COMMENTS:

Emergency Ballots District 11, Mount Laurel added 11/10/2023. Corrected Provisional Leg totals 11/10 Vote-by-mail numbers provided and pending verification from the Board of Elections. Evesham machine count corrected to 45, not 47 machine, total votes cast remains the same for Evesham. Machine votes cast total updated. 11/13/2023-Board of Elections did not tabulate, only updated received ballots. 11/13/2023@5:21pm-SOE shared an explanation for difference in count of Provisional ballots: The difference of the total number of provisional ballot could be attributed to individuals who missed the deadline to register but wish to exercise their constitutional right to vote. For example: individuals who moved into Burlington County from another county, or individuals who want to vote for the first-time but did not register. The difference of provisional amount could also be attributed to poll workers unable to find the voter in the pollbook, for example: name spelling or address error.
