2 Complete a Pre-filled Application

After claiming your GetCoveredNJ account, you will be able to complete your pre-filled application by selecting "Resume Application" button.

NEXT STEPS

You have already started your application for health and dental insurance. You can click on the 'Resume Application' button to complete your application.

- Review your application to confirm pre-filled information and provide additional details. Update your application if it contains outdated information (such as income, tax household members, citizenship or immigration status, etc.) before submitting it.

3 Review Results & Enroll in a Plan

After submitting your application, review your eligibility results and go to the account dashboard. Under Next Steps, you will see:

1. A "Shop for Plans" button. You will be automatically qualified for a Special Enrollment Period;
2. Select "Continue" to shop for a plan.

NEXT STEPS

You have successfully completed your application and confirmed life event. Please click on the button below to start shopping.

- Your coverage will start the first of the month after you enroll in coverage.

4 Choose a Health Plan

Once you see the "Shop for Plans" button, choose a health plan **within the timeframe** on your account dashboard.

5 Pay your first month's Premium

For your coverage to start, you must pay your first month's premium on time.

- You will have 60 days to enroll in coverage through GetCoveredNJ after your referral from the NJ Division of Taxation.
