil union couple and you may not use these filing statuses. However, if you also entered into a legally sanctioned same-sex relationship outside New Jersey, you may still be able to use the joint or separate filing statuses for married/CU couples. For more information, see the Division's Web site (www.state.nj.us/treasury/taxation/).

If you are filing separately, be sure to enter the social security number of your spouse/civil union partner in the boxes provided at the top of the application.

For more information on filing status, request Tax Topic Bulletin GIT-4, Filing Status.

- Students living in on-campus apartments at State colleges and universities;
- Tenants living in dwellings owned by a religious, charitable, or other nonprofit organization (including on-campus apartments at private, nonprofit colleges and universities), if the property is exempt from property taxes; and
- Tenants living in dwellings on which P.I.L.O.T. (Payments-in-Lieu-of-Tax) payments are made to the municipality. These payments are not considered property taxes for purposes of the homestead rebate.
Do not complete the tenant homestead rebate application (Form TR-1040) if the dwelling you rent is not subject to local property taxes; you do not qualify for a rebate. ## Line 52G - New Jersey - Designated Contribution 08 - New Jersey Veterans Haven Support Fund

New Jersey has among its homeless population an estimated 5,000 to 6,000 veterans of the United States Armed Forces. Our nation and our State, grateful for its hard-won freedom and democracy, owes a special debt to veterans. The military teaches us to retrieve our wounded and bring them home. Our program aims to meet this challenge on the streets, in the shelters and at the front line of human existence where our brothers and sisters find themselves in their time of greatest need. Veterans Haven is a drug and alcohol free program and residents must abide by this zero tolerance rule. We can house up to fifty-five veterans for a two-year period. During this time we provide them with various services that will assist them in returning to society as productive individuals once again. For more information visit www.state.nj.us/military/vetshaven/index.html.

- Your filing status and gross income determine whether you have to file a tax return.
- Age is not a factor in determining whether a person must file. Even minors (including students) and senior citizens must file if they meet the income filing requirements.
- Gross income means reportable income after exclusions but before personal exemptions and deductions are subtracted. It does not include nonreportable (exempt) benefits. See page 16 to find out which types of income are not reportable.
- Members of the Armed Forces see page 7 for additional information.
- Compensation paid to Pennsylvania residents employed in New Jersey is not subject to New Jersey income tax. See page 5 for more information.

Use the following chart to determine whether you must file a tax return. This chart is a guide only and may not cover every situation. If you need assistance, contact the Division's Customer Service Center (609-292-6400).

## Who Must File

## You must file a New Jersey income tax return if Your residency status is:

## Nonresident - File Form NJ-1040NR as a nonresident if:

- New Jersey was not your domicile (permanent legal residence); and you spent 183 days or less here; OR
- New Jersey was not your domicile, you spent more than 183 days here, but you did not maintain a permanent* home here

You may also be considered a nonresident for New Jersey income tax purposes if you were domiciled in New Jersey and you met all three of the following conditions for the entire year:

1. You did not maintain a permanent home in New Jersey; and
2. You did maintain a permanent home outside of New Jersey; and
3. You did not spend more than 30 days in New Jersey.
your filing status is:

Single
Married/CU partner, filing separate return

Married/CU couple, filing joint return Head of household Qualifying widow(er)/ surviving CU partner

## Part-Year Resident - File Form NJ-1040 as a part-year resident if:

You met the definition of resident for only part of the year.
Note: Both part-year resident (Form NJ-1040) and part-year nonresident (Form NJ-1040NR) returns may have to be filed when a part-year resident receives income from New Jersey sources during the period of nonresidence.
and your gross income from everywhere was more than:

路

Married/CU partner, filing separate return

Married/CU couple, $\quad \$ 20,000$ from all sources filing joint return Head of household Qualifying widow(er)/ surviving CU partner
$\$ 10,000$ from all sources
(for the entire year) (for the entire year)

## Full-Year Resident — File Form NJ-1040 as a full-year resident if:

- New Jersey was your domicile for the entire year; OR
- New Jersey was not your domicile, but you maintained a permanent* home in New Jersey for the entire year and you spent more than 183 days in New Jersey. (If you are a member of the Armed Forces stationed here and New Jersey is not your domicile, you are not a resident under this definition.)

Single
Married/CU partner, filing separate return

Married/CU couple, filing joint return Head of household
Qualifying widow(er)/ surviving CU partner

[^4]
## Other Filing Information

Married/Civil Union Couples and Filing Status. If both you and your spouse/ civil union partner were nonresidents of New Jersey during the entire taxable year, and only one of you earned, received, or acquired income from New Jersey sources, the spouse/civil union partner who had income from New Jersey sources may file a separate New Jersey return even if a joint Federal return was filed. The spouse/civil union partner with income from New Jersey sources computes income and exemptions as if a Federal married, filing separate return had been filed. You have the option of filing a joint return, but remember, joint income would be reported in Column A of Form NJ-1040NR.

If one spouse/civil union partner was a nonresident and the other a resident of New Jersey during the entire taxable year and both had income from New Jersey sources, separate New Jersey returns may be filed (the nonresident files a nonresident return and the resident files a resident return). Each computes income and exemptions as if Federal married, filing separate returns had been filed. You have the option of filing a joint resident return, but remember, joint income would be taxed as if both were residents.

Domicile. A domicile is any place you regard as your permanent home-the place to which you intend to return after a period of absence (as on vacation abroad, business assignment, educational leave, etc.). A person has only one domicile, although he or she may have more than one place to live. Once established, your domicile continues until you move to a new location with the intent to establish your permanent home there and to abandon your New Jersey domicile. Moving to a new location, even for a long time, does not change your domicile if you intend to return to New Jersey.

A place of abode, whether inside or outside of New Jersey, is not permanent if it is maintained only during a temporary stay for the accomplishment of a particular purpose (e.g., temporary job assignment). If New Jersey is your domicile,

## TAXPAYERS' BILL OF RIGHTS

The New Jersey Taxpayers' Bill of Rights simplifies tax administration and ensures that all taxpayers-individuals and businesses alike-are better informed and receive fair and equitable treatment during the tax collection process. Highlights of the Taxpayers' Bill of Rights include:

## Service-

- Division must respond to taxpayers' questions within a reasonable time period.
- Notices of taxes and penalties due must clearly identify the purpose of the notice and must contain information about appeal procedures.

## Appeals-

- Time to appeal to the Tax Court is generally 90 days.

## Interest on Refunds-

- Interest is paid at the prime rate on refunds for all taxes when the Division takes more than six months to send you a refund.
- You may request that your overpayment of this year's tax be credited towards next year's tax liability, however, interest will not be paid on overpayments that are credited forward.

For more information on the rights and obligations of both taxpayers and the Division of Taxation under the Taxpayers' Bill of Rights, request our publication ANJ-1, New Jersey Taxpayers' Bill of Rights.
you will be considered a resident for New Jersey tax purposes unless you meet all three conditions for nonresident status (see "Who Must File" on page 4). Likewise, if New Jersey is not your domicile, you will only be considered a New Jersey resident if you maintain a permanent home and spend more than 183 days here.

## Pennsylvania Residents

Income From New Jersey. As a result of the Reciprocal Personal Income Tax Agreement between the Commonwealth of Pennsylvania and the State of New Jersey, compensation paid to Pennsylvania residents employed in New Jersey is not subject to New Jersey income tax. Compensation means salaries, wages, tips, fees, commissions, bonuses, and other remuneration received for services rendered as an employee.

If New Jersey income tax was withheld from your wages, you must file a New Jersey nonresident return to obtain a refund. To stop the withholding of New Jersey income tax, complete a New Jersey Certificate of Non-Residence in New Jersey (Form NJ-165) and give it to your employer. You may obtain Form NJ-165 by contacting the Division's Customer Service Center. Form NJ-165 is also
available on the Division's Web site at www.state.nj.us/treasury/taxation/.

The Reciprocal Agreement covers compensation only. If you are self-employed or receive other income (for example, gain from sale of property) which is taxable in both states, you must file a New Jersey nonresident return and report the income received.

Column A. Complete Column A, Lines 14 through 26, showing income from everywhere.

Column B. When Pennsylvania residents complete Column B, employee compensation from New Jersey sources should not be included on Line 14. For Pennsylvania residents Line 14, Column B, is zero, so enter " 0 ."

Withholdings. If New Jersey income tax was withheld, enter the amount from your W-2(s) on Line 44.

Signed Statement. Pennsylvania residents employed in New Jersey who had New Jersey income tax erroneously withheld must enclose a signed statement declaring the following, "Under penalties of perjury, I affirm that I am a resident of the Commonwealth of Pennsylvania and that, pursuant to an agreement existing between the Commonwealth and the State
of New Jersey, I claim exemption from payment of New Jersey gross income tax on compensation paid to me in the State of New Jersey. I understand that under the agreement between Pennsylvania and New Jersey this information is available to the Commonwealth of Pennsylvania."

## Guidelines for Part-Year Nonresidents

Filing Requirements. Any person who became a resident of New Jersey or moved out of this State during the year, and whose income from all sources for the entire year is greater than $\$ 20,000$ ( $\$ 10,000$ if filing status is single or married/CU partner, filing separate return), must file a resident return and report that portion of the income received while a resident of New Jersey. A person who receives income from a New Jersey source while a nonresident, and whose income from all sources for the entire year exceeds $\$ 20,000$ ( $\$ 10,000$ if filing status is single or married/CU partner, filing separate return), must file a New Jersey nonresident return, even though the income from New Jersey sources reported for the period of nonresidence was below these thresholds.

## Part-year nonresidents must prorate

 all exemptions, deductions, and credits, as well as the pension and other retirement income exclusions, to reflect the period covered by each return.If your income for the entire year from all sources was $\$ 20,000$ or less ( $\$ 10,000$ if filing status is single or married/CU partner, filing separate return), no tax is due. You must enclose a copy of your Federal income tax return or a statement to that effect if you did not file a Federal return.
NOTE: If you derived any income while a resident of New Jersey, it may also be necessary to file a New Jersey resident return. Any withholdings should be allocated between the resident and nonresident returns. For more information, see Form NJ-1040, New Jersey resident return and instructions.

## AVOIDING COMMON MISTAKES

Check the following items to avoid delays in processing returns and refunds.
$\checkmark$ Name, Address, and Social Security Number should be checked for accuracy. Be sure your social security number appears on all documents submitted with your return. Also indicate your state of residency in the space provided.
$\checkmark$ Use correct form for your tax situation. See the "Who Must File" chart on page 4.
$\checkmark$ Use only blue or black ink when completing forms.
$\checkmark$ Read instructions carefully before completing your return.
$\checkmark$ You may not report a loss on Form NJ-1040NR.
$\checkmark$ Use "STATE WAGES" figure(s) from your W-2(s), NOT Federal wages
figure(s). If you received wages from sources outside New Jersey, this figure may need to be adjusted to reflect New Jersey tax law.
$\checkmark$ Complete both Column A and Column B, Lines 14-26.
$\checkmark$ Locate the correct column for your filing status in the Tax Table when calculating tax on Line 37.
$\checkmark$ Request a refund by completing Line 54 .
$\checkmark$ Enclose all necessary forms, schedules, and other documents with your return. See page 32.
$\checkmark$ Check your math.
$\checkmark$ Sign and date your return. Both spouses/civil union partners must sign a joint return.
$\checkmark$ Keep a copy of your return and all supporting documents or schedules.
$\checkmark$ Changes or mistakes to your original return may be corrected by filing an amended return. See page 12.

## Line 14 - Wages

Column A. Enter your wages from sources both inside and outside New Jersey for your period of nonresidence.

Column B. Enter your wages from New Jersey sources for your period of nonresidence (unless you were a Pennsylvania resident).

## Other Income

Column A. Enter your interest, dividends, pensions, and all other income from sources both inside and outside New Jersey for your period of nonresidence. Partners and shareholders should request Tax Topic Bulletin GIT-9P, Income From Partnerships, or GIT-9S, Income From S Corporations, for instructions on reporting distributive share of partnership income and net pro rata share of $S$ corporation income.
Column B. Enter only the income from New Jersey sources for your period of nonresidence. Part-year nonresident partners and, in general, $S$ corporation
shareholders, must prorate the entity's income based on the number of days in the entity's fiscal year that you were a nonresident divided by 365 ( 366 for leap years).

Line 27a - Pension Exclusion. If you were a New Jersey nonresident for only part of the taxable year and had total income from all sources for the entire year of $\$ 100,000$ or less before subtracting any pension exclusion, you may qualify for a pension exclusion if you meet the other eligibility requirements. If you qualify, prorate the exclusion by the number of months you were a New Jersey nonresident. For this calculation 15 days or more is a month.
Column B. No entry is necessary.

## Line 27b - Other Retirement Income

Exclusion. If you (and/or your spouse/ civil union partner if filing jointly) were 62 years of age or older on the last day of the tax year, you may qualify to exclude other income on Line 27b. There are two
parts to the total exclusion: Part I, the unclaimed portion of your prorated pension exclusion, and Part II, a special exclusion for taxpayers who are unable to receive Social Security or Railroad Retirement benefits. Do not complete Worksheet D on page 25 to calculate the total exclusion amount you are eligible to claim. Instead, calculate your total exclusion as follows:

Part I. Total the earned income (wages, net profits from business, partnership income, and S corporation income) you received from all sources for the entire year. If your earned income for the entire year was $\$ 3,000$ or less and you did not use your entire prorated pension exclusion at Line 27a, you may be able to use the unclaimed pension exclusion at Line 27 b provided total income from all sources for the entire year before subtracting any pension exclusion was $\$ 100,000$ or less.

Part II. If you are unable to receive Social Security or Railroad Retirement benefits, but would have been eligible for benefits had you fully participated in either program, you may also be eligible for an additional exclusion, whether or not you used all of your prorated pension exclusion at Line 27a.

For more information, request Tax Topic Bulletin GIT-6, Part-Year Residents.

## Line 30 - Total Exemption Amount.

Your total exemptions must be prorated based upon the number of months you were a New Jersey nonresident. For this calculation 15 days or more is a month.
$\underset{\text { Exemptions }}{\substack{\text { Total }}} \times \frac{\text { Mos. NJ Nonresident }}{12}=$ Line 30
See the instructions for Line 30 on page 27 to calculate the "total exemption" amount to be prorated.

## Lines 31, 32, 33, and 34 - Deductions.

You may deduct medical expenses, qualified Archer medical savings account (MSA) contributions, health insurance costs of the self-employed, alimony and separate maintenance payments, and qualified conservation contributions based on the actual amounts paid for the period of time you were a nonresident of

New Jersey. Complete Worksheet E for medical expenses. See page 27. In addition, eligible taxpayers may qualify for a prorated Health Enterprise Zone (HEZ) deduction.

## Part III - Allocation of Wage and

 Salary Income Earned Partly Inside and Outside New Jersey. If you must complete Part III, use the total number of days for your period of nonresidence. For more information on part-year nonresidents, request Tax Topic Bulletin GIT-6, Part-Year Residents.
## Guidelines for Military Personnel

Residents. A member of the Armed Forces whose home of record (domicile) is New Jersey when entering the service remains a resident of New Jersey for income tax purposes, and must file a resident return even if assigned to duty in another state or country, unless he or she qualifies for nonresident status (see chart on page 4). If you are a New Jersey resident, you are subject to tax on all your income, including your military pay, regardless of where it is earned, unless the income is specifically exempt from tax under New Jersey law. Musteringout payments, subsistence and housing allowances are exempt.

> 勾 less of age or disability status. See instructions for Line 21 on page 20.

A member of the Armed Forces whose home of record is New Jersey and who is stationed outside the State (whether living in barracks, billets, apartment, or house) and does not intend to remain outside New Jersey, continues to be a resident and must file a resident return and report all taxable income. However, if a serviceperson pays for and maintains facilities such as an apartment or a home outside of New Jersey, either by out-of-pocket payments or forfeiture of quarters allowance, such facilities will constitute a permanent home outside of New Jersey. In this case, the serviceperson is not considered a New Jersey resident for tax purposes.
$\mathbb{T} \triangle \mathbb{T} \| P$ Nonresidents. A mem-昭 ber of the Armed Forces whose home of record (domicile) is outside of New Jersey does not become a New Jersey resident when assigned to duty in this State. A nonresident serviceperson's military pay is not subject to New Jersey income tax. As a result, nonresident servicepersons should not report their military pay on the wages line in either Column A (Amount of gross income everywhere) or Column B (Amount from New Jersey sources) on Form NJ-1040NR. Mustering-out payments, subsistence and housing allowances are also exempt.

A nonresident serviceperson is not required to file a New Jersey income tax return unless he or she has received income from New Jersey sources other than military pay. A nonresident serviceperson who has income from New Jersey sources such as a civilian job in off-duty hours, income or gain from property located in New Jersey, or income from a business, trade, or profession carried on in this State must file a New Jersey nonresident return, Form NJ-1040NR.

If your permanent home (domicile) was New Jersey when you entered the military, but you have changed your state of domicile or you satisfy the conditions for nonresident status (see chart on page 4), then your military pay is not subject to New Jersey income tax. File Form DD-2058-1 or DD-2058-2 with your finance officer to stop future withholding of New Jersey income tax. If New Jersey income tax was erroneously withheld from your military pay, you must file a nonresident return (Form NJ-1040NR) to obtain a refund of the tax withheld.

## Spouses/Civil Union Partners of Mili-

 tary Personnel. Spouses/civil union partners (of military personnel) who were not domiciled in New Jersey when they married the military spouse or entered into the civil union are not considered residents of New Jersey if:- The principal reason for moving to this State was the transfer of the military spouse/civil union partner, and
- It is their intention to leave New Jersey when the military spouse/civil union partner is transferred or leaves the service.

New Federal legislation will affect rules regarding residency and income of military spouses. Check our Web site (www. state.nj.us/treasury/taxation/) for updates. New Jersey law requires that a married couple's filing status for New Jersey gross income tax purposes be the same as for Federal income tax purposes, unless they are a civil union couple. A married couple filing a joint Federal return must file a joint return in New Jersey. However, if both are nonresidents and only one had income from New Jersey, that spouse/ civil union partner may file a separate New Jersey return. Another exception to this rule is when one spouse/civil union partner is a New Jersey resident and the other is a nonresident for the entire year. In this case, the resident may file a separate return unless both agree to file jointly as residents. If a joint resident return is filed, their joint income will be taxed as if both were residents.

Extensions. Special rules apply to members of the Armed Forces of the United States and civilians providing support to the Armed Forces. See "Military Extensions" below.

Death Related to Duty. When a member of the Armed Forces serving in a combat zone or qualified hazardous duty area dies as a result of wounds, disease, or injury received there, no income tax is due for the taxable year the death occurred, nor for any earlier years served in the zone or area.

For more information on military personnel, request Tax Topic Bulletin GIT-7, Military Personnel.

## When to File

In general, your New Jersey income tax return is due when your Federal income tax return is due. For calendar year filers, the 2009 New Jersey income tax return is due by April 15, 2010. Fiscal year filers must file their New Jersey income tax return by the 15 th day of the fourth month following the close of the fiscal year.
Postmark Date. All New Jersey income tax returns postmarked on or before the
due date of the return are considered to be filed on time. Tax returns postmarked after the due date are considered to be filed late. When a return is postmarked after the due date, the filing date for that return is the date the return was received by the Division, not the postmark date of the return. Interest on unpaid liabilities is assessed from the due date of the return.

## Extension of Time to File

An extension of time is granted only to file your New Jersey income tax return. There is no extension of time to pay tax due. We will notify you only if your extension request is denied, but not until after your return is actually filed. Penalties and interest are imposed whenever tax is paid after the original due date.

## Six-Month Extension

TAXTIP You may receive a sixmonth extension of time to resident income tax return. An application for an extension of time to file is accepted only if at least $80 \%$ of the tax liability computed on your Form NJ-1040NR when filed is paid in the form of withholdings, estimated, or other payments by the original due date, and

1. Federal extension filed. A copy of your Federal Application for Automatic Extension is enclosed with your final return and the box at the top of the NJ-1040NR is checked (if the extension application was filed by phone or online, your confirmation number is entered in the space provided at the top of Form NJ-1040NR); or
2. No Federal extension filed. You file a request for a six-month extension on Form NJ-630, Application for Extension of Time to File New Jersey Gross Income Tax Return, by the original due date of the return. Taxpayers who file Form NJ-630 will not receive an approved copy. We will notify you only if your request is denied, but not until after your return is actually filed.

NOTE: If a Federal extension is filed, Form NJ-630 must still be filed by the original due date if you are required to make a payment to satisfy the $80 \%$ requirement.

Civil Union Couples. Civil union partners filing a joint return must either provide copies of the Federal extension application (or confirmation number) for both partners, or they must file Form NJ-630.

## If you fail to satisfy the requirements outlined for extension, or you fail to file your return by the extended due date, your extension will be denied and penalties and interest will be imposed from the original due date of the return. See "Penalties, Interest, and Collection Fees" on page 11.

You will find an application for extension (Form NJ-630) at the front of this booklet. Do not use the preprinted Form NJ-630 if you filed a joint return last year and this year you are filing your return using only your own social security number or you are filing a joint return with a different person. See page 44 for how to obtain Form NJ-630. Or, you can file an extension application online until April 15 at www.state.nj.us/treasury/taxation/.

## Military Extensions

Special rules apply to members of the Armed Forces of the United States and civilians providing support to the Armed Forces.

A person on active duty with the Armed Forces of the United States, who may not be able to file timely because of distance, injury, or hospitalization as a result of this service, will automatically receive a six-month extension by enclosing an explanation with the return when filed.

Combat Zone. New Jersey allows extensions of time to file income tax returns and pay any tax due for members of the Armed Forces and civilians providing support to the Armed Forces serving in an area which has been declared a "combat zone" by executive order of the President of the United States or a "qualified hazardous duty area" by Federal statute. Once you leave the combat zone or qualified hazardous duty area, you have 180 days to file your tax return. Enclose a statement with your return to explain the reason for the extension.

In addition, if you are hospitalized outside of the State of New Jersey as a result
of injuries you received while serving in a combat zone or qualified hazardous duty area, you have 180 days from the time you leave the hospital or you leave the combat zone or hazardous duty area, whichever is later.

Qualifying military and support personnel, as defined on page 8 , are granted an extension of time for paying tax for the period of combat service or hospitalization, plus 180 days.

Enclose a statement of explanation with your return when you file. No interest or penalties will be assessed during a valid extension for service in a combat zone or qualified hazardous duty area. This extension is also granted to a taxpayer's spouse/civil union partner who files a joint return.

## How to Pay

The balance of tax due must be paid in full by the original due date of the return. If you owe less than $\$ 1$, no payment is required. You may make your payment by check or money order, electronic check (e-check), or credit card.

Check or Money Order. You will find a payment voucher (Form NJ-1040NR-V) at the front of this booklet. If you owe tax and are sending the payment with your 2009 return, enter the amount of tax due in the boxes on the payment voucher. Do not make changes to any information preprinted on the payment voucher. Instead, make any necessary changes on the NJ-1040NR. Do not use the preprinted payment voucher if you filed a joint return last year and this year you are filing your return using only your own social security number or you are filing a joint return with a different person.

Make check or money order payable to: State of New Jersey - TGI. Write your social security number on the check or money order. For a joint return use social security numbers of both husband and wife/civil union partners in the same order the names are listed on the return. Send your payment for the balance due with the payment voucher in the same envelope with your tax return. For information about mailing forms, see "Where to Send Your Return" on page 10.

If you are paying a balance due for the 2009 tax year and are making the first installment of estimated tax for 2010, please use separate checks or money orders for each payment. Send your 2010 estimated tax payment with an NJ-1040-ES voucher to the address on that payment voucher.
Do not include the estimated tax payment with your 2009 income tax return.
Electronic Check (e-check). You may be able to pay your 2009 New Jersey income taxes or make a payment of estimated tax for 2010 by e-check. This option is available on the Division's Web site (www.state.nj.us/treasury/taxation/). Taxpayers who do not have Internet access can make a payment by e-check by contacting the Division's Customer Service Center at 609-292-6400. Do not send in the payment voucher if you pay your taxes by e-check.

When using e-check on the Web, you will need your social security number and date of birth to make a payment. Be sure the social security number you enter matches the first social security number shown on the form for which you are making the payment, and the date of birth you enter is the date of birth for that person.

You will need your bank's 9-digit routing number and your account number to make a payment by e-check. Do not enter the check number as part of the account number. Note: The routing and account numbers may be in different places on your check.

## Note:

(1) If you do not enter your social security number and date of birth properly, you will not be able to pay by e-check.
(2) If you are filing a New Jersey return for the first time, or your filing status is different than the filing status on your 2008 return, you may not be able to pay by e-check.

Credit Card. You may pay your 2009 New Jersey income taxes or make a payment of estimated tax for 2010 by credit card. Pay by phone (1-800-2PAYTAX, toll-free) or online (www.state.nj.us/treasury/taxation/), and use a Visa, American Express, MasterCard, or Discover credit card. You may be asked to enter a jurisdiction code to make your payment. The code for New Jersey personal income tax is 4000 . Do not send
in the payment voucher if you pay your taxes by credit card.

There is a convenience fee of $2.49 \%$ paid directly to Official Payments Corporation based on the amount of your tax payment. See Sample Convenience Fees. A \$1 convenience fee will be charged for all tax payments of $\$ 40$ or less.

## Time Limit for Assessing Additional

Taxes. The Division of Taxation has three years from the date you filed your income tax return or the original due date of the return, whichever is later, to send you a bill for additional taxes you owe. There is no time limit if you did not file your tax return, or if you filed a false or fraudulent return with the intent to evade tax. The time limit may be extended if:

- You amended or the IRS adjusted your Federal taxable income;
- You amended your New Jersey taxable income;
- You entered into a written agreement with the Division extending the time to make an assessment;
- You omit more than $25 \%$ of your gross income on your New Jersey income tax return; or
- An erroneous refund is made as a result of fraud or misrepresentation by you.

## Where to Send Your Return

Your packet contains a large envelope. Use the large envelope to mail your NJ-1040NR along with related enclosures, payment voucher, and check or money order for any tax due.

## Mail Your Return to:

State of New Jersey
Division of Taxation
Revenue Processing Center
PO Box 244
TRENTON NJ 08646-0244

## Refunds

A return must be filed to claim a refund for overpayment of tax. If the refund is $\$ 1$ or less, you must enclose a statement specifically requesting it.

Time Period for Refunds. You have three years from the date the return was filed or two years from the time tax was paid, whichever was later, to claim a refund. If you and the Division agree in writing to extend the period of assessment, the period for filing a refund claim will also be extended.

Interest Paid on Refunds. If the Division takes more than six months to send you your income tax refund, you have a right to receive interest on that refund. Interest at the prime rate, compounded annually, will be paid from the later of:

- the date the refund claim was filed;
- the date the tax was paid; or
- the due date of the return.

No interest will be paid when an overpayment is credited to the next year's tax liability.

New Jersey law requires that any money owed to the State of New Jersey, any of its agencies, the Internal Revenue Service, or another claimant state or city that has a personal income tax set-off agreement with New Jersey be deducted from your refund or credit before it is issued. These debts include, among other things, money owed for past due taxes, child support due under a court order, school loans, hospital bills, and IRS levies. If the Division applies your refund or credit to any of these debts, you will be notified by mail.

## Deceased Taxpayers

If a person received income in 2009 but died before filing a return, the New Jersey income tax return should be filed by the surviving spouse/civil union partner, executor, or administrator. Use the same filing status that was used on the final Federal income tax return, unless the decedent was a partner in a civil union. Print "Deceased" and the date of death above the decedent's name. Do not prorate deductions or exemptions unless the decedent was a part-year nonresident.

The due date for filing is the same as for Federal purposes. In the area where you sign the return write "Filing as Surviving Spouse" or "Filing as Surviving Civil

Union Partner," if appropriate. A personal representative filing the return must sign in his or her official capacity. Any refund check will be issued to the decedent's surviving spouse/civil union partner or estate.

Income in Respect of a Decedent. If you had the right to receive income that the deceased person would have received had he or she lived, and the income was not included on the decedent's final return, you must report the income on your own return when you receive it. The income or gain is included on Line 25 as "Other" income.

## Estates and Trusts

Filing Requirements for Estates and Trusts. The fiduciary of an estate or trust may be required to file a New Jersey gross income tax return for that estate or trust. The return for an estate or trust must be filed on a New Jersey Fiduciary Return, Form NJ-1041. The fiduciary must also provide each beneficiary with a New Jersey Schedule NJK-1 which shows the beneficiary's share of the estate or trust income actually distributed or required to be distributed during the taxable year.

Revocable grantor trusts are required to file a New Jersey Fiduciary Return, Form NJ-1041, where there is sufficient nexus with this State and the statutory filing requirement is met. For further information, see the Fiduciary Return, Form NJ-1041, instructions.

## Filing Requirements for Beneficiaries.

The net income earned by an estate or trust does not retain its character, i.e., interest, partnership income; rather it is a specified income category - "Net Gains or Income Derived Through Estates or Trusts." You must report as net income from estates or trusts the Total Distribution and New Jersey Source Income reported on your Schedule NJK-1, Form NJ-1041 and include it on Line 25, Other Income. If a Schedule NJK-1 was not received, the interest, dividends, capital gains, business or partnership income, etc. listed on your Federal K-1 must be adjusted to reflect New Jersey tax law and then netted together before inclusion on the "Other"
income line. Enclose a copy of your NJK-1 or Federal K-1 with your return.

If the income from a grantor trust is reportable by or taxable to the grantor for Federal income tax purposes, it is also taxable to the grantor for New Jersey gross income tax purposes. See instructions for Line 25 for reporting requirements.

## Partnerships

A partnership is not subject to gross income tax. Individual partners are subject to tax on the income they earned from the partnership under the Federal Internal Revenue Code and the New Jersey Gross Income Tax Act. See page 23 for information on reporting income from a partnership. Every partnership having a New Jersey resident partner or income from New Jersey sources must file New Jersey Form NJ-1065 with the New Jersey Division of Taxation by the 15 th day of the fourth month following the close of the partnership's taxable year. For more information on partnership filing, request Form NJ-1065 and instructions.

## Estimated Tax

Estimated tax means the amount which you estimate to be your income tax for the taxable year after subtracting withholdings and other credits.
$\mathbb{T} \mathbb{X} \mathbb{T} \| P$ You are required to make
 estimated tax payments using Form NJ-1040-ES when your estimated tax exceeds $\$ 400$. Instructions for computing the estimated tax and making the payments are included with the form. Review the amount of your New Jersey gross income tax on your expected gross income (after deductions and credits) to determine if you need to make estimated tax payments for 2010.

To avoid having to make estimated tax payments, you may ask your employer to withhold an additional amount from your wages by completing Form NJ-W4. Failure to file a Declaration of Estimated Tax or to pay all or part of an underpayment will result in interest charges on the underpayment.

Underpayment of Estimated Tax. If you failed to make all of the required estimated tax payments as described above, you should request Form NJ-2210, Underpayment of Estimated Tax by Individuals, Estates or Trusts, and instructions. Complete Form NJ-2210 to determine if interest is due and if so, calculate the amount. Enter on Line 42 the amount of interest due from line 19, Form NJ-2210. Be sure to check the box at Line 42 and enclose Form NJ-2210 with your return.

## Penalties, Interest, and Collection Fees

Penalty and interest should be included with the payment of any tax due.

## Late Filing Penalty

$5 \%$ per month (or fraction of a month) up to a maximum of $25 \%$ of the outstanding tax liability when a return is filed after the due date or extended due date. A penalty of $\$ 100$ for each month the return is late may also be imposed.

## Late Payment Penalty

$5 \%$ of the outstanding tax balance may be imposed.

## Interest

$3 \%$ above the prime rate for every month or fraction of a month the tax is unpaid, compounded annually. At the end of each calendar year, any tax, penalties, and interest remaining due (unpaid) will become part of the balance on which interest is charged.

## Collection Fees

In addition, if your tax bill is sent to our collection agency, a referral cost recovery fee of $10 \%$ of the tax due will be added to your liability. If a certificate of debt is issued for your outstanding liability, a fee for the cost of collection of the tax may also be imposed.

## Rounding Off to Whole Dollars

When completing your return and any accompanying schedules, you may show the money items in whole dollars. If you have to add two or more items to figure the total to enter on a line, include cents
when adding the items and round off only the total. When entering the rounded total on the line, you may eliminate any amount under 50 cents and increase any amount 50 cents or more to the next higher dollar. If you do round off, do so for all amounts. When rounding, enter zeros in the space provided for cents.

## Keeping Tax Records

Keep copies of your tax returns and the supporting documentation of income, age and/or disability, deductions, and credits until the statute of limitations has expired for each return. Generally, this is three years after the filing date or two years from the date the tax was paid, whichever is later.

## Federal/State Tax Agreement

The New Jersey Division of Taxation and the Internal Revenue Service have entered into a Federal/State Agreement to exchange income tax information in order to verify the accuracy and consistency of information reported on Federal and New Jersey income tax returns.

## Signatures

Sign and date your return in blue or black ink. Both husband and wife/civil union partners must sign a joint return. The signature(s) on the form you file must be original; photocopied signatures are not acceptable. A return without the proper signatures cannot be processed and will be returned to you. This causes unnecessary processing delays and may result in penalties for late filing.

Preparer Authorization. Because of the strict provisions of confidentiality, Division of Taxation personnel may not discuss your return or enclosures with anyone other than you without your written authorization. If, for any reason, you want a Division of Taxation representative to discuss your tax return with the individual who signed your return as your "Paid Tax Preparer," we must have your permission to do so. To authorize the Division of Taxation to discuss your return and enclosures with your "Paid Tax Preparer," check the box above the preparer's signature line.

Tax Preparers. Anyone who prepares a return for a fee must sign the return as a "Paid Preparer" and enter his or her social security number or Federal preparer tax identification number. Include the company or corporation name and Federal identification number, if applicable. A tax preparer who fails to sign the return or provide a tax identification number may incur a $\$ 25$ penalty for each omission. Someone who prepares your return but does not charge you should not sign your return.

Note: Any tax preparer who prepared 25 or more New Jersey gross income tax resident returns in 2008 must use electronic methods to file all 2009 New Jersey resident income tax returns. A tax preparer is liable for a penalty of $\$ 50$ for each return he or she fails to file electronically when required to do so.

## Fraudulent Return

Any person who deliberately fails to file a return, files a fraudulent return, or attempts to evade the tax in any manner may be liable for a penalty up to $\$ 7,500$ or imprisonment for a term between three and five years or both.

## Amended Returns

If you received an additional tax statement (W-2 or 1099) after your return was filed, or you discovered that you made any error or omission on your return, file an amended tax return by completing a new NJ-1040NR and writing AMENDED across the top. Do not use Form NJ-1040X to amend a nonresident return.

## Changes in Your Federal Income Tax.

 If you receive a notice from the Internal Revenue Service that they changed your reported income, and that change altered your New Jersey taxable income, you must notify the Division of the change in writing within 90 days. File an amended tax return and pay any additional tax due. If you file an amended Federal return which changes your New Jersey taxable income, you must file an amended New Jersey return within 90 days.
## Privacy Act Notification

The Federal Privacy Act of 1974 requires an agency requesting information from individuals to inform them why the request is being made and how the information is being used.

Your social security number is used primarily to account for and give credit for tax payments. The Division of Taxation also uses social security numbers in the administration and enforcement of all tax laws for which it is responsible.

## Accounting Method

Use the same accounting method for New Jersey gross income tax that you used for Federal income tax purposes. Income must be recognized and reported in the same period as it is recognized and reported for Federal income tax purposes.

## Name and Address

Place the peel-off label from the front of this booklet in the name and address section at the top of the return. Do not use the label if any of the information is incorrect. If your label contains inaccurate information or you do not have a label, print or type your name (last name first), complete address, and zip code in the spaces provided. Also include your spouse's/civil union partner's name if filing jointly. Your refund and next year's form will be sent to the address you provide. If your legal residence and the address on the return differ, enclose a statement of explanation to avoid a delay in processing.

## Social Security Number

Your social security number(s) is not printed on your name and address label. You must enter your social security number(s) in the space provided on the return. If your filing status is married/CU couple, filing joint return, remember to report both filers' numbers in the order in which the names are listed on the return.

If you (or your spouse/civil union partner) do not have a social security number, file Form SS- 5 with the Social Security Administration to apply for one. Taxpayers who are not eligible for a social security
number must file Form W-7 with the Internal Revenue Service to obtain an individual taxpayer identification number (ITIN). Enter on Form NJ-1040NR the same number (social security number or ITIN) that you entered on your Federal income tax return. If you (or your spouse/ civil union partner) applied for but have not received an ITIN by the return due date, enclose a copy of your Federal Form W-7 application with your New Jersey income tax return.

Note: A copy of Form W-7 (or W-7A) cannot be used in place of a valid social security number, ITIN, or ATIN for a dependent when completing Line 13, Dependents' Information.

## State of Residency

Indicate the place outside New Jersey where you resided for the period covered by this return.

## NJ Residency Status

If you were a New Jersey resident for any part of the taxable year, list the month, day, and year your residency began and the month, day, and year it ended.

## Filing Status (Lines 1-5)

In general, you must use the same filing status on your New Jersey return as you do for Federal income tax purposes, unless you are a partner in a civil union. Indicate the appropriate filing status. Check only one box.
$\mathbb{T} \triangle \mathbb{T} \| P$ Partners in a civil union
 recognized under New Jersey law must file their New Jersey income tax returns using the same filing statuses accorded spouses under New Jersey Gross Income Tax Law. Civil union partners may not use the filing status single. Any reference in this booklet to a spouse also refers to a partner in a civil union (CU) recognized under New Jersey law. More information on civil unions, including legally sanctioned samesex relationships established outside New Jersey, can be found on the Division's Web site (www.state.nj.us/treasury/taxation/).

Single. Your filing status is single if you are unmarried or not a partner in a civil
union on the last day of the tax year, and you do not qualify for head of household or qualifying widow(er)/surviving civil union partner status below.
Married/Civil Union Couples. If both you and your spouse/civil union partner were nonresidents of New Jersey during the entire taxable year, and only one of you earned, received, or acquired income from New Jersey sources, the spouse/civil union partner who had income from New Jersey sources may file a separate New Jersey return even if a joint Federal return was filed. The spouse/civil union partner with income from New Jersey sources computes income and exemptions as if a Federal married, filing separate return had been filed. You have the option of filing a joint return, but remember, joint income would be reported in Column A of Form NJ-1040NR.

If one spouse/civil union partner was a nonresident and the other a resident of New Jersey during the entire taxable year and both had income from New Jersey sources, separate New Jersey returns may be filed (the nonresident files a nonresident return and the resident files a resident return). Each computes income and exemptions as if Federal married, filing separate returns had been filed. You have the option of filing a joint resident return, but remember, joint income would be taxed as if both were residents.

If you are filing separately, be sure to enter the name and social security number of your spouse/civil union partner in the space provided under Line 3.

Note: You may file jointly or separately only if you were married or a partner in a civil union on the last day of the tax year.

Head of Household. If you meet the requirements to file as head of household for Federal income tax purposes, you may file as head of household for New Jersey. Certain married individuals/civil union partners living apart may file as head of household for New Jersey if they meet the requirements to file as head of household for Federal purposes.

[^5]partner died during the year, you may file a joint return for the two of you provided you did not remarry or enter into a new civil union before the end of the year. You may be eligible to use the filing status "qualifying widow(er)/surviving CU partner" for each of the two tax years after the year in which your spouse/civil union partner died if you pay more than onehalf of the cost of keeping up a home for yourself and at least one child, stepchild, adopted child, or foster child who qualifies as your dependent.

Domestic Partners. If you were a member of a domestic partnership registered in New Jersey, you are not considered to be married or in a civil union. Do not use either the joint or separate filing statuses at Lines 2 and 3. However, if you also entered into a legally sanctioned same-sex relationship outside New Jersey, you may still be able to use the joint or separate filing statuses for married/CU couples. For more information, see the Division's Web site (www.state.nj.us/treasury/taxation/).

For more information, request Tax Topic Bulletin GIT-4, Filing Status.

## Exemptions - Personal

 Line 6 - Regular ExemptionsAs a taxpayer you may claim a personal exemption for yourself, even if you are a minor who is claimed as a dependent on your parents' return. For your convenience, "Yourself" is already checked. If you are married or in a civil union and filing a joint return, check the spouse/CU partner box as well.

If you were a member of a domestic partnership that was registered in New Jersey on the last day of the tax year, you may claim an exemption for your domestic partner only if he or she does not file a New Jersey income tax return. You must enclose a copy of your New Jersey Certificate of Domestic Partnership the first time you claim the exemption, and you may be asked to provide additional information. If you are claiming this exemption, check the domestic partner box. Add the number of boxes checked and enter the result on Line 6.

## Line 7 - Age 65 or Older

If you were 65 years of age or older on the last day of the tax year, you are eligible for an additional exemption. If you are filing a joint return, an additional exemption is also available if your spouse/ civil union partner was 65 years of age or older on the last day of the tax year. This exemption is not available for a domestic partner or for your dependents. You must enclose proof of age such as a copy of a birth certificate, driver's license, or church records with your return the first time you claim the exemption(s). Check the appropriate box(es). Add the number of boxes checked and enter the result on Line 7.

## Line 8 - Blind or Disabled

If you were blind or disabled on the last day of the tax year, you are eligible for an additional exemption. If you are filing a joint return, an additional exemption is also available if your spouse/civil union partner was blind or disabled on the last day of the tax year. This exemption is not available for a domestic partner or for your dependents. "Disabled" means total and permanent inability to engage in any substantial gainful activity because of any physical or mental impairment, including blindness. You must enclose a copy of the doctor's certificate or other medical records with your return the first time you claim the exemption(s). This information need not be submitted each year provided there is no change in your condition. Check the appropriate box(es). Add the number of boxes checked and enter the result on Line 8.

## Exemptions - Dependency Line 9 - Dependent Children

You may claim an exemption for each dependent child who qualifies as your dependent for Federal income tax purposes. Enter the number of your dependent children on Line 9.

## Line 10 - Other Dependents

You may claim an exemption for each other dependent who qualifies as your dependent for Federal income tax purposes. Enter the number of your other dependents on Line 10.

## Line 11 - Dependents Attending Colleges

You may claim an additional exemption for each dependent claimed on Line 9 or 10 who is under age 22 , a full-time student at an accredited college or postsecondary institution, and for whom you paid one-half or more of the tuition and maintenance costs. Financial aid received by the student is not calculated into your cost when totaling one-half of your dependent's tuition and maintenance. However, the money earned by students in College Work Study Programs is income and is taken into account. This exemption is not available to you or your spouse/civil union partner or your domestic partner.

## Requirements

- Student must be under 22 years of age for the entire tax year.
- Student must attend full-time. "Fulltime" is determined by the institution.
- Student must spend at least some part of each of five calendar months of the tax year at school.
- The educational institution must maintain a regular faculty and curriculum and have a body of students in attendance.

Enter the number of exemptions for your qualified dependents attending colleges on Line 11.

## Line 12 - Totals

Add Lines 6, 7, 8, and 11 and enter the total on Line 12a. Add Lines 9 and 10 and enter that total on Line 12 b .

## Line 13 - Dependents' Information

$\mathbb{T} \triangle \mathbb{T} \| P \quad$ You must enter on Line 13
 the full name, social security number, and year of birth for each dependent child or other dependent claimed on Lines 9 and/or 10. If you have more than four dependents, enter the required information for the first four dependents on Lines 13a-d and enclose a statement with the return listing the information for the additional dependents.

The dependents you list must be the same persons who qualify as your dependent children or other dependents for Federal income tax purposes. Enter the same social security number, individual taxpayer identification number (ITIN), or adoption taxpayer identification number (ATIN) for each dependent that you entered on your Federal return. If you do not provide a valid social security number, ITIN, or ATIN for a dependent claimed on Lines 9 and/or 10, the exemption will be disallowed.

To obtain an ATIN, file Form W-7A, Application for Taxpayer Identification Number for Pending U.S. Adoptions, with the Internal Revenue Service. See page 12 for information on obtaining a social security number or ITIN.

## Gubernatorial Elections Fund

The Gubernatorial Elections Fund, financed by taxpayer designated $\$ 1$ contributions, provides partial public financing to qualified candidates for the office of Governor of New Jersey. With its contribution and expenditure limits, the Gubernatorial Public Financing Program has since 1977 assisted 67 candidates to conduct their campaigns free from the improper influence of excessive campaign contributions. Operation of the program has also permitted candidates of limited financial means to run for election to the State's highest office. As a condition of their receipt of public financing, candidates must agree to participate in two debates which provide the public with an opportunity to hear the views of each candidate. For more information on the Gubernatorial Public Financing Program, contact the New Jersey Election Law Enforcement Commission at 1-888-313-ELEC (toll-free within New Jersey) or 609-292-8700 or write to:
NJ Election Law Enforcement Commission PO Box 185
Trenton NJ 08625-0185
Lists of contributors to gubernatorial candidates and copies of reports filed by gubernatorial candidates may be viewed on the Election Law Enforcement Commission Web site at: www.elec.state.nj.us.

Participation in the $\$ 1$ income tax checkoff protects the continuity and integrity of the Gubernatorial Elections Fund by providing that funds will be reserved for future gubernatorial elections thereby deterring the use of needed funding for other purposes. If you want to designate $\$ 1$ to go to help candidates for governor pay campaign expenses, check the "Yes" box in the Gubernatorial Elections Fund section of the return. If you are filing a joint return, your spouse/civil union partner may also designate $\$ 1$ to this fund by checking "Yes." Checking the "Yes" box will not in any way increase your tax liability or reduce your refund.

Line 14 - Wages, Salaries, Tips, etc.

## Column A

Enter the total amount you received during the taxable year from wages, salaries, tips, fees, commissions, bonuses, and other payments received for services performed as an employee. Include all payments you received whether in cash, benefits, or property.

Enter the total of State wages, salaries, tips, etc. from all employment both inside and outside New Jersey. Be sure to take the figure(s) from the "State wages" box on your W-2(s). See sample W-2 on page 17. All W-2(s) must be enclosed with your tax return.

NoTE: The "State wages" figure on W-2(s) you received from employment outside New Jersey may need to be adjusted to reflect New Jersey tax law.

Nonresident servicepersons, see page 7.
Pension and annuity income or early retirement benefits should not be included on this line but should be reported on Line 21.

Retirement Plans. Under New Jersey law, contributions to retirement plans (other than $401(\mathrm{k})$ Plans) are included in the State wages figure on the W-2 in the year the wages are earned. This may cause your State wages figure to be higher than your Federal wages figure.

Meals and/or Lodging. You may exclude from the amount reported on Line 14 meals and/or lodging reported as wages on your W-2 provided that:

1. The meals and/or lodging were furnished on the business premises of your employer; and

For lodging only:
3. You were required to accept the lodging as a condition of your employment.

Line 14 - Wages, Salaries, Tips, etc. - continued
statement is not enclosed, your wages will be adjusted to represent the full amount shown on your W-2.

Food and maintenance payments made to New Jersey State Police officers as part of their union contract cannot be excluded from gross income. These payments do not meet the criteria on page 15 .

## Employee Business Expenses.

Employee business expenses are not deductible for New Jersey gross income tax purposes. However, you may exclude from the amount reported on Line 14 reimbursements for employee business expenses reported as wages on your W-2 provided that:

1. The expenses for which you are reimbursed are job-related expenses;
2. You are required to and do account for these expenses to your employer; and
3. You are reimbursed by your employer in the exact amount of the allowable expenses.
If you receive excludable reimbursements for employee business expenses which are included in your wages on your W-2, enclose a statement explaining the amount you are excluding and your reasons for excluding this amount. Also enclose a copy of your Federal Form 2106.

## Commuter Transportation Benefits.

Certain amounts you receive from your employer up to $\$ 2,540$ for using alternative means of commuting (such as public transportation, carpools, vanpools, etc.) may be excluded from your New Jersey gross income. Commuter transportation benefits may not be excluded from gross income unless your employer provides those benefits in addition to your regular compensation.

If the commuter transportation benefits you receive exceed the maximum excludable amount, the excess amount is taxable and is included in your gross income.

Your W-2 form will show both the taxable and nontaxable benefit amounts. The taxable benefits are included in the "State wages" figure on your W-2, while the nontaxable benefits are not.

## Exempt Income

The following income is not taxable to residents or nonresidents. These items should not appear anywhere on your nonresident return (Column A or Column B).

- Federal Social Security
- Railroad Retirement (Tier 1 and Tier 2)
- United States military pensions and survivor's benefit payments
- Life insurance proceeds received because of a person's death
- Employee's death benefits
- Permanent and total disability, including VA benefits
- Temporary disability received from the State of New Jersey or as third-party sick pay
- Workers' Compensation
- Gifts and inheritances
- Qualifying scholarships or fellowship grants
- New Jersey Lottery winnings from prizes in the amount of $\$ 10,000$ or less
- Unemployment Compensation
- Interest and capital gains from: (a) Obligations of the State of New Jersey or any of its political subdivisions; or (b) Direct Federal obligations exempt under law, such as U.S. Savings Bonds and Treasury Bills, Notes, and Bonds
- Earnings on qualified withdrawals from qualified state tuition program accounts, including the New Jersey Better Educational Savings Trust Program (NJBEST) accounts
- Distributions paid by mutual funds to the extent the distributions are attributable to interest earned on Federal obligations
- Certain distributions from "New Jersey Qualified Investment Funds"
- Employer and employee contributions to 401(k) Salary Reduction Plans (but not Federal Thrift Savings Funds)
- Some benefits received from certain employer-provided cafeteria plans (but not salary reduction or premium conversion plans). Request Division Technical Bulletin TB-39
- Contributions to and distributions from Archer MSAs if they are excluded for Federal income tax purposes
- Direct payments and benefits received under homeless persons assistance programs
- Income tax refunds (New Jersey, Federal, and other jurisdictions)
- Federal economic stimulus payments to individuals under the Economic Stimulus Act of 2008
- Welfare
- Child support
- Amounts paid as reparations or restitution to Nazi Holocaust victims
- Assistance from a charitable organization, whether in the form of cash or property

An employee who receives money towards commuter transportation benefits must provide his/her employer with suitable proof (receipts, ticket stubs, etc.) to show that the employer-provided money was used for an alternative means of commuting.

Federal Statutory Employees. If you are considered a "statutory employee" for Federal income tax purposes, you may not deduct your business expenses unless you are self-employed or an independent contractor under New Jersey law. The Federal label of "statutory
employee" has no meaning for New Jersey gross income tax purposes. Business expenses may only be deducted from the business income of a self-employed individual. See the instructions for Line 17 (Net Profits From Business).

Moving Expenses. Moving expenses are not deductible for New Jersey gross income tax purposes. However, you may exclude from the amount reported on Line 14 reimbursements for the following moving expenses if the Federal requirements to claim moving expenses were met and the expenses were included in wages on your W-2.

Line 14 - Wages, Salaries, Tips, etc. - continued

1. The cost of moving your household goods and personal effects from the old home to the new home.
2. The actual expenses incurred by you for traveling, meals, and lodging when moving you and your family from your old residence to your new residence.
Reimbursements for any other moving expenses may not be excluded from income.

If you receive excludable reimbursements for moving expenses which are included in your wages on your W-2, enclose a statement explaining the amount you are excluding and your reasons for excluding this amount. Also enclose a copy of your Federal Form 3903.

## Compensation for Injuries or Sickness.

Certain amounts received for personal injuries or sickness are not subject to tax. You may exclude from the amount reported on Line 14 such amounts included as wages on your W-2 provided that:

1. The payments must be compensation for wage loss which results from absence due to injury or sickness of the employee; and
2. The payments must be due and payable under an enforceable contractual obligation under the plan; and
3. The payments must not relate to sick leave wage continuation, the taking of which is largely discretionary and the payments are made regardless of the reason for absence from work.

If such payments are included in the State wages figure on your W-2, you must file Form NJ-2440 with your New Jersey return to exclude them.

## Column B

Enter the portion of your wages, salaries, etc. that comes from New Jersey sources. If zero, enter " 0 ."

Pennsylvania residents, see page 5 . Nonresident servicepersons, see page 7 .

If you had wage/salary income earned partly within and partly outside of New

Jersey, and you cannot easily determine the amount of income from New Jersey, see Part III on page 33.

Do not use Part III if your wage/salary income is based on volume (the amount of sales or amount of business transacted). Instead, enter on Line 14 the portion of your wage/salary income calculated using the following formula:
$\frac{\text { NJ Vol. }}{\text { Total Vol. }} \times$ Vol. Income $=$ Line 14, Col. $B$
In determining where the business was transacted, the location where the services or sales were actually performed is the deciding factor. An explanation of how you computed the amount of wage/salary income must be enclosed with your return.

## Line 15 - Interest Income

Column A
Enter all of your reportable interest from sources both inside and outside of New Jersey on Line 15, Column A. New Jersey reportable interest income includes interest from the following:

## Sample W-2 (This form is for illustration only and is not reproducible.)

- Banks
- Savings and loan associations
- Credit unions
- Savings accounts
- Earnings on nonqualified withdrawals from qualified state tuition program accounts, including the New Jersey Better Educational Savings Trust Program (NJBEST) accounts
- Distributions from Coverdell education savings accounts (ESAs), but only the earnings portion
- Checking accounts
- Bonds and notes
- Certificates of deposit
- Ginnie Maes
- Fannie Maes
- Freddie Macs
- Repurchase agreements

- Obligations of states and their political subdivisions, other than New Jersey
- Any other interest not specifically exempt

Interest received by your sole proprietorship is reportable as net profits from business on Line 17. Your portion of interest earned and received by a partnership, an estate or trust or, in general, an $S$ corporation is reportable as distributive share of partnership income on Line 22, net income from estates or trusts on Line 25, or net pro rata share of S corporation income on Line 23.

For detailed information regarding the reporting of partnership or $S$ corporation income, request Tax Topic Bulletin GIT-9P, Income From Partnerships, or GIT-9S, Income From $S$ Corporations. For information regarding grantor trusts see the reporting instructions for Line 25 on page 23. Interest paid or deemed to have been paid to you by a partnership or an $S$ corporation and reportable to you on Form 1099 must be included on Line 15 in Column A.

## Forfeiture Penalty for Early With-

 drawal. If you incur a penalty by withdrawing a time deposit early, you may subtract the amount of the penalty from your interest income.If your reportable interest income on Line 15 , Column A, is more than $\$ 1,500$,
enclose a copy of Schedule B, Federal Form 1040, or Schedule 1, Federal Form 1040A.

Do not report tax-exempt interest on Line 15. New Jersey tax-exempt interest income includes:

- Obligations of the State of New Jersey or any of its political subdivisions
- Direct Federal obligations such as U.S. Savings Bonds and Treasury Bills, Notes, and Bonds
- Earnings on qualified withdrawals from qualified state tuition program accounts, including the New Jersey Better Educational Savings Trust Program (NJBEST) accounts
- Sallie Maes
- CATS
- TIGRs
- Certain distributions from "New Jersey Qualified Investment Funds"
- Distributions paid by mutual funds to the extent the distributions are attributable to interest earned on Federal obligations

## New Jersey Qualified Investment

Funds. A New Jersey Qualified Investment Fund is a regulated investment company in which at least $80 \%$ of the fund's investments (other than cash or receivables) are obligations issued either directly by the Federal government or the State of New Jersey or any of its political subdivisions. The Fund must complete and retain Form IF-1, Certification of Qualified Investment Fund, to document its status. This certification need not be filed with the Division of Taxation but must be made available upon request.

If you received a distribution from a qualified investment fund, you may exclude from your income the portion of the distribution which comes from the qualified exempt obligations. The taxable portion of the distribution, if any, is reported as dividends on Line 16. By February 15, shareholders should be notified by the New Jersey qualified investment fund of the portion of their distribution that may be excluded from income. Contact your broker to determine whether your fund qualifies.

## Do not report interest earned on your IRA(s) on Line 15, Interest Income. If you made a withdrawal from your IRA during the year, see the instructions for Line 21.

For more information on tax-exempt interest income, request Tax Topic Bulletin GIT-5, Exempt Obligations.

## Column B

Only interest received as a result of a business or profession carried on in New Jersey and not properly reportable as net profits from business, distributive share of partnership income, net income from estates or trusts, or net pro rata share of $S$ corporation income should be reported on Line 15, Column B. See instructions for Line 15, Column A. Do not report interest from personal accounts.

## Line 16 - Dividends

## Column A

Enter on Line 16, Column A, the amount of dividends received during the year from investments (e.g., from stocks, mutual funds) or other income-producing activities which do not constitute a trade or business. The total amount of dividends received, regardless of where earned, must be reported.
Dividends received by your sole proprietorship are reportable as net profits from business on Line 17. Your portion of dividends earned and received by a partnership, an estate or trust or, in general, an $S$ corporation are reportable as distributive share of partnership income on Line 22, net income from estates or trusts on Line 25 , or net pro rata share of S corporation income on Line 23. For detailed information regarding the reporting of partnership income or $S$ corporation income and distributions, request Tax Topic Bulletin GIT-9P, Income From Partnerships, or GIT-9S, Income From S Corporations. For information regarding grantor trusts see the reporting instructions for Line 25 on page 23.

Capital Gains Distributions. Capital gains distributions you receive from mutual funds or other regulated investment companies are reported on Line 56, Part I and are not to be included as dividends.

Tax-Free Distributions. A distribution which is a return of your investment or capital and does not come from earnings or profits is a nontaxable capital or taxfree distribution. These distributions reduce the basis of the stock or investment and are not taxable until your investment is fully recovered.

Insurance Premiums. Dividends received from insurance companies are not taxable unless the dividends received exceed the premiums paid. Any interest from accumulated insurance dividends must be reported on Line 15, Column A.

## Column B

Only dividends received as a result of a business or profession carried on in New Jersey and not properly reportable as net profits from business, distributive share of partnership income, net income from estates or trusts, or net pro rata share of $S$ corporation income should be reported on Line 16, Column B. See instructions for Line 16, Column A. Do not report dividends from personally held securities.

## Line 17 - Net Profits From Business

## Column A

Report the net profits from your business, trade, or profession, whether carried on inside or outside New Jersey, on Line 17, Column A. To determine your New Jersey profit (or loss), first complete a Federal Schedule C (or Schedule C-EZ or Schedule F). Use the same accounting method (cash or accrual) that you used for Federal income tax purposes. In the case of a loss, enter " 0 "" on Line 17. Enclose a copy of the Federal Schedule C (or Schedule C-EZ or Schedule F) with your return. To comply with New Jersey income tax law you must make the following adjustments to your Federal Schedule C (or Schedule C-EZ or Schedule F):

1. Add any amount you deducted for taxes based on income.
2. Subtract interest you reported on Federal Schedule C (or Schedule C-EZ or Schedule F) which is exempt for New Jersey purposes but taxable for Federal purposes.
3. Add interest not reported on Federal Schedule C (or Schedule C-EZ or Schedule F) from states or political subdivisions outside of New Jersey which is exempt for Federal purposes.
4. Deduct the remaining $50 \%$ of meal and entertainment expenses (that were disallowed on the Federal return).
5. Deduct your qualified contributions to a self-employed $401(\mathrm{k})$ plan. Contributions to a plan in excess of the Federal limits, which are not an allowable deduction for Federal tax purposes, are also not deductible for New Jersey purposes.
6. Add interest and dividends that were derived in the conduct of a trade or business.
7. Add or subtract income or losses derived in the conduct of a trade or business from rentals, royalties, patents, or copyrights.
8. Add or subtract gains or losses from the sale, exchange, or other disposition of the trade or business's property.
9. Add or subtract the net adjustment from the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP, Part 1 , line 7 . Be sure to retain the completed worksheet for your records. See page 44 for how to request Worksheet GIT-DEP and instructions.
10. Subtract the New Jersey allowable IRC section 199 deduction, which must be calculated on Form 501-GIT, Domestic Production Activities Deduction. Form 501-GIT can be found on the Division's Web site (www.state.nj.us/treasury/taxation/).
Sole proprietors engaged in providing "primary care" medical and/or dental services at a qualified practice located in or within five miles of a designated Health Enterprise Zone (HEZ) may qualify for a deduction on Line 34. For information on eligibility requirements and how to calculate the HEZ deduction, see Technical Bulletin TB-56, Health Enterprise Zones, which is available on the Division's Web site (www.state.nj.us/treasury/taxation/).

## Column B

Enter the portion of your business income that comes from New Jersey sources. If zero, enter " 0 ." If you carry on business both inside and outside New Jersey, you must complete and enclose Form NJ-NR-A for each business. Contact our Customer Service Center to request Form NJ-NR-A and instructions or visit the Division's Web site. See page 44.

Do not include in Column B net profits (or losses) which you received from a business entity located in New Jersey if the business entity's only activity is the purchase, holding, or sale of intangible personal property, such as securities or commodities, and such intangible personal property is not held for sale to customers. You must, however, include such net profits in Column A.

## Line 18 - Net Gains or Income From Disposition of Property

## Column A

Enter on Line 18, Column A, the amount of net gains from Part I, Line 58. See page 32 .

## Column B

Enter the net gains or income from New Jersey sources. If zero, enter " 0 ."

Line 19 - Net Gains or Income From Rents, Royalties, Patents, and Copyrights

## Column A

Enter on Line 19, Column A the amount of net gains or income from Part II, Line 61. See page 33.

## Column B

Enter your net gains or income from New Jersey sources. If zero, enter " 0 ."

## Line 20 - Net Gambling Winnings

New Jersey Lottery winnings from prize amounts exceeding $\$ 10,000$ are taxable for New Jersey gross income tax purposes. The individual prize amount, not the total amount of New Jersey Lottery winnings over the year, determines taxability.

## Column A

Enter on Line 20, Column A, the amount of your net gambling winnings from both inside and outside New Jersey. You may deduct your gambling losses from your winnings that occurred during the same year. You may use New Jersey Lottery losses to offset other gambling winnings. If your net gambling winnings are less than zero, enter " 0 ."

You must be able to substantiate gambling losses used to offset winnings reported on your New Jersey nonresident income tax return. Evidence of losses may take several forms, including a daily log or journal of wins and losses, canceled checks, losing pari-mutuel tickets, losing lottery tickets, etc. With respect to winnings or losses resulting from casino gambling, letters from casinos which purport to "rate" the gambling activity of an individual or "estimate" losses are acceptable as part of the evidential material required to prove losses.

Winnings or losses from lotteries may be reported on this line. Remember, do not include any winnings from prizes in the amount of $\$ 10,000$ or less from the New Jersey State Lottery.

Although no specific rider to the New Jersey income tax return is required to substantiate gambling losses, it is suggested that if you enter gambling winnings net of losses on Line 20 of the return, you should note the total winnings and total losses on a supporting schedule. This procedure may eliminate certain questions in the event the return is selected for audit.

## Column B

Enter your net gambling winnings from New Jersey sources. Gambling losses incurred from sources outside New Jersey may not be used to offset gambling winnings from New Jersey sources. If zero, enter " 0 ."

## Line 21 - Pensions, Annuities, and IRA Withdrawals

## Column A

Enter on Line 21, Column A, your reportable pensions, annuities, and certain IRA withdrawals. See page 22 for information on Roth IRAs. Pensions, annuities, and

IRA withdrawals are reportable on the New Jersey return although the reportable amount may differ from the Federal amount.

TAX TIIP If you (and/or your ~2 spouse/civil union partner if filing jointly) were 62 years of age or older or disabled and met the other requirements, you may be able to use the pension and other retirement income exclusions to reduce your gross income. See the instructions for Line 27a on page 24 and Line 27 b on page 26.

All state and local government, teachers', and Federal pensions, and Keogh Plans are treated in the same manner as pensions from the private sector. Amounts received as "early retirement benefits" and amounts received as pension on Schedule NJK-1, Partnership Return Form NJ-1065 are also reportable. Social Security and Railroad Retirement benefits are exempt from New Jersey income tax and should not be reported as pension income. Pension payments received by reason of total and permanent disability are also exempt. However, if you retired before age 65 on a total and permanent disability pension and continue to receive pension payments after age 65 , your disability pension is then treated as an ordinary pension. See definition of "disabled" on page 13.

If you are receiving a United States military pension or survivor's benefit payments, the military pension or survivor's benefit is not reportable for New Jersey gross income tax purposes, regardless of your age or disability status. Do not include such payments on Line 21, Column A, Form NJ-1040NR.

Military pensions are those resulting from service in the Army, Navy, Air Force, Marine Corps, or Coast Guard. This exemption does not apply to civil service pensions or annuities, even if the pension or annuity is based on credit for military service. Most military pensions and survivor's benefit payments are received from the U.S. Defense Finance and Accounting Service while a civil service annuity is received through the U.S. Office of Personnel Management.
Retirement plans (pensions, annuities, IRAs) are either noncontributory or contributory. A noncontributory plan is one to which you have not made contributions. A contributory plan is one to which you have made contributions, usually through payroll deductions. The amount you report on Line 21, Column A, will depend on whether or not you made contributions to the plan.
Noncontributory Plans. Amounts you receive from noncontributory plans are fully reportable. Include on Line 21, Column A, the total amount of the pension or annuity from your 1099-R.

## Contributory Plans (Other Than

 IRAs). The total value of your pension or annuity consists of your contributions, your employer's contributions (if any), and earnings. In general, your contributions to a pension or annuity were taxed when they were made and are not reportable when withdrawn (except for $401(\mathrm{k})$ Plans). You must determine the reportable part of any distribution you receive. Use Worksheet A below to determine whether you should use the Three-Year Rule Method or the General Rule Method for your pension or annuity.
## Worksheet A Which Pension Method to Use

1. Amount of pension you will receive during the first three years ( 36 months) from the date of the first payment $\qquad$ 1.
2. Your contributions to the plan 2.
3. Subtract line 2 from line 1 3.
(a) If line 3 is " 0 " or more, and both you and your employer contributed to the plan, you may use the Three-Year Rule Method.
(b) If line 3 is less than " 0 ," or your employer did not contribute to the plan, you must use the General Rule Method.

| 6. Reportable amount (Subtract line 5 from line 4). |
| Enter here and on Line 21, Form NJ-1040NR .................. 6. |
| *The expected return on the contract is the amount receivable. If life expectancy |
| is a factor under your plan, Federal actuarial tables must be used to compute the |
| expected return. The Federal actuarial tables are contained in the Internal Revenue |
| Service's Publication 939, General Rule for Pensions and Annuities. Contact the |
| IRS for this publication. If life expectancy is not a factor under your plan, the ex- |
| pected return is found by totaling the amounts to be received. |

## Note:

- If you received a distribution from a 401(k) Plan, see the section on 401 (k) Plans before continuing.
- The reportable amount of an IRA withdrawal must be determined by completing Worksheet C, IRA Withdrawals, on page 22. Do not use Worksheet A or B for an IRA withdrawal.

Three-Year Rule Method. If you will recover your contributions within three years from the date you receive the first payment from the plan, and both you and your employer contributed to the plan, you may use the Three-Year Rule Method to determine your New Jersey reportable pension income. The Three-Year Rule allows you to exclude your pension and annuity payments from gross income until the payments you receive equal your contributions to the plan. Until that time, the amounts you receive, because they are considered your contributions, are not reportable and should not be entered on your return. Once you have received (recovered) an amount equal to the amount you contributed, the payments you receive are fully reportable.

Since the Three-Year Rule has been repealed for Federal income tax purposes, if you retired after July 1, 1986, the reportable amount of pension or annuity that you enter on your New Jersey return when using this method will differ from
the amount you report on your Federal return.

General Rule Method. If you will not recover your contributions within three years from the date you receive the first payment from the plan, or your employer did not contribute to the plan, you must use the General Rule Method to determine your New Jersey reportable pension income. From the first year you receive your pension and every year thereafter, part of your pension will be excludable (the amount that represents your contributions) and part will be reportable. Use Worksheet B above to determine the reportable amount.

Complete Worksheet B the year in which you receive your first pension payment. Once calculated, use the percentage on line 3 to determine the reportable amount year after year. You must recalculate the percentage only if your annual pension payments decrease.

401(k) Plans. Beginning on January 1, 1984, New Jersey's treatment of 401(k) Plan contributions changed. After that date employee contributions to 401(k) Plans were no longer included in taxable wages when earned. If you made contributions to your 401(k) Plan prior to January 1, 1984, your distribution will be treated differently than if you made all of your contributions after this date.

1. All contributions made after January 1,1984 . If all of your contributions to the 401 (k) Plan were made after January 1, 1984, then your distributions from the plan are fully reportable unless your contributions exceeded the Federal limit.
2. Contributions made before January 1,1984 . If you made contributions to the 401 (k) Plan before January 1, 1984, or you made contributions beyond the Federal limit, calculate the reportable portion of your distributions from the plan using one of the methods described under contributory plans.

## Lump-Sum Distributions and Roll-

overs. When a lump-sum distribution of the entire balance from a qualified employee pension, annuity, profit-sharing, or other plan is made, the amount received in excess of the contributions to the plan that have already been taxed must be included in your income in the year received. New Jersey has no provisions for income averaging of lump-sum distributions. Enter the reportable amount of a lump-sum distribution on Line 21, Column A.

A lump-sum distribution from an IRA or a qualified employee pension or annuity plan which you roll over into an IRA or other eligible plan is excludable from New Jersey income if the rollover qualifies for deferral for Federal income tax purposes. The amount rolled over (minus previously taxed contributions) is reportable later when it is withdrawn. As under Federal law, the rollover must be made within the 60 -day period after distribution.

For more detailed information on reporting pension and annuity income on your New Jersey return, request Tax Topic Bulletin GIT-1, Pensions and Annuities.

IRAs. Your IRA consists of a nonreportable part (your contributions) and a reportable part (earnings plus certain amounts, if any, rolled over from pension plans). If your contributions have been previously taxed, the portion of your distribution that represents earnings is reportable.

*If you did not complete a worksheet in prior year(s), skip Part II and calculate the amount of unrecovered contributions as follows:
A. Determine the total amount of withdrawal(s) made from the IRA in previous years.
B. Total the portion(s) of these previous year withdrawal(s) already reported as income on prior New Jersey tax returns.
C. Subtract the amount of previous year withdrawals reported (B) from the total amount of previous year withdrawals (A). This difference is the amount of contributions that have been recovered thus far.
D. Subtract the amount of recovered contributions (C) from the total amount of contributions made to the IRA. This is the amount of unrecovered contributions to enter on line 4b of Part I.
(Keep a copy of this worksheet for your records.)

Earnings credited to an IRA are not reportable until withdrawn. The interest, dividends, and other earnings, as well as amounts which were tax-free rollovers, will become reportable when withdrawn. If the total amount in the IRA is withdrawn, the entire amount of the interest or accumulated gains becomes reportable in the year the withdrawal is made. If, however, the withdrawal from an IRA is made over a period of years, the portion of the annual distribution that represents interest income and accumulated gains in the IRA is reportable.

A distribution from a rollover IRA which is fully reportable for Federal income tax purposes may be treated differently for

New Jersey purposes if your contributions were subject to New Jersey income tax when the contributions were made.

Enter the reportable amount of an IRA withdrawal on Line 21. Use Worksheet C above to determine the reportable portion of your IRA withdrawal. For multiple IRAs, the reportable amount may be determined by using a separate worksheet for each IRA, or all IRAs may be combined on one worksheet.

Roth IRAs. Contributions to a Roth IRA are reportable as part of your gross income in the year they are made. However, if the requirements are satisfied, "qualified distributions" from a Roth IRA are
excludable and do not have to be included as income on Line 21, Column A, of Form NJ-1040NR.

A "qualified distribution" is one made after the five-taxable-year period beginning with the first taxable year in which a contribution was made to your IRA, and which is:

1. Made on or after the date on which an individual reaches age $591 / 2$; or
2. Made to a beneficiary (or the individual's estate) after the individual's death; or
3. Made because the individual becomes disabled; or
4. Made as a qualified first-time home buyer distribution as defined by the Internal Revenue Code.

A payment or distribution cannot be treated as a qualified distribution if it is made within the five-taxable-year period which begins with the year the first contribution was made. A payment or distribution of an allowable rollover contribution (or income earned on the amount rolled over) from an IRA other than a Roth IRA, is not a qualified distribution if it is made within the five-taxable-year period which begins with the year in which the rollover contribution was made.

If you received a nonqualified distribution from a Roth IRA, you must report the earnings as income on Line 21,
Column A.
If you converted an existing IRA to a rollover Roth IRA during tax year 2009, any amount from the existing IRA that would be reportable if withdrawn must be reported in your gross income in Column A.

For more detailed information on IRA withdrawals, request Tax Topic Bulletin GIT-2, IRA Withdrawals, or Technical Bulletin TB-44.

## Column B

Pension, annuity, and IRA withdrawal income is not taxable to nonresidents. Therefore, no entry is necessary on Line 21, Column B.

## Line 22 - Distributive Share of Partnership Income

## Column A

Enter on Line 22, Column A, your share of income derived from partnership(s) as reported to you by the partnership(s) on Schedule NJK-1, Form NJ-1065. Each part has different eligibility requirements. Use Worksheet D on page 25 to calculate the total exclusion amount you are eligible to claim. If you were a part-year nonresident, do not complete the worksheet. See page 6 .

- You (and your spouse/civil union partner if filing jointly) are unable to receive Social Security or Railroad Retirement benefits, but would have been eligible for benefits had you fully participated in either program.
Note: When you and your spouse/civil union partner file a joint return and only one of you is 62 years of age or older, you may claim the full exclusion. However, only the income of the spouse/civil union partner who is age 62 or older may be excluded.

Tax Table. When using the tax table, be sure to use the correct column. After you have found your tax, enter the amount on Line 37.

status. After you have calculated your tax, enter the amount on Line 37.

## Line 38 - Income Percentage

To figure your income percentage, divide the amount on Line 29 in Column B by the amount on Line 29 in Column A.

Carry your result to four decimal places. For example, if the amounts used were $\$ 20,000$ (Line 29, Column B) divided by $\$ 30,000$ (Line 29, Column A), the result would be $66.67 \%$ or .6667 . In certain situations, however, the income percentage can exceed $100 \%$.

Note: The income percentage can exceed $\mathbf{1 0 0 \%}$. For example, a taxpayer realizes a $\$ 50,000$ gain from the sale of real property in New Jersey and sustains a $\$ 10,000$ loss from the sale of property in Florida. This nonresident (who has no other income) reports $\$ 40,000$ as his income from everywhere (Column A) and $\$ 50,000$ as income from New Jersey sources (Column B). The income percentage is $125 \%$ (or 1.25 ) calculated as follows: $\$ 50,000$ (Line 29, Column B) divided by $\$ 40,000$ (Line 29, Column A).

## UI/WF/SWF; DI Credit (Lines 47 and 48)

You may take credit for excess unemployment insurance/workforce development partnership fund/supplemental workforce fund contributions and/or disability insurance contributions withheld by two or more employers. For 2009, the maximum employee unemployment insurance/ workforce development partnership fund/ supplemental workforce fund contribution was $\$ 122.82$, and the maximum employee disability insurance contribution was $\$ 144.50$. If you had two or more employers and you contributed more than the maximum amount(s), you must enclose a completed Form NJ-2450 with your return to claim the credit.

If any single employer withheld more than the maximum for either UI/WF/SWF ( $\$ 122.82$ ) or disability insurance ( $\$ 144.50$ ) contributions, enter only the maximum amount for that category on Form NJ-2450. You must contact the employer who withheld contributions in excess of the legal maximum for a refund.
All information on Form NJ-2450 must be substantiated by W-2 statements or the claim will be denied. The amounts of unemployment insurance/workforce development partnership fund/supplemental workforce fund contributions and disability insurance contributions withheld must be reported separately on all W-2 statements. The employer's New Jersey Taxpayer Identification Number or approved private plan number must also be shown. See sample W-2 on page 17.
Be careful when completing Form NJ-2450 and check that your W-2 verifies the information you provide. ## Part I - Disposition of Property (Lines 55-58)

Your portion of the gain or loss derived from the disposition of property owned by a sole proprietorship, partnership, an estate or trust or, in general, an S corporation is reportable as net profits from business on Line 17, distributive share of partnership income on Line 22, income from estates and trusts on Line 25 , or net pro rata share of S corporation income on Line 23. For information regarding grantor trusts see the reporting instructions for Line 25 on page 23.

Use Part I to report all other capital gains and income from the sale or exchange of any property (both inside and outside New Jersey). In arriving at your gain, you may deduct expenses of the sale and your adjusted basis in the property. The basis to be used for computing gain or loss is the cost or adjusted basis determined for Federal income tax purposes.

NOTE: If you sold or transferred real property in New Jersey and were required to make estimated tax payments in connection with the sale or transfer, be sure to include such payments on Line 45.

New Jersey income tax law has uncoupled from certain changes in Federal depreciation and expense deduction limits. A New Jersey depreciation adjustment may be required for assets placed in service on or after January 1, 2004. Complete the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP to calculate the adjustment.

The New Jersey allowable IRC Section 199 deduction must be calculated on

Form 501-GIT, Domestic Production Activities Deduction. The result should be taken into consideration in calculating the gain or loss on disposition of applicable property. Form 501-GIT can be found on the Division's Web site (www.state.nj.us/treasury/taxation/).
$\mathbb{T} \triangle \mathbb{T} \mathbb{T} \boldsymbol{P}$ If you had an interest
 in a partnership, a sole proprietorship, or an S corporation which sold or disposed of virtually all of its assets in conjunction with the complete liquidation of the entity, then your portion of the gain or loss from the entity's sale or disposition of its assets must be reported as net gains or income from the disposition of property.

If you sold an interest in a partnership, a sole proprietorship, or rental property, you may be required to use a New Jersey adjusted basis. If you sold shares in an S corporation, you must use your New Jersey adjusted basis. The gain or loss from your sale or liquidation of a sole proprietorship, a partnership interest, or shares of $S$ corporation stock must be reported as net gains or income from disposition of property in Part I.

For information on calculating your New Jersey adjusted basis and your New Jersey reportable gain or loss, refer to rules N.J.A.C. 18:35-1(c)5 (trade or business property), 18:35-1.3(d)2 (partnerships), or 18:35-1.5(k) (S corporations) and Tax Topic Bulletin GIT-9P, Income From Partnerships, or GIT-9S, Income From S Corporations.

All gains derived from installment sales must be reported in the same year as reported for Federal income tax purposes. If the New Jersey basis differs from the Federal basis, a New Jersey installment sale calculation must be made and the New Jersey gain must be reported.
If the spaces provided are not sufficient, enclose a statement with the return listing any additional transactions.

Sale of a Principal Residence. If you sell your principal residence, you may qualify to exclude up to $\$ 250,000$ ( $\$ 500,000$ for certain married/civil union couples filing a joint return) of any gain from your
income. Capital gain is computed in the same manner as for Federal income tax purposes. Any amount that is taxable for Federal purposes is taxable for New Jersey purposes.

You can claim the exclusion if, during the 5 -year period ending on the date of the sale, you have:

1. Owned the home for at least 2 years (the ownership test); and
2. Lived in the home as your principal residence for at least 2 years (the use test).

Note: If you owned and used the property as your principal residence for less than 2 years, and you qualify for a reduced exclusion for Federal purposes, you may claim a reduced exclusion for New Jersey purposes.

You can exclude up to $\$ 250,000$ ( $\$ 500,000$ for certain married/civil union couples filing a joint return) of gain from the sale of your principal residence if both 1 and 2 below apply.

1. Neither you nor your spouse/civil union partner if filing a joint return is excluding gain from the sale of another home.
2. You or your spouse/civil union partner if filing a joint return owned and lived in the home for periods adding up to at least 2 years within the 5 -year period ending on the date of sale.

If you are a married/civil union couple, filing a joint return, both you and your spouse/civil union partner must meet the use test to qualify for the $\$ 500,000$ exclusion.

If only one spouse/civil union partner meets the ownership and use tests, the qualified spouse/civil union partner can exclude up to $\$ 250,000$ of the gain when filing either a joint return or a married/CU partner, filing separate return.

You cannot exclude the gain on the sale of your principal residence if, during the 2 -year period ending on the date of the sale, you sold another home at a gain and
excluded all or part of that gain. If you cannot exclude the gain, you must include it in your income and complete Part I. However, you can claim a reduced exclusion if you sold the home due to a change in health or place of employment and you qualify for a reduced exclusion for Federal purposes.

## Beneficiary and Grantor Reporting of Income

For gross income tax reporting purposes, the net income earned by an estate or trust does not retain its character, i.e., interest, partnership income; rather it is a specified income category - Net Gains or Income Derived Through Estates or Trusts.

The net income from an estate or trust actually distributed or required to be distributed during the taxable year is taxable to the beneficiary in the income category, Net Income From Estates and Trusts. In completing New Jersey Form NJ-1040, NJ-1040NR or NJ-1041 the income is included on the line Other Income.

## DEFINITIONS

Fiduciary means a guardian, trustee, executor, administrator, receiver, conservator, or any person acting in any trust or similar capacity.

The term estates refers only to the estates of deceased persons. The New Jersey gross income tax liability for minors, persons adjudicated incompetent, or for any person who is suffering from some other legal disability shall be computed on the same form as that used for any other individual taxpayer, but it may be prepared in the name of the disabled individual and signed by the guardian or conservator.

## WHO MUST FILE A RETURN

## A. Resident Estates and Trusts

The fiduciary of every resident estate or trust is required to file a New Jersey Gross Income Tax Fiduciary Return (NJ-1041) if gross income, before exemptions or deductions, is more than $\$ 10,000$ (prorated for the number of months covered by a partyear return) during the taxable year. If a resident trust or estate does not have any assets in New Jersey or income from New Jersey sources, and does not have any trustees or executors in New Jersey, it is not subject to New Jersey tax. However, a New Jersey Gross Income Tax Fiduciary Return should be filed with a statement enclosed certifying the trust's or estate's exempt status.

## Resident estate or trust means:

(1) The estate of a decedent who at his death was domiciled in New Jersey; or
(2) A trust, or a portion of a trust, consisting of property transferred by will of a decedent who at his death was domiciled in New Jersey; or
(3) A trust, or portion of a trust, consisting of the property of:
(a) A person domiciled in New Jersey at the time such property was transferred to the trust, if such trust or portion of a trust was then irrevocable; or if it was then revocable and has not subsequently become irrevocable; or
(b) A person domiciled in New Jersey at the time such trust, or portion of a trust, became irrevocable; if it was revocable when such property was transferred to the trust but has subsequently become irrevocable.

For the purposes of the foregoing, domicile is the place an individual regards as his permanent home-the place to which he intends to return after a period of absence. A domicile, once established, continues until a new, fixed, and permanent home is acquired. No change of domicile results from moving to a new
location if the intention is to remain only for a limited time even if it is for a relatively long duration.

A trust or portion of a trust is revocable if it is subject to a power, exercisable immediately or at any future time, to revest title in the person whose property constitutes such trust or portion of a trust, and a trust or portion of a trust becomes irrevocable when the possibility that such power may be exercised has been terminated.

Grantor trusts are required to file a New Jersey Gross Income Tax Fiduciary Return. If the grantor trust income is reportable by or taxable to the grantor for Federal income tax purposes, it is also taxable to the grantor for New Jersey gross income tax purposes. See the line-by-line instructions for distributions.

A resident estate or trust does not include charitable trusts or trusts which are part of a pension or profit-sharing plan. A charitable trust is a trust operated exclusively for a religious, charitable, scientific, literary, or educational purpose. Income of a charitable trust is exempt from gross income tax. However, income received by a charitable trust which is not distributed or credited to its beneficiaries is subject to tax in the taxable year of the trust in which such income is received. Where the terms of the governing instrument of an estate or trust require any amount of income to be accumulated and added to the principal for ultimate distribution to any religious, charitable, scientific, literary, or educational organization and such income is permanently and irrevocably set aside for such purposes, it will be treated as having been paid, credited, or required to be distributed to the charitable beneficiary. The same treatment is afforded to any income required to be held in trust for the use of any charitable beneficiary or organization.

In general, income which is deemed to have been paid, credited, or required to be distributed to a beneficiary is taxable to such beneficiary. Where, however, the beneficiary is an exempt charitable organization, no tax will be imposed. This is true even if the income is permanently and irrevocably set aside in an invested income account.

## B. Nonresident Estates and Trusts

The fiduciary of every nonresident estate or trust which derived income from New Jersey sources must file a New Jersey Gross Income Tax Fiduciary Return (NJ-1041) if the gross income received from all sources (both inside and outside New Jersey) during the taxable year was more than $\$ 10,000$ (prorated for the number of months covered by a part-year return) before exemptions or deductions.

A nonresident estate or trust does not include charitable trusts or pension or profit-sharing trusts. The residence of the fiduciary does not affect the nonresident classification of an estate or trust.

Nonresident Estates and Trusts - continued
Gross income from sources within New Jersey for a nonresident estate or trust means those items of income and gain that are earned, received, or acquired from the following sources:

1. By reason of ownership or disposition of any interest in real or tangible personal property in New Jersey; or
2. In connection with a trade, profession, or occupation carried on in New Jersey or for the rendition of personal services performed in New Jersey; or
3. As a distributive share of the income of a business, profession, enterprise, undertaking, or other activity as the result of work done, services rendered, or other business activities conducted in New Jersey except as allocated to another state; or
4. From intangible personal property employed in a trade, profession, occupation, or business carried on in New Jersey; or
5. Income of a New Jersey S corporation allocated to New Jersey; or
6. Net gambling winnings from New Jersey sources, including New Jersey Lottery winnings from prize amounts exceeding $\$ 10,000$.

## C. Electing Small Business Trusts

A Federal Electing Small Business Trust can make a New Jersey election to be taxed in the same manner as for Federal tax purposes. Request Form NJ-1041SB for election information, filing instructions, and tax forms.

## PERIOD TO BE COVERED BY RETURN

The 2009 return filed by an administrator or an executor of an estate must cover the period from January 1, 2009, or fiscal year beginning in 2009, or the date of death of decedent (if death occurred after January 1, 2009) to the end of the taxable year selected by the fiduciary when appropriate. The 2009 return filed by a trustee of a trust must cover the period beginning January 1 , 2009. Only charitable trusts which are exempt from tax are permitted to use a fiscal tax year.

The taxable year cannot be longer than 12 months and must coincide with the year selected for purposes of filing the Federal return. All income received by the executor, administrator, or trustee in the taxable year must be reported on the return.

## TIME AND PLACE FOR FILING

Form NJ-1041 must be filed on or before the 15th day of the fourth month following the close of the taxable year of the estate or trust.

Use the large envelope in this packet to mail Form NJ-1041 with related enclosures, payment voucher, and check or money order for any tax due.

## PAYMENT OF TAX

The balance of tax due must be paid in full by the original due date of the return. If the amount due is less than $\$ 1$, no payment is required. New Jersey income tax payments for tax year 2009 as well as estimated tax payments for 2010 may be made by check or money order, electronic check (e-check), or credit card.

Check or Money Order. Checks and money orders are to be made payable to "State of New Jersey - TGI." Write the Federal employer identification number on the check or money order, then enter the amount of tax due in the appropriate boxes on payment voucher NJ-1041-V located at the front of this booklet. Do not make changes to any of the information preprinted on the payment voucher. Instead, make any necessary changes on Form NJ-1041. Send the check or money order and the payment voucher in the same envelope as the NJ-1041 return.

Do not include in the same check or money order the amount due for tax year 2009 and the first installment of estimated taxes for 2010 . Use a separate check or money order for each payment. Send the 2010 estimated tax payment with an NJ-1040-ES voucher to the address indicated on that payment voucher. Do not include the estimated tax payment with the 2009 fiduciary return.

Electronic Check (e-check). This option is available on the Division's Web site (www.state.nj.us/treasury/taxation/). Taxpayers who do not have Internet access can pay by e-check by contacting the Division's Customer Service Center at 609-292-6400. Do not send in the payment voucher (Form NJ-1041-V) when paying by e-check.

When using e-check on the Web, you will need the Federal employer identification number, the date of the decedent's death or the date the trust was created, your bank's routing number, and your account number to make a payment.

Credit Card. A Visa, American Express, MasterCard, or Discover credit card may be used to pay by phone (1-800-2PAYTAX, tollfree) or online (www.state.nj.us/treasury/taxation/). You may be asked to enter a jurisdiction code to make your payment. The code for New Jersey personal income tax is 4000 . There is a convenience fee of $2.49 \%$ paid directly to Official Payments Corporation based on the amount of the tax payment. Do not send in the payment voucher (Form NJ-1041-V) when paying by credit card. A $\$ 1$ convenience fee will be charged for all tax payments of $\$ 40$ or less.

## EXTENSION OF TIME TO FILE

An extension of time is granted only to file the New Jersey Gross Income Tax Fiduciary Return. There is no extension of time to pay tax due. We will notify you only if the extension request is denied, but not until after the return is actually filed. Penalties and interest are imposed whenever tax is paid after the original due date.

## Five-Month Extension

You may receive a five-month extension of time to file your New Jersey Gross Income Tax Fiduciary Return. An application for an extension of time to file is accepted only if at least $80 \%$ of the tax liability computed on your Form NJ-1041 when filed is paid in the form of estimated or other payments by the original due date, and

1. Federal extension filed. A copy of your Federal Application for Automatic Extension is enclosed with your final return and the box at the top of Form NJ-1041 is checked (or, if the Federal extension application was filed electronically, the confirmation number is entered in the space provided at the top of Form NJ-1041); or
2. No Federal extension filed. You file a request for a fivemonth extension on Form NJ-630, Application for Extension of Time to File New Jersey Gross Income Tax Return, by the original due date of the return. Taxpayers who file Form NJ-630 will not receive an approved copy. We will notify you only if the request is denied, but not until after the return is actually filed.

Note: If a Federal extension is filed, Form NJ-630 must still be filed by the original due date if you are required to make a payment to satisfy the $80 \%$ requirement.

If you fail to satisfy the requirements outlined for an extension of time to file, or you fail to file your return by the extended due date, your extension will be denied and penalties and interest will be imposed from the original due date of the return. See "Penalties, Interest, and Collection Fees" on page 5.

## ACCOUNTING METHOD

A taxpayer's accounting method for New Jersey gross income tax shall be the same as the accounting method used for Federal income tax purposes. Income must be recognized and reported in the same period as it is recognized and reported for Federal income tax purposes.

## CHANGES IN FEDERAL INCOME TAX

Report to the New Jersey Division of Taxation any change or correction in Federal taxable income as reported on your Federal fiduciary income tax return, whether resulting from the filing of any amended Federal return or otherwise, within 90 days after

Changes in Federal Income Tax - continued
filing such return or final determination of such change by the Internal Revenue Service. Similarly, if an amended Federal return is filed, an amended New Jersey return must be filed within 90 days.

## AMENDED RETURN

The fiduciary should carefully follow the instructions when completing the tax return. Check the return to be sure all of the income and credits for which the fiduciary is eligible have been claimed before filing the return. However, if after the return has been filed the taxpayer discovers that he failed to report some of his income or erroneously claimed credits or was eligible for credits which were not claimed, the error may be corrected by filing an amended return. The taxpayer should file a new return, clearly marked "AMENDED RETURN," in which the correct tax or refund is shown.

If an error is discovered that will result in a refund of tax, the amended Form NJ-1041 must be filed within three years from the date the original return was filed or within two years from the time the tax was paid, whichever is later, in order to receive a refund. (A return filed before the due date or extended due date is considered to be filed on such due date or extended due date.)

## ESTIMATED TAX PAYMENTS

Certain estates and trusts are required to file Form NJ-1040-ES and make quarterly estimated tax payments for any tax year in which the estimated tax of the estate or trust is expected to exceed $\$ 400$. Estimated tax means the projected amount of New Jersey gross income tax liability for the taxable year after subtracting allowable credits. Instructions for computing the estimated tax and making estimated payments are included with Form NJ-1040-ES. Failure to file a declaration of estimated tax or to pay all or any part of an installment of estimated tax will result in interest charges on the underpayment.

## Exceptions

Estimated tax payments are not required from:

- A decedent's estate for any tax year ending before the date that is two years after the decedent's death; or
- A trust that was treated as owned by the decedent if the trust will receive the residue of the decedent's estate under the will (or if no will is admitted to probate, the trust primarily responsible for paying debts, taxes, and expenses of administration) for any tax year ending before the date that is two years after the decedent's death.

## Underpayment of Estimated Tax

If all estimated tax payments are not made as required, Form NJ-2210, Underpayment of Estimated Tax by Individuals, Estates or Trusts, should be completed to determine if interest is due and if so, to calculate the amount.

## NAME AND FEDERAL EMPLOYER IDENTIFICATION NUMBER

The name and Federal employer identification number must be entered on all schedules accompanying the return. Also, if there is a balance due with the return, place the Federal employer identification number on the remittance.

## PRIVACY ACT NOTIFICATION

The Federal Privacy Act of 1974 requires all agencies requesting information to inform individuals from whom it seeks information why the request is being made and how the information is being used. The Federal employer identification number is used primarily to account for and give credit for tax payments. It is also used in the administration and enforcement of all tax laws for which the Division of Taxation has statutory responsibility.

## ROUNDING OFF TO WHOLE DOLLARS

When completing your return and the accompanying schedules, you may show the money items in whole dollars. If you have to add two or more items to figure the total to enter on a line, include the cents when adding the items and round off only the total. When entering the rounded total on the line, you may eliminate any amount under 50 cents and increase any amount 50 cents or more to the next higher dollar. If you do round off, do so for all amounts. When rounding, enter zeros in the space provided for cents.

## GUBERNATORIAL ELECTIONS FUND

A fiduciary may designate as a contribution to the Gubernatorial Elections Fund the sum of $\$ 1$. The designation of a contribution to this fund does not increase the tax liability or reduce the amount of any possible refund.

## SIGNATURE AND DATE

The return must be signed and dated by the individual fiduciary or by the authorized officer of the organization receiving, having custody or control and management of the income of the estate or trust.

## Preparer Authorization

Because of the strict provisions of confidentiality, Division of Taxation personnel may not discuss your return or enclosures with anyone other than you without your written authorization. If, for any reason, you want a Division of Taxation representative

## Preparer Authorization - continued

to discuss your tax return with the individual who signed the return as "Preparer Other than Fiduciary," we must have your permission to do so. To authorize the Division of Taxation to discuss your return and enclosures with your "Preparer Other than Fiduciary," check the box above the preparer's signature line.

## Tax Preparers

Any person who prepares a taxpayer's return for a fee must sign as "Preparer" and must include his or her social security number or Federal preparer tax identification number. Returns prepared by a firm or corporation should be signed by the individual preparer and should include the name of the firm or corporation. The individual preparer's social security (tax identification) number must be included, as well as the Federal employer identification number of the firm or corporation. Any tax preparer who fails to sign the return or provide the assigned tax identification number shall be liable for a $\$ 25$ penalty for each such failure.

Note: Any tax preparer who prepared 25 or more Form NJ-1040 New Jersey gross income tax resident returns in 2008 must use electronic methods to file all 2009 New Jersey resident income tax returns. A tax preparer is liable for a penalty of $\$ 50$ for each return he or she fails to file electronically when required to do so.

## PENALTIES, INTEREST, AND COLLECTION FEES

1. Late Filing Penalty $-5 \%$ per month or fraction thereof for each month of delinquency up to a maximum of $25 \%$ of the balance of the tax due with the return. In addition the law allows a $\$ 100$ per month (or fraction of a month) penalty.
2. Late Payment Penalty - 5\% of the outstanding tax balance may be imposed.
3. Interest - $3 \%$ above the prime rate for every month or fraction of a month the tax is unpaid, compounded annually. At the end of each calendar year, any tax, penalties, and interest remaining due (unpaid) will become part of the balance on which interest is charged.
4. Collection Fees - In addition, if a tax bill is sent to our collection agency, a referral cost recovery fee of $10 \%$ of the tax due will be added to the liability. If a certificate of debt is issued for an outstanding liability, a fee for the cost of collection of the tax may also be imposed.

## Line-by-Line Instructions

## NAME, ADDRESS, AND IDENTIFICATION NUMBER

Place the preprinted name and address label in the appropriate space provided on the form. If a label is not provided, print or type the name of the estate or trust, the name and title of the fiduciary, and complete address with the zip code. Enter the Federal employer identification number in the space provided.

## Lines 1 through 4 - Residency Status

Indicate the residency status of the estate or trust by checking the appropriate block provided at each line. Also indicate in the space provided the date of decedent's death or the date the trust was created. If the estate or trust is a resident of a state other than New Jersey, enter the name of the state. In the space provided, indicate the type of trust (i.e., Simple trust, Complex trust, Grantor type trust).

## Line 5 - Estate Closed or Trust Terminated

If the estate was closed or the trust terminated, check the box provided and indicate the date of such closing or termination. Also write "Final return" at the top of the form.

## INCOME

Estates and trusts (whether resident or nonresident) must report on Lines 6 through 13 taxable income received from all sources (both inside and outside New Jersey) during the taxable year.
(Nonresident estates or trusts must complete Lines 6-13 as if the income was earned by a resident estate or trust. Nonresident estates or trusts must also complete Schedule G to report their income from New Jersey sources. See the instructions for Schedule $G$ on page 12.)

Important: Net losses in one category of income cannot be applied against income or gains in another. In case of a net loss in any category, enter " 0 " for that category. No carryback or carryover of losses is permitted under New Jersey law.

## Line 6 - Interest

Report all taxable interest from all sources, including savings and loan associations, credit unions, bank deposits, bonds, certificates of deposit, interest-bearing checking accounts, life insurance dividends, etc. Interest derived from sources held outside of New Jersey is includable in gross income. Interest paid or deemed to have been paid to the estate or trust by a partnership or $S$ corporation and which is reportable on Form 1099 must be reported as interest on this line. Interest received by a sole proprietorship is reportable as net profits from business on Line 8. Interest earned and received by a partnership, an estate or trust or, in general, an S corporation is reportable as distributive share of partnership income on Line 11, net income from estates or trusts on Line 13, or net pro rata share of S corporation income

## Line 6 - Interest - continued

on Line 12. For detailed information regarding the reporting of partnership or S corporation income, request Tax Topic Bulletin GIT-9P, Income From Partnerships, or GIT-9S, Income From S Corporations.

Interest received from Ginnie Maes, Fannie Maes, and Freddie Macs is taxable since these securities are not direct obligations of the Federal government. Interest income received from repurchase agreements is taxable to the investor regardless of the nature of the underlying obligation. Interest on obligations of other states and their political subdivisions is subject to tax, as is the interest on obligations of the District of Columbia.

Distributions from Coverdell education savings accounts (ESAs), but only the earnings portion, are also includable in gross income.

Amounts paid by a mutual fund or other regulated investment company are includable in gross income unless the fund is a qualified investment fund as defined by New Jersey law, or to the extent that the distributions are attributable to interest earned on Federal obligations.

A New Jersey qualified investment fund is a regulated investment company in which at least $80 \%$ of the underlying investments are obligations issued either directly by the Federal government or by the State of New Jersey or any of its political subdivisions.

If you received a distribution from a qualified investment fund, you may exclude from gross income only the portion which is attributable to qualified exempt obligations. A fund that is a qualified investment fund for New Jersey purposes should notify its shareholders by February 15 as to the portion of each distribution which may be excluded from gross income.

For New Jersey gross income tax purposes, a forfeiture penalty resulting from an early withdrawal of a time deposit account is considered a loss which may be used to offset interest income.

In the space provided, report all tax-exempt interest as well as exempt interest dividends from a New Jersey qualified investment fund. If exempt interest is more than $\$ 10,000$, you must include an itemized schedule detailing the amount received from each source.

New Jersey tax-exempt interest income includes interest from obligations of the State of New Jersey or any of its political subdivisions, direct Federal obligations such as U.S. Savings Bonds and Treasury Bills, Notes and Bonds, Sallie Maes, CATS, TIGRs, certain distributions from "New Jersey Qualified Investment Funds," and distributions paid by mutual funds to the extent the distributions are attributable to interest earned on Federal obligations.

## Line 7 - Dividends

Enter on this line the amount of dividends received during the taxable year from investments (e.g., from stocks, mutual funds) or other income-producing activities which do not constitute a trade or business. The total amount of dividends received, regardless of where earned, must be reported. For dividends received from a mutual fund or other regulated investment company, see the instructions for interest income at Line 6.

Dividends received by a sole proprietorship are reportable as net profits from business on Line 8. Dividends earned and received by a partnership, an estate or trust or, in general, an S corporation are reportable as distributive share of partnership income on Line 11, net income from estates or trusts on Line 13, or net pro rata share of S corporation income on Line 12. For detailed information regarding the reporting of partnership income or $S$ corporation income and distributions, request Tax Topic Bulletin GIT-9P, Income From Partnerships, or GIT-9S, Income From S Corporations.

Distributions out of earnings and profits of corporations are required to be reported in the year received by the shareholder.

Distributions not out of earnings and profits of a corporation which are a return of investment or capital in the company are sometimes referred to as tax-free distributions or nontaxable capital distributions. Such distributions are a return of capital, reduce the basis of the stock or investment, and are not taxable until the basis in the stock or investment is fully recovered. To the extent that a return of capital (when added to other distributions received in the past) exceeds the investment in the stock or security, it is included in income as a capital gain on Line 9.

Capital gain dividends, under New Jersey law, are taxable in full as capital gains. Dividends reinvested in a public utility are taxable.

## Line 8 - Net Profits From Business

Enter on this line the amount from Schedule A, Line 38. Enclose a copy of Federal Schedule C or F.

If an interest in a partnership, sole proprietorship, or rental property was sold, you may be required to use a New Jersey adjusted basis. If shares in an S corporation were sold, you must use the New Jersey adjusted basis. The gain or loss from the sale or liquidation of a sole proprietorship, a partnership interest, or shares of $S$ corporation stock must be reported as net gains or income from disposition of property on Schedule B.

The fiduciary must complete this schedule to be allowed the credit.

Note: New Jersey does not require that a copy of the income tax return(s) filed with the other jurisdiction(s) be submitted with Form NJ-1041. However, taxpayers should retain complete copies of any returns filed with other jurisdiction(s), including Electronic Filing Income Tax Returns and associated schedules and worksheets which establish the nature and source of the income being taxed by the other jurisdiction. ## SCHEDULE G - New Jersey Income of Nonresident Estates and Trusts

The New Jersey income tax liability of a nonresident estate or trust is based on the percentage of its total income which comes from New Jersey sources. Nonresident estates must report their income from all sources (both inside and outside New Jersey) on Lines 6-13 of Form NJ-1041 and their income from New Jersey sources on Lines 1-8 of Schedule G. These figures cannot be copied from figures reported on the Federal return.

You must, however, include such income on the appropriate line of Form NJ-1041.

## BUSINESS ALLOCATION SCHEDULE (FORM NJ-NR-A)

## General Instructions

If business activities are carried on both inside and outside New Jersey, business income may be allocated to determine the amount of income from New Jersey sources. Carrying on business activities outside New Jersey means maintaining, operating, or occupying a regular place of business outside New Jersey, such as an office, shop, store, warehouse, factory, agency, or other place where the business's affairs are systematically and regularly conducted.

The business may not allocate income if it has only an occasional or isolated business transaction outside the State. Likewise, if the business has no regular place of business outside New Jersey, it may not allocate income, even though its representatives travel outside the State for the purposes of performing duties connected with the trade or business, and make sales or perform services for persons or corporations located outside the State.

Be sure that Form NJ-NR-A is enclosed with Form NJ-1040NR, NJ-1041, or NJ-1065, and that the name and address on the Business Allocation Schedule agree exactly with the name and address on the return with which it is enclosed.

## Section 1 - Business Locations

In Column (c) describe the places listed in Columns (a) and (b) (i.e., branch office, agency, factory, warehouse, etc.). In Column (d) indicate whether the business rents or owns each location listed. Enclose additional sheets if necessary.

## Section 2 - Average Values

Use Section 2 to determine the average values of your business assets. The average value of property owned is determined by adding (1) the book value of the property at the beginning of the taxable year and (2) the book value of the property at the end of the taxable year and dividing the sum by two.

The average value of property rented or leased is valued at eight times the annual rent. Rent includes any amounts paid in addition to, or accrued in lieu of, rent for the period covered by the return (such as interest, taxes, insurance, and repairs).

## Line 1 - Real Property Owned
