2022 Senior Freeze (Property Tax Reimbursement) Recipients. If you applied for and received a 2022 Senior Freeze, you should have received a personalized application (Form PTR-2) preprinted with information you provided last year. If you qualify for a 2023 Senior Freeze, use the personalized application. If you have not received your personalized application, call 1 (800) 882-6597.

Introduction

The Senior Freeze (Property Tax Reimbursement) program reimburses senior citizens and disabled persons for property tax increases. For applicants who met **all** the eligibility requirements for 2022, and again for 2023, the amount of the 2023 reimbursement will be the difference between the amount of property taxes that were due and paid by the applicant for 2022 and the amount of property taxes that were due and paid for 2023, as long as the amount paid for 2023 was greater than the amount paid for 2022. For mobile home owners, property tax means 18% of the annual site fees paid to the owner of a mobile home park.

Homeowners and mobile home owners who are receiving ANCHOR Benefits and/or Property Tax Credits or Deductions also can receive the Senior Freeze if they meet the eligibility requirements. However, the total of all property tax relief benefits that you receive for 2023 (Senior Freeze, ANCHOR Benefit, Property Tax Deduction for senior citizens/disabled persons, and Property Tax Deduction for veterans) cannot be more than the amount of your 2023 property taxes (or rent/site fees constituting property taxes).

Spouse/Civil Union Partner. Any reference in this booklet to a spouse also refers to a spouse who entered into a valid same-sex marriage in another state or foreign nation and a partner in a civil union (CU) recognized under New Jersey law.

Impact of State Budget

Eligibility requirements, including income limits, and benefits available under the Senior Freeze program are subject to change by the State Budget.

Any changes to the eligibility requirements and benefit amounts for 2023 will not be finalized until the completion of the State Budget that must be

adopted by July 1, 2024. This means that the requirements, including the income limits, that are listed under "Eligibility Requirements" in these instructions may be changed by the State Budget.

For updated information on any budgetary changes to this program, check the Division of Taxation's website at nj.gov/treasury/taxation/ptr or call 1 (800) 323-4400.

Eligibility Requirements

To qualify for the 2023 Senior Freeze, an applicant must meet all of the following requirements. (Also see "Impact of State Budget" above.)

- You must have been age 65 or older as of December 31, 2022, OR actually receiving federal Social Security disability benefit payments on or before December 31, 2022, and on or before December 31, 2023. You do **not** qualify if you (or your spouse) were receiving those benefits on behalf of someone else; **and**
- You must have owned and lived in your home (or have leased a site in a mobile home park on which you have placed a manufactured or mobile home that you own) since December 31, 2019, or earlier (and you still owned and lived in that home on December 31, 2023); **and**
- You must have paid the **full amount** of the property taxes due on your home:
For 2022: By June 1, 2023, **and**
For 2023: By June 1, 2024; **and**
- Your total annual income must have been:
For 2022: \$150,000 or less, **and**
For 2023: \$163,050 or less.

These limits apply regardless of your marital/civil union status. However, if your status at line 1 and/or line 2, Form PTR-1, was married/CU couple, and you lived in the same household, you must combine your incomes for that year.

2023 Form PTR-1 Instructions

You **cannot** apply for a Senior Freeze for a:

- Vacation home or “second home”; **or**
- Property that you rent to someone else; **or**
- Property that consists of more than four units; **or**
- Property with four units or less that contains more than one commercial unit.

You also **cannot** apply if you:

- Received a 100% exemption from paying property taxes as a totally and permanently disabled veteran;
- Made P.I.L.O.T. (Payments-in-Lieu-of-Tax) payments to your municipality. These payments are not considered property taxes.

Life Estate (Life Tenancy). You are considered the owner of the property if you have life estate rights or hold a lease for 99 years or more. You must include with your application a copy of an official document (e.g., deed, lease) establishing your right to occupy the property.

If you moved to your current home between January 1, 2020, and December 31, 2021, AND you applied and were eligible for a reimbursement for property taxes (or mobile home park site fees) paid for the last full tax year that you occupied your previous home, you may be eligible to file a Senior Freeze application for 2023 if you meet all the other eligibility requirements. Go to nj.gov/treasury/taxation/ptr/ptr2year.shtml to see if you qualify, then call the Senior Freeze Hotline at 1 (800) 882-6597 for assistance.

Privacy Act Notification

The federal Privacy Act of 1974 requires an agency requesting information from individuals to inform them why the request is being made and how the information is being used.

The Division of Taxation uses your Social Security number primarily to account for and give credit for tax payments. We also use Social Security numbers in the administration and enforcement of all tax laws for which we are responsible. In addition, the Division is required by law to forward an annual list to the Administrative Office of the Courts containing the names, addresses, and Social Security numbers of individuals who file a New Jersey tax return or property tax benefit application. This list will be used to avoid duplication of names on jury lists.

Completing the Application

Name and Address

Place the peel-off label in the name and address section at the top of the application. You will find your preprinted name and address label inside the insert at the front of this booklet. **Do not use the mailing label if any of the information is inaccurate.** If the information on the preprinted label is incorrect or if you did not receive a preprinted label, print or type your name (last name first), complete address, and ZIP Code in the spaces provided. Include your spouse's name if your marital/civil union status as of December 31, 2023, was married/CU couple. Your check and next year's application will be sent to the address you provide.

Mobile Home Owners will not have a block or lot number.

Line 10a – Multiple Owners

Homeowners. Check “Yes” only if you owned the property that was your main home with someone who was not your spouse — even if the other owner(s) did not live there. For example, you and your sister owned the home you lived in. If you (and your spouse) were the sole owner(s), check “No.”

Mobile Home Owners. If you occupied your mobile home with someone who was not your spouse and shared site fees with them, check “Yes.” If you (and your spouse) were the sole occupant(s), check “No.”

Line 10b – Percentage of Ownership

Homeowners. If you answered “Yes” at line 10a, enter the share (percentage) of the property you (and your spouse) owned.

Example: You and your spouse owned a home with your sister. Your sister did not live with you, and you and your spouse paid all the property taxes. You must enter 50% on line 10b of your application because you and your spouse owned only one-half (50%) of the property. If your sister also is eligible, she must file a separate application.

Mobile Home Owners. If you answered “Yes” at line 10a, enter the share (percentage) of site fees that you (and your spouse) paid.

Line 11a – Multi-Unit Properties

Check “Yes” if your main home was a unit in a multi-unit property that you owned. For example, you owned a property consisting of four residential units and you occupied one of the units as your main home. If the property is not a multi-unit property, check “No.”

“Unit of residential property” means a single, separate dwelling unit that includes complete, independent living facilities for one or more persons. This unit must contain permanent provisions for living, sleeping, eating, cooking, and sanitation, with access to a separate kitchen and bathroom.

NOTE: Residents of condominium complexes, co-ops, and continuing care retirement facilities are not considered to be living in multi-unit properties and should check “No.”

Line 11b – Percentage of Occupancy

If you answered “Yes” at line 11a, enter the share (percentage) of the property that you (and your spouse) used as your main home.

Example: You owned a four-unit property. The units are equal in size, and one of the units was your main home. You occupied one-fourth (25%) of the property as your main home. Enter 25% at line 11b.

NOTE:

- **If the property you owned consists of more than four units, you do not qualify for the**

Senior Freeze, even if one of the units was your main home.

- If the property you owned contains more than one commercial unit, you do not qualify for the Senior Freeze, even if it also includes a residential unit you used as your main home.

2023 and 2022 Property Taxes (Lines 12 and 13)

Homeowners

Check the box if the property spans more than one lot or is located in more than one municipality, or if you paid property taxes on any other nearby unoccupied lots that you use for residential purposes (e.g., empty lot used as a yard, a lot with a garage or parking space). Include taxes assessed and paid on the additional lots on lines 12 and 13.

Enter your total property taxes due and paid on your main home in New Jersey for 2023 on line 12, and for 2022 on line 13. (If you received a senior citizen's deduction, veteran's deduction, Regional Efficiency Aid Program (REAP) credit, and/or Homestead Benefit credit(s) in 2022 or 2023, enter the amount of property taxes actually due and paid before the deduction(s) and/or credit(s) were subtracted.)

If you enclose Form PTR-1A, you must enter on lines 12 and 13 the property tax amounts for 2022 and 2023 from the boxes at line 5 in Part II.

Enter dollars and cents, one digit in each box. Do not use dollar signs or dashes. You must have paid the full amount of 2023 property taxes due by June 1, 2024, and the full amount of 2022 property taxes due by June 1, 2023, to be eligible.

NOTE:

- If you (or your spouse) are a totally and permanently disabled veteran who received a 100% exemption from local property taxes in 2022 or 2023, you are not eligible for a Senior Freeze, even if a portion of the property was rented to a tenant and property taxes were paid on the rented portion.
- If you made P.I.L.O.T. (Payments-in-Lieu-of-Tax) payments to your municipality during

2022 or 2023, these payments are not considered property taxes for purposes of this program.

Residents of cooperative dwelling units and continuing care retirement facilities must get a statement from their management indicating their share of property taxes paid for the residential unit they occupy. Co-op residents can also submit Form PTR-1A Co-op that has been certified by the co-op manager.

Multiple Owners. If you owned your home with someone who was not your spouse, enter for each year the proportionate share of the property taxes for your percentage of ownership listed at line 10b. The shares of ownership of the property are considered to be held equally by all owners. If the shares of ownership are not equal, enclose a copy of your deed or other documentation with your application showing your percentage of ownership.

Example: You and your sister (who lives in another state) are co-owners of a home on which you pay all the property taxes. If the 2023 property taxes totaled \$6,000 and the 2022 property taxes totaled \$5,000, you must indicate at line 10b that you owned 50% of the property, and you must enter \$3,000 ($\$6,000 \times 50\%$) on line 12 and \$2,500 ($\$5,000 \times 50\%$) on line 13. You are only eligible for a proportionate share of the Senior Freeze based on your percentage of ownership in the property. Your sister is not eligible for the Senior Freeze for this home because she does not live there.

Multiple Units. If your main home was a unit in a multi-unit property that you owned, enter for each year the proportionate share of the property taxes for the unit you occupied as your main home.

Example: You own a four-unit property. If the 2023 property taxes for the entire property totaled \$4,000 and the 2022 property taxes totaled \$3,800 and you indicated at line 11b that you occupied 25% of the property (one unit), you must enter \$1,000 ($\$4,000 \times 25\%$) on line 12 and \$950 ($\$3,800 \times 25\%$) on line 13. You are only eligible for a proportionate share of the Senior Freeze based on the portion of the property that you occupied as your main home, even if you paid all of the property taxes.

2023 Form PTR-1 Instructions

Multi-Unit Property With Multiple Owners. If you answered “Yes” at both lines 10a and 11a for 2022 or 2023, use the percentage of occupancy on line 11b to calculate your proportionate share of property taxes.

Mobile Home Owners

Enter your property taxes due and paid on your main home in New Jersey for 2023 on line 12, and for 2022 on line 13. (For mobile home owners, property taxes are 18% of the annual site fees due and paid to the owner of the mobile home park.) If you lived with someone who was not your spouse and shared the site fees with them, use the percentage entered on line 10b to calculate the proportionate share of the site fees paid by you (and your spouse). Multiply the amount of site fees for each year by 18% (0.18) and enter the result in the boxes at lines 12 and 13.

If you enclose Form PTR-1B, you must enter on lines 12 and 13 the property tax amounts for 2022 and 2023 from the boxes at line 6 in Part III.

Enter dollars and cents, one digit in each box. Do not use dollar signs or dashes. You must have paid the full amount of site fees due for 2023 by December 31, 2023, and the full amount of site fees due for 2022 by December 31, 2022, to be eligible for the Senior Freeze.

Important

You must enclose verification of 2022 and 2023 property taxes (or mobile home park site fees) due and paid with Form PTR-1. See page 3 for acceptable forms of proof.

Reimbursement Amount (Line 14)

Subtract line 13 from line 12 and enter the result on line 14. Enter dollars and cents, one digit in each box. Do not use dollar signs or dashes. This is the amount of your 2023 Senior Freeze. If the amount on line 14 is zero or less, **you are not eligible, and you should not file this application.**

The total amount of all property tax relief benefits you receive for 2023 (Senior Freeze, ANCHOR Benefit, Property Tax Deduction for senior citizens/

disabled persons, and Property Tax Deduction for veterans) cannot be more than the total amount of property taxes or rent/site fees constituting property taxes paid for 2023 on your main home in New Jersey. (For this purpose, 18% of rent/site fees paid during the year is considered property taxes.) This limitation may affect the amount of your Senior Freeze.

NOTE: Eligibility requirements, including income limits, and benefits available under this program are subject to change by the State Budget. Check the Division of Taxation’s website at nj.gov/treasury/taxation/ptr or call 1-800-323-4400 for updated information. (See “Impact of State Budget” on page 1.)

Under New Jersey law, if you receive a Senior Freeze that is larger than the amount for which you are eligible, you must repay any excess you received. The amount you owe can be deducted from your Senior Freeze, Income Tax refund or credit, or ANCHOR Benefit before a payment is issued.

Signatures

Sign and date your application in blue or black ink. If your 2023 marital/civil union status is married/CU couple, both of you must sign the application. The signatures on the application you file must be original; photocopied signatures are not acceptable. We cannot process an application without the proper signature(s) and will return it to you. This can delay your check.

Daytime Phone Number and/or Email Address.

Providing your daytime phone number and/or email address may help us process your application if we have questions. If you are filing a joint application, you can enter either your or your spouse’s daytime phone number and/or email address.

Tax Preparers. Anyone who prepares an application for a fee must sign the application as a “Paid Preparer” and enter their Social Security number or federal preparer tax identification number. Include the company or corporation name and federal identification number if applicable. A tax preparer who fails to sign the application

or provide a tax identification number may incur a \$25 penalty for each omission. Someone who prepares your application but does not charge you should not sign your application.

Line 20a – Taxable pension, annuity, and IRA distributions/withdrawals

Retirement income such as pensions, annuities, and certain IRA withdrawals is taxable in New Jersey. The New Jersey taxable amount may be different from the federal amount. Enter the taxable portion on line 20a.

Common types of taxable retirement income:

- Pensions from the private sector;
- Federal, state, and local government, and teachers' pensions;
- Keogh plan distributions;
- 401(k) plan distributions;
- Early retirement benefits;
- Amounts reported as pension on Schedule NJK-1, Partnership Return Form NJ-1065;
- Civil Service pensions and annuities, even if based on credit for military service. These are received from the U.S. Office of Personnel Management.

Common types of nontaxable retirement income (do not report on this return):

- Social Security benefits;
- Railroad Retirement benefits;
- Public or private disability pension benefits until the year you turn 65. Beginning with the year you turn 65, the benefits are treated as ordinary pension income;
- U.S. Military pensions and survivor's benefit payments (Most are received from the U.S. Department of Finance and Accounting Service.)

Part-Year Residents. Include only the taxable amounts you received while you were a resident of New Jersey.

Types of Retirement Plans

Retirement plans are either noncontributory or contributory.

Noncontributory. You made no contributions to your plan. Amounts you receive from these plans are fully taxable. Enter the amount from your 1099-R on line 20a.

Contributory (Other Than IRAs). You made contributions to your plan. Contributions are usually made through payroll

deductions and, in general, are taxed when they are made. Contributions made to a retirement plan (other than a 401(k) plan) prior to moving to New Jersey are considered to have been previously taxed. These plans also may include employer contributions and earnings, which have not been taxed.

Since you have already been taxed on your contributions, you must determine which portion of your distribution is taxable and which is excludable. There are two methods of calculating the taxable and excludable amounts: Three-Year Rule Method and General Rule Method. To determine which method to use, complete Worksheet A the year you begin receiving pension and annuity payments.

Note: If you received a distribution from a 401(k) plan, do not complete Worksheet A. See the section on 401(k) plans. If you made a withdrawal from an IRA, do not complete Worksheet A or B. Instead, complete Worksheet C. See the section on IRAs.

Three-Year Rule Method. Use this method if you will recover all your contributions within 36 months from the date you receive your first payment from the plan, and both you and your employer contributed to the plan.

Do not report pension and annuity payments as income on line 20a until you have recovered all of your contributions. Instead, report these amounts on line 20b. Once you have recovered your contributions, the payments you receive are fully taxable and must be reported on line 20a.

General Rule Method. You must use this method if you will not recover your contributions within 36 months from the date you receive your first payment from the plan *or* if your employer did not contribute to the plan. Part of your pension is excludable and part is taxable every year. The excludable amount represents your contributions. Complete Worksheet B in the year you receive your first payment from the plan and keep it for your records. You will need it for calculations in future years. Recalculate the percentage on line 3 of Worksheet B only if your annual pension payments decrease.

Lump-Sum Distributions and Rollovers

When you receive a lump-sum distribution of the entire balance from a qualified employee pension, annuity, profit-sharing, or

(b) If line 3 is less than "0," or your employer did not contribute to the plan, you must use the **General Rule Method**.

*The expected return on the contract is the amount receivable. If life expectancy is a factor under your plan, you must use federal actuarial tables to calculate the expected return. The federal actuarial tables are contained in the Internal Revenue Service's Publication 939, *General Rule for Pensions and Annuities*. Contact the IRS for this publication. If life expectancy is not a factor under your plan, the expected return is found by totaling the amounts to be received.

other plan, any amount that exceeds your previously taxed contributions must be included in your income in the year received. New Jersey has no provision for income averaging of lump-sum distributions. Report the taxable amount on line 20a and the excludable amount on line 20b.

If you roll over a lump-sum distribution from an IRA or a qualified employee pension or annuity plan into an IRA or other eligible plan, do not report the rollover on line 20a or 20b if it qualifies for deferral for federal tax purposes. The amount rolled over (minus previously taxed contributions) will be taxable when it is withdrawn.

401(k) Plans

1. Contributions made on or after January 1, 1984, were not taxed when they were made. If all of your contributions were made on or after that date, your distributions are fully taxable unless your contributions exceed the federal limit. If your contributions exceed the federal limit, you must calculate the taxable and excludable portions of your distributions using one of the methods described under contributory plans.
2. Contributions made before January 1, 1984, were taxed when they were made. If you made contributions before that date, you must calculate the taxable and excludable portions of your distributions using one of the methods described under contributory plans.

For more information on pension and annuity income, see GIT-1 & 2, *Retirement Income*.

IRAs

Your IRA consists of contributions, earnings, and certain amounts rolled over from pension plans. In general, your contributions were taxed when they were made and are not taxable when you make a withdrawal. All the earnings and any amounts rolled over tax-free are taxable when withdrawn.

Use Worksheet C to calculate the taxable and excludable portions of your IRA withdrawal. If you made withdrawals from multiple IRAs, you can use a separate worksheet for each or combine all IRAs on one worksheet.

Lump-Sum Withdrawal. If you withdraw the total amount from an IRA, all the earnings and any amounts rolled over tax-free are taxable. You must report these amounts in the year you make the withdrawal.

Periodic Withdrawals. If you make withdrawals over a period of years, the part of the annual distribution that represents earnings is taxable. The amount taxable for New Jersey purposes may be different from the amount you report on your federal return.

For more information on IRA withdrawals, see GIT-1 & 2, *Retirement Income*.

Roth IRAs

Your contributions to a Roth IRA were taxed by New Jersey when they were made. Distributions from a Roth IRA that meet the requirements of a qualified distribution are excludable. Do not include qualified distributions on Form NJ-1040. If you received a nonqualified distribution, you must report the earnings on line 20a, and report the excludable portion on line 20b. A distribution that is considered nonqualified for federal purposes is also considered nonqualified for New Jersey purposes.

If you converted an existing IRA to a rollover Roth IRA during Tax Year 2023, any amount from the existing IRA that would be taxable if withdrawn must be included on line 20a.

For more information on Roth IRAs, see Technical Bulletin TB-44.
