RE:

PAY TO PLAY ORDINANCE

BOROUGH OF Westville, NJ - ORDINANCE #11-06

Afelder

Dear Ms. Wells.

The Borough of Westville, Mayor and Council's Pay-to-Play Ordinance #11-06 was first introduced and passed upon first reading at a meeting held on October 25, 2006. Final adoption took place on November 8, 2006.

After reading articles in the newspaper and on our New Jersey State Website, I realized that the State was unaware that we did adopt the Play-to-Play Ordinance. As a fairly new Registered Municipal Clerk (October 1, 200%), this was one of the first Ordinances I was responsible for. However, I apologize for not forwarding the State copies of this Ordinance and/or Affidavits of Publications for your information.

I have attached copies of our Ordinance and affidavits of publication and if you should have any questions, please call me at 856-456-2343.

Sincerely.

Christine A. Helder

AN ORDINANCE OF THE BOROUGH OF WESTVILLE, COUNTY OF GLOUCESTER, STATE OF NEW JERSEY.

AN ORDINANCE ESTABLISHING A FAIR AND OPEN PROCESS FOR THE AWARD OF PROFESSIONAL SERVICE AGREEMENTS AND OTHER AGREEMENTS WITH BUSINESS ENTITIES

WHEREAS, in our representative form of government, it is essential that individuals who are elected to public office have the trust, respect and confidence of the citizenry; and

WHEREAS, all individuals, businesses, associations, and other persons have a right to participate fully in the political process of New Jersey, including making and soliciting contributions to candidates, political parties and holders of public office; and

WHEREAS, when a person or business interest makes or solicits major contributions to obtain a contract awarded by a government agency or independent authority, this constitutes a violation of the public's trust in government and raises legitimate public concerns about whether the contract has been awarded on the basis of merit; and

WHEREAS, the growing infusion of funds donated by business entities into the political process at all levels of government has generated widespread cynicism among the public that special interest groups are "buying" favors from elected officeholders; and

WHEREAS, professional entities and other business entities are exempt from established New Jersey Public bidding laws, specifically said exception being set forth under N.J.S.A. 40A:11-5; and

WHEREAS, the Borough of Westville ("Borough") has recognized that there is a need for a fair and open process for the awarding of professional service contracts and other contracts as contained in N.J.S.A. 40A:11-5, where other contracts and agreements are subject to public bidding, in order to address the concerns of taxpayers regarding political contributions and to engender trust in the process of local government and to insure that quality public services are received; and

WHEREAS, the State of New Jersey has enacted *N.J.S.A.* 19:44A-20.5 which bars any municipality, agency, board, authority or instrumentality thereof from entering into a contract in excess of \$17,500.00 with a business entity that has made a political contribution reportable pursuant to *N.J.S.A.* 19:44A-1 et. seq. to any municipal committee of a political party in that municipality if a member of that political party is serving in an elective public office of that municipality when the contract is awarded or to any candidate committee of any person serving in an elective public office of that municipality when the contract is awarded unless said contract is awarded pursuant to a fair and open process; and

WHEREAS, this Ordinance shall apply to those services, contracts, etc. described above, that expire as of December 31 of that calendar year; and

WHEREAS, this Ordinance shall apply to all Municipal appointing authorities, to include the Office of the Mayor, municipal governing body, planning board, and zoning board.

NOW, THEREFORE, BE IT ORDAINED, by the Mayor and Borough Council of the Borough of Westville, County of Gloucester and State of New Jersey, that the Borough of Westville enact an Ordinance to be known as an Ordinance Establishing a Fair and Open Process for the Award of Professional Service Agreements and Other Agreements with Business Entities as consistent with the provisions of *N.J.S.A.* 19:44A-20.5, *et seq.*, and said Ordinance shall read as follows:
