N.J.S.A. 19:61-9: AUDITS OF ELECTION RESULTS

2024 General Election

Audit Date: November 25th and 26th 2024

The Atlantic County Board of Elections (BOE herein) performed a post-election audit consistent with the provisions of N.J.S.A. 19:61-9 and the guidelines promulgated by the New Jersey Secretary of State's Office on Monday, November 25th, and Tuesday, November 26th. The BOE conducted a hand-to-eye count of the voter-verifiable paper records for the November 5, 2024, General Election for the offices of the United States President, United States Senate, United States House of Representatives, Atlantic County Commissioner-at-Large, and local mayor and/or council contests. In accordance with the law, Public Questions, School Board, and Fire District elections were not audited.

Pursuant to the statute, "the audit shall be conducted in at least 2% of the election districts in which each audited election appears on the ballot." The guidelines provided for this audit require 2% of the audit units in each of the congressional districts to be randomly selected.
