

## **March 2021 Maker Project #1 Supply List**

New Jersey Makers Day is March 19-20, and here at the State Museum, we're celebrating making all month long with projects inspired by New Jersey innovators. Each week, we'll post a new making video for you and your family to do at home. First up: Shower Jelly Soap and Bubble Bath Slime!

Here's what you'll need for these two projects:

- Cornstarch
- Coconut Oil (or other oil that is solid at room temperature)
- Liquid bath soap or shower gel
- Unflavored gelatin
- table salt
- heat-proof measuring cup or bowl
- silicon molds or ice cube trays
- Measuring cups (1/2, 1/4) and measuring spoons (1 teaspoon, 1 tablespoon)
- Spatula or spoon for stirring
