Filing Information

- ◆ Your filing status and gross income determine whether you have to file a tax return.
- ◆ Age is not a factor in determining whether you must file. Even minors (including students) and senior citizens must file if they meet the income filing requirements.
- ◆ *Gross income* means reportable income after subtracting exclusions but before subtracting personal exemptions and deductions. It does not include nonreportable (exempt) income. See page 16 for a list of exempt (non-reportable) income.
- ◆ Members of the Armed Forces (and their spouses), see page 7.
- ◆ Part-year nonresidents, see page 5.
- ◆ Compensation paid to Pennsylvania residents employed in New Jersey is not subject to New Jersey Income Tax. See page 5 for more information.

Use the chart to determine whether you must file a return. **This chart is only a guide and may not cover every situation.** If you need help, contact the Division's Customer Service Center (see outside back cover).

Spouse/Civil Union Partner. Any reference in this booklet to a spouse also refers to a spouse who entered into a valid same-sex marriage in another state or foreign nation and a partner in a civil union (CU) recognized under New Jersey law.

Domicile. A domicile is the place you consider your permanent home—the place where you intend to return after a period of absence (e.g., vacation, business assignment, educational leave). You have only one domicile, although you may have more than one place to live. Your domicile does not change until you move to a new location with the intent to establish your permanent home there and to abandon your New Jersey domicile. Moving to a new location, even for a long time, does not change your domicile if you intend to return to New Jersey.

Your home, whether inside or outside New Jersey, is not permanent if you

Who Must File a New Jersey Income Tax Return

You must file a return if –

your filing status is:

Single	\$10,000
Married/CU partner, filing separate return	
Married/CU couple, filing joint return	\$20,000
Head of household	
Qualifying widow(er)/surviving CU partner	

and your gross income from everywhere for the entire year was more than the filing threshold:

Also file a return if –

- ◆ You had New Jersey Income Tax withheld and are due a refund.
- ◆ You paid New Jersey estimated taxes for 2017 and are due a refund.

Which Form to File

Nonresident — Form NJ-1040NR

- ◆ New Jersey was not your domicile, and you spent 183 days or less here; **or**
- ◆ New Jersey was not your domicile, you spent more than 183 days here, but you did not maintain a *permanent** home here.

Also you may be considered a nonresident for **New Jersey tax purposes** if you were domiciled in New Jersey and you met **all** three of the following conditions for the entire year:

1. You did not maintain a *permanent* home in New Jersey; **and**
2. You did maintain a *permanent* home outside New Jersey; **and**
3. You did not spend more than 30 days in New Jersey.

Part-Year Resident — Form NJ-1040

- ◆ New Jersey was your domicile (permanent legal residence) for part of the year; **or**
- ◆ New Jersey was not your domicile, but you maintained a *permanent** home here for part of the year and spent more than 183 days here. Members of the Armed Forces and their spouses, see page 7.

NOTE: You may have to file both a part-year resident and a part-year nonresident return if you received income from New Jersey sources while you were a nonresident (see page 5).

Full-Year Resident — Form NJ-1040

- ◆ New Jersey was your domicile (permanent legal residence) for the entire year; **or**
- ◆ New Jersey was not your domicile, but you maintained a *permanent** home here for the entire year and spent more than 183 days here. Members of the Armed Forces and their spouses, see page 7.

*A home (whether inside or outside New Jersey) is not permanent if it is maintained only during a temporary period to accomplish a particular purpose. A home used only for vacations is not a permanent home.

maintain it only for a temporary period to accomplish a particular purpose (e.g., temporary job assignment). If New Jersey is your domicile, you are considered a resident for New Jersey tax purposes *unless* you meet all three conditions for nonresident status (see chart). If New Jersey is not your domicile, you are only

considered a New Jersey resident if you maintain a permanent home and spend more than 183 days here.

New Jersey Residents Working/Living Abroad. If New Jersey is your domicile *and* you are considered a New Jersey resident for tax purposes (see chart above), you are subject to tax on income from all

sources (worldwide income) regardless of where you live. New Jersey residents living abroad are subject to the same filing and payment requirements, including estimated payment requirements (see “Estimated Tax” on page 11), as residents living in New Jersey.

Married/Civil Union Couples and Filing Status. If both you and your spouse were nonresidents of New Jersey during the entire tax year, and only one of you had income from New Jersey sources, that spouse can file a separate New Jersey return even if a joint federal return was filed. The spouse with income from New Jersey sources calculates income and exemptions as if a federal married, filing separate return had been filed. You have the option of filing a joint return, but in that case, your joint income would be reported in Column A of Form NJ-1040NR.

If one spouse was a nonresident and the other a resident of New Jersey during the entire tax year and both had income from New Jersey sources, separate New Jersey returns can be filed (the nonresident files a nonresident return and the resident files a resident return). Each calculates income and exemptions as if federal married, filing separate returns had been filed. You have the option of filing a joint resident return, but in that case, your joint income would be taxed as if you both were residents.

Pennsylvania Residents

Income From New Jersey. As a result of the Reciprocal Personal Income Tax Agreement between Pennsylvania and New Jersey, compensation paid to Pennsylvania residents employed in New Jersey is not subject to New Jersey Income Tax. Compensation means salaries, wages, tips, fees, commissions, bonuses, and other remuneration received for services rendered as an employee.

If New Jersey Income Tax was withheld from your wages, you must file a New Jersey nonresident return to get a refund. To stop the withholding of New Jersey Income Tax, complete a New Jersey Employee’s Certificate of Nonresidence in

TAXPAYERS’ BILL OF RIGHTS

The New Jersey Taxpayers’ Bill of Rights simplifies tax administration and ensures that all taxpayers—individuals and businesses alike—are better informed and receive fair and equitable treatment during the tax collection process. Highlights of the Taxpayers’ Bill of Rights include:

Service—

- ◆ Division must respond to taxpayers’ questions within a reasonable time period.
- ◆ Notices of taxes and penalties due must clearly identify the purpose of the notice and must contain information about appeal procedures.

Appeals—

- ◆ Time to appeal to the Tax Court is generally 90 days.

Interest on Refunds—

- ◆ Interest is paid at the prime rate on refunds for all taxes when the Division takes more than six months to send you a refund.
- ◆ You can request that your overpayment of this year’s tax be credited towards next year’s tax liability, however, interest will not be paid on overpayments that are credited forward.

For more information on the rights and obligations of both taxpayers and the Division of Taxation under the Taxpayers’ Bill of Rights, see publication ANJ-1, *New Jersey Taxpayers’ Bill of Rights*.

New Jersey (Form NJ-165) and give it to your employer.

The Reciprocal Agreement covers compensation only. If you are self-employed or receive other income (for example, gain from sale of property) that is taxable in both states, you must file a New Jersey nonresident return and report the income received.

Column A. Complete Column A, Lines 14 through 26, showing income from everywhere.

Column B. When Pennsylvania residents complete Column B, employee compensation from New Jersey sources should not be included on Line 14. For Pennsylvania residents Line 14, Column B, is zero, so enter “0.”

Withholdings. If New Jersey Income Tax was withheld, enter the amount from your W-2s on Line 45.

Signed Statement. Pennsylvania residents employed in New Jersey who had New Jersey Income Tax withheld in error must enclose a signed statement declaring the following, “Under penalties of perjury, I affirm that I am a resident of the Commonwealth of Pennsylvania and that, pursuant to an agreement existing between the Commonwealth and the State

of New Jersey, I claim exemption from payment of New Jersey Gross Income Tax on compensation paid to me in the State of New Jersey. I understand that under the agreement between Pennsylvania and New Jersey this information is available to the Commonwealth of Pennsylvania.”

Part-Year Nonresidents

Filing Requirements. If you became a resident of New Jersey or moved out of this State during the year, and your income from all sources for the entire year was more than the filing threshold amount for your filing status (see chart on page 4), you must file a **resident** return and report the portion of the income you received while you were a New Jersey resident.

If you received income from a New Jersey source while you were a nonresident, and your income from all sources for the entire year was more than the filing threshold amount for your filing status (see chart on page 4), you must file a New Jersey **nonresident** return. This is true even if the income reported for your period of nonresidence was equal to or below the threshold.

Part-year nonresidents must prorate all exemptions, deductions, credits, and the pension and other retirement income exclusions to reflect the period covered by each return.

If you are filing to get a refund and your income from all sources for the entire year was equal to or less than the filing threshold amount, you must enclose a copy of your federal return. If you did not file a federal return, include a statement to that effect.

NOTE: If you had any income while you were a resident of New Jersey, you also may need to file a New Jersey resident return. Allocate your withholdings between the resident and nonresident returns. Include only the actual amount withheld while you were a New Jersey resident on your resident return, and include only the amount withheld while you were a nonresident on your nonresident return. For more information, see Form NJ-1040, New Jersey resident return and instructions.

Line 14: Wages

Column A. Enter the portion of your wages earned while you were a nonresident. Include wages from sources both inside and outside New Jersey.

Column B. Enter the portion of your wages from New Jersey sources earned while you were a nonresident (unless you were a Pennsylvania resident).

Other Income

Column A. Enter your interest, dividends, pensions, and all other income from sources both inside and outside New Jersey received while you were a nonresident. Partners and shareholders should see Tax Topic Bulletins GIT-9P, *Income From Partnerships*, or GIT-9S, *Income From S Corporations*, for instructions on reporting distributive share of partnership income and net pro rata share of S corporation income.

Column B. Enter only the income from New Jersey sources that you received while you were a nonresident. Partners and, in general, S corporation shareholders, must prorate the entity's income based on the number of days in the entity's fiscal year that the partner or

AVOIDING COMMON MISTAKES
<p>Check the following items to avoid mistakes that delay returns and refunds.</p> <ul style="list-style-type: none"> ✓ Check name, address, and Social Security number for accuracy. Be sure your Social Security number appears on all documents submitted with your return. Also indicate your state of residency in the space provided. ✓ Use correct form for your tax situation (see chart on page 4). ✓ Use only blue or black ink when completing forms. ✓ Read the instruction booklet before completing the return. ✓ Do not report a loss on Form NJ-1040NR. ✓ Use "STATE WAGES" from Box 16 of your W-2, NOT federal wages. You may need to adjust any amount received from employment outside New Jersey to reflect New Jersey tax law. ✓ Enclose all W-2s with your return. Also enclose 1099-Rs and 1099-MISCs that list NJ withholdings. ✓ Report estimated payments made in connection with the sale or transfer of real property in New Jersey on Line 46, NOT on Line 45. ✓ Complete both Column A and Column B, Lines 14–26. ✓ Use the correct column for your filing status in the Tax Table when calculating tax on Line 38. ✓ Request a refund by completing Line 56. ✓ Enclose all necessary forms, schedules, and other documents with your return (see page 45). ✓ Check your math. ✓ Sign and date your return. Both spouses must sign a joint return. ✓ Enclose a copy of the death certificate and check the box below the signature line if a refund is due and you want the check issued in the name of the surviving spouse or estate (see page 10). ✓ Send only one return per envelope. ✓ Keep a copy of your return and all supporting documents, schedules, and worksheets. ✓ Make changes or correct mistakes to your original return by filing an amended return (see page 11).

shareholder was a nonresident divided by 365 (366 for leap years).

Line 27a: Pension Exclusion. If you were a New Jersey nonresident for only part of the tax year and had total income from all sources for the *entire year* of \$100,000 or less, and you met the other eligibility requirements, you qualify for a pension exclusion. Prorate the exclusion by the number of months you were a New Jersey nonresident. For this calculation, 15 days or more is a month.

Column B. No entry is necessary.

Line 27b: Other Retirement Income Exclusion. If you (and/or your spouse if

filing jointly) were 62 or older on the last day of the tax year, you may qualify to exclude other income on Line 27b. There are two parts to the total exclusion. Part I is the unclaimed portion of your prorated pension exclusion. Part II is a special exclusion for taxpayers who cannot receive Social Security or Railroad Retirement benefits. **Do not complete Worksheet D** to calculate your total exclusion amount. Instead, calculate your total exclusion as follows:

Part I. Total the earned income (wages, net profits from business, partnership income, and S corporation income) you received from all sources for the *entire year*. If this amount was \$3,000 or less

and you did not use your entire *prorated* pension exclusion on Line 27a, you may be able to use the unclaimed pension exclusion on Line 27b if your total income from all sources for the entire year was \$100,000 or less.

Part II. If you cannot receive Social Security or Railroad Retirement benefits, but would have been eligible if you had fully participated in either program, you also may be eligible for an additional exclusion on Line 27b.

For more information, see Tax Topic Bulletin GIT-6, *Part-Year Residents*.

Line 30: Total Exemption Amount. You must prorate your total exemptions based on the number of months you were a New Jersey nonresident. For this calculation, 15 days or more is a month.

$$\text{Total Exemptions} \times \frac{\text{Mos. NJ Nonresident}}{12} = \text{Line 30}$$

See the instructions for Line 30 to calculate the “total exemption” amount to prorate.

Lines 31 through 35: Deductions.

You may deduct the following based on the actual amounts paid during the time you were a nonresident of New Jersey:

- ♦ Medical expenses, qualified Archer medical savings account (MSA) contributions, and health insurance costs of the self-employed (use Worksheet E on page 26);
- ♦ Alimony and separate maintenance payments;
- ♦ Qualified conservation contributions.

In addition, eligible taxpayers may qualify for:

- ♦ A prorated Health Enterprise Zone (HEZ) deduction;
- ♦ An alternative business calculation adjustment based on the business income (losses) reported during their period of nonresidence.

Line 45: Total New Jersey Income Tax Withheld. You must determine from your W-2, W-2G, and/or 1099 statement(s) the amount of New Jersey Income Tax withheld from wages you earned or other payments you received while you were

a nonresident. If your W-2 includes only wages you earned while you were a nonresident, report the total New Jersey tax withheld on the W-2. If your employer combined your resident and nonresident wages on the W-2, include only tax withheld while you were a nonresident of New Jersey.

Line 46: New Jersey Estimated Payments/Credit From 2016 Tax Return.

Enter the amount of estimated payments you made to New Jersey while you were a nonresident. If you made estimated payments both as a resident and as a nonresident, enter only the payments you made to meet your tax liability while you were a nonresident. Also enter any amount you paid to qualify for an extension of time to file.

Part II: Allocation of Wage and Salary Income Earned Partly Inside and Outside New Jersey.

If you must complete Part II, use the total number of days for your *period of nonresidence*. Check the box at Line 14 if you complete this section.

For more information, see Tax Topic Bulletin GIT-6, *Part-Year Residents*.

Military Personnel

Determining Residency

A member of the Armed Forces whose home of record (domicile) is outside New Jersey does not become a resident of this State when assigned to a duty station here. He or she is a *nonresident* for Income Tax purposes.

A member of the Armed Forces whose home of record (domicile) was New Jersey when entering the service remains a *resident* of New Jersey for Income Tax purposes unless he or she qualifies for nonresident status (see chart on page 4). Your domicile does not change when you are temporarily assigned to duty in another state or country.

If your home of record (and domicile) is New Jersey and you are stationed outside the State and you are living aboard ship, in barracks, or billets, bachelor officer quarters, apartment, or house, and you do not intend to remain outside New Jersey, you remain a New Jersey *resident* for

Income Tax purposes. You are not considered to be maintaining a permanent home outside New Jersey. If you pay for and maintain an apartment or a home outside New Jersey, either by out-of-pocket payments or forfeiture of quarters allowance, that residence is considered a permanent home outside New Jersey. In this case, you will be considered a *nonresident* for Income Tax purposes.

Filing Requirements

Residents. As a New Jersey resident, you are subject to tax on all your income, regardless of where it is earned, unless the income is specifically exempt from tax under New Jersey law. You must report your military pay, including combat pay, as taxable income on your New Jersey resident return, Form NJ-1040. Mustering-out payments, subsistence and housing allowances are exempt. For more information, see the resident return instructions.

Nonresidents. If you are a nonresident, your military pay is not subject to New Jersey Income Tax. You are not required to file a New Jersey return unless you received income from New Jersey sources other than military pay. Mustering-out payments, subsistence and housing allowances also are exempt. If you had income from New Jersey sources such as a civilian job in off-duty hours, income or gain from property located in New Jersey, or income from a business, trade, or profession carried on in this State, you must file a New Jersey nonresident return, Form NJ-1040NR. However, you should not report your military pay on the wages line in *either* Column A (Amount of gross income everywhere) or Column B (Amount from New Jersey sources) on Form NJ-1040NR.

Military pensions are exempt from New Jersey Income Tax. (See instructions for Line 21.)

If your permanent home (domicile) was New Jersey when you entered the military but you have changed your state of domicile, your military pay is not subject to New Jersey Income Tax. Your military pay also is not subject to New Jersey tax

if you met the following conditions for nonresident status:

- ♦ You did not maintain a permanent home in New Jersey; **and**
- ♦ You did maintain a permanent home outside New Jersey; **and**
- ♦ You did not spend more than 30 days in New Jersey.

If New Jersey Income Tax was withheld in error from your military pay, file a nonresident return to get a refund. **You must enclose a signed statement that lists the three conditions for nonresident status above and states how you met each of these conditions.** To stop future withholding, file Form DD-2058-1 or DD-2058-2 with your finance officer.

Spouses of Military Personnel. Under the federal Military Spouses Residency Relief Act, P.L. 111-97, (the “Act”) a military servicemember’s nonmilitary spouse is allowed to keep a tax domicile while moving from state to state, as long as he or she moves into a state to be with a spouse who is in the state on military orders.

If you are a nonmilitary spouse and you were domiciled outside New Jersey when you married (or entered into the civil union with) a member of the Armed Forces, you are not considered a New Jersey resident if:

- ♦ The principal reason for moving to this State was the transfer of your military spouse; and
- ♦ You maintain a domicile in another state; and
- ♦ You intend to leave New Jersey when your military spouse is transferred or leaves the service.

Under the Act, a nonmilitary spouse who meets these requirements is not subject to New Jersey Income Tax on earned income from services performed in New Jersey. If you are a nonmilitary spouse whose wages are exempt from New Jersey Income Tax, file Form NJ-165, Employee’s Certificate of Nonresidence in New Jersey, with your employer to stop New Jersey Income Tax withholdings. You must notify your employer if

you no longer meet the conditions for the withholding exemption. If your employer withheld New Jersey Income Tax or you made estimated payments in error, you must file a nonresident return (Form NJ-1040NR) to get a refund. Enclose a statement explaining how your wages are exempt under the Act along with a copy of your spousal military identification card. Print **MILITARY SPOUSE** at the top of the return.

The Act applies only to earned income from services performed in New Jersey by a nonresident civilian spouse of a servicemember. Nonresident civilian spouses are subject to New Jersey Income Tax on all other types of income from New Jersey sources, such as gain from sale of property located in New Jersey, and must file a New Jersey nonresident return if required (see chart on page 4). Wages earned in New Jersey by a nonresident civilian spouse who lives *outside* New Jersey also are subject to New Jersey Income Tax and must be reported as income from New Jersey sources in Column B of Form NJ-1040NR. A nonresident civilian spouse who lives outside New Jersey cannot use Form NJ-165 to claim an exemption from New Jersey Income Tax withholding on wages earned in this State as the nonmilitary spouse of a servicemember.

New Jersey law requires that a married couple’s filing status for New Jersey purposes be the same as for federal purposes, unless they are a civil union couple. A married couple filing a joint federal return must file a joint return in New Jersey. However, if both are nonresidents and only one had income from New Jersey, that spouse can file a separate New Jersey return. Another exception to this rule is when one spouse is a New Jersey resident and the other is a nonresident for the entire year. In this case, the resident can file a separate return unless both agree to file jointly as residents. If they file a joint resident return, their joint income will be taxed as if they were both residents.

Extensions

Special rules apply to members of the Armed Forces of the United States and civilians providing support to the Armed

Forces. (See “Military Extensions” on page 9.)

Death Related to Duty

When a member of the Armed Forces serving in a combat zone or qualified hazardous duty area dies as a result of wounds, disease, or injury received there, no Income Tax is due for the tax year the death occurred, or for any earlier years served in the zone or area.

For more information on military personnel (and the rules affecting their spouses), see Tax Topic Bulletin GIT-7, *Military Personnel*.

When to File

In general, your New Jersey Income Tax return is due when your federal income tax return is due. If you are a calendar year filer, your 2017 New Jersey Income Tax return is due by April 17, 2018. If you are a fiscal year filer, you must file your New Jersey Income Tax return by the 15th day of the fourth month following the close of the fiscal year.

Postmark Date. All New Jersey Income Tax returns postmarked on or before the due date of the return are considered filed on time. Tax returns postmarked after the due date are considered filed late. If the postmark date on your return is after the due date, the filing date for that return is the date the Division received your return, not the postmark date. Interest on unpaid liabilities is assessed from the due date of the return.

Extension of Time to File

An extension of time is granted only to file your New Jersey Income Tax return. There is no extension of time to pay tax due. We will notify you only if we deny your extension request, but not until after you actually file your return. **Penalties and interest are imposed whenever tax is paid after the original due date.**

Six-Month Extension

You can receive a six-month extension of time to file your New Jersey nonresident return only if you have paid at least 80% of your tax liability (Line 40 of the Form NJ-1040NR you file) through withholdings, estimated payments, or other payments by the original due date, **and**

1. **Federal extension filed.** You enclose a copy of your federal Application for Automatic Extension with your final return and check the box at the top of your NJ-1040NR (or enter your confirmation number in the space provided at the top of Form NJ-1040NR if you filed the extension application or payment online or by phone); **or**
2. **No federal extension filed.** You file a request for a six-month extension on Form NJ-630, Application for Extension of Time to File New Jersey Gross Income Tax Return, by the original due date of the return. Taxpayers who file Form NJ-630 will not receive an approved copy. We will notify you only if we deny your request, but not until after you actually file your return.

NOTE: If you file a federal extension, you must still file Form NJ-630 by the original due date if you need to make a payment to meet the 80% requirement.

Civil Union Couples. Civil union partners filing a joint return must either provide copies of the federal extension application (or confirmation number) for both partners, or they must file Form NJ-630.

If you fail to meet the requirements outlined for an extension, or you fail to file your return by the extended due date, we will deny your extension request and impose penalties and interest from the original due date of the return. (See “Penalties, Interest, and Collection Fees” on page 12.)

There is an application for extension (Form NJ-630) at the front of this booklet. Do not use the preprinted Form NJ-630 if you filed a joint return last year and this year you are filing your return using only your own Social Security number, or you are filing a joint return with a different person. You also can file an extension application online until April 17, 2018, at www.njtaxation.org.

Military Extensions

Special rules apply to members of the Armed Forces of the United States and

civilians providing support to the Armed Forces.

A person on active duty with the Armed Forces of the United States, who may not be able to file on time because of distance, injury, or hospitalization as a result of this service, will automatically receive a six-month extension by enclosing an explanation when filing the return.

Combat Zone. New Jersey allows extensions of time to file Income Tax returns and pay any tax due for members of the Armed Forces and civilians providing support to the Armed Forces serving in an area that has been declared a “combat zone” by executive order of the President of the United States or a “qualified hazardous duty area” by federal statute. Once you leave the combat zone or qualified hazardous duty area, you have 180 days to file your tax return. Enclose a statement with your return to explain the reason for the extension.

In addition, if you are hospitalized outside New Jersey as a result of injuries you received while serving in a combat zone or qualified hazardous duty area, you have 180 days from the time you leave the hospital or you leave the combat zone or hazardous duty area, whichever is later.

Enclose a statement of explanation with your return when you file. No interest or penalties will be assessed during a valid extension for service in a combat zone or qualified hazardous duty area. This extension also applies to your spouse if you file a joint return.

How to Pay

You must pay the balance of tax due in full by the original due date of the return. You can make your payment by check or money order, electronic check (e-check), or credit card. If you owe less than \$1, you do not have to make a payment.

Check or Money Order. There is a payment voucher (Form NJ-1040NR-V) at the front of this booklet. If you owe tax and are sending the payment with your return, enter the amount of tax due in

the boxes on the voucher. Do not change any information that is preprinted on the voucher. Instead, make any necessary changes on your NJ-1040NR. Do not use the preprinted voucher if you filed a joint return last year and this year you are filing using only your own Social Security number, or you are filing a joint return with a different person. Form NJ-1040NR-V is available on the Division’s website (www.njtaxation.org).

Make your check or money order payable to: **State of New Jersey – TGI.** Write your Social Security number on the check or money order. If you are filing a joint return, include the Social Security numbers for both of you in the same order the names are listed on the return. Send your payment for the balance due with the voucher in the same envelope with your tax return. (See “Where to Mail Your Return” on page 10.)

If you are paying a balance due for 2017 and also making an estimated payment for 2018, use separate checks or money orders for each payment. Send your 2018 estimated payment with an NJ-1040-ES voucher to the address on that payment voucher. **Do not include the estimated payment with your 2017 Income Tax return.**

Electronic Check (e-check). You may be able to pay your 2017 taxes or make an estimated payment for 2018 by e-check on the Division’s website (www.njtaxation.org). If you do not have internet access, you can make an e-check payment by contacting the Division’s Customer Service Center or by visiting a Regional Information Center (see outside back cover). Do not send in the payment voucher if you pay by e-check.

You will need your Social Security number and date of birth to make an e-check payment. The Social Security number you enter must match the first Social Security number shown on the form related to your payment, and the date of birth you enter must be the date of birth for that person.

Under New Jersey law, if you owe any money to the State of New Jersey, any of its agencies, the Internal Revenue Service, or another claimant state or city that has a personal income tax set-off agreement with New Jersey, we will deduct it from your refund or credit. Refunds

You must file a return to claim a refund for overpayment of tax. If the refund is \$1 or less, you must enclose a statement requesting it.

Time Period for Refunds. To get a refund, you generally must file your return within three years from the date the return was due (including extensions). If you and the Division agree in writing to extend the period of assessment, the period for filing a refund claim also will be extended.

Interest Paid on Refunds. If the Division takes more than six months to send your refund, you have a right to receive interest on that refund. Interest at the

Deceased Taxpayers

If a person received income in 2017 but died before filing a return, the surviving spouse or personal representative (executor or administrator of an estate or anyone who is in charge of the decedent's personal property) should file the New Jersey return. The due date for filing is the same as for federal purposes.

Filing Status. Use the same filing status that was used on the final federal income tax return, unless the decedent was a partner in a civil union. (See "Filing Status" on page 13.)

Name and Address

- ♦ *Joint return.* Write the name and address of the decedent and the surviving spouse in the name and address fields.
- ♦ *Other filing status.* Write the decedent's name in the name field and the personal representative's name and address in the remaining fields. Print "Deceased" and the date of death above the decedent's name.

Exemptions and Deductions. Prorate exemptions or deductions only if the decedent was a resident of New Jersey for part of the year and a nonresident for part of the year.

Credit Card. You can pay your 2017 taxes or make an estimated tax payment for 2018 online (www.njtaxation.org) or by phone (1-888-673-7694) and use a Visa, American Express, MasterCard, or Discover credit card. You also can pay by credit card by contacting the Division's Customer Service Center or by visiting a Regional Information Center (see outside back cover). Fees apply when you pay by credit card. The fee is added to your actual tax payment. Do not send in the voucher if you pay your taxes by credit card.

Time Limit for Assessing Additional Taxes. The Division of Taxation has three years from the date you filed your return or the original due date of the return, whichever is later, to send you a bill for additional taxes you owe. There is no time limit if you did not file your return, or if you filed a false or fraudulent return with the intent to evade tax. The time limit may be extended if:

- ♦ You amended or the IRS adjusted your federal taxable income;
- ♦ You amended your New Jersey taxable income;

Signatures

- *Personal representative.* A personal representative filing on behalf of a deceased taxpayer must sign the return in his or her official capacity. If it is a joint return, the surviving spouse also must sign.
- *No personal representative.* If filing a return when there is no personal representative for the deceased, the surviving spouse signs the return and writes “Filing as Surviving Spouse” or “Filing as Surviving Civil Union Partner” in the signature section.

If there is no personal representative and there is *no* surviving spouse, the person in charge of the decedent’s property must file and sign the return as “personal representative.”

If there is a refund due and you want the Division to issue the check to the decedent’s surviving spouse or estate:

- Check the box below the signature line; and
- Enclose a copy of the decedent’s death certificate.

Income in Respect of a Decedent. If you had the right to receive income that the deceased person would have received had he or she lived, and the income was not included on the decedent’s final return, you must report it on your own return when you receive it. Include the income on Line 25 as “Other” income.

Estates and Trusts

Filing Requirements for Estates and Trusts. The fiduciary of an estate or trust may be required to file a New Jersey Income Tax return for that estate or trust. The return must be filed on a New Jersey Fiduciary Return, Form NJ-1041. The fiduciary also must provide each beneficiary with a New Jersey Schedule NJK-1, which shows the beneficiary’s share of the estate or trust income actually distributed or required to be distributed during the tax year.

Revocable grantor trusts must file Form NJ-1041 when there is sufficient nexus with New Jersey and the statutory filing requirement is met. For more information, see the NJ-1041 instructions.

Filing Requirements for Beneficiaries.

The net income earned by an estate or trust does not retain its character (i.e., interest, partnership income); rather, it is a specified income category – “Net Gains or Income Derived Through Estates or Trusts.” You must report the Total Distribution and New Jersey Source Income shown on your Schedule NJK-1, Form NJ-1041 as net income from estates or trusts on Line 25, Other Income. If you did not receive a Schedule NJK-1, you must adjust the interest, dividends, capital gains, business or partnership income, etc., listed on your federal K-1 to reflect New Jersey tax law. Net the adjusted amounts, and include the total on Line 25. Enclose a copy of your NJK-1 or federal K-1 with your return.

If the income from a grantor trust is reportable by or taxable to the grantor for federal income tax purposes, it also is taxable to the grantor for New Jersey Income Tax purposes. See instructions for Line 25 for reporting requirements.

Partnerships

A partnership is not subject to Gross Income Tax. Individual partners are subject to tax on the income they earned from the partnership under the Internal Revenue Code and the New Jersey Gross Income Tax Act. See page 22 for information on reporting income from a partnership. Every partnership that has a New Jersey resident partner or income from New Jersey sources must file a New Jersey Partnership Return, Form NJ-1065, by the 15th day of the fourth month following the close of the partnership’s tax year. For more information on partnership filing, see Form NJ-1065 and instructions.

Estimated Tax

Estimated tax means the amount that you estimate to be your Income Tax for the tax year after subtracting withholdings and other credits.

You must make estimated payments using Form NJ-1040-ES if your estimated tax is more than \$400. Instructions for calculating your estimated tax and making the payments accompany the form. Review the amount of New Jersey Income Tax on your expected income (after deductions and credits) to determine if you need to make estimated payments for 2018.

You can avoid making estimated payments by asking your employer to withhold more tax from your wages. To do this, complete Form NJ-W4 and give it to your employer. Failure to file a Declaration of Estimated Tax or to pay all or part of an underpayment *will result in interest charges* on the underpayment.

Underpayment of Estimated Tax. If you failed to make all of the required estimated payments, you should complete Form NJ-2210, Underpayment of Estimated Tax by Individuals, Estates or Trusts, to determine if interest is due and calculate the amount. Enter on Line 43 the amount of interest due from line 19, Form NJ-2210. Check the box at Line 43 and enclose Form NJ-2210 with your return.

For more information, see Tax Topic Bulletin GIT-8, *Estimating Income Taxes*.

Amended Returns

If you received an additional tax statement (W-2 or 1099) after filing your return, or you found that you made a mistake on your return, file an amended nonresident return by completing a new NJ-1040NR and writing **AMENDED** across the top. If you are amending an item that requires supporting documentation, enclose the applicable document, schedule, or form. If your original return was filed electronically, enclose *all* supporting documents (W-2, NJK-1, etc.) that you would have enclosed if you had filed the original return on paper — including those that support items that are not being amended. Do not use Form NJ-1040X to amend a nonresident return.

Changes in Your Federal Income Tax.

If you receive a notice that the Internal Revenue Service changed your reported income, and that change alters your New Jersey taxable income, you must notify the Division of the change in writing within 90 days. File an amended tax return and pay any additional tax due. If you file an amended federal return that changes your New Jersey taxable income, you must file an amended New Jersey return within 90 days.

Accounting Method

Use the same accounting method for New Jersey Income Tax that you used for federal income tax purposes. Income must be recognized and reported in the same period as it is recognized and reported for federal purposes.

Rounding Off to Whole Dollars

When completing your return and the accompanying schedules, you can show the money items in whole dollars. If you round off, do so for all amounts. To round, drop any amount under 50 cents, and increase any amount 50 cents or more to the next dollar. If you have to add two or more items to calculate the total to enter on a line, include cents when adding the items and round off only the total. When rounding, enter zeros in the space provided for cents.

Penalties, Interest, and Collection Fees

Penalty and interest should be included with the payment of any tax due.

Late Filing Penalty

5% per month (or part of a month) up to a maximum of 25% of the outstanding tax liability when you file a return after the due date or extended due date. A penalty of \$100 for each month the return is late also may be imposed.

Late Payment Penalty

5% of the outstanding tax balance may be imposed.

Interest

3% above the prime rate for every month or part of a month the tax is unpaid, compounded annually. At the end of each calendar year, any tax, penalties, and interest remaining due (unpaid) will become part of the balance on which interest is charged.

Collection Fees

In addition, if your tax bill is sent to our collection agency, a referral cost recovery fee of 10.7% of the tax due will be added to your liability. If a certificate of debt is issued for your outstanding liability, a fee for the cost of collection of the tax may also be imposed.

Signatures

Sign and date your return in blue or black ink. Both spouses must sign a joint return. The signature(s) on the form you file must be original; photocopied signatures are not acceptable. We cannot process a return without the proper signatures and will return it to you. This causes unnecessary processing delays and may result in penalties for late filing.

Preparer Authorization. Because of the strict provisions of confidentiality, Division of Taxation personnel cannot discuss your return or enclosures with anyone other than you without your written authorization. If you want a Division of Taxation representative to discuss your tax return with the person who signed your return as your "Paid Tax Preparer," check the box above the preparer's signature line to give your permission.

Tax Preparers. Anyone who prepares a return for a fee must sign the return as a "Paid Preparer" and enter his or her Social Security number or federal preparer tax identification number. Include the company or corporation name and federal identification number, if applicable. A tax preparer who fails to sign the return or provide a tax identification number may incur a \$25 penalty for each omission. Someone who prepares your return but does not charge you should not sign your return.

NOTE: Preparers that reasonably expect to prepare 11 or more individual resident Income Tax returns (including those filed for trusts and estates) during the tax year must use electronic methods to file those returns if an electronic filing option is available. A tax preparer is liable for a penalty of \$50 for each return he or she fails to file electronically when required to do so.

Keeping Tax Records

Keep copies of your tax returns and the supporting documentation of income, age and/or disability, veteran status, deductions, and credits until the statute of limitations has expired for each return. Generally, this is three years after the filing date or two years from the date the tax was paid, whichever is later.

Privacy Act Notification

The federal Privacy Act of 1974 requires an agency requesting information from individuals to inform them why the request is being made and how the information is being used.

The Division of Taxation uses your Social Security number primarily to account for and give credit for tax payments. We also use Social Security numbers to administer and enforce all tax laws for which we are responsible.

Federal/State Tax Agreement

The Division of Taxation and the Internal Revenue Service have entered into a Federal/State Agreement to exchange Income Tax information in order to verify the accuracy and consistency of information reported on federal and New Jersey Income Tax returns.

Fraudulent Return

Anyone who deliberately fails to file a return, files a fraudulent return, or attempts to evade the tax in any manner may be liable for a penalty up to \$7,500, or imprisonment for three to five years, or both.

Name and Address

Place the peel-off label at the front of this booklet in the name and address section at the top of the return. **Do not use the label if any of the information is**

incorrect. If your label contains incorrect information or you do not have a label, print or type your name (last name first), complete address, and zip code in the spaces provided. If you are filing jointly, include your spouse's name. Your refund and next year's form will be sent to the address you provide. If your legal residence and the address on the return are different, enclose a statement of explanation to avoid a processing delay.

Check the "Change of Address" box if your address has changed since you last filed a New Jersey return or if any of the address information on your label is incorrect.

Social Security Number

To protect your privacy, your Social Security number is not printed on your name and address label. **You must enter your Social Security number** in the spaces provided on the return. If you are filing jointly, enter both filers' numbers in the same order as the names.

If you (or your spouse) do not have a Social Security number, file Form SS-5 with the Social Security Administration to apply for one. Taxpayers who are not eligible for a Social Security number must file Form W-7 with the Internal Revenue Service to get an individual taxpayer identification number (ITIN). Enter on your NJ-1040NR the same number (Social Security number or ITIN) that you entered on your federal return. If you (or your spouse) applied for but have not received an ITIN by the return due date, enclose a copy of your federal Form W-7 application with your New Jersey return

NOTE: You cannot use a copy of Form W-7 (or W-7A) in place of a valid Social Security number, ITIN, or ATIN for a dependent when completing Line 13, Dependents' Information.

State of Residency

Indicate the place outside New Jersey where you resided for the period covered by this return.

NJ Residency Status

If you were a New Jersey resident for any part of the tax year, list the month, day, and year your residency began and the month, day, and year it ended.

Filing Status (Lines 1–5)

In general, you must use the same filing status on your New Jersey return as you do for federal purposes. Indicate the appropriate filing status. Check **only** one box.

Civil Unions. Partners in a civil union recognized under New Jersey law **must file** their New Jersey Income Tax returns using the same filing statuses as spouses under New Jersey Gross Income Tax Law. Civil union partners cannot use the filing status single.

More information on civil unions, including legally sanctioned same-sex relationships established outside New Jersey, is available on the Division's website (www.njtaxation.org).

Any reference in this booklet to a spouse also refers to a spouse who entered into a valid same-sex marriage in another state or foreign nation and a partner in a civil union (CU) recognized under New Jersey law.

Single. Your filing status is single if you are not married or not a partner in a civil union on the last day of the tax year, and you do not qualify to file as head of household or qualifying widow(er)/surviving CU partner (see below).

Married/Civil Union Couples. If both you and your spouse were nonresidents for the entire tax year, and only one of you had income from New Jersey sources, that spouse can file a separate New Jersey return even if a joint federal return was filed. The spouse with income from New Jersey sources calculates income and exemptions as if a federal married, filing separate return had been filed. You have the option of filing a joint return, but in that case, your joint income would be reported in Column A of Form NJ-1040NR.

If one spouse was a nonresident and the other a resident during the entire tax year and both had income from New Jersey sources, separate New Jersey returns can be filed (the nonresident files a nonresident return and the resident files a resident return). Each calculates income and exemptions as if federal married, filing separate returns had been filed. You have the option of filing a joint resident return, but in that case, your joint income would be taxed as if you both were residents.

If you are filing separately, enter your spouse's Social Security number in the spaces provided under Line 3.

NOTE: You can file jointly or separately only if you were married or a partner in a civil union on the last day of the tax year.

Head of Household. If you meet the requirements to file as head of household for federal purposes, you can file as head of household for New Jersey. Certain married individuals/civil union partners living apart can file as head of household for New Jersey if they meet the requirements for federal purposes.

Qualifying Widow(er)/Surviving CU Partner. If your spouse died during 2017, you can file a joint return for the two of you as long as you did not remarry or enter into a new civil union before the end of the year. You can use the filing status "qualifying widow(er)/surviving CU partner" for 2017 **only** if your spouse/ CU partner died in either 2015 or 2016, you did not remarry or enter into a new civil union before the end of 2017, and you met the other requirements to file as qualifying widow(er) with dependent child for federal purposes.

Domestic Partners. If you were a member of a domestic partnership registered in New Jersey, you are not considered to be married or in a civil union. Do not use either the joint or separate filing statuses at Lines 2 and 3. However, if you also entered into a legally sanctioned same-sex relationship outside New Jersey, you may still be able to use the joint or separate filing statuses for married/CU couples.

For more information, see the Division's website (www.njtaxation.org) and Tax Topic Bulletin GIT-4, *Filing Status*.

You can claim an exemption for your domestic partner if you were a member of a domestic partnership that was registered in New Jersey on the last day of the tax year, but **only if he or she does not file a New Jersey return.** *You must enclose a copy of your New Jersey Certificate of Domestic Partnership the first time you claim the exemption, and you may be asked to provide additional information.* Check the domestic partner box if you are claiming this exemption. - ♦ Net pro rata share of S corporation income;
- ♦ Net rental, royalty, and copyright income;
- ♦ Net gambling winnings, including New Jersey Lottery winnings from prize amounts over \$10,000;
- ♦ Alimony;
- ♦ Estate and trust income;
- ♦ Income in respect of a decedent;
- ♦ Prizes and awards, including scholarships and fellowships (unless they satisfy the conditions on page 23);
- ♦ Value of residence provided by employer;
- ♦ Fees for services rendered, including jury duty;

New Jersey gross income also **includes** the following that are not subject to federal income tax:

- ♦ Interest from obligations of states and their political subdivisions, other than New Jersey and its political subdivisions;
- ♦ Income earned from foreign employment;
- ♦ Certain contributions to pensions and tax-deferred annuities;
- ♦ Employee contributions to federal Thrift Savings Funds, 403(b), 457, SEP, or any other type of retirement plan other than 401(k) Plans.

four dependents, enter the information for your first four dependents on Lines 13a–d. Enclose a statement with the return listing the information for your *additional* dependents.

The dependents you list also must qualify as your dependent children or other dependents for federal tax purposes. Enter the same Social Security number, individual taxpayer identification number (ITIN), or adoption taxpayer identification number (ATIN) for each dependent that you entered on your federal return. If you do not provide a valid Social Security number, ITIN, or ATIN for a dependent claimed on Lines 9 and/or 10, the exemption will be denied.

To get an ATIN, file Form W-7A, Application for Taxpayer Identification Number for Pending U.S. Adoptions, with the Internal Revenue Service. See page 13 for information on getting a Social Security number or ITIN.

Gubernatorial Elections Fund

The Gubernatorial Elections Fund, financed by taxpayer-designated \$1 contributions, provides partial public financing to qualified candidates for the office of Governor of New Jersey. With its contribution and expenditure limits, the Gubernatorial Public Financing program has since 1977 assisted in 75 candidacies, allowing candidates to conduct their campaigns free from the improper influence of excessive campaign contributions. Operation of the program also has permitted candidates of limited financial means to run for election to the State's highest office. As a condition of their receipt of public financing, candidates must agree to participate in two debates, which provide the public with an opportunity to hear the views of each candidate. For more information on the Gubernatorial Public Financing Program, contact the New Jersey Election Law Enforcement Commission

at 1-888-313-ELEC (toll-free within New Jersey) or 609-292-8700 or write to:

NJ ELECTION LAW ENFORCEMENT COMMISSION
PO BOX 185
TRENTON NJ 08625-0185

Lists of contributors to gubernatorial candidates and copies of reports filed by gubernatorial candidates are available on the Election Law Enforcement Commission website at: www.elec.state.nj.us.

Participation in the \$1 Income Tax check-off protects the continuity and integrity of the Gubernatorial Elections Fund by providing that funds will be reserved for future gubernatorial elections, thereby deterring the use of needed funding for other purposes. If you want to designate \$1 to go to help candidates for governor pay campaign expenses, check the "Yes" box in the Gubernatorial Elections Fund section of the return. If you are filing a joint return, your spouse also may designate \$1 to this fund by checking "Yes." **Checking the "Yes" box will not in any way increase your tax liability or reduce your refund.**

Driver's License Number

Enter your Driver's License or state Non-Driver Identification Card number, including the two-letter abbreviation of the issuing state. Providing this information is voluntary. If filing jointly, enter the number of the person whose Social Security number is listed first on the return. If that spouse does not have an identification number, enter the other spouse's. If you and/or your spouse do not have one of these, *leave the boxes blank*. We may use this information to validate your identity in our effort to combat identity theft and fraudulent filing.

Income (Lines 14–26)

Enter on Lines 14 through 26 any income received as a nonresident of New Jersey during the tax year.

In Column A, report your gross income from all sources (both inside and outside New Jersey). **These amounts cannot be copied from the amounts reported on the federal return.** The income you report is what would be taxable if you were a New Jersey resident. Married/civil union couples filing a joint return must

report the income of both spouses in Column A, even if only one had income from New Jersey.

In Column B, enter your income from New Jersey sources. For every entry in

Column A, there must be an entry on the corresponding line in Column B. If none of your income is from New Jersey sources, enter "0" in Column B. Your final tax liability is based on the percentage of your income from New Jersey sources.

Exempt (Nonreportable) Income

The following income is not taxable to residents or nonresidents. These items should not appear anywhere on your nonresident return (Column A or Column B).

- ◆ Federal Social Security;
- ◆ Railroad Retirement (Tier 1 and Tier 2);

- ◆ Payments from the September 11th Victim Compensation Fund.

Gross income means all income you received in the form of money, goods, property, and services unless specifically exempt by law.

Reporting Losses. If you have a net loss in any category of income, follow these principles when completing Lines 14–25 of your NJ-1040NR:

- ◆ You cannot report a loss as such (e.g., in parentheses or as a negative number) on your NJ-1040NR.
- ◆ You can apply a loss in one category against other income in the same category. For example, you can subtract gambling losses from gambling winnings during the tax year.
- ◆ You cannot apply a net loss in one category of income against income or gains in a different category on your NJ-1040NR. For example, you cannot subtract a net loss from the sale of property from net income in any other categories (wages, partnership income, etc.).
- ◆ If you have a net loss in any income category, make no entry on that line of your NJ-1040NR. Do not enter zero. Do not enter the amount of the loss in parentheses or as a negative number.
- ◆ No carryback or carryover of losses is allowed when reporting income on your NJ-1040NR.

Line 14: Wages, Salaries, Tips, etc.

COLUMN A

Enter the total wages, salaries, tips, fees, commissions, bonuses, and other payments you received for services performed as an employee. Include all payments, whether in cash, benefits, or property.

Enter the total of State wages, salaries, tips, etc., from **all** employment both inside and outside New Jersey. **Take the amount from the "State wages" box on your W-2s.** (See Box 16 on the sample W-2 on page 17.) You must enclose all W-2s with your tax return.

NOTE: The "State wages" figure on your W-2s from employment outside New Jersey may need to be adjusted to reflect New Jersey tax law.

Nonresident servicepersons, see page 7.

Do not include pension and annuity income or early retirement benefits on Line 14. Report this income on Line 21.

Retirement Plans. Under New Jersey law, contributions to retirement plans (other than 401(k) Plans) are included in State wages on the W-2 in the year the wages are earned. This may cause your State wages (Box 16) to be higher than your federal wages (Box 1).

Meals and/or Lodging. You can exclude meals and/or lodging reported as wages on your W-2 if:

1. The meals and/or lodging were provided on the business premises of your employer; and
2. The meals and/or lodging were provided for the convenience of your employer; and

For lodging only:

3. You were required to accept the lodging as a condition of your employment.

If you exclude the value of meals and/or lodging from your wages, you **must** enclose a signed statement explaining how you met these conditions. If you do not enclose the statement, your wages will be changed back to the full amount shown on your W-2.

New Jersey State Police officers **cannot** exclude food and maintenance payments received as part of their union contract. These payments do not meet the criteria above.

Employee Business Expenses.

Employee business expenses are **not** deductible for New Jersey tax purposes. However, you can exclude reimbursements for employee business expenses reported as wages on your W-2 if:

1. The reimbursements are for job-related expenses;
2. You are required to and do account for these expenses to your employer; and
3. You are reimbursed by your employer in the exact amount of the allowable expenses.

If you received excludable reimbursements for employee business expenses that were included in wages on your W-2, enclose a statement explaining the amount you are excluding and your reasons. Also enclose a copy of your federal Form 2106.

Federal Statutory Employees. If you are considered a “statutory employee” for federal tax purposes, you cannot deduct your business expenses unless you are self-employed or an independent contractor under New Jersey law. The federal label of “statutory employee” has no meaning for New Jersey tax purposes. Business expenses can only be deducted

from the business income of a self-employed individual. See the instructions for Schedule NJ-BUS-1, Part I (Net Profits From Business) on page 32.

Moving Expenses. Moving expenses are **not** deductible for New Jersey tax purposes. However, you can exclude reimbursements for the following moving expenses if you met the federal requirements to claim moving expenses and the expenses were included in wages on your W-2.

1. The cost of moving your household goods and personal effects from the old home to the new home.
2. The actual expenses you incurred for traveling, meals, and lodging when moving yourself and your family from your old home to your new home.

Reimbursements for any other moving expenses **cannot** be excluded from income.

If you received excludable reimbursements for moving expenses that were included in wages on your W-2, enclose a statement explaining the amount you are excluding and your reasons. Also enclose a copy of your federal Form 3903.

Compensation for Injuries or Sickness. Certain amounts received for personal injuries or sickness are not subject to tax. You can exclude such amounts included as wages on your W-2 if:

1. The payments were compensation for wage loss that resulted from absence due to your injury or sickness; and
2. The payments were due and payable under an enforceable contractual obligation under the plan; and
3. The payments were not related to sick leave wage continuation, which is largely discretionary and payments are made regardless of the reason for absence from work.

If such payments are included in wages on your W-2, enclose Form NJ-2440.

COLUMN B

Enter the portion of your wages, salaries, etc. that comes from New Jersey sources. If zero, enter “0.”

If you had wage/salary income earned partly inside and partly outside New Jersey, and you cannot easily determine the amount of income from New Jersey, see Part II on page 31.

Check the box at Line 14 if you complete Lines 61-67 (Part II, Allocation of Wage and Salary Income Earned Partly Inside and Outside New Jersey).

Do not use Part II if your wage/salary income is based on volume (the amount of sales or amount of business transacted). Instead, enter on Line 14 the portion of your wage/salary income calculated using the following formula:

$$\frac{\text{NJ Vol.}}{\text{Total Vol.}} \times \text{Vol. Income} = \text{Line 14, Col. B}$$

The location where the services or sales were actually performed is the deciding factor when determining where the business was transacted. You must enclose an explanation of how you calculated the amount of wage/salary income.

Line 15: Interest Income

COLUMN A

Enter all of your reportable interest from sources both inside and outside New Jersey on Line 15, Column A. New Jersey reportable interest income includes interest from the following:

- ♦ Banks;
- ♦ Savings and loan associations;
- ♦ Credit unions;
- ♦ Savings accounts;
- ♦ Earnings on nonqualified distributions from qualified state tuition program accounts, including the New Jersey Better Educational Savings Trust program (NJBEST) accounts;
- ♦ Earnings on nonqualified distributions from qualified state 529A Achieving a Better Life Experience program (ABLE) accounts;
- ♦ Distributions from Coverdell education savings accounts (ESAs), but only the earnings portion;

- ♦ Checking accounts;
- ♦ Bonds and notes;
- ♦ Certificates of deposit;
- ♦ Ginnie Maes;
- ♦ Fannie Maes;
- ♦ Freddie Macs;
- ♦ Repurchase agreements;
- ♦ Life insurance dividends;
- ♦ Obligations of states and their political subdivisions, other than New Jersey;
- ♦ Any other interest not specifically exempt.

If the amount on Line 15, Column A, is more than \$1,500, enclose a copy of Schedule B, federal Form 1040 or 1040A.

Interest to be Reported on Other Lines.

If you received interest that was earned and paid to a sole proprietorship, a partnership, an S corporation, or an estate or trust, do not include the interest on Line 15. Your portion of the interest from these sources will be included as follows:

- ♦ *Sole proprietorship*: Schedule NJ-BUS-1, Part I.
- ♦ *Partnership*: Schedule NJ-BUS-1, Part III.
- ♦ *S Corporation*: Schedule NJ-BUS-1, Part IV.
- ♦ *Estate or Trust*: Form NJ-1040NR, Line 25 (Grantor Trusts, see the instructions for Line 25.)

NOTE: If you received a Form 1099 from a partnership or an S corporation for interest paid or deemed to have been paid to you, you must include that interest on Line 15, Column A.

For more information on reporting partnership or S corporation income, see Tax Topic Bulletins GIT-9P, *Income From Partnerships*, or GIT-9S, *Income From S Corporations*.

Forfeiture Penalty for Early Withdrawal. If you incur a penalty by withdrawing a time deposit early, you can subtract the amount of the penalty from your interest income.

Tax-Exempt Interest Income. Do not report tax-exempt interest on Line 15.

New Jersey tax-exempt interest income includes interest from:

- ♦ Obligations of the State of New Jersey or any of its political subdivisions;
- ♦ Direct federal obligations such as U.S. Savings Bonds and Treasury Bills, Notes, and Bonds;
- ♦ Earnings on qualified distributions from qualified state tuition program accounts, including the New Jersey Better Educational Savings Trust program (NJBEST) accounts;
- ♦ Earnings on qualified distributions from qualified state 529A Achieving a Better Life Experience program (ABLE) accounts;
- ♦ Sallie Maes;
- ♦ CATS;
- ♦ TIGRs;
- ♦ Certain distributions from “New Jersey Qualified Investment Funds”;
- ♦ Distributions paid by mutual funds to the extent the distributions are attributable to interest earned on federal obligations.

New Jersey Qualified Investment Funds. A New Jersey Qualified Investment Fund is a regulated investment company in which at least 80% of the fund’s investments (other than cash or receivables) are obligations issued either directly by the federal government or the State of New Jersey or any of its political subdivisions. The Fund must complete and keep Form IF-1, Certification of Qualified Investment Fund, to document its status. This certification does not need to be filed with the Division of Taxation but must be made available upon request.

If you received a distribution from a qualified investment fund, you can exclude from your income the portion of the distribution that comes from the qualified exempt obligations. Report any taxable portion as dividends on Line 16. By February 15, shareholders should be notified by the New Jersey qualified investment fund of the portion of their distribution that can be excluded from income. Contact your broker to determine whether your fund qualifies.

Do not include interest earned on your IRA(s) on Line 15. If you made a withdrawal from your IRA, see the instructions for Line 21.

For more information on tax-exempt interest income, see Tax Topic Bulletin GIT-5, *Exempt Obligations*.

COLUMN B

Do not report interest from personal accounts. Only report interest received as a result of a business or profession carried on in New Jersey and not properly reportable as net profits from business, distributive share of partnership income, net income from estates or trusts, or net pro rata share of S corporation income on Line 15, Column B. (See instructions for Line 15, Column A.)

Line 16: Dividends

COLUMN A

Enter the dividends you received during the year from investments (e.g., from stocks, mutual funds) or other income-producing activities that do not constitute a trade or business. The total reportable dividends received, **regardless of where earned**, must be included.

Dividends to be Reported on Other

Lines. If you received dividends that were earned and paid to a sole proprietorship, a partnership, an S corporation, or an estate or trust, do not include the dividends on Line 16. Your portion of the dividends from these sources will be included as follows:

- ♦ *Sole proprietorship:* Schedule NJ-BUS-1, Part I.
- ♦ *Partnership:* Schedule NJ-BUS-1, Part III.
- ♦ *S Corporation:* Schedule NJ-BUS-1, Part IV.
- ♦ *Estate or Trust:* Form NJ-1040NR, Line 25 (Grantor Trusts, see the instructions for Line 25).

For more information on reporting partnership or S corporation income, see Tax Topic Bulletins GIT-9P, *Income From Partnerships*, or GIT-9S, *Income From S Corporations*.

Capital Gains Distributions. Do not report capital gains distributions you received from mutual funds or other regulated investment companies on this line. This income is reported on Line 58, Part I (see page 31).

Tax-Free Distributions. A distribution that is a return of your investment or capital and does not come from earnings or profits is a nontaxable capital or tax-free distribution. These distributions reduce the basis of the stock or investment and are not taxable until your investment is fully recovered.

Insurance Premiums. Dividends you received from insurance companies are not reportable unless the amount you received is more than the premiums paid. Any interest from accumulated insurance dividends is reportable and you must include it on Line 15, Column A.

COLUMN B

Do not report dividends from personally held securities. Only report dividends received as a result of a business or profession carried on in New Jersey and not properly reportable as net profits from business, distributive share of partnership income, net income from estates or trusts, or net pro rata share of S corporation income on Line 16, Column B. (See instructions for Line 16, Column A.)

Line 17: Net Profits From Business

COLUMN A

Complete Part I of Schedule NJ-BUS-1, Business Income Summary Schedule, and enter on Line 17, Column A, the amount from Line 4 of Part I. **If the amount on Line 4 is a loss, enter "0" on Line 17, Column A.** Enclose Schedule NJ-BUS-1 and a copy of the federal Schedule C (or C-EZ or F) for each business with your return (see page 32).

COLUMN B

Enter the portion of your business income that comes from New Jersey sources. If zero, enter "0." If you carry on business both inside and outside New Jersey, you must complete and enclose Form NJ-NR-A for each business.

Do not include in Column B net profits (or losses) that you received from a business entity located in New Jersey if the business entity's only activity is the purchase, holding, or sale of intangible personal property, such as securities or commodities, and such intangible personal property is not held for sale to customers. You must include such net profits in Column A.

Line 18: Net Gains or Income From Disposition of Property

COLUMN A

Enter your net gains from Part I, Line 60. **If the amount on Line 60 is zero, enter "0" on Line 18, Column A** (see page 31).

COLUMN B

Enter your net gains or income from New Jersey sources. If zero, enter "0."

Line 19: Net Gains or Income From Rents, Royalties, Patents, and Copyrights

COLUMN A

Complete Part II of Schedule NJ-BUS-1, Business Income Summary Schedule, and enter on Line 19, Column A, the amount from Line 4 of Part II. **If the amount on Line 4 is a loss, enter "0" on Line 19, Column A.** Enclose Schedule NJ-BUS-1 with your return (see page 32).

COLUMN B

Enter your net gains or income from New Jersey sources. If zero, enter "0."

Line 20: Net Gambling Winnings

COLUMN A

Enter your net gambling winnings from both inside and outside New Jersey. You can deduct your gambling losses from your winnings that occurred in the same year. If the net amount is zero or less, enter "0."

New Jersey Lottery winnings from prize amounts over \$10,000 are taxable for New Jersey purposes. The individual prize amount determines taxability, not the total New Jersey Lottery winnings over the year. Do not include any New Jersey Lottery winnings from prizes of \$10,000 or less. However, you can subtract your New

Jersey Lottery losses from your other gambling winnings.

You must be able to prove the gambling losses you used to reduce the winnings reported on your New Jersey return.

Proof of losses may include a daily log or journal of wins and losses, canceled checks, losing race track pari-mutuel tickets, losing lottery tickets, etc. Letters from casinos that “rate” the gambling activity of an individual or “estimate” losses are acceptable as part of the evidence required to prove losses.

If you net gambling winnings with gambling losses, you should enter the total winnings and total losses on a supporting schedule. Although no specific schedule is required to prove gambling losses, it may eliminate certain questions if your return is selected for audit.

For more information, see Technical Bulletin TB-20(R).

COLUMN B

Enter your net gambling winnings from New Jersey sources. Gambling losses from sources outside New Jersey cannot be used to offset gambling winnings from New Jersey sources. If zero, enter “0.”

Line 21: Pensions, Annuities, and IRA Withdrawals

COLUMN A

Enter on Line 21, Column A, your reportable pensions, annuities, and certain IRA withdrawals. See page 21 for information on Roth IRAs. Pensions, annuities, and IRA withdrawals are reportable on the New Jersey return, although the reportable amount may be different from the federal amount.

If you (and/or your spouse if filing jointly) were 62 or older or disabled, you

may be able to use the exclusions on Lines 27a and 27b to reduce your income. (See the instructions on page 24.)

All state and local government, teachers', and federal pensions, and Keogh Plans are treated the same way as pensions from the private sector. Amounts received as “early retirement benefits” and amounts reported as pension on

Schedule NJK-1, Partnership Return Form NJ-1065, also are reportable.

Social Security and Railroad Retirement benefits are **not** taxable. Do not include these amounts on Form NJ-1040NR.

Pension payments received because of total and permanent disability are not reportable until the year you reach age 65. If you continue to receive pension payments after you turn 65, your disability pension is treated as ordinary pension income beginning that year. (See definition of “disabled” on page 14.)

Military pensions and survivor’s benefit payments are not reportable. Do not include these payments on Form NJ-1040NR. Military pensions are those resulting from service in the United States Army, Navy, Air Force, Marine Corps, or Coast Guard. However, civil service pensions and annuities are reportable, even if they are based on credit for military service. Most military pensions and survivor’s benefit payments are received from the U.S. Defense Finance and Accounting Service, while a civil service annuity is received through the U.S. Office of Personnel Management.

Reportable Amounts

Retirement plans are either noncontributory or contributory. The amount you report depends on the type of plan you have.

Noncontributory Plans. If you did not make any contributions to your plan, it is a noncontributory plan. Amounts received from noncontributory plans are fully reportable. Enter the total amount from your 1099-R on Line 21, Column A.

Contributory Plans (Other Than IRAs)

If you made contributions to your plan, it is a contributory plan. Your contributions are usually made through payroll deductions and, in general, were taxed when they were made. Your contributions are *not* reportable when withdrawn (except for 401(k) Plans). Contributory plans also include employer contributions (if any) and earnings, which have not been taxed. Therefore, you must determine the reportable part of your distribution.

There are two methods of calculating the reportable amount: Three-Year Rule Method and General Rule Method. Complete Worksheet A below to determine which method you should use.

NOTE:

- ♦ If you received a distribution from a 401(k) Plan, see page 21 before continuing.
- ♦ If you made a withdrawal from an IRA, complete Worksheet C on page 22. **Do not use Worksheet A or B for an IRA withdrawal.**

Three-Year Rule Method. You can use the Three-Year Rule Method if:

- ♦ You will recover *all* your contributions within 36 months from the date you receive your first payment from the plan; **and**
- ♦ Both you *and* your employer contributed to the plan.

When you use the Three-Year Rule Method, do not report your pension and annuity payments as income on Line 21 until you have recovered all of your

Worksheet A Which Pension Method to Use

1. Amount of pension you will receive during the first three years (36 months) from the date of the first payment 1. _____
2. Your contributions to the plan 2. _____
3. Subtract line 2 from line 1 3. _____
 - (a) If line 3 is “0” or more, *and* both you and your employer contributed to the plan, you can use the **Three-Year Rule Method**.
 - (b) If line 3 is less than “0,” or your employer did not contribute to the plan, you must use the **General Rule Method**.

(Keep for your records)

Worksheet B General Rule Method

1. Your previously taxed contributions to the plan 1. _____
2. Expected return on contract* 2. _____
3. Percentage excludable (Divide line 1 by line 2) 3. _____ %
4. Amount received this year 4. _____
5. Amount excludable (Multiply line 4 by line 3) 5. _____
6. Reportable amount (Subtract line 5 from line 4).
Enter here and on Line 21, Form NJ-1040NR 6. _____

*The expected return on the contract is the amount receivable. If life expectancy is a factor under your plan, you must use federal actuarial tables to calculate the expected return. The federal actuarial tables are contained in the Internal Revenue Service's Publication 939, *General Rule for Pensions and Annuities*. Contact the IRS for this publication. If life expectancy is not a factor under your plan, the expected return is found by totaling the amounts to be received.

(Keep for your records)

contributions. Once you have recovered your contributions, the payments you receive are fully reportable and must be entered on Line 21. The amount reportable for New Jersey purposes will be different from the amount you report on your federal return when using this method, unless you retired on or before July 1, 1986.

General Rule Method. You must use the General Rule Method if:

- ♦ You will not recover your contributions within 36 months from the date you receive your first payment from the plan; or
- ♦ Your employer did not contribute to the plan.

When you use the General Rule Method, part of your pension is excludable and part is reportable every year. The excludable amount represents your contributions. Complete Worksheet B the year you receive your first pension payment. Keep Worksheet B for your records. You will need it to calculate your reportable amount in future years. Recalculate the percentage on line 3 of the worksheet only if your annual pension payments decrease.

401(k) Plans. New Jersey's treatment of 401(k) Plan contributions changed on January 1, 1984. Beginning on that date, employee contributions were no longer taxed when earned.

1. Contributions made on or after January 1, 1984. If all of your contributions were made on or after that date, your distributions are fully reportable unless your contributions exceeded the federal limit. If your contributions exceeded the federal limit, you must calculate the reportable portion of your distributions using one of the methods described under contributory plans.

2. Contributions made before January 1, 1984. If you made contributions before that date, you must calculate the reportable portion of your distributions using one of the methods described under contributory plans.

Lump-Sum Distributions and Rollovers. When you receive a lump-sum distribution of the entire balance from a qualified employee pension, annuity, profit-sharing, or other plan, any amount that exceeds your previously taxed contributions must be included in your income in the year received. New Jersey has no provision for income averaging of lump-sum distributions. Enter the reportable amount on Line 21, Column A.

If you roll over a lump-sum distribution from an IRA or a qualified employee pension or annuity plan into an IRA or other eligible plan, do not report the rollover on Line 21 if it qualifies for deferral for federal tax purposes. The amount rolled over

(minus previously taxed contributions) will be reportable when it is withdrawn.

For more information, see Tax Topic Bulletin GIT-1, *Pensions and Annuities*.

Traditional IRAs

Your IRA consists of your contributions and earnings plus certain amounts rolled over from pension plans. In general, your contributions were taxed when you made them and are not reportable to New Jersey when withdrawn. The portion of your distribution that represents earnings is reportable. Earnings credited to your IRA, as well as tax-free rollovers, are not reportable until withdrawn.

Use Worksheet C on page 22 to calculate the reportable portion of your IRA withdrawal. Report the taxable amount on Line 21. If you made withdrawals from multiple IRAs, you can use a separate worksheet for each or combine all IRAs on one worksheet.

Lump-Sum Withdrawal. If you withdraw the total amount from an IRA, all the earnings and any amounts rolled over tax-free are reportable. You must report these amounts in the year you make the withdrawal.

Periodic Withdrawals. If you make withdrawals over a period of years, the part of the annual distribution that represents earnings is reportable. The amount reportable for New Jersey purposes may be different from the amount you report on your federal return.

Roth IRAs. Your contributions to a Roth IRA are reportable as part of your income when they are made. Distributions from a Roth IRA that meet the requirements of a "qualified distribution" are excludable. Do not include qualified distributions on Line 21, Column A, of Form NJ-1040NR.

A "qualified distribution" is one made after the five-year period beginning with the first tax year for which a contribution was made to the IRA, **and** that is:

1. Made on or after the date the individual reaches age 59½; or
2. Made to a beneficiary (or the individual's estate) after the individual's death; or

3. Made because the individual became disabled; or

4. Made as a qualified first-time home buyer distribution as defined by the Internal Revenue Code.

A distribution that is considered non-qualified for federal purposes is also considered nonqualified for New Jersey purposes.

A distribution of an allowable rollover contribution (or income earned on the amount rolled over) from an IRA other than a Roth IRA, is not a qualified distribution if it is made within the five-year period that begins with the year the rollover contribution was made.

If you received a nonqualified distribution, you must report the earnings on Line 21, Column A.

If you converted an existing IRA to a rollover Roth IRA during Tax Year 2017, any amount from the existing IRA that would be reportable if withdrawn must be included on Line 21, Column A.

For more information, see Tax Topic Bulletin GIT-2, *IRA Withdrawals*, and Technical Bulletin TB-44.

COLUMN B

You will not enter an amount on Line 21, Column B because pension, annuity, and IRA withdrawal income is not taxable to nonresidents.

Income in Respect of a Decedent. Include the income on Line 25, and enclose a listing of each item of income.

Income From Estates and Trusts. If you are a beneficiary who received income from an estate or trust, include the Total Distribution from Schedule NJK-1, Form NJ-1041. Include income that is not subject to federal income tax but is subject to New Jersey Income Tax, such as interest from and losses on the disposition of obligations of states and their political subdivisions, other than New Jersey and its political subdivisions. Exclude income and losses not subject to New Jersey tax, such as gains on New Jersey tax-exempt securities.

New Jersey and federal depreciation and expense deduction limits are different. Complete the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP to determine the income reportable in the various net income categories.

If the income from a grantor trust is reportable by or taxable to the grantor for federal purposes, it also is taxable to the

2. The lodging is furnished for the convenience of the employer; and
3. The employee is required to accept such lodging as a condition of employment.

New for 2017 For Tax Year 2017, you may be eligible for an exclusion of up to \$40,000 (filing status married/CU couple, filing jointly), \$30,000 (filing status single, head of household or qualifying widow(er)/surviving CU partner), or \$20,000 (filing status married/CU partner, filing separately).

You qualify for the pension exclusion if:

- ♦ You (and/or your spouse if filing jointly) were 62 or older or disabled as defined by Social Security guidelines on the last day of the tax year; **and**
- ♦ Your income on Line 26, Column A, is \$100,000 or less. (Part-year nonresidents, use income for the entire year. See page 5.)

NOTE: If the amount on Line 26, Column A, is more than \$100,000, you are not eligible for the pension exclusion. You may still be eligible for a special exclusion of up to \$6,000. See the instructions for Line 27b to determine if you qualify.

If you qualify for the pension exclusion, you can exclude all or a part of the income you received during the year from taxable pensions, annuities, and IRA withdrawals. You can exclude up to the maximum amount for your filing status (see Maximum Pension Exclusion chart below).

Enter on Line 27a, Column A, the *lesser* of:

Amount from Line 21, Column A _____

Amount for your filing status from chart below _____

Part-year nonresidents, see page 5.

When you and your spouse file a joint return and only one of you is 62 or older or disabled, you can still claim the maximum pension exclusion. However, you can exclude only the pension, annuity, or IRA withdrawal of the spouse who is 62 or older or disabled.

If you and/or your spouse were 62 or older on the last day of the tax year and did not use your maximum pension exclusion, you may still qualify for other income exclusions on Line 27b. Part-year nonresidents, see page 5.

- ♦ Certain medical expenses (Line 31);
- ♦ Qualified Archer medical savings account (MSA) contributions (Line 31);

- ♦ An alternative business calculation adjustment for taxpayers with business losses (Line 35).

No deduction is allowed for adjustments taken on the federal return such as employee business expenses, IRA contributions, and Keogh Plan contributions. However, you should keep records of all contributions to IRAs and Keogh Plans. You will need this information when you make withdrawals. Part-year nonresidents, see page 5.

- Contributions you made to an Archer MSA or any amounts paid or disbursed from an Archer MSA that have been excluded from income; or
- Any amounts taken as a deduction for the health insurance costs of the self-employed.

Archer MSA Contributions. New Jersey follows the federal rules for deducting qualified Archer MSA contributions. Your contribution cannot be more than 75% of the amount of your annual health plan deductible (65% if you have a self-only plan). Enclose federal Form 8853 with your return. Excess contributions that you withdraw before the due date of your tax return are not taxable. However, you must report the earnings associated with the excess contributions you withdraw as wages on Line 14, Column A and Column B.

Self-Employed Health Insurance Deduction. If you are considered self-employed for federal tax purposes, or you received wages in 2017 from an S corporation in which you were a more-than-2% shareholder, you can deduct the amount you paid during the year for health insurance for yourself, your spouse or domestic partner, and your dependents. Your deduction cannot be more than the amount of your earned income, as defined for federal tax purposes, from the business under which the insurance plan was established. You cannot deduct amounts paid for health insurance coverage for any month that you were eligible to participate in any subsidized health plan maintained by your (or your spouse's or domestic partner's) employer.

NOTE: For federal purposes you may be able to deduct amounts paid for health insurance for any child of yours who was under age 27 at the end of 2017. However, for New Jersey purposes you can deduct these amounts only if the child was your dependent. For more information see Technical Advisory Memorandum TAM 2011-14.

Line 32: Alimony and Separate Maintenance Payments

Enter any court-ordered alimony and separate maintenance payments you made. Do not include payments for child support.

Line 33: Qualified Conservation Contributions

Enter any contribution you made for conservation purposes of a qualified real property interest in property located in New Jersey. The deduction is the amount of the contribution allowed as a deduction in calculating your taxable income for federal purposes. If you file federal Form 8283, enclose a copy.

Line 34: Health Enterprise Zone Deduction

If you provide primary care services in a qualified medical or dental practice you own that is located in or within five miles of a designated Health Enterprise Zone (HEZ), you may be able to deduct a percentage of the net income from that practice. See Technical Bulletin TB-56 for eligibility requirements and instructions for calculating the HEZ deduction.

If you are a partner in a qualified practice, enter on Line 34 the HEZ deduction from Part III of the Schedule NJK-1, Form NJ-1065, you received from the practice. If you are an S corporation shareholder in a qualified practice, enter the HEZ deduction from Part V of the Schedule NJ-K-1, Form CBT-100S, you received from the practice.

If you are a sole proprietor who owns a qualified practice, you must determine your allowable HEZ deduction each year. Enclose a schedule with your return showing how you calculated the HEZ deduction.

NOTE: Do not claim unreimbursed medical expenses, health insurance premiums, or other personal or business expenses as a deduction on this line.

Line 35: Alternative Business Calculation Adjustment

If you completed Schedule NJ-BUS-1 and had a loss on Line 4 of either Part I, II, III, or IV, you may be eligible for an income adjustment. You also may be eligible if you had a loss carryforward on Schedule NJ-BUS-2 from a prior year. Complete Schedule NJ-BUS-2, Alternative Business Calculation Adjustment. Enter on Line 35 the amount from Schedule NJ-BUS-2, Line 11.

Enclose Schedule NJ-BUS-2 with your return, and keep a completed copy for your records. **You may need the information from this schedule to complete future returns.**

Line 36: Total Exemptions and Deductions

Add Lines 30 through 35 and enter the total on line 36.

Line 37: Taxable Income

Subtract Line 36 from Line 29, Column A, and enter the result on Line 37. If Line 37 is zero or less, enter "0."

Line 38: Tax on Amount on Line 37

Calculate your tax using one of the following methods:

Tax Table. If Line 37 is less than \$100,000, you can use the New Jersey Tax Table on page 34 or the New Jersey Tax Rate Schedules on page 43 to find your tax. When using the tax table, make sure you use the correct column. Enter your tax amount on Line 38.

Tax Rate Schedules. If Line 37 is \$100,000 or more you must use the New Jersey Tax Rate Schedules on page 43. Use the correct schedule for your filing status. Enter your tax amount on Line 38.

Line 39: Income Percentage

To calculate your income percentage, divide the amount on Line 29 in Column B by the amount on Line 29 in Column A.

Carry your result to four decimal places. For example, if the amounts used were

\$20,000 (Line 29, Column B) divided by \$30,000 (Line 29, Column A), the result would be 66.67% or .6667. In certain situations the income percentage can be more than 100%.

NOTE: The income percentage can exceed 100%. For example, a taxpayer realizes a \$50,000 gain from the sale of real property in New Jersey and sustains a \$10,000 loss from the sale of property in Florida. This nonresident (who has no other income) reports \$40,000 as his/her income from everywhere (Column A) and \$50,000 as income from New Jersey sources (Column B). The income percentage is 125% (or 1.25) calculated as follows: \$50,000 (Line 29, Column B) divided by \$40,000 (Line 29, Column A).

Line 40: New Jersey Tax

Multiply the amount on Line 38 by the income percentage on Line 39, and enter the result on Line 40. This is your New Jersey tax.

Line 41: Sheltered Workshop Tax Credit

Enter your Sheltered Workshop Tax Credit for the current year from Part IV, line 12 of Form GIT-317. Enclose Form GIT-317 with your return.

Line 42: Balance of Tax

Subtract Line 41 from Line 40 and enter the result on Line 42.

Line 43: Penalty for Underpayment of Estimated Tax

New Jersey's Income Tax is a "pay-as-you-go" tax. You must pay the tax as you earn or receive income throughout the year. If you do not pay enough tax on your income, you may owe interest (see "Estimated Tax" on page 11).

To calculate the amount of interest for the underpayment of estimated tax, complete Form NJ-2210, Underpayment of Estimated Tax by Individuals, Estates or Trusts. Enter on Line 43 the amount of interest due from line 19, Form NJ-2210. Check the box at Line 43 and enclose Form NJ-2210 with your return.

Line 44: Total Tax and Penalty

Add Lines 42 and 43 and enter the total on Line 44.

Line 45: Total New Jersey Income Tax Withheld

Enter the total New Jersey Income Tax withheld as shown on your W-2, W-2G, and/or 1099 statement(s). These statements must include your Social Security number. If your Social Security number is missing or incorrect, you must get a corrected statement from your employer/payer. If you have not received a W-2 or 1099 form by February 15, or if the form you received is incorrect, contact your employer/payer immediately.

UI/WF/SWF; DI; FLI Credits (Lines 48–50)

You can take credit for excess unemployment insurance(UI)/workforce development partnership fund(WF)/supplemental workforce fund (SWF) contributions, disability insurance (DI) contributions, and/or family leave insurance (FLI) contributions withheld by two or more employers. The maximum employee contributions were:

- UI/WF/SWF — \$142.38;
- DI — \$80.40;
- FLI — \$33.50.

If you had two or more employers and you contributed more than the maximum amount(s), you must enclose a completed Form NJ-2450 with your return to claim the credit. If you had only *one* employer, you cannot file Form NJ-2450. If any single employer withheld more than the maximum amount(s), you must contact that employer for a refund.

To claim this credit on your NJ-1040NR, all information on Form NJ-2450 **must** be substantiated by W-2 statements or the claim will be denied. The amounts of UI/WF/SWF contributions, DI contributions, and FLI contributions withheld must be reported separately on all W-2 statements. The employer's New Jersey taxpayer identification number or approved private plan number also must be shown. (See sample W-2 on page 17.)

If your Income Tax credit is denied because **all** New Jersey Department of Labor and Workforce Development requirements are not met, you must re-file your claim using their Form UC-9A, "Employee's Claim for Refund of Excess Contributions." Also see the instructions for Form NJ-2450.

Part I: Disposition of Property (Lines 57–60)

Report your capital gains and income from the sale or exchange of any property (both inside and outside New Jersey). You can deduct expenses of the sale and your basis in the property. The basis to be used for calculating gain or loss is the cost or adjusted basis used for federal income tax purposes.

If you sold or transferred real property in New Jersey and were required to make estimated tax payments in connection with the sale or transfer, be sure to include such payments on Line 46. Enclose a copy of Form GIT/REP-1, Nonresident Seller’s Tax Declaration, with the return.

NOTE: Certain gains or losses from the disposition of property owned by a business (sole proprietorship, partnership, or S corporation) or an estate or trust must be reported in other income categories on Form NJ-1040NR — not in Part I, Disposition of Property. See “Gains/Losses to be Reported on Other Lines” on page 31 before you complete Part I.

New Jersey and federal depreciation and expense deduction limits are different. A New Jersey depreciation adjustment may be required for assets placed in service on or after January 1, 2004. Complete the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP to calculate the adjustment.

The New Jersey allowable IRC Section 199 deduction must be calculated on Form 501-GIT, Domestic Production Activities Deduction. You should take the result into consideration when calculating

the gain or loss on disposition of applicable property.

If you had an interest in a partnership, sole proprietorship, or S corporation that sold or disposed of virtually all of its assets in conjunction with the **complete liquidation** of the entity, then you must report your portion of the gain or loss from the sale or disposition of those assets in Part I.

If you sold an interest in a partnership, a sole proprietorship, or rental property, you may be required to use a New Jersey adjusted basis. If you sold shares in an S corporation, you **must** use your New Jersey adjusted basis. You must report the gain or loss from your sale or liquidation of a sole proprietorship, a partnership interest, or shares of S corporation stock in Part I.

For information on calculating your New Jersey adjusted basis and your New Jersey reportable gain or loss, refer to rules N.J.A.C. 18:35-1(c)(5) (trade or business property), 18:35-1.3(d)(2) (partnerships), or 18:35-1.5(k) (S corporations) and Tax Topic Bulletins GIT-9P, *Income From Partnerships*, or GIT-9S, *Income From S Corporations*.

All gains from installment sales must be reported in the same year as they are reported for federal purposes. If the New Jersey basis is different from the federal basis, you must make a New Jersey installment sale calculation and report the New Jersey gain.

If you need more space, enclose a statement with the return listing any additional transactions.

Sale of a Principal Residence. If you sold your principal residence, you may qualify to exclude all or part of the gain from your income. Capital gain is calculated the same way as for federal purposes. Any amount that is taxable for federal purposes is taxable for New Jersey purposes.

1. You can exclude up to \$250,000 of the gain if you met **all** of the following requirements:

- ♦ *Ownership Test:* You owned the home for at least 2 years during the 5-year period ending on the date of the sale.
 - ♦ *Use Test:* You lived in the home as your principal residence for at least 2 years during the 5-year period ending on the date of the sale.
 - ♦ During the 2-year period ending on the date of the sale, you did not exclude gain from the sale of another home.
2. If you are filing a joint return, you can exclude up to \$500,000 of the gain if:
- ♦ Either you or your spouse met the Ownership Test; **and**
 - ♦ **Both** you and your spouse met the Use Test; **and**
 - ♦ During the 2-year period ending on the date of the sale, neither you nor your spouse excluded gain from the sale of another home.

If only one spouse met the Ownership and Use Tests, that qualified spouse can exclude up to \$250,000 of the gain.

3. You can claim a reduced exclusion for New Jersey purposes if, during the 5-year period ending on the date of sale:
- ♦ You owned and used the property as your principal residence for less than 2 years, and you qualify for a reduced federal exclusion; or
 - ♦ You used the exclusion within 2 years of the sale of your principal residence, and you qualify for a reduced federal exclusion.

In both cases, the sale must have been due to: a change in place of employment, health, or unforeseen circumstances.

Gains/Losses to be Reported on Other Lines. If you had a gain or loss from the disposition of property owned by a business or an estate or trust, *do not report it in Part I: Disposition of Property.* Your portion of the gain or loss from these sources will be included as follows:

- ♦ *Sole proprietorship:* Schedule NJ-BUS-1, Part I.
- ♦ *Partnership:* Schedule NJ-BUS-1, Part III.
- ♦ *S Corporation:* Schedule NJ-BUS-1, Part IV.
- ♦ *Estate or Trust:* Form NJ-1040NR, Line 25 (Grantor Trusts, see the instructions for Line 25).

Line 57: List of Transactions

List any reportable transaction(s) from your federal Schedule D, indicating the gain or loss for each transaction in Column f. In listing the gain or loss on disposition of rental property, you must take into consideration the New Jersey adjustment from Worksheet GIT-DEP, Part 1, line 6.

There is no distinction between active and passive losses for New Jersey purposes. You cannot carry back or carry forward such losses when reporting income on Form NJ-1040NR. You can deduct federal passive losses in full in the year incurred against any gain within the **same category** of income, but only in the year that it occurred.

Line 58: Capital Gains Distributions

Enter your capital gains distributions from Form 1099-DIV(s) or similar statement(s). To determine your New Jersey profit or loss, first complete a federal Schedule C (or Schedule C-EZ or F) for each business. Use the same accounting method (cash or accrual) that you used for federal purposes. Then, make the following adjustments:
