

## DEFINITIONS

*Fiduciary* means a guardian, trustee, executor, administrator, receiver, conservator, or any person acting in any trust or similar capacity.

The term *estates* refers only to the estates of deceased persons. The New Jersey gross income tax liability for minors, persons adjudicated incompetent, or for any person who is suffering from some other legal disability shall be computed on the same form as that used for any other individual taxpayer, but it may be prepared in the name of the disabled individual and signed by the guardian or conservator.

## WHO MUST FILE A RETURN

### A. Resident Estates and Trusts

The fiduciary of every resident estate or trust is required to file a New Jersey Gross Income Tax Fiduciary Return (NJ-1041) if gross income, before exemptions or deductions, is more than \$10,000 (prorated for the number of months covered by a part-year return) during the taxable year. If a resident trust or estate does not have any assets in New Jersey or income from New Jersey sources, and does not have any trustees or executors in New Jersey, it is not subject to New Jersey tax. However, a New Jersey Gross Income Tax Fiduciary Return should be filed with a statement attached certifying the trust's or estate's exempt status.

#### *Resident estate or trust means:*

- (1) The estate of a decedent who at his death was domiciled in New Jersey; or
- (2) A trust, or a portion of a trust, consisting of property transferred by will of a decedent who at his death was domiciled in New Jersey; or
- (3) A trust, or portion of a trust, consisting of the property of:
  - (a) A person domiciled in New Jersey at the time such property was transferred to the trust, if such trust or portion of a trust was then irrevocable; or if it was then revocable and has not subsequently become irrevocable; or
  - (b) A person domiciled in New Jersey at the time such trust, or portion of a trust, became irrevocable; if it was revocable when such property was transferred to the trust but has subsequently become irrevocable.

For the purposes of the foregoing, domicile is the place an individual regards as his permanent home—the place to which he intends to return after a period of absence. A domicile, once established, continues until a new, fixed, and permanent home is acquired. No change of domicile results from moving to a new location if the intention is to remain only for a limited time even if it is for a relatively long duration.

A trust or portion of a trust is revocable if it is subject to a power, exercisable immediately or at any future time, to revest title in the person whose property constitutes such trust or portion of a trust, and a trust or portion of a trust becomes irrevocable when the possibility that such power may be exercised has been terminated.

Grantor trusts are required to file a New Jersey Gross Income Tax Fiduciary Return. If the grantor trust income is reportable by or taxable to the grantor for Federal income tax purposes, it is also taxable to the grantor for New Jersey gross income tax purposes. See the line-by-line instructions for distributions.

A resident estate or trust does not include charitable trusts or trusts which are part of a pension or profit-sharing plan. A charitable trust is a trust operated **exclusively** for a religious, charitable, scientific, literary, or educational purpose. Income of a charitable trust is exempt from gross income tax. However, income received by a charitable trust which is not distributed or credited to its beneficiaries is subject to tax in the taxable year of the trust in which such income is received.

Where the terms of the governing instrument of an estate or trust require any amount of income to be accumulated and added to the principal for ultimate distribution to any religious, charitable, scientific, literary, or educational organization and such income is permanently and irrevocably set aside for such purposes, it will be treated as having been paid, credited, or required to be distributed to the charitable beneficiary. The same treatment is afforded to any income required to be held in trust for the use of any charitable beneficiary or organization.

In general, income which is deemed to have been paid, credited, or required to be distributed to a beneficiary is taxable to such beneficiary. Where, however, the beneficiary is an exempt charitable organization, no tax will be imposed. This is true even if the income is permanently and irrevocably set aside in an invested income account.

### B. Nonresident Estates and Trusts

The fiduciary of every nonresident estate or trust which derived income from New Jersey sources must file a New Jersey Gross Income Tax Fiduciary Return (NJ-1041) if the gross income received from all sources (both inside and outside New Jersey) during the taxable year was more than \$10,000 (prorated for the number of months covered by a part-year return) before exemptions or deductions.

A nonresident estate or trust does not include charitable trusts or pension or profit-sharing trusts. The residence of the fiduciary does not affect the nonresident classification of an estate or trust.

Gross income from sources within New Jersey for a nonresident estate or trust means those items of income and gain that are earned, received, or acquired from the following sources:

1. By reason of ownership or disposition of any interest in real or tangible personal property in New Jersey; or
2. In connection with a trade, profession, or occupation carried on in New Jersey or for the rendition of personal services performed in New Jersey; or
3. As a distributive share of the income of a business, profession, enterprise, undertaking, or other activity as the result of work done, services rendered, or other business activities conducted in New Jersey except as allocated to another state; or
4. From intangible personal property employed in a trade, profession, occupation, or business carried on in New Jersey; or
5. Income of a New Jersey S corporation allocated to New Jersey; or
6. Net gambling winnings from New Jersey sources (other than the New Jersey Lottery).

### C. Electing Small Business Trusts

A Federal Electing Small Business Trust can make a New Jersey election to be taxed in the same manner as for Federal tax purposes. Request Form NJ-1041SB for election information, filing instructions, and tax forms.

**PERIOD TO BE COVERED BY RETURN**

The 2005 return filed by an administrator or an executor of an estate must cover the period from January 1, 2005, or fiscal year beginning in 2005, or the date of death of decedent (if death occurred after January 1, 2005) to the end of the taxable year selected by the fiduciary when appropriate. The 2005 return filed by a trustee of a trust must cover the period beginning January 1, 2005. Only charitable trusts which are exempt from tax are permitted to use a fiscal tax year.

The taxable year cannot be longer than 12 months and must coincide with the year selected for purposes of filing the Federal return. All income received by the executor, administrator, or trustee in the taxable year must be reported on the return.

**TIME AND PLACE FOR FILING**

Form NJ-1041 must be filed on or before the 15th day of the fourth month following the close of the taxable year of the estate or trust.

Use the large envelope in this packet to mail Form NJ-1041 with related enclosures, payment voucher, and check or money order for any tax due.

**PAYMENT OF TAX**

The balance of tax due must be paid in full by the original due date of the return. If the amount due is less than \$1, no payment is required. Write the Federal employer identification number on the check or money order then enter the amount of tax due in the appropriate boxes on payment voucher NJ-1041-V located at the front of this booklet. Send the check or money order and the payment voucher in the same envelope as the NJ-1041 return.

Do not include in the same check or money order the amount due for tax year 2005 and the first installment of estimated taxes for 2006. Use a separate check or money order for each payment. Send the 2006 estimated tax payment with an NJ-1040-ES voucher to the address indicated on that payment voucher. **Do not include the estimated tax payment with the 2005 fiduciary return.**

**Electronic Check (e-check).** This option is available on the Division's Web site ([www.state.nj.us/treasury/taxation/](http://www.state.nj.us/treasury/taxation/)). ## EXTENSION OF TIME TO FILE

An extension of time is granted only to file the New Jersey Gross Income Tax Fiduciary Return. There is no extension of time to pay tax due. **Penalties and interest are imposed whenever tax is paid after the original due date.**

### Six-Month Extension

You may receive a six-month extension of time to file your New Jersey Gross Income Tax Fiduciary Return if at least 80% of the tax liability computed on your Form NJ-1041 when filed is paid in the form of estimated or other payments by the original due date, **and**

**1. Federal extension filed.** A copy of your Federal Application for Automatic Extension is enclosed with your final return and the box at the top of Form NJ-1041 is checked (or, if the Federal extension application was filed electronically, the confirmation number is entered in the space provided at the top of Form NJ-1041);

or

**2. No Federal extension filed.** You file a request for a six-month extension on Form NJ-630, Application for Extension of Time to File New Jersey Gross Income Tax Return, by the original due date of the return.

**NOTE:** If a Federal extension is filed, Form NJ-630 must still be filed by the original due date if you are required to make a payment to satisfy the 80% requirement.

**If you fail to satisfy the requirements outlined for an extension of time to file, or you fail to file your return by the extended due date, your extension will be denied and penalties and interest will be imposed from the original due date of the return. See "Penalties, Interest, and Collection Fees" on page 4.**

## ACCOUNTING METHOD

A taxpayer's accounting method for New Jersey gross income tax shall be the same as the accounting method used for Federal income tax purposes. Income must be recognized and reported in the same period as it is recognized and reported for Federal income tax purposes.

## CHANGES IN FEDERAL INCOME TAX

Report to the New Jersey Division of Taxation any change or correction in Federal taxable income as reported on your Federal fiduciary income tax return, whether resulting from the filing of any amended Federal return or otherwise, within 90 days after filing such return or final determination of such change by the Internal Revenue Service. Similarly, if an amended Federal return is filed, an amended New Jersey return must be filed within 90 days.

## AMENDED RETURN

The fiduciary should carefully follow the instructions when completing the tax return. Check the return to be sure all of the income and credits for which the fiduciary is eligible have been claimed before filing the return. However, if after the return has been filed the taxpayer discovers that he failed to report some of his income or erroneously claimed credits or was eligible for credits which were not claimed, the error may be corrected by filing an amended return. The taxpayer should file a new return, clearly marked "AMENDED RETURN," in which the correct tax or refund is shown.

If an error is discovered that will result in a refund of tax, the amended Form NJ-1041 must be filed within three years from the date the original return was filed or within two years from the time the tax was paid, whichever is later, in order to receive a refund. (A return filed before the due date or extended due date is considered to be filed on such due date or extended due date.)

## ESTIMATED TAX PAYMENTS

Certain estates and trusts are required to file Form NJ-1040-ES and make quarterly estimated tax payments for any tax year in which the estimated tax of the estate or trust is expected to exceed \$400. Estimated tax means the projected amount of New Jersey gross income tax liability for the taxable year after subtracting payments and other allowable credits. Instructions for computing the estimated tax and making estimated payments are included with Form NJ-1040-ES. Failure to file a declaration of estimated tax or to pay all or any part of an installment of estimated tax will result in interest charges on the underpayment.

### Exceptions

Estimated tax payments are not required from:

- A decedent's estate for any tax year ending before the date that is two years after the decedent's death; or
- A trust that was treated as owned by the decedent if the trust will receive the residue of the decedent's estate under the will (or if no will is admitted to probate, the trust primarily responsible for paying debts, taxes, and expenses of administration) for any tax year ending before the date that is two years after the decedent's death.

### Underpayment of Estimated Tax

If all estimated tax payments are not made as required, Form NJ-2210, Underpayment of Estimated Tax by Individuals, Estates or Trusts, should be completed to determine if interest is due and if so, to calculate the amount.

## NAME AND FEDERAL EMPLOYER IDENTIFICATION NUMBER

The name and Federal employer identification number **must** be entered on all schedules accompanying the return. Also, if there is a balance due with the return, place the Federal employer identification number on the remittance.

## PRIVACY ACT NOTIFICATION

The Federal Privacy Act of 1974 requires all agencies requesting information to inform individuals from whom it seeks information why the request is being made and how the information is being used.

The Federal employer identification number is used primarily to account for and give credit for tax payments. It is also used in the administration and enforcement of all tax laws for which the Division of Taxation has statutory responsibility.

## ROUNDING OFF TO WHOLE DOLLARS

When completing your return and the accompanying schedules, you may show the money items in whole dollars. If you have to add two or more items to figure the total to enter on a line, include the cents when adding the items and round off only the total. When entering the rounded total on the line, you may eliminate any amount under 50 cents and increase any amount 50 cents or more to the next higher dollar. If you do round off, do so for all amounts. When rounding, enter zeros in the space provided for cents.

## GUBERNATORIAL ELECTIONS FUND

A fiduciary may designate as a contribution to the Gubernatorial Elections Fund the sum of \$1. The designation of a contribution to this fund does not increase the tax liability or reduce the amount of any possible refund.

## SIGNATURE AND DATE

The return must be signed and dated by the individual fiduciary or by the authorized officer of the organization receiving, having custody or control and management of the income of the estate or trust.

### Preparer Authorization

Because of the strict provisions of confidentiality, Division of Taxation personnel may not discuss your return or enclosures with anyone other than you without your written authorization. If, for any reason, you want a Division of Taxation representative to discuss your tax return with the individual who signed the return as "Preparer Other than Fiduciary," we must have your permission to do so. To authorize the Division of Taxation to discuss your return and enclosures with your "Preparer Other than Fiduciary," check the box above the preparer's signature line.

### Tax Preparers

Any person who prepares a taxpayer's return for a fee must sign as "Preparer" and must include his or her social security number or Federal preparer tax identification number. Returns prepared by a firm or corporation should be signed by the individual preparer and should

include the name of the firm or corporation. The individual preparer's social security (tax identification) number must be included, as well as the Federal employer identification number of the firm or corporation. Any tax preparer who fails to sign the return or provide the assigned tax identification number shall be liable for a \$25 penalty for each such failure.

## PENALTIES, INTEREST, AND COLLECTION FEES

1. Late Filing Penalty - 5% per month or fraction thereof for each month of delinquency up to a maximum of 25% of the balance of the tax due with the return. In addition the law allows a \$100 per month (or fraction of a month) penalty.
2. Late Payment Penalty - 5% of the outstanding tax balance may be imposed.
3. Interest - 3% above the prime rate for every month or fraction of a month the tax is unpaid, compounded annually. At the end of each calendar year, any tax, penalties, and interest remaining due (unpaid) will become part of the balance on which interest is charged.
4. Collection Fees - In addition, if a tax bill is sent to our collection agency, a referral cost recovery fee of 10% of the tax due will be added to the liability. If a certificate of debt is issued for an outstanding liability, a fee for the cost of collection of the tax may also be imposed.

## Line-by-Line Instructions

### NAME, ADDRESS, AND IDENTIFICATION NUMBER

If a label is not provided, print or type the name of the estate or trust, the name and title of the fiduciary, and complete address with the zip code. Enter the Federal employer identification number in the space provided.

#### Lines 1 through 4 - Residency Status

Indicate the residency status of the estate or trust by checking the appropriate block provided at each line. Also indicate in the space provided the date of decedent's death or the date the trust was created. If the estate or trust is a resident of a state other than New Jersey, enter the name of the state. In the space provided, indicate the type of trust (i.e., Simple trust, Complex trust, Grantor type trust).

#### Line 5 - Estate Closed or Trust Terminated

If the estate was closed or the trust terminated, check the box provided and indicate the date of such closing or termination. Also write "FINAL RETURN" at the top of the form.

### INCOME

Estates and trusts (whether resident or nonresident) must report on Lines 6 through 13 taxable income received from all sources (both inside and outside New Jersey) during the taxable year. (Nonresident estates or trusts must complete Lines 6-13 as if the income was earned by a resident estate or trust. Nonresident estates or trusts must also complete Schedule G to report their income from New Jersey sources. See the instructions for Schedule G on page 9.)

**Important:** Net losses in one category of income cannot be applied against income or gains in another. In case of a net loss in any category, enter "0" for that category. No carryback or carryover of losses is permitted under New Jersey law.

#### Line 6 - Interest

Report all taxable interest from all sources, including savings and loan associations, credit unions, bank deposits, bonds, certificates of deposit, interest-bearing checking accounts, life insurance dividends, etc. Interest derived from sources held outside of New Jersey is includable in gross income. Interest paid or deemed to have been paid to the estate or trust by a partnership or S corporation and which is reportable on Form 1099 must be reported as interest on this line. Interest received by a sole proprietorship is reportable as net profits from business on Line 8. Interest earned and received by a partnership, an estate or trust or, in general, an S corporation is reportable as distributive share of partnership income on Line 11, net income from estates or trusts on Line 13, or net pro rata share of S corporation income on Line 12. For detailed information regarding the reporting of partnership or S corporation income, request Tax Topic Bulletin GIT-9P, *Income From Partnerships*, or GIT-9S, *Income From S Corporations*.

Interest received from Ginnie Maes, Fannie Maes, and Freddie Macs is taxable since these securities are not direct obligations of the Federal government. Interest income received from repurchase agreements is taxable to the investor regardless of the nature of the underlying obligation. Interest on obligations of other states and their political

*Line 6 - Interest - continued*

subdivisions is subject to tax, as is the interest on obligations of the District of Columbia.

Distributions from Coverdell education savings accounts (ESAs), but only the earnings portion, are also includable in gross income.

Amounts paid by a mutual fund or other regulated investment company are includable in gross income unless the fund is a qualified investment fund as defined by New Jersey law, or to the extent that the distributions are attributable to interest earned on Federal obligations.

**A New Jersey qualified investment fund** is a regulated investment company in which at least 80% of the underlying investments are obligations issued either directly by the Federal government or by the State of New Jersey or any of its political subdivisions.

If you received a distribution from a qualified investment fund, you may exclude from gross income only the portion which is attributable to qualified exempt obligations. A fund that is a qualified investment fund for New Jersey purposes should notify its shareholders by February 15 as to the portion of each distribution which may be excluded from gross income.

For New Jersey gross income tax purposes, a forfeiture penalty resulting from an early withdrawal of a time deposit account is considered a loss which may be used to offset interest income.

In the space provided, report all tax-exempt interest as well as exempt interest dividends from a New Jersey qualified investment fund. If exempt interest is more than \$10,000, you must include an itemized schedule detailing the amount received from each source.

New Jersey tax-exempt interest income includes interest from obligations of the State of New Jersey or any of its political subdivisions, direct Federal obligations such as U.S. Savings Bonds and Treasury Bills, Notes and Bonds, Sallie Maes, CATS, TIGRs, certain distributions from "New Jersey Qualified Investment Funds," and distributions paid by mutual funds to the extent the distributions are attributable to interest earned on Federal obligations.

**Line 7 - Dividends**

Enter on this line the amount of dividends received during the taxable year from investments (e.g., from stocks, mutual funds) or other income-producing activities which do not constitute a trade or business. The total amount of dividends received, **regardless of where earned**, must be reported. For dividends received from a mutual fund or other regulated investment company, see the instructions for interest income at Line 6.

Dividends received by a sole proprietorship are reportable as net profits from business on Line 8. Dividends earned and received by a partnership, an estate or trust or, in general, an S corporation are reportable as distributive share of partnership income on Line 11, net income from estates or trusts on Line 13, or net pro rata share of S corporation income on Line 12. For detailed information regarding the reporting of partnership income or S corporation income and distributions, request Tax Topic Bulletin GIT-9P, *Income From Partnerships*, or GIT-9S, *Income From S Corporations*.

Distributions out of earnings and profits of corporations are required to be reported in the year received by the shareholder.

Distributions not out of earnings and profits of a corporation which are a return of investment or capital in the company are sometimes

referred to as tax-free distributions or nontaxable capital distributions. Such distributions are a return of capital, reduce the basis of the stock or investment, and are not taxable until the basis in the stock or investment is fully recovered. To the extent that a return of capital (when added to other distributions received in the past) exceeds the investment in the stock or security, it is included in income as a capital gain on Line 9.

Capital gain dividends, under New Jersey law, are taxable in full as capital gains. Dividends reinvested in a public utility are taxable.

**Line 22 - Taxable Income**

Enter on Line 22 the taxable income from Line 21, Page 1.

**NONRESIDENT ESTATES AND TRUSTS ONLY:****Line 23 - Tax on Amount on Line 22**

Compute the tax on the amount on Line 22 by using one of the following methods:

**Tax Table.** If your taxable income is less than \$110,000, you may use the New Jersey Tax Table on page 11 or the New Jersey Tax Rate Schedule on page 19 to find your tax. After you have found your tax, enter the amount on Line 23.

**Tax Rate Schedule.** You must use the New Jersey Tax Rate Schedule on page 19 if your taxable income is \$110,000 or more. After you have calculated your tax, enter the amount on Line 23.

**Line 24 - Income Percentage**

To figure your income percentage, enter the amounts from Line 16a and Line 16 in the spaces provided. Divide the amount on Line 16a by the amount on Line 16. Carry your result to four decimal places. For example, if the amounts used were \$20,000 (Line 16a) divided by \$30,000 (Line 16), the result would be 66.67% or .6667. In certain situations, however, the income percentage can exceed 100%.

**NOTE: The income percentage can exceed 100%.** For example, a nonresident estate or trust realizes a \$50,000 gain from the sale of real property in New Jersey and sustains a \$10,000 loss from the sale of property in Florida. This nonresident taxpayer (which has no other income) reports \$40,000 as total income (Line 16) and \$50,000 as income from New Jersey sources (Line 16a). The income percentage is 125% (or 1.25) calculated as follows:

$$\$50,000 \text{ (Line 16a)} \div \$40,000 \text{ (Line 16)}.$$

**Line 25 - Tax**

- RESIDENT ESTATES AND TRUSTS**

Adjustments should be made to Federal Schedule C or F to comply with the New Jersey income tax law.

- Add any amounts deducted for taxes based on income.

Information regarding the New Jersey limitations and calculations can be found on the Division's Web site ([www.state.nj.us/treasury/taxation/](http://www.state.nj.us/treasury/taxation/)).

New Jersey income tax law has uncoupled from certain changes in Federal depreciation and expense deduction limits. A New Jersey depreciation adjustment may be required for assets placed in service on or after January 1, 2004. Complete the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP to calculate the adjustment. In listing the gain or loss on disposition of rental property, the New Jersey adjustment from Worksheet GIT-DEP, line 6 must be taken into consideration. All gains derived from installment sales must be reported in the same tax year as reported for Federal income tax purposes. If the New Jersey basis differs from the Federal basis, a New Jersey installment sale calculation must be made and the New Jersey gain must be reported. **SCHEDULE F - Allocation of Business Income to New Jersey**

Schedule F must be used by nonresident taxpayers who are required to complete and attach a Gross Income Tax Business Allocation Schedule (Form NJ-NR-A). This schedule is completed only by nonresidents carrying on business both inside and outside New Jersey. See the instructions for Form NJ-NR-A below.

**SCHEDULE G - New Jersey Income of Nonresident Estates and Trusts**

The New Jersey income tax liability of a nonresident estate or trust is based on the percentage of its total income which comes from New

Jersey sources. Tax is computed on income from all sources and then prorated according to the ratio that New Jersey income bears to income from both inside and outside New Jersey.

Nonresident estates must report their income from all sources (both inside and outside New Jersey) on Lines 6–13 of Form NJ-1041 and their income from New Jersey sources on Lines 1–8 of Schedule G. These figures cannot be copied from figures reported on the Federal return.

Complete Schedule G *before* completing Line 16a of Form NJ-1041. If you complete Schedule G, be sure to attach it to your completed Form NJ-1041.

**Lines 1–8 Income From New Jersey Sources**

For each of the various categories of income, enter the portion of the estate's or trust's income received during the taxable year that comes from New Jersey sources.

**Important:** For every entry on Lines 6–13 of Form NJ-1041, there should be an entry on the corresponding line on Schedule G. If none of the income in a particular category is from New Jersey sources, enter "0" on the appropriate line on Schedule G.

Income or losses which a nonresident estate or trust receives from a business entity (i.e., sole proprietorship, partnership, LLP, or LLC) located in New Jersey will not be deemed to be derived from New Jersey sources if the business entity's sole activity is the purchase, holding, or sale of intangible personal property, such as commodities or securities, and such intangible personal property is not held for sale to customers. You must, however, include such income on the appropriate line of Form NJ-1041.

A nonresident estate or trust which carries on business *both inside and outside New Jersey* must allocate business income to determine the amount of income from New Jersey sources. Complete and attach a separate Business Allocation Schedule (Form NJ-NR-A) for each business required to allocate. Also complete Schedule F on Page 3 of Form NJ-1041.

**Line 9 - Total Income From New Jersey Sources**

Enter on Line 9 the total of Lines 1–8.

**Line 10 - New Jersey Source Income Distributed to Beneficiaries**

Enter on Line 10 the amount from Schedule D, Line 44B (total New Jersey source income distributed to beneficiaries).

**Line 11 - New Jersey Income**

Subtract Line 10 from Line 9. Enter the result here and on Page 1, Line 16a.

**BUSINESS ALLOCATION SCHEDULE (FORM NJ-NR-A)****General Instructions**

If business activities are carried on *both inside and outside New Jersey*, business income may be allocated to determine the amount of income from New Jersey sources. Carrying on business activities outside New Jersey means maintaining, operating, or occupying a regular place of business outside New Jersey, such as an office, shop, store, warehouse, factory, agency, or other place where the business's affairs are systematically and regularly conducted.

The business may not allocate income if it has only an occasional or isolated business transaction outside the State. Likewise, if the business has no regular place of business outside New Jersey, it may not allocate income, even though its representatives travel outside the

State for the purposes of performing duties connected with the trade or business, and make sales or perform services for persons or corporations located outside the State.

**Be sure that Form NJ-NR-A is firmly attached to Form NJ-1040NR, NJ-1041, or NJ-1065, and that the name and address on the Business Allocation Schedule agree exactly with the name and address on the return to which it is attached.**

**Section 1 - Business Locations**

## Section 2 - Average Values

Use Section 2 to determine the average values of your business assets. The *average value of property owned* is determined by adding (1) the book value of the property at the beginning of the taxable year and (2) the book value of the property at the end of the taxable year and dividing the sum by two.

The *average value of property rented or leased* is valued at eight times the annual rent. Rent includes any amounts paid in addition to, or accrued in lieu of, rent for the period covered by the return (such as interest, taxes, insurance, and repairs).

# 2005 New Jersey Tax Table for Form NJ-1041

Use this table if your taxable income on Line 22 is less than \$110,000. If your taxable income is \$110,000 or more, you must use the Tax Rate Schedule on page 19 of this booklet.

**Example:** Mr. Evans is filing a fiduciary return for his mother’s estate. The taxable income on Line 22 of Form NJ-1041 is \$39,875. First he finds the \$39,850–\$39,900 income line.
