## **Independent Auditor's Report**

Director, Division of Pension and Benefits  
State of New Jersey  
Agency Funds

We have audited the accompanying statement of fiduciary net assets of the State of New Jersey Agency Funds (the Funds) as of June 30, 2011. These financial statements are the responsibility of the Funds' management. Our responsibility is to express an opinion on these financial statements based on our audit. The financial statements of the Funds as of June 30, 2010 were audited by other auditors whose report dated October 27, 2010 expressed an unqualified opinion on those financial statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the Funds' internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of State of New Jersey State Agency Funds as of June 30, 2011, in conformity with accounting principles generally accepted in the United States of America.

Management's Discussion and Analysis is not a required part of the basic financial statements but is supplementary information required by the accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was made for the purpose of forming an opinion on the basic financial statements that collectively comprise the Funds' basic financial statements. The 2011 combining schedule of balance sheet information – fiduciary funds – agency funds, combining schedule of changes in fiduciary net assets information – fiduciary funds – agency funds, combining schedule of balance sheet information – agency fund – dental expense program, combining schedule of changes in fiduciary net assets information – agency fund – dental expense program, schedule of changes in assets and liabilities information – agency fund – alternate benefit program fund, schedule of changes in assets and liabilities information – agency fund – pension adjustment fund, schedule of changes in assets and liabilities information – agency fund – dental expense program – total, schedule of changes in assets and liabilities information – agency fund – dental expense program – state, and schedule of changes in assets and liabilities information – agency fund – dental expense program – local (schedules 1 through 9) are presented for purposes of additional analysis and is not a required part of the basic financial statements of the Funds. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements, and, in our opinion, is presented fairly, in all material respects, in relation to the basic financial statements taken as a whole.

***The Statements of Fiduciary Net Assets***

This annual report consists of one financial statement: *The Statements of Fiduciary Net Assets*. This financial statement reports information about the Funds to help you assess whether the Funds, as a whole, have improved or declined as a result of the year's activities. The financial statement was prepared using the accrual basis of accounting, which recognizes increases and decreases in economic resources as soon as the underlying event or transaction occurred.

*The Statements of Fiduciary Net Assets* shows the balances in all of the assets and liabilities of the Funds at the end of the fiscal year. Liabilities include fiduciary net assets held for the State and the local participating employers to cover pension adjustment costs. The financial statement should be reviewed along with the information contained in the financial statement footnotes to determine whether the Funds are able to meet their financial obligations.

Notes to Financial Statements

June 30, 2011 and 2010

**(1) Description of the Funds**

***Agency Funds***

The Pension Adjustment Fund (PAF), Alternate Benefit Program Fund (ABP), and Dental Expense Program Fund (DEP) (the Funds) are reported as agency funds. The financial statements of the Funds are included along with other state-administered fiduciary funds in the basic financial statements of the State of New Jersey.

The State of New Jersey PAF is a “pay-as-you-go” multiple-employer defined benefit plan which was established in 1958 under the provisions of N.J.S.A. 43:3B. The PAF provides cost-of-living increases in retirement allowances to certain retired public employees and beneficiaries of retired members in the State of New Jersey Consolidated Police and Firemen’s Pension Fund (CPFPPF), State of New Jersey Prison Officers’ Pension Fund (POPF), and State of New Jersey Central Pension Fund (CPF).

The State of New Jersey ABP was established by legislation in 1965 through 1968 for full-time faculty members of public institutions of higher education. It was later expanded to include certain administrative and professional titles.

The State of New Jersey DEP was established under the provision of N.J.S.A. 52:14-17.29. State employees and employees of participating employers may choose a traditional indemnity plan called Dental Expense Plan or prepaid dental HMOs called Dental Provider Organizations. Dental coverage is optional. In 2005, dental coverage was made available to State retirees and local retirees. The DEP – State is a single-employer defined other post-employment benefit (OPEB) plan and the DEP – Local is a multi-employer, cost-sharing defined OPEB plan.

**(2) Summary of Significant Accounting Policies**

***Measurement Focus and Basis of Accounting***

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. Agency funds do not have a measurement focus, but they employ the accrual basis of accounting, which recognizes increases and decreases in economic resources as soon as the underlying event or transaction occurs.

***Membership and Contributing Employers***

Membership in the Funds consisted of the following as of June 30, 2011 and 2010:

***Valuation of Investments***

Cash Management Fund units are stated at fair value using the closing bid price on the last day of trading during the period as determined by the Transfer Agent.

The State of New Jersey, Department of the Treasury, Division of Investment, issues publicly available financial reports that include the financial statements of the State of New Jersey Cash Management Funds. The financial reports may be obtained by writing to the State of New Jersey, Department of the Treasury, Division of Investment, P.O. Box 290, Trenton, New Jersey 08625-0290.

The State of New Jersey, Department of the Treasury, Division of Investment, under the jurisdiction of the State Investment Council, has the investment responsibility for all funds administered by the State of New Jersey Division of Pensions and Benefits. All investments must conform to standards set by state law.

The purchase, sale, receipt of income, and other transactions affecting investments are governed by custodial agreements between the Funds, through the State Treasurer, and custodian banks as agents for the Funds. State laws and policies set forth the requirements of such agreements and other particulars as to the size of the custodial institutions, amount of the portfolio to be covered by the agreements, and other pertinent matters.

***Investments***

The Funds' investments as of June 30, 2011 and 2010 consist of an interest in the Cash Management Fund. The Cash Management Fund is not evidenced by securities that exist in physical or book entry form held by the Funds, and it is unrated.

***Administrative Expenses***

The Funds are administered by the State of New Jersey Division of Pensions and Benefits. Administrative expenses are paid by the State of New Jersey, who is responsible for such costs.

***Use of Estimates***

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of income and expense during the reporting period. Actual results could differ from those estimates.

AGENCY FUNDS**

Notes to Financial Statements

***Vesting and Benefit Provisions***

**Vesting and Benefit Provisions – ABP**

ABP provides retirement benefits, disability benefits, and group life insurance benefits to eligible participants. Retirement benefits are payable upon separation from service with no age or service requirements. However, distributions under age 55 are limited to employee contributions and accumulations. The remaining employer's contributions and earnings are available for distribution upon attaining age 55. Participants are immediately vested if the participant has an existing retirement account containing employer and employee contributions based on employment in public education, or is an active or vested member of a federal or state retirement system.

**Benefit Provisions – PAF**

PAF covers eligible retirees and survivors of the CPFPPF, POPF and CPF. Eligible retirees and/or survivors are those who have been retired at least 24 months.

Those eligible for benefits are entitled to cost-of-living increases equal to 60% of the change in the average consumer price index for the calendar year in which the pensioner retired, as compared to the average consumer price index for a 12-month period ending with each August 31<sup>st</sup> immediately preceding the year in which the adjustment becomes payable. The regular retirement allowance is multiplied by the 60% factor as developed and results in a dollar amount of the adjustment payable. Retired members become eligible for pension adjustment benefits after 24 months of retirement.

Chapter 4, P.L. 2001, provided increased benefits to certain members of the CPFPPF who retired prior to December 29, 1989 with at least 25 years of creditable service. The benefit increase was effective November 1, 2001. The maximum amount of the increase was 5% of the retiree's final compensation. For those with 30 or more years of service, the total pension benefit would increase from 65% to 70% of final compensation.

As a result of this legislation, cost-of-living benefits payable to eligible retirees also increased. The State, not the local municipalities, is responsible for these costs.

Pursuant to the provisions of Chapter 78, P.L. 2011, COLA increases are suspended for all current and future retirees of all retirement systems. No further COLA increases will be granted. The law does not reduce any COLA increases that have already been added to retiree benefits.

**Benefit Provisions – DEP – State and Local**

The DEP provides coverage to employees and their eligible dependents for dental services performed by a qualified dentist. Employees are eligible for coverage after 60 days of employment.

AGENCY FUNDS**

Notes to Financial Statements

June 30, 2011 and 2010

**(3) Contributions**

***Contribution Requirements – ABP***

Members contribute a mandatory 5% of base or contractual salary that is tax deferred under the 414(h) provisions of the Internal Revenue Code. Members are also permitted to make voluntary federal tax-deferred contributions under Internal Revenue Code Section 403(b). The State of New Jersey pays the employer contribution for all State and county employees participating in the plan. The employer contribution is based on 8% of base or contractual salary. The State of New Jersey is also responsible for the cost of noncontributory life insurance coverage and disability coverage for its plan members.

The State made a contribution of \$145.7 million, excluding noncontributory group insurance (NCGI) of \$13.7 million and short-term disability of \$1.9 million for fiscal year 2011. The State made a contribution of \$148.6 million, excluding noncontributory group insurance (NCGI) of \$14.2 million and short-term disability of \$2.7 million for fiscal year 2010.

***Contribution Requirements – PAF***

The contribution requirements were established by N.J.S.A. 43:3B-4. The State of New Jersey is required to make an annual appropriation payment to fund the cost-of-living increases payable to retirees and beneficiaries of retired members in the CPFPPF, POPF and CPF. Funding is on a pay-as-you-go basis.

The State made a contribution of \$1.2 million and \$1.3 million for fiscal years ended June 30, 2011 and 2010, respectively.

***Contribution Requirements – DEP – State and Local***

Contributions to pay for the premiums of participating employees in the DEP are collected from the State of New Jersey, local governmental and educational employers, active employees, and former and retired members who have elected to participate under the rules of COBRA. The cost of the premiums is shared by the State of New Jersey and active State employees. Former and retired employees who have chosen to participate under the rules of COBRA pay the full cost of the premium. The employers are billed for the full cost of coverage. The State of New Jersey provides contributions through State appropriations. These appropriations are distributed to the DEP on a biweekly and monthly basis. The active member share of the cost of premiums, which is included in the billing to the employers, is paid to the State on a biweekly and monthly basis. Members participating under COBRA remit their payments on a monthly basis. Retirees pay 100% of the overall dental cost.

The State made a contribution of \$26.0 million, excluding administrative revenue of \$10.0 thousand for fiscal year 2011. The local contribution was \$2.6 million for fiscal year 2011. The State made a contribution of \$34.0 million, excluding administrative revenue of \$12.2 thousand for fiscal year 2010. The local contribution was \$2.5 million for fiscal year 2010.

**(4) Income Tax Status**

The ABP is a qualified plan as described in Sections 401(a) and 403(b) of the Internal Revenue Code.
