

Brittany Giampola,

The Monmouth County Board of Elections performed a post-election audit, Monday, November 18, and Tuesday, November 19, 2024, in compliance with the provisions outlined in N.J.S.A. 19:61-9 and guidelines issued by the New Jersey Secretary of State Office. The audit was open to the public.

The batches for the audit were randomly selected by the public on November 17, 2024. Attached is the listing of the batches divided by Congressional district and sorted alphabetically by town. The voting machine, mail-in and provisional ballots were subject to a hand-to-eye count for the offices of State Senate, General Assembly, Board of County Commissioners, and local Mayor and Council/Committee races.

The tabulation accuracy was 100% with the exception of mail-in ballots containing ambiguous marks. To clarify, the tabulators may not record contests containing check marks or resting pen points in contrast to completely filled-in ovals. These ballots are sent to adjudication for further review. A discrepancy in what was considered to be a ballot eligible for adjudication accounted for the only difference between the final results and the audited results.

If you should have any concerns or questions, please contact me.

Tracee Johnson, Chief Clerk
