STATEWIDE PUBLIC QUESTION #1

AFFORDABLE HOUSING PROGRAMS ASSISTANCE BOND ACT OF 1990

Shall the "Affordable Housing Programs Assistance Bond Act of 1990," which authorizes the State to issue bonds in the amount of \$135,000,000 for the purpose of funding grants, loans and other forms of subsidy and assistance to increase and improve housing in the State, to meet the State's constitutional obligation to provide realistic opportunities for persons and families of low and moderate income to obtain adequate and affordable housing, to facilitate home ownership by citizens and residents of the State, and to address the needs of the State's homeless population; and in a principal amount sufficient to refinance any of the bonds if the same will result in a present value savings; and providing the ways and means to pay the interest on the debt and also to pay and discharge the principal, be approved?

INTERPRETIVE STATEMENT

Approval of this act would authorize the sale of \$135,000,000 of general obligation bonds of the State for the purpose of funding grants, loans and other forms of subsidy and assistance to increase and improve housing in the State, to meet the State's constitutional obligation to provide realistic opportunities for low and moderate income households to obtain adequate and affordable housing, to facilitate home ownership by citizens and residents of this State, and to address the needs of the State's homeless population. Those purposes shall be accomplished pursuant to programs to be established by law which may include first-time home buyer assistance, municipal assistance to meet affordable housing obligation, targeted housing development, special-needs housing, housing for the homeless and tenant ownership assistance. This act also authorizes the issuance of bonds in a sufficient amount to refinance all or any of these bonds if the same will result in a present value savings.

STATEWIDE PUBLIC QUESTION #2 NOVEMBER 6, 1990 GENERAL ELECTION

SUNDAY RACING AT TRACKS OPTING TO CLOSE ONE OTHER DAY OF THE WEEK

Shall chapter 82 of the laws of 1990 making it lawful to conduct horse racing and parimutuel wagering on Sundays at racetracks which agree to remain closed on one other day of the week, be approved and become operative?

INTERPRETIVE STATEMENT

A "Yes" vote on this question would mean that horse racing and wagering at the State's racetracks would be permitted after 12 noon on Sundays. However, any racetracks which holds Sunday racing would be required to remain closed on one other day of the week. The State's horse racing industry has been experiencing competitive hardship. At no cost to the taxpayer, this measure would raise additional State revenue, maintain jobs, and help put New Jersey on equal footing with our neighboring states, New York, Pennsylvania, and Delaware, all of which permit Sunday racing. It would also assist the Meadowlands Sports Complex (which includes Giants Stadium and the Meadowlands Arena) and other racetracks in New Jersey to operate on a financially stable basis.

PERMITS WAGERING AT CASINOS ON THE RESULTS OF SIMULTANEOUSLY TRANSMITTED HORSE RACES

Shall the Constitution be amended, as agreed to by the Legislature, to permit the Legislature to enact laws allowing the simultaneous transmission by picture of running and harness horse races conducted at racetracks located within or outside of this State, or both, to gambling houses or casinos in the city of Atlantic City and wagering at those gambling establishments on the results of those races, with the State's share of revenues derived therefrom to be applied for services to benefit eligible senior citizens as shall be provided by :aw?

INTERPRETIVE STATEMENT

This amendment would permit the Legislature to enact laws which would allow: (1) horse races which are being conducted at New Jersey racetracks as well as approved out-of-State racetracks to be televised to the casino hotels in Atlantic City, and (2) patrons at the casino hotels to wager on the results of those races. The additional share of State revenues derived from "simulcasting to casinos" will be applied for services to benefit eligible senior citizens as provided by law. This measure will help the Meadowlands Sports Complex and other New Jersey racetracks to overcome the current competitive advantages enjoyed by New York, Pennsylvania, and Delaware racetracks, provide additional jobs, and assist in preserving New Jersey's horse-breeding farms.
