Instructions for Form 330 Apprenticeship Program Tax Credit

Purpose of This Form

P.L. 2019, Chapter 417, effective January 21, 2020, created the Apprenticeship Start-Up Grant Program administered by the Office of Customized Training in the Department of Labor and Workforce Development. As part of the program, a taxpayer may apply for, and upon approval of an application to the Department of Labor and the Division of Taxation will be allowed, a \$5,000 tax credit against the tax imposed pursuant to N.J.S.A. 54:10A-5(c) if the taxpayer has documented qualified start-up costs associated with the initial year of participation in an apprenticeship program. There is an additional \$5,000 tax credit if the apprenticeship program provides opportunities for workers in key industries such as:

- Manufacturing
- Construction
- Healthcare
- Logistics
- Pharmaceuticals
- Transportation
- Tourism and
- Renewable energy.

See N.J.S.A. 54:10A-5.44 for more information.

Amounts included in the calculation of the Apprenticeship Program Tax Credit cannot be included in the calculation of any other tax credit or exemption claimed on a tax return filed with the Division of Taxation, or included in the calculation of an award of business assistance or incentive, for a period of time that coincides with the privilege period for which a tax credit is allowed.

The Apprenticeship Program Tax Credit must be used in the initial year of participation in the Apprenticeship Start-Up Grant Program. There are no carryover provisions for this tax credit. Any unused tax credit amount is forfeited.

Parts III and IV are used to calculate the allowable credit. Taxpayers filing Forms CBT-100, CBT-100S, or BFC-1 complete Part III and CBT-100U filers complete Part IV.

Combined Return Filers

If filing a combined return, this form must be completed by the member that earned the credit. All combined return filers must check the combined return filers box at the top of the form and complete Part IV, Section A.

Members Opting Not to Share. In general, tax credits are earned by a member of the combined group and are shareable with the combined group. However, members are not required to share their credits. See N.J.S.A. 54:10A-4.6.i and TB-90(R), Tax Credits and Combined Returns. In addition to Section A, members that choose not to share must also complete Part IV, Section B and fill in the oval at the top of the form to indicate they are not sharing the credit.

Taxpayers must include the appropriate credit form in the year the credit was earned even if they are not claiming the credit on their tax return.

Part I – Qualifications

To be eligible for the tax credit, the answer to question 1 must be “YES.” If the answer is “NO,” the taxpayer is not entitled to the Apprenticeship Program Tax Credit.

Part II – Calculation of the Available Credit

Enter the amount of the credit for the initial year of participation in an apprenticeship program as approved by the Department of Labor and Workforce Development.

Part III – Calculation of the Allowable Credit Amount (for CBT-100, CBT-100S, and BFC-1 Filers Only)

For CBT-100, CBT-100S, and BFC-1 filers, the allowable Apprenticeship Program Tax Credit for the current year is calculated in Part III. Combined return filers do not complete Part III, and must complete Part IV instead. The amount of this credit in addition to the amount of any other tax credits taken cannot exceed an amount that would reduce the total tax liability below the statutory minimum.

Line 5 – The minimum tax is assessed based on the New Jersey Gross Receipts as follows:

New Jersey Gross Receipts	CBT-100/BFC-1	CBT-100S
Less than \$100,000	\$500	\$375
\$100,000 or more but less than \$250,000	\$750	\$562
\$250,000 or more but less than \$500,000	\$1,000	\$750
\$500,000 or more but less than \$1,000,000	\$1,500	\$1,125
\$1,000,000 or more	\$2,000	\$1,500

If a taxpayer is filing a separate return and is a member of an affiliated or controlled group that has a total payroll of \$5,000,000 or more for the return period, the minimum tax is \$2,000. Tax periods of less than 12 months are subject to the higher minimum tax if the prorated total payroll exceeds \$416,667 per month.

Line 7 – Taxpayers claiming multiple credits must list any credits already applied to the tax liability to ensure accuracy of the calculation for maximum credit allowable.

Part IV – Calculation of the Allowable Credit Amount for Combined Return Filers

For CBT-100U filers, the allowable Apprenticeship Program Tax Credit for the current year is calculated in Part IV. All combined return filers must complete Section A. Members that choose not to share their credit must also complete Section B.

Section A – To be completed by ALL combined return filers

This section calculates the amount of credit allowable for the group. If a member chooses not to share their credit with the group, Section A must still be completed to ensure the credit allowed for the member does not exceed the amount that would otherwise be allowed against the group tax liability.

The amount of the credit calculated in this section cannot reduce the tax liability to an amount less than the aggregate statutory minimum tax of the group members.

Line 11 – Multiply the number of taxable group members by \$2,000 and enter the result.

Line 13 – Combined groups claiming multiple credits must list any credits already applied to the group tax liability to ensure accuracy of the calculation for maximum credit allowable.

Section B

This section is used to calculate the amount of credit allowable for members that choose not to share their credit with the group. Section B is completed based on the member's share of the group tax liability. The amount of the credit calculated in this section cannot reduce the tax liability to an amount less than \$2,000. The amount of the credit is also limited to the amount that would otherwise be allowed against the group tax liability if the member had been sharing the credit.

Line 19 – Members claiming multiple credits must list any credits already applied to the member's tax liability to ensure accuracy of the calculation for maximum credit allowable.
