**SPECIFIC INSTRUCTIONS FOR FORM 310**

**PART I QUALIFYING ASSESSMENTS**

Qualifying assessments are those for which the taxpayer received a certificate of contribution and those that are permitted to be applied against the current return period's tax liability. The period covered by the tax return on which the credit is claimed must begin on or after the third calendar year commencing after the assessment was paid. The credit can be taken for five consecutive privilege periods. Only list assessments that meet these criteria along with the related payment dates.

**PART II CALCULATION OF ALLOWABLE CREDIT AMOUNT**

a) The total and allowable HMO Assistance Fund Tax Credit is calculated in Part II. The amount of this credit cannot exceed 20% of the Corporation Business Tax liability otherwise due for the period covered by the return and shall not reduce the tax liability below the statutory minimum. Taxpayers claiming multiple credits must list any credits already applied to the tax liability to ensure accuracy of the calculation for maximum credit allowable.

b) The minimum tax is assessed based on the New Jersey Gross Receipts as follows:

New Jersey Gross Receipts	CBT-100	CBT-100S
Less than \$100,000	\$500.00	\$375.00
\$100,000 or more but less than \$250,000	\$750.00	\$562.00

\$1,000,000 or more	\$2,000.00	\$1,500.00

provided however that for a taxpayer that is a member of an affiliated or controlled group which has a total payroll of \$5,000,000 or more for the return period, the minimum tax shall be \$2,000. Tax periods of less than 12 months are subject to the higher minimum tax if the prorated total payroll exceeds \$416,667 per month.

c) There is no carryover provision for this tax credit. Any credit amount remaining after the five consecutive privilege periods pass shall be forfeited.

**REFUNDS ISSUED BY THE NJ HMO ASSISTANCE ASSOCIATION**

Any refunds issued to the taxpayer by the association are deemed to be assessment amounts for which an HMO Assistance Fund tax credit was allowed. If the taxpayer claimed an HMO Assistance Fund tax credit on a New Jersey Corporation Business Tax Return, then the taxpayer shall pay 50% of the refund amount to the State of New Jersey up to the amount of tax credit claimed.
